Empowerment Series: Human Behavior in the Social Environment: A Multidimensional Perspective Mar 13 2021 This lively, comprehensive introduction to human behavior in the social environment offers an integrative approach to biopsychosocial case formulations of current and developmental human behavior concerns. The sixth edition builds on prior efforts in promoting integrative assessments by adopting a specific method for completing case formulations that students apply to case studies in the book's developmental chapters. This innovation provides students with a bridge to the core competencies and recommended practice behaviors outlined in the 2015 Educational Policy and Accreditation Standards (EPAS) set by the Council on Social Work Education (CSWE), thus helping them connect foundation knowledge with practice concerns. Guidelines for practice and relevant assessment tools are identified for specific life tasks and for each phase of biopsychosocial development. This edition also offers concrete methods for the translation of developmental research to assessment practices. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Perspectives on Argument Nov 01 2022 For courses in English. Learn the skill of rational argument. Perspectives on Argument teaches you strategies for critical thinking, critical reading, research, and writing that will help you participate in all types of argument. The 9th Edition extends beyond reading, visual and multimodal argument into the timely topic of online argument. Students will encounter argument at home, school and on the job. This book arms you with the tools you need to identify controversial topics, form opinions and reactions to text and pictures, and write persuasive papers that express their viewpoints. The book also follows the premise that not all arguments involve right and wrong. Students will learn skills like finding common ground, consensus, withholding opinions, negotiating, and even changing beliefs when they can no longer make a case for them. Perspectives on Argument, 9th Edition is also available via Revel(tm), an interactive learning environment that enables students to read, practice, and study in one continuous experience. Learn more.

Gender Roles Dec 10 2020 Offers a sociological perspective of gender that can be applied to our lives. Focusing on the most recent research and theory—both in the U.S. and globally—Gender Roles, 6e provides an in-depth, survey and analysis of modern gender roles and issues from a sociological perspective. The text integrates insights and research from other disciplines such as biology, psychology, anthropology, and history to help build more robust theories of gender roles.

[Hospital and Healthcare Security](#) Oct 08 2020 Hospital and Healthcare Security, Fifth Edition, examines the issues inherent to healthcare and hospital security, including licensing, regulatory requirements, litigation, and accreditation standards. Building on the solid foundation laid down in the first four editions, the book looks at the changes that have occurred in healthcare security since the last edition was published in 2001. It consists of 25 chapters and presents examples from Canada, the UK, and the United States. It first provides an overview of the healthcare environment, including categories of healthcare, types of hospitals, the nonhospital side of healthcare, and the different stakeholders. It then describes basic healthcare security risks/vulnerabilities and offers tips on security management planning. The book also discusses security department organization and staffing, management and supervision of the security force, training of security personnel, security force deployment and patrol activities, employee involvement and awareness of security issues, implementation of physical security safeguards, parking control and security, and emergency preparedness. Healthcare security practitioners and hospital administrators will find this book invaluable. FEATURES AND BENEFITS: * Practical support for healthcare security professionals, including operationally proven policies, and procedures * Specific assistance in preparing plans and materials tailored to healthcare security programs * Summary tables and sample forms bring together key data, facilitating ROI discussions with administrators and other departments * General principles clearly laid out so readers can apply the industry standards most appropriate to their own environment NEW TO THIS EDITION: * Quick-start section for hospital administrators who need an overview of security issues and best practices

Looseleaf for The Humanistic Tradition, Book 6: Modernism, Postmodernism, and the Global Perspective Apr 13 2021 Understanding that a global humanities course is taught in varying ways, Gloria Fiero redefines the discipline for greater flexibility with the 7th Edition of The Humanistic Tradition. Enhanced by McGraw-Hill Education 's LearnSmart® and SmartBook®, Fiero delivers a learning experience tailored to the needs of each institution, instructor, and student. With the ability to incorporate new extended readings, streaming music, and artwork, The Humanistic Tradition renews the understanding of the relationship between world cultures and humankind 's creative legacy. Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need, when they need it, so that your class time is more engaging and effective. It provides tools that make assessment easier, learning more engaging, and studying more efficient.

[Introduction to Counseling](#) Aug 18 2021 Introduction to Counseling by Michael Scott Nystul provides an overview of counseling and the helping professions from the perspective of art and science—the science of counseling that generates a knowledge base proven to promote competency and efficacy in the practitioner, and the art of using this knowledge base to build skills that can be applied sensitively to clients in a multicultural society. The Fifth Edition has been organized into three sections: (1) an overview of counseling and the counseling process, (2) multicultural counseling and counseling theories, and (3) special approaches and settings. It continues to address key topics and issues, including gender, culture, and sexual orientation, and offers ways to integrate multiculturalism into all aspects of counseling, rather than view it as a separate entity. Highlighting emerging trends and changes in ethical codes, as well as reflecting the latest updates to the Diagnostic Statistical Manual (DSM-5), the book successfully illustrates the importance of art and science to modern-day counseling.

Sports Marketing Nov 20 2021 Sports Marketing takes a strategic business perspective, keeping pace with the ever-changing environment of the sports world. Organized around a framework of the strategic marketing process that can be applied to the sports industry, it provides an appreciation for the growing popularity of women's sports and the globalization of sport. This edition concentrates on the rising costs, escalating salaries, the price of new stadiums and arenas, and sports ethics versus the incredible appetite of consumers for sports. Extensive treatment is given to understanding consumers as spectators and participants; in addition to planning the sports marketing mix (product, price, promotion, and place), it examines the execution and evaluation of the planning process. An excellent source of information for directors of sports marketing, directors of sports promotion, athletic directors, directors of community/public relations, directors of ticket sales, directors of sponsorship sales, sports marketing coordinators, sports promotion coordinators, and recreation/borough sports directors.

Gender in Cross-Cultural Perspective Oct 20 2021 This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. Introduces students to the most significant topics in anthropology of gender. Gender in Cross-Cultural Perspective is a one-volume reader built on classic contributions to gender and anthropology, incorporating recent literature on gender roles and ideology around the world. It combines theoretically and ethnographically-based essays and is appropriate for undergraduate and beginning graduate students. Learning Goals Upon completing this book readers will be able to: Name the most significant topics in anthropology of gender Discuss the questions raised by the authors in each section Understand issues of gender in industrial society and developing societies Note: MySearchLab does not come automatically packaged with this text. To purchase MySearchLab, please visit: www.mysearchlab.com or you can purchase a ValuePack of the text + MySearchlab (at no additional cost).

Later Life Aug 06 2020 An interdisciplinary introduction to the aging process which uses symbolic interactionism as the main theoretical perspective. Accessible, interdisciplinary coverage with chapters covering a variety of subject matter areas from biology to psychology, from economics to sociology, from political science to religion. Utilizes symbolic interaction perspective to explain behavior problems and an individual's adaptations associated with the process of aging.

Religion in Sociological Perspective Sep 26 2019

Communicable Diseases, 6th Edition Aug 25 2019 Completely updated and revised, and now published in its 6th edition, this book includes 20 chapters providing an essential overview of infectious diseases for almost 25 years. A comprehensive yet synoptic account of infectious diseases, it covers theory, epidemiology and control, then systematically groups diseases by their main means of transmission. There are special chapters on infections in pregnancy and the concern of new and emerging diseases, and an annex lists all 353 diseases in an easy reference table. This edition includes updates to all chapters and a new section on melioidosis. It provides information concisely so it can be found at a glance, includes numerous clear diagrams, bullet points and tables for rapid review and learning, and contains a new full-colour internal design and online lecture slides to facilitate teaching. This book is an essential resource for physicians, medical students and all those in public health, and for healthcare workers needing a comprehensive yet concise practical text.

How to Market Books Jan 11 2021 Baverstock is to book marketing what Gray is to anatomy; the undisputed champion." Richard Charkin, Executive Director of Bloomsbury Publishing and President Elect of the International Publishers Association Over four editions, Alison Baverstock 's How to Market Books has established itself as the industry standard text on marketing for the publishing industry, and the go-to reference guide for professionals and students alike. With the publishing world changing like never before, and the marketing and selling of content venturing into uncharted technological territory, this much needed new edition seeks to highlight the role of the marketer in this rapidly changing landscape. The new edition is thoroughly updated and offers a radical reworking and reorganisation of the previous edition, suffusing the book with references to online/digital marketing. The book maintains the accessible and supportive style of previous editions but also now offers: a number of new case studies detailed coverage of individual market segments checklists and summaries of key points several new chapters a foreword by Michael J Baker, Professor Emeritus of Marketing, Strathclyde University.

The Past in Perspective Oct 27 2019 "A college textbook for the Introduction to Prehistory course"--Provided by publisher.

Fundamental Perspectives on International Law Feb 09 2021 Designed for an undergraduate course in international law, the text may also supplement International Relations, Foreign Policy, International Affairs, World Politics, and Comparative Law courses. A mix of commentary, edited cases, and problems are included. Revisions include three new chapters: International Organizations (Ch. 3), Individuals and Corporations (Ch. 4), and International Environment (Ch. 12). Career Opportunities in International Law is the new Appendix 3. Exhibits graphically illustrating chapter concepts have been added as well as expanded coverage of Sources (Ch. 1), Dispute Resolutions (Ch. 9), and International Business (Ch. 3).

Management and the Arts Jul 05 2020 Management and the Arts, Fourth Edition provides you with theory and practical applications from all management perspectives including planning, marketing, finance, economics, organizational, staffing, and group dynamics ALL related to an arts organization. Whether you are a manager in a theatre, museum, dance company, or opera, you will gain useful insights into management. Topics written especially to help you with your management skills include: " How arts organizations and management evolved " The theories and processes behind strategic planning and decision making " Organizing and organizational design " Staffing and personal relations " The tools and techniques available from communicating effectively and keeping track of information " Budgeting, fundraising, and financial management " Integrating various management theories and practical applications " How to work effectively with boards " Sections on e-marketing and Web marketing " Includes: case studies, statistics, career, and financial information Revised to reflect the latest thinking and trends in managing organizations and people, Management and the Arts, Fourth Edition features class-tested questions in each chapter, which help you to integrate the material and develop ideas as to how the situations and problems could have been handled. Case studies focus on the challenges facing managers and organizations every day, and "In The News" quotes give you real-world examples of principles and theories. Developing career skills and options, graduate and postgraduate training opportunities, and professional organizations and conferences are highlighted.

[Learning Theories](#) Aug 30 2022 For Learning Theory/Cognition and Instruction, Advanced Educational Psychology, and Introductory Educational Psychology courses. An essential resource for understanding the main principles, concepts, and research findings of key learning theories—especially as they relate to education—this proven text blends theory, research, and applications throughout, providing its readers with a coherent and unified perspective on learning in educational settings.

Personality: Classic Theories And Modern Research, 3/E Dec 22 2021

Development and Social Change Sep 18 2021 In this new Sixth Edition of Development and Social Change: A Global Perspective, author Philip McMichael describes a world undergoing profound social, political, and economic transformations, from the post-World War II era through the present. He tells a story of development in four parts—colonialism, developmentalism, globalization, and sustainability—that shows how the global development " project " has taken different forms from one historical period to the next. Throughout the text, the underlying conceptual framework is that development is a political construct, created by dominant actors (states, multilateral institutions, corporations and economic coalitions) and based on unequal power arrangements. While rooted in ideas about progress and prosperity, development also produces crises that threaten the health and well-being of millions of people, and sparks organized resistance to its goals and policies. Frequent case studies make the intricacies of globalization concrete, meaningful, and clear. Development and Social Change: A Global Perspective challenges us to see ourselves as global citizens even as we are global consumers.

Perspectives in Sociology Jul 29 2022 Perspectives in Sociology provides students with a lively and critical introduction to sociology and to the ways in which sociologists are trained to think and work. The subject is presented as a sequence of different perspectives on the social world, all of them interrelated, sometimes in conflict with one another, and all contributing important and necessary insights. The discussion is backed up by extensive reference to empirical studies. This edition has been completely revised. A chapter on critical theory has been added in order to reflect the extensive work and thinking that Marx's basic work continues to stimulate. The chapter on research strategies now takes account of new developments in the philosophy of science that are relevant for sociological approaches. Throughout, the authors have rewritten extensively in their continuing desire to produce clarity, and to respond to the comments of students and teachers.

Careers Apr 25 2022 This comprehensive study of a range of contemporary career issues faced by both individuals and organizations has been revised and updated to reflect the most recent research and trends. The primary thrust of the latest edition is change—organizational change, changes in the work force, and changes in peoples lives. Among the topics discussed are the meaning of work, the implication of change on careers, career planning and management, practical applications of career choice, and organizational support practices. A glossary of terms has also been included to aid in the comprehension of the concepts related to each chapter.

[Community Policing](#) Jun 27 2022 Community policing is a philosophy and organizational strategy that expands the traditional police mandate of fighting crime to include forming partnerships with citizenry that endorse mutual support and participation. The first textbook of its kind, Community Policing: A Contemporary Perspective delineates this progressive approach, combining the accrued wisdom and experience of its established authors with the latest research based insights to help students apply what is on the page to the world beyond. " Spotlight on Community Policing Practice " sections feature real-life community policing programs in various cities, and problem-solving case studies cover special topics. The text has been revised throughout to include the most current developments in the field such as how the current climate of suspicion associated with terrorism threats affects the trust so necessary for community policing, and how the newest technologies can be harnessed to facilitate police interactions with citizens. Additionally, the book now explores the fragmentation of authority and emphasizes the importance of partnerships among the numerous law enforcement agencies, government agencies, and private social service agencies. * Each chapter contains learning objectives, key terms, and discussion questions that encourage comprehension * Video and Internet links provide additional coverage of topics discussed throughout the text. * Includes a Ten Principles of Community Policing addendum

School Finance May 15 2021 Completely updated, 60% revised, this is a clear, concise discussion of how recent research in school finance, resource allocation and use for higher performance, site-based management of schools, and teacher compensation may impact the funding of our nation's schools in the opening years of the new millennium. As a core text for all masters level students of educational administration, this text is the first to use computer simulations to extend the discussions of school finance formulas into the application stage. A password-protected, user-friendly Microsoft Excel (PC and Mac) simulation, available at the McGraw-Hill School Finance Web site, for free download to adopters of the second edition, allows students to manipulate various school finance formulas and analyze their fiscal, political and equity impacts. This updated financial simulation (chapters 4 and 5 and Appendix) provides state data sets (for Illinois, Vermont, and Wisconsin) to allow for real-time comparisons of school finance equity across states. The last five chapters are thoroughly and substantially revised and describe current activities in school finance, recent research, and suggestions for the future. The second edition has revised discussions of important school finance issues: school finance litigation with an extended focus on adequacy (chapter 2), politics in the 1990s and its impact on school finance (chapter 6), allocation and use of educational resources (chapter 6), improving educational productivity (chapter 7), effective use of educational resources (chapter 8), school-based finance mechanisms (chapter 9), performance incentives (chapter 10), teacher compensation (chapter 11), and barriers to reform (chapter 12).

International Human Rights Mar 01 2020 International Human Rights examines the ways in which states and other international actors have addressed human rights since the end of World War II. This unique textbook features substantial attention to theory, history, international and regional institutions, and the role of transnational actors in the protection and promotion of human rights. Its purpose is to explore the difficult and contentious politics of human rights, and how those political dimensions have been addressed at the national, regional, and especially international levels. The fifth edition is substantially updated, rewritten, and revised throughout, including updates on multilateral institutions (especially the UN's Universal Periodic Review process and the Human Rights Council's Special Procedures mechanisms), regional systems, human rights in foreign policy (including a specific chapter on U.S. foreign policy), humanitarian intervention and the "responsibility to protect," and (anti)terrorism and human rights. The book also includes a new chapter on the unity (indivisibility) of human rights. Chapters include discussion questions, case studies for in-depth examination of topics (including new case studies on the U.N. Special Procedures, Myanmar, and Israeli settlements in West-Bank Palestine), and ten "problems" (including new entries on the war in Syria and hierarchies between human rights) tailored to promote classroom discussion.

Adult Development and Aging Nov 28 2019 In this second edition of *Adult Development and Aging: Biopsychosocial Perspectives*, Susan Krauss Whitbourne makes an important contribution to the educational mission of the field by providing accurate and current information and a positive perspective on the years of adulthood and old age. Whitbourne explores the art of successful aging, focusing on how individuals can take an active role in the aging process and make it a rewarding developmental period, filled with vitality and creativity. Now revised with substantially updated references and recent findings, the second edition combines both research and applied perspectives, and integrates information from the biological, cognitive, and psychosocial perspectives as they relate to the middle and later years of adulthood. The text presents a complete picture of the aging process, with enough information on both adulthood and later adulthood to allow instructors to alter their emphasis according to the needs and interests of students.

Policy Analysis Jun 23 2019 This book both introduces and explores the hows and whys of the practices of public policy. It provides really-based practical advice about how to actually conduct policy analysis and demonstrate the application of advanced analytic techniques. A five-part organization emphasizes that policy analysis is client-oriented and raises ethical issues; provides rationales for public policy—describing the limitations to effective public policy and generic policy solutions; gives practical advice about implementing policy analysis; presents several examples illustrating how analysts have approached policy problems and the differences that their efforts have made; and summarizes the role and work of the analyst and challenges the analyst to both "do-well and do-good." For individuals interested in policy analysis and the analytical process.

Geomorphology Jul 25 2019 Now in its sixth edition, *Geomorphology: A Canadian Perspective* offers a comprehensive introduction to the scientific study of landforms, landscapes, and Earth-surface processes. Updated to reflect current research in the field, this authoritative resource integrates broad historical and contemporary discussions of such high-interest topics as glaciers, coastal environments, fluvial processes, landscape management, and climate change. Featuring an abundance of striking photos and figures that bring remarkable landscapes and processes to life, *Geomorphology* continues to help students understand the contributions and practical applications of geomorphological research in Canada and around the world.

Gender Apr 01 2020 *Gender: Psychological Perspectives* synthesizes the latest research on gender to help students think critically about the differences between research findings and stereotypes, provoking them to examine and revise their own preconceptions. The text examines the behavioral, biological, and social context in which women and men express gendered behaviors. The text's unique pedagogical program helps students understand the portrayal of gender in the media and the application of gender research in the real world. Headlines from the news open each chapter to engage the reader. *Gendered Voices* present true personal accounts of people's lives. According to the Media boxes highlight gender-related coverage in newspapers, magazines, books, TV, and movies, while *According to the Research* boxes offer the latest scientifically based research to help students analyze the accuracy and fairness of gender images presented in the media. Additionally, *Considering Diversity* sections emphasize the cross-cultural perspective of gender. This text is intended for undergraduate or graduate courses on the psychology of gender, psychology of sex, psychology of women or men, gender issues, sex roles, women in society, and women's or men's studies. It is also applicable to sociology and anthropology courses on diversity. **Seventh Edition Highlights:** 12 new headlines on topics ranging from gender and the Flynn effect to gender stereotyping that affects men. Coverage of gender issues in aging adults and transgendered individuals. Expanded coverage of diversity issues in the US and around the globe, including the latest research from China, Japan, and Europe. More tables, figures, and photos to provide summaries of text in an easy-to-absorb format. End-of-chapter summaries and glossary. Suggested readings for further exploration of chapter topics. Companion website at www.routledge.com/cw/Brannon containing both instructor and student resources.

Health Policy Issues Jun 15 2021 *Instructor Resources:* Test bank, PowerPoint slides, discussion points for the book's end-of-chapter discussion questions and additional questions and discussion points, teaching tips, chapter overviews, and a transition guide to the new edition. *Healthcare* affects the lives of most Americans and absorbs a large portion of the United States' resources. It also is continually debated, prompting ongoing legislative changes and market restructuring. One of the best ways to understand healthcare, in all its complexity, is from an economic perspective—that is, from the perspective of the financial self-interest of all involved parties. *Health Policy Issues: An Economic Perspective* takes just such an approach. Renowned author Paul J. Feldstein describes the forces that press for change in healthcare and explains why the US health system has evolved to its current state. This book's 38 concise, issue-oriented chapters cover various aspects of the US health system, including the cost of medical care, health insurance, Medicare and Medicaid, physician and nursing shortages, medical school admittance, malpractice reform, prescription drugs, and more. Throughout, the book integrates information about the most significant health policy enacted in many years—the Affordable Care Act (ACA). Discussion questions, key points, and further readings round out every chapter. Thoroughly revised and updated with current data and research findings, this seventh edition includes new and expanded content on the Medicare Access and CHIP Reauthorization Act, physician malpractice reform, employee health benefits, generic drug shortages, political versus economic markets, and much more. The updated content includes three new chapters: "Should Profits in Healthcare Be Prohibited?" discusses the role of profits and the consequences of eliminating profit; "Health Associations and the Political Marketplace" focuses on the types of legislation demanded by different health associations and explores the economic self-interest of each association's members and policy preferences. "The Affordable Care Act: Did It Achieve Its Goals?" examines one of the most important objectives of the ACA—to reduce the number of uninsured Americans—and complements the ACA coverage throughout the book. For 25 years, *Health Policy Issues: An Economic Perspective* has been highly regarded in the field of health policy. By illuminating the intersection of economics and policy, this topical book helps readers gain a better understanding of the ever-changing and multifaceted healthcare delivery system.

Basic Perspective Drawing Sep 30 2022 A brand-new edition of the popular illustrated guide to basic perspective drawing... *Basic Perspective Drawing* uses a clear and accessible visual format to help students and professional artists, illustrators, designers, and architects gain a firm and thorough grasp of the major principles and techniques of perspective drawing. Moving logically from simple concepts to specific tools and methods, it shows how to construct perspective views one step at a time, with illustrated examples that cover every key part of the process. This Third Edition comes with dozens of drawings that make it easy to learn by doing, plus all-new chapters on freehand sketching, scaling the human figure, shading techniques, computer applications, and more. An ideal coursework or self-study companion for students as well as a valuable reference for professionals, *Basic Perspective Drawing, Third Edition* provides an invaluable orientation and foundation for understanding the optical world and how it works.

Professional Nursing Practice Mar 25 2022

Leadership Sep 06 2020 The practical text presents the topic of leadership crisply & cogently—synthesizing a great deal of information in an easy-to-understand form.

Strategy Jan 23 2022 In this book, the fundamental differences of opinion within strategic management are not ignored or smoothed over. The authors carefully guide the students through the many, often conflicting, perspectives in the field of strategy, in order to help them become true strategic thinkers.

Gender Feb 21 2022 This bestselling text presents research about gender and helps students think critically about the differences between research findings and gender stereotypes. It examines the biology and social context in which women and men express gendered behaviors. Defining gender as the behaviors and attitudes that relate to (but are not entirely congruent with) biological sex, the book focuses on research and scholarship to provide the material for a critical review and an overall picture of gender from a psychological perspective. To highlight how research findings can relate to people's lives, the book supplements the review of scholarly research with personal, narrative accounts of gender-relevant aspects of people's lives. To emphasize the cross-cultural perspective of gender, the book including a section on diversity in most chapters but also weaves diversity issues throughout the text. The personal narrative and diversity highlights help to balance the research-based scholarship with the personal experience of gender.

Essential Genetics Nov 08 2020 Completely updated to reflect new discoveries and current thinking in the field, the Fourth Edition of *Essential Genetics* is designed for the shorter, less comprehensive introductory course in genetics. The text is written in a clear, lively, and concise manner and includes many special features that make the book user friendly. Topics were carefully chosen to provide a solid foundation for understanding the basic processes of gene transmission, mutation, expression, and regulation. The text also helps students develop skills in problem solving, achieve a sense of the social and historical context in which genetics has developed, and become aware of the genetic resources and information available through the Internet.

Environmental Change and Challenge 4e / Making Sense in Geography Pack Dec 30 2019 http://www.oup.com/uk/ebooks/academic/geography/index.html#img_src=/images/hed/closerlookbtn.gif Now in a fourth edition, *Environmental Change and Challenge* is a fascinating introduction to the field of environmental studies. Respected geographers Philip Dearden and Bruce Mitchell explore a host of contemporary environmental issues such as drought, flooding, loss of biodiversity, ecosystem toxicity, and crop failure, while also offering a detailed overview of basic scientific concepts. Maintaining the same optimistic tone of previous editions, the text emphasizes that informed global citizens are the key to meeting these challenges and generating positive change. With increased coverage of demography, more international examples, and new material on human health and the environment throughout, this updated edition shows students how environmental concerns impact our daily lives both at home and abroad.

Applied Ethics Jan 29 2020 This best-selling text continues to fill an existing gap in the literature taught in applied ethics courses. As a growing number of courses that include the perspectives of diverse cultures are being added to the university curriculum, texts are needed that represent more multicultural and diverse histories and backgrounds. This new edition enhances gender coverage, as nearly half of the pieces are now authored by women. The new edition also increases the percentage of pieces written by those who come from a non-Western background. It offers twelve up-to-date articles (not found in previous editions) on human rights, environmental ethics, poverty, war and violence, gender, race, euthanasia, and abortion; all of these topics are addressed from Western and non-Western perspectives.

Abnormal Psychology May 03 2020 The Canadian experts speak: Dozois, *Abnormal Psychology 5e* with MySearchLab, now in full-psychedelic colour! *Abnormal Psychology: Perspectives* exemplifies its subtitle by cohesively presenting the numerous individual perspectives of its expert contributors. It presents the differing psychological perspectives by discussing various relevant paradigms with emphasis on the conceptual approaches and therapeutic interventions that have garnered the most empirical support in research literature. As a ground-up Canadian text, it features indigenous case studies, legal and ethical issues, prevention programs, and ground-breaking research, as well as the history of abnormal psychology in this country. The new edition features a new full-colour interior, coverage of the DSM-5 including a disorder-by-disorder comparison with the DSM-IV, three new Canadian contributors, and a new chapter on Sexual Gender Identity Disorder. The organization, level, and features of each chapter have also been standardized to resulting in a more consistent, unified student experience.

International Organizations Jun 03 2020 *Drawing on mainstream and critical theoretical approaches*, *International Organizations* offers a comprehensive examination of international organizations' political and structural role in world politics. This text details the types and activities of international organizations and provides students with the conceptual tools needed to evaluate their effectiveness. Surveying key issue areas from international and human security to trade and the environment, *International Organizations* looks at present and future possibilities for global governance from a broad range of perspectives. New to the Sixth Edition Focused on the seismic shifts caused by the rise of national populism and the effects on the more liberal institutions of global governance. Fully revised throughout with a feature on the EU in the face of Brexit, the Greek financial crisis, and global migration. Adds a new section on the Arab League, expanded coverage of NGOs, and updates on the Paris Climate Accords. Overhauls the chapter on International Security including expanded coverage of the UN's role. Includes a new chapter on Regional Security covering NATO and ECOWAS. Provides new case studies on Syria, Ukraine, SDGs, and the global migration crisis, among several others.

E-COMMERCE : AN INDIAN PERSPECTIVE, Sixth Edition Jul 17 2021 The comprehensive coverage of the Sixth Edition equips students with the latest information on e-commerce—concepts, models, strategies, and techniques that can be used to build useful e-commerce applications. The book features several comprehensive and diverse case studies and data on Indian corporations, as well as multinational companies showing success and failure of their Web-based electronic business models. Coverage of a broad range of topics, including the latest developments in technology as well as taxation issues, makes the book a solid introductory text for the rapidly expanding number of courses in e-commerce for the students of business management and commerce at undergraduate and postgraduate level, and also, for the students pursuing courses in computer applications, information technology and computer science engineering. **KEY FEATURES** • Provides coverage of all elements of e-commerce, including customer relationship, supply chain management, e-payment, e-security, mobile commerce, and Web designing. • Addresses key legal issues related to taxation (including GST), privacy, copyright, and so forth. • Gives the end-of-chapter Internet search exercises to help students develop analytical skills. • Defines key technical terms in the glossary. **NEW TO THE SIXTH EDITION** • Updated tables and figures throughout the book • Mobile business models, which are gaining more importance nowadays • New topics such as business models, search engine optimization, digital payment transition in India, and so on • Augmented sections on social media marketing, security on the Internet, etc. • Completely revamped chapters on ' Information Systems for Mobile Commerce ', ' Legal and Ethical Issues ', and ' E-commerce Laws and Taxation Issues '. **TARGET AUDIENCE** • MBA/PGDM/BBA • MCA/BCA • B.Tech (IT/CSE) • M.Tech (IT) • M.Com/B.Com
