The Quickening Mar 19 2022 "The Quickening" is the fourth in a series of books on self-empowerment by Stuart Wilde. It discusses the power of the ancient Warrior-Sages, and it teaches you etheric (Life Force) and psychological techniques for

consolidating your energy. "The world of the common man is about to unravel, like never before. I seek the attention of those that are strong and getting stronger. It is only through the power of these "individuals" that the spirituality of the world will survive the hurricanes of change. There is little time." (Stuart Wilde).

The Wild Silence Jul 31 2020 AN INTERNATIONAL BESTSELLER "Heartfelt and heartening ... a full-throated paean to the fundamental importance of nature in all its glory, fury and impermanence." —Wall Street Journal The incredible follow-up to the international bestseller *The Salt Path*, a story of finding your way back home. Nature holds the answers for Raynor and her husband Moth. After walking 630 homeless miles along *The Salt Path*, living on the windswept and wild English coastline; the cliffs, the sky and the chalky earth now feel like their home. Moth has a terminal diagnosis, but together on the wild coastal path, with their feet firmly rooted outdoors, they discover that anything is possible. Now, life beyond *The Salt Path* awaits and they come back to four walls, but the sense of home is illusive and returning to normality is proving difficult - until an incredible gesture by someone who reads their story changes everything. A chance to breathe life back into a beautiful farmhouse nestled deep in the Cornish hills; rewilding the land and returning nature to its hedgerows becomes their saving grace and their new path to follow. *The Wild Silence* is a story of hope triumphing over despair, of lifelong love prevailing over everything. It is a luminous account of the human spirit's connection to nature, and how vital it is for us all.

God's Gladiators Jul 11 2021

The Secrets of Life Aug 24 2022 The thoughts and ideas in this book form the basis of Stuart Wilde's philosophy on how to develop a more liberated mind-set and thus, a more carefree and

delightful life. The thoughts and essays are from his best-selling books as well as his unpublished writings. You can just open the book anywhere and start reading. Usually you'll find that the first few pages you read will feature some helpful hints that are very relevant to some aspect of your current life—somehow synchronicity will always lead you to exactly what you need to know. So if you want your spiritual concepts "short and sweet," then this book will suit you perfectly. As Stuart says, "Any philosophy that you can't haul down to the bank or up to the airport ain't worth having!" Newly revised and updated!

Winners Take All Jun 10 2021 'Entertaining and gripping . . . For those at the helm, the philanthropic plutocrats and aspiring "change agents" who believe they are helping but are actually making things worse, it's time for a reckoning with their role in this spiraling dilemma' Joseph Stiglitz, New York Times Book Review 'In Anand's thought-provoking book his fresh perspective on solving complex societal problems is admirable. I appreciate his commitment and dedication to spreading social justice' Bill Gates An insider's trenchant investigation of how the global elite's efforts to "change the world" preserve the status quo and obscure their culpability Former New York Times columnist Anand Giridharadas takes us into the inner sanctums of a new gilded age, where the rich and powerful fight for equality and justice any way they can - except ways that threaten the social order and their position atop it. We see how they rebrand themselves as saviours of the poor; how they lavishly reward "thought leaders" who redefine "change" in winner-friendly ways; and how they constantly seek to do more good, but never less harm. But why should our gravest problems be solved by the unelected upper crust instead of the public institutions it erodes by lobbying and dodging taxes? Rather than rely on scraps from the winners, Giridharadas argues that we

must take on the gruelling democratic work of building more robust, egalitarian institutions. Trenchant and revelatory, **Winners Take All** is a call to action for elites and citizens alike. **The Trick to Money is Having Some** Jun 22 2022 "Money making is not a serious business. It is a game that you play. At first it may seem that it is a game that you play with forces outside yourself--the economies of the market place so to speak--but as you proceed you discover it is actually a game you play with yourself."--Stuart Wilde. Stuart Wilde's money book, his fifth work, deals with the E.S.P. of easy money and the art of being in the right place at the right time, with the right idea and the right attitude. Like his other highly successful books, this work is full of useful information. His breezy and comical style make for effortless reading, as you plot your path to complete financial freedom.

Ancient Legends, Mystic Charms, and Superstitions of Ireland May 29 2020

Sixth Sense Feb 18 2022 It's a marvelous thing to know that you have the courage, discipline, and follow-through to enliven your consciousness. In this groundbreaking book, Stuart Wilde brings to light new and compelling information about the sixth sense and tells you how to develop it. He defines this sixth sense as sacred energy that taps you into the state of all-knowing. Once you discover the sixth sense/etheric point of view, it opens the energy centers in your subtle body and you take on more light, going naturally from stiff to pliant, flowing with life rather than struggling with it. Stuart tells us in **Sixth Sense** that "what you need is inner power, a personal charisma, a spiritual power, an extrasensory perception that makes you bigger than life. You garner that energy through compassion, kindness, introspection, and solidity." After reading this book, your perception of life in all its subtlety and vastness will reach beyond the mundane to a

special level of spirituality.

Grace, Gaia, and The End of Days Feb 06 2021 In this book, Stuart Wilde gives you the keys to levels of metaphysical comprehension and sophistication not normally understood. Stuart says that we are in the Kali Yuga, the Age of Destruction, when the self-correcting intelligence of the planet (Gaia) will take back Earth on behalf of the animals, nature, and the little children. He says there are battles currently raging in the spiritual worlds between the forces of light and the ghouls (dark entities) in order to free us all. He describes a power he calls the Solar Logos, which he says comes to Earth to deliver a rebirth he calls the Renewal. As such, he calls this time the "End of Days"—not because the world will end, but because it is the end of the world as we know it.

Infinite Self Sep 25 2022 In *Infinite Self: 33 Steps to Reclaiming Your Inner Power*, Stuart Wilde teaches you how to consolidate your inherent power and transcend all limitations by releasing yourself from the constraints of your ego. Your ego traps you, according to Stuart, and it is never happy for long, always wanting more, whether it's a new job, new relationship, or bigger bank account.

Affirmations Nov 22 2019 This inspirational book serves as a magnificent battle plan, where you learn to expand the power you already have in order to win back absolute control of your life.

The Gods of Gotham Oct 14 2021 One of Publishers Weekly's Top Ten Mystery/Thrillers of the Year One of Kirkus Reviews' Ten Best Crime Novels of the Year One of Gillian Flynn's "Recommendations for the Season" on Today Edgar(R) Award Nominee for Best Novel ALA Reading List Award for Best Mystery 1845: New York City forms its first police force. The great potato famine hits Ireland. These two events will change

New York City forever... Timothy Wilde tends bar, saving every dollar in hopes of winning the girl of his dreams. But when his dreams are destroyed by a fire that devastates downtown Manhattan, he is left with little choice but to accept a job in the newly minted New York City Police Department. Returning exhausted from his rounds one night, Tim collides with a girl no more than ten years old... covered in blood. She claims that dozens of bodies are buried in the forest north of Twenty-Third Street. Timothy isn't sure whether to believe her, but as the image of a brutal killer is slowly revealed and anti-Irish rage infects the city, the reluctant copper star is engaged in a battle that may cost him everything...

The Happy Prince and Other Tales Feb 24 2020 The Happy Prince and Other Tales was written by Victorian author Oscar Wilde and illustrated by Walter Crane and Jacomb Hood.?

Love in a Dark Time Jan 05 2021 A collection of linked essays about homosexual literature considers its most influential writers of the past two centuries--including Oscar Wilde, Thomas Mann, James Baldwin, Elizabeth Bishop, Mark Doty, and Thom Gunn--and how many of them were forced to hide the truth about their private lives. Reprint. 12,500 first printing.

Mad, Bad, Dangerous to Know Apr 08 2021 'A father...is a necessary evil.' Stephen Dedalus in Ulysses In *Mad, Bad, Dangerous to Know* Colm Tóibín turns his incisive gaze to three of Ireland's greatest writers, Oscar Wilde, W.B. Yeats and James Joyce, and their earliest influences: their fathers. From Wilde's doctor father, a brilliant statistician and amateur archaeologist, who was taken to court by an obsessed lover in a strange premonition of what would happen to his son; to Yeats' father, an impoverished artist and brilliant letter-writer who could never finish a painting; to John Stanislaus Joyce, a singer, drinker and story-teller, a man unwilling to provide for his large family,

whom his son James memorialised in his work. Colm Tóibín illuminates not only the complex relationships between three of the greatest writers in the English language and their fathers, but also illustrates the surprising ways they surface in their work.

The Force Mar 07 2021 In this book, Stuart Wilde explains that the Force is a part of each and every thing in the physical plane. This includes our planet, the stars and galaxies, and the physical universe . . . as it stretches out into space, beyond our perception. By its very nature the Force is immortal and never-ending. Because it is the inner light or "livingness" within all things, we call it universal.

Weight Loss for the Mind Jan 17 2022 Stuart shows how many of the opinions in our society that cause us anguish can be released through some psychological and spiritual understanding. He reveals the techniques that can help liberate you from the perceptions of others and, thus, set you FREE!

The Force Apr 20 2022 The Force that Stuart describes is magnanimous beyond description - perhaps you might want to call it God. It is growing, dynamic, and has an inner drive or desire to become more of itself.

Silent Power Oct 26 2022 Silent Power, like its bestselling predecessor *Life Was Never Meant to be a Struggle*, is a tiny book filled with practical advice on living more fully using your "silent power." Author Stuart Wilde claims that there is a silent power within you, an inner knowing that grows because you understand its infinity. Silent power teaches you hour by hour; it is with you this very minute! As you begin to trust your power, it can lead you step by step to the next person and place in your life.

The Ballad of Reading Gaol Aug 12 2021 "Like two doomed ships that pass in storm We had crossed each other's way: But we made no sign, we said no word, We had no word to say."

Oscar Wilde was a married man with children, who had homosexual affairs. Since his sexual preference was considered taboo, not to mention illegal, in the Victorian era, he was famously sentenced to two years in prison for gross indecency. The Ballad of Reading Gaol tells the story of an execution he witnessed while there of a man who killed his wife. It is powerful and haunting, and Wilde's pain seeps through with every word. Oscar Wilde (1854-1900) was an Irish playwright, novelist, essayist, and poet, famous for 'The Picture of Dorian Gray' and 'The Importance of Being Earnest' to name a couple. He was believed to be gay and met a lot of resistance in his life on that account. He died in Paris at the age of 46.

Classical Culture and Modern Masculinity Dec 04 2020 For nineteenth-century thinkers in Germany and Britain, who looked to Greece as the acme of past civilization, the Greeks' enjoyment of pederasty presented a problem. Daniel Orrells's study explores the way in which this awkward issue was negotiated.

The Three Keys to Self-Empowerment Jul 23 2022 Three of Stuart Wilde's bestselling books are included in this self-empowering anthology: *Miracles*, *Life Was Never Meant to be a Struggle*, and *Silent Power*. "These keys to empowerment are simple to understand and easy to put into effect; it's very much a matter of changing your mind and opening up to allow the power of the life force within you carry you along. It's all there waiting for you, and as you come to comprehend it better, people respond to your newfound energy. Suddenly, old blocks and frustrations fall away, and you find yourself better connected to the universal flow of things, your path becomes straighter, and people come forward to help you make new connections. Overall, good things come to you as they should...miraculously." -Stuart Wilde

Miracles May 21 2022 With this powerful book, bestselling

author Stuart Wilde shows you that to create miracles, you have to be very clear about what it is you want. By being forthright and acting as if you have already obtained the object or condition that you desire, you create such a powerful energy that the Universal Law gives you whatever you are seeking.

Birth Control Battles Sep 13 2021 Conservative and progressive religious groups fiercely disagree about issues of sex and gender. But how did we get here? Melissa J. Wilde shows how today's modern divisions began in the 1930s in the public battles over birth control and not for the reasons we might expect. By examining thirty of America's most prominent religious groups—from Mormons to Methodists, Southern Baptists to Seventh Day Adventists, and many others—Wilde contends that fights over birth control had little to do with sex, women's rights, or privacy. Using a veritable treasure trove of data, including census and archival materials and more than 10,000 articles, statements, and sermons from religious and secular periodicals, Wilde demonstrates that the push to liberalize positions on contraception was tied to complex views of race, immigration, and manifest destiny among America's most prominent religious groups. Taking us from the Depression era, when support for the eugenics movement saw birth control as an act of duty for less desirable groups, to the 1960s, by which time most groups had forgotten the reasons behind their stances on contraception (but not the concerns driving them), *Birth Control Battles* explains how reproductive politics divided American religion. In doing so, this book shows the enduring importance of race and class for American religion as it rewrites our understanding of what it has meant to be progressive or conservative in America.

Great Comedians Talk about Comedy Oct 02 2020

DE PROFUNDIS Jan 25 2020 Oscar Wilde wrote I don't defend

my conduct, I explain it, when he was imprisoned in Reading Gaol in 1895 for his violation of England's stringent laws against homosexuality. Wilde's notorious liaison with the Marquess of Queensberry's son, Lord Alfred Douglas (Bosie), had so inflamed the Marquess that he made public attacks on Wilde's character and morals. In return, Wilde sued for slander, an action which, to Wilde's bitter astonishment, led to a series of scandalous trials and convictions. From his cell in prison, Oscar Wilde wrote *De Profundis*, the detailed and unsparing revelation of his love and tragedy.

The Picture of Dorian Gray Oct 22 2019 Is the price of eternal youth worth a man's soul? The exceptionally handsome Dorian Gray is a model—and the muse—for a young artist, Basil Hallward. Through Basil, Dorian meets Lord Henry Wotton, who values only the pleasurable things in life with no regard for morality. He makes Dorian realize that one day his famed beauty will fade, and he will be left with nothing. Dorian decides to sell his soul so that a portrait of him will age in his place. As he indulges in every vice and selfish whim, his portrait grows increasingly hideous. But will he learn the true cost of his corruption in time to change his ways? This unabridged edition of British playwright Oscar Wilde's only novel, first published in 1891, begins with his famous preface, in which he justifies his artistic philosophy.

Fairytales for Wilde Girls Mar 27 2020 Isolda Wilde sees a lot of things other people don't. But when a dead girl appears at her window, her every word a threat, Isolda needs help. Her real-life friends - Grape, James and new boy Edgar - make her forget for a while. And the mermaids, fairies and magical creatures, seemingly lifted from the pages of the French fairytales Isolda idolises, will protect her with all the fierce love they possess.

Captives Jun 29 2020 The definitive history of America's most

notorious jail and the violent rise of New York City's law-and-order movement *Captives* combines a thrilling account of Rikers Island's descent into infamy with a dramatic retelling of the last seventy years of New York politics from the vantage point of the city's jails. It is the story of a crowded field of contending powers—city bureaucrats and unions, black power activists and guards, crooked cops and elected leaders—struggling for power and influence, a tale culminating in mass incarceration and the triumph of neoliberalism. It is a riveting chronicle of how the Rikers Island of today—and the social order it represents—came to be. Conjuring sweeping cinematic vistas, *Captives* records how the tempo of history was set by bloody and bruising clashes between guards and prisoners, between rank and filers and union bosses, between reformers and reactionaries, and between police officers and virtually everyone else. Written by a one-time Rikers prisoner, *Captives* draws on extensive archival research, decades of journalism, interviews, prisoner testimonials, and firsthand experience to deliver an urgent intervention into our national discussion about the future of mass incarceration and the call to abolish prisons. The contentious debate about the future of the Rikers Island penal colony rolls onward, and *Captives* is a must-read for anyone interested in the island and what it represents.

Oscar Wilde, His Life and Confessions, Volume 1 Sep 20 2019 Purchase one of 1st World Library's Classic Books and help support our free internet library of downloadable eBooks. 1st World Library-Literary Society is a non-profit educational organization. Visit us online at www.1stWorldLibrary.ORG - I was advised on all hands not to write this book, and some English friends who have read it urge me not to publish it. "You will be accused of selecting the subject," they say, "because sexual viciousness appeals to you, and your method of treatment

lays you open to attack. "You criticize and condemn the English conception of justice, and English legal methods: you even question the impartiality of English judges, and throw an unpleasant light on English juries and the English public - all of which is not only unpopular but will convince the unthinking that you are a presumptuous, or at least an outlandish, person with too good a conceit of himself and altogether too free a tongue."

Whispering Winds of Change Aug 20 2019 *Whispering Winds of Change* will appeal to lovers of alternative ideas and philosophies. Stuart Wilde challenges us to stand outside the usual paradigms of consciousness as "fringe dwellers". He asks us to observe the dying throes of what he calls the "world ego" - the embodiment of the manipulative and dominating force of the status quo. With his characteristic candor and wit, he plots a fascinating comparison between the overall global destiny and an individual's personal, sacred, inner journey. Wilde believes through quieting the ego and creating a rotation out of the three-dimensional world of external reality to the fourth dimension of the inner being, we can each offer serenity and healing to ourselves, and the rest of the world. Like his other books, this work is full of compelling ideas, unusual perceptions, and esoteric concepts for individuals who want to progress inwardly, while making a success of their lives in the external world.

Salome's Modernity Sep 01 2020 A study of Oscar Wilde's *Salomé* in modernist and postmodernist literature and culture

The Little Money Bible Dec 16 2021 "It's hard to align with money if you think that it is evil and nasty. But once you come to an understanding that money is neutral, it's easy to see that having money does not necessarily deprive somebody else. There's no reason why you can't be very rich and still be an extremely spiritual and wonderfully generous person—aligned

to the God Force—with a huge heart, and compassion for everyone you meet." — Stuart Wilde

The Silent Treatment Jun 17 2019 A lifetime of love. Six months of silence. One last chance: read the unique and moving Radio 2 Book Club pick, adored by readers and shortlisted for the RNA Debut Romantic Novel of the Year Award. An unforgettable novel about the power of love and the importance of leaving nothing unsaid. 'A remarkable debut' JOJO MOYES 'Beautifully written' WOMAN & HOME 'An unforgettable love story' CATHERINE ISAAC _____

Frank hasn't spoken to his wife Maggie for six months. For weeks they have lived under the same roof, slept in the same bed and eaten at the same table - all without words. Maggie has plenty of ideas as to why her husband has gone quiet, but it will take another heartbreaking turn of events before Frank finally starts to unravel the secrets that have silenced him. Is this where their story ends? Or is it where it begins? READERS ARE FALLING IN LOVE WITH THE SILENT TREATMENT

Simply Wilde Nov 15 2021 A question-and-answer format provides insight into Wilde's views on life, relationships, money, politics, spirituality, and the universe

The Portrait of Mr W.H. Jul 19 2019 "The portrait of Mr W.H." is a short story written by Oscar Wilde and published in Blackwood's magazine in 1891. The story is the attempt by Oscar Wilde to uncover the identity of W.H., the mysterious individual to whom Shakespeare dedicates his Sonnets. Is Wilde's *The portrait of Mr W.H.* a beautiful theory, the most spectacular literary essay ever written, or has Wilde found the answer to one of the most famous English mysteries? Discover *The portrait of Mr W.H.* with its original preface and biography

in this new edition by Les Éditions de Londres.

Born to be Wilde May 09 2021 'Nothing gets me to a bookstore faster than Eloisa James' Julia Quinn Eloisa James's dazzling new Georgian-set series continues . . . The richest bachelor in England plays matchmaker . . . for an heiress he wants for himself! For beautiful, witty Lavinia Gray, there's only one thing worse than having to ask the appalling Parth Sterling to marry her: being turned down by him. Now the richest bachelor in England, Parth is not about to marry a woman as reckless and fashion-obsessed as Lavinia; he's chosen a far more suitable bride. But when he learns of Lavinia's desperate circumstances, he offers to find her a husband. Even better, he'll find her a prince. As usual, there's no problem Parth can't fix. But the more time he spends with the beguiling Lavinia, the more he finds himself wondering . . . Why does the woman who's completely wrong feel so right in his arms? The third book in New York Times bestselling Eloisa James's new series, the Wildes of Lindow Castle, is perfect for fans of Julia Quinn's *Bridgertons* and Eloisa's *Desperate Duchesses* The Wildes of Lindow Castle series: *Wilde in Love* *Too Wilde to Wed* *Born to Be Wilde* Say No to the Duke Praise for Eloisa James: 'Eloisa James is extraordinary' Lisa Kleypas 'Smart heroines, sensual heroes, witty repartee and a penchant for delicious romance have made James a fan favorite . . . readers will be hooked from beginning to end' RT Book Reviews 'Romance writing does not get much better than this' People 'Eloisa James writes with a captivating blend of charm, style, and grace that never fails to leave the reader sighing and smiling and falling in love' Julia Quinn 'Charming, romantic and unexpectedly funny' Kirkus

The Last Lie Apr 27 2020 Language and life as the people in Ark know it is still in danger. Under new rule of an even crueler leader, Letta and the rest of the rebels must somehow defeat the

evil--but this time, there is a price on Letta's head. She must uncover the ledger of all the words the Wordsmith had archived and foil the evil plots to destroy language forever.

Going Off Script Nov 03 2020 A TV writer's room intern must join forces with her crush to keep her boss from ruining a lesbian character in this diverse contemporary YA romance from the author of *Queens of Geek*. Seventeen-year-old Bex is thrilled when she gets an internship on her favorite tv show, *Silver Falls*. Unfortunately, the internship isn't quite what she expected... instead of sitting in a crowded writer's room volleying ideas back and forth, Production Interns are stuck picking up the coffee. Determined to prove her worth as a writer, Bex drafts her own script and shares it with the head writer—who promptly reworks it and passes it off as his own! Bex is understandably furious, yet...maybe this is just how the industry works? But when they rewrite her proudly lesbian character as straight, that's the last straw! It's time for Bex and her crush to fight back. Jen Wilde's newest novel is both a fun, diverse love story and a very relevant, modern take on the portrayal of LGBT characters in media. Praise for Jen Wilde: "The book deals head on with issues of mental health, body shaming, sexuality, and internet celebrity, handling them with a delicate and skillful touch."

—Teen Vogue on *Queens of Geek* "This is the geeky, queer book of our dreams." —Seventeen on *Queens of Geek*

Silence and Silences Dec 24 2019 A meditation on the infinite search for meanings in silence, from Wallis Wilde-Menozzi, the author of *The Other Side of the Tiber* and *Mother Tongue*. We need quiet to feel nothing, to hear silence that brings back proportion and the beauty of not knowing except for the outlines of what we live every day. Something inner settles. The right to silence unmediated by social judgment. Sitting at a table in an empty kitchen, peeling an apple, I wait for its next

transformation. For a few seconds, the red, mottled, dangling skin unwinds what happened to it on earth. Wallis Wilde-Menozzi set out to touch silence for brief experiences of what is real. In images, dreams, and actions, the challenge leads to her heart as a writer. The pages of *Silence* and *Silences* form a vast tapestry of meanings shaped by many forces outside personal circumstance. Moving closer, the reader notices intricacies that shift when touched. As the writer steps aside, there is cosmic joy, biological truth, historical injustice. The reader finds women's voices and women's silences, sees Agnes Martin's thin, fine lines and D. H. Lawrence's artful letters, and becomes a part of Wilde-Menozzi's examination of the ever-changing self. COVID-19 thrusts itself into the unbounded narrative, and isolation brings with it a new kind of stillness. As Wilde-Menozzi writes, "Reading a book is a way of withdrawing into silence. It is a way of seeing and listening, of pulling back from what is happening at that very moment." The author has created a record of how we tell ourselves stories, how we think and how we know. Above all, she has made silence a presence as rich as time on the page and given readers space to discover what that means to a life.
