[The Vampire's Past Trilogy Collection](#) Feb 21 2022 No matter how much you try to leave your past behind, it doesn't always leave you... Sean After being hired for my dream job, I move back to the small-minded town where I grew up, for the job and to finish my degree. I'm surrounded by my past, by old classmates, old neighbourhoods and old prejudices against gay people. But on my first day back, my eyes fall on something new around here. A goth guy sitting at the front of the class and I can't keep my eyes off him. Even though I don't know him, I feel like I need to protect him, no matter what. Jules I can't stay in the same place for too long. People start to notice that you don't age, that you don't get older, and add to that that the chance of vampire hunters finding you gets bigger the longer you stay... I know that I'm running out of time in this town. I need to move on. I just need to finish my degree and then I can leave and start over somewhere else. But when my housemate/blood donor turns on me and forces me to leave, I suddenly find myself asking for help from the new guy in our class. Leaving doesn't look as appealing anymore... This is the full collection of novels about vampire Jules and human Sean in The Vampire's Past series. This includes His to Protect, His to Guard and His to Rescue. It takes place in a world of all sorts of creatures, vampires, werewolves, mages and, of course, humans, but there are also hunters, trying to rid the world of the un-humans.

Part of a secret Navy SEAL team of natural-born vampires, Webb reveals an evil cartel has abducted my twin

brother Sam to claim an agent in his blood. But what flows through his veins runs through mine as well. A dormant gene, if activated, is all it will take to transform me into a vampire. Now, that could be my only hope to save Sam. Time is running out, and the stakes couldn't be higher. His life, or my humanity? One way or another, nothing will ever be the same. Book Two: *On the Edge of Eternity* A human boy wants to date me. Another wants to kill me. And a Navy SEAL vampire keeps sending me mixed messages. Yet as I adjust to my novel powers and battle to restrain my vampiric urges, an enemy is closing in. Book Three: *On the Edge of Destiny* I'm days away from standing trial for the death of my nemesis. My next home could be a cold dark cell in a vampire prison, and my DNA is the secret ingredient my enemy needs to build an army of vampires. But nothing can faze me. I have an expert lawyer on my case. The facts are indisputable. My powers are lethal and stronger to combat my enemy, and my relationship with the smoking hot Vampire Navy SEAL, Webb London, is thriving. Until the nightmares begin. Book Four: *On the Edge of Misery* My dreams warned me of the danger coming for Webb. There's a chance they could lead me to him. If I only could fall into a restful sleep that now eludes me. The stress is taking its toll on my body and powers until the phone rings. They say they'll trade my life for his. Warn me that I must come alone. With the watchful eyes of my father and brother, it will be next to impossible to escape. Still, I will stop at nothing to save the man I love. Book Five: *On the Edge of Infinity* War is coming. I've dreamed of it. I feel it deep down in my bones. It's pulsing with a sinister strength deadlier than anything I've faced before. It's time to take a stand. To rise up against my adversaries who want me dead or enslaved. I want a family, an ordinary life, and that fable happy ending with my one true love, Webb. Now, I can only pray we both make it out alive. Praise for the series: "A FANTASTIC series that I was sucked into and binge read the five-book collection!!! Their intensity starts off right away and you're not a chapter in before it takes off like a rocket." Paranormal Romance Junkies "While it is a story about struggle, it is also about love; and doing whatever needs to be done to be with the one you are attracted to. I really enjoyed the dynamic between Gina and Dante. This story has the perfect amount of witty banter, sex, and romance." Books and Beyond Fifty Shades Dark Muse "Gina and Dante had chemistry galore! I liked that we get to be there for their first entertaining meeting and then watch their flirty attraction take off. It's a fast-paced tale and their relationship goes from sweet to very hot quickly! Dark Muse is not just a romantic tale. In addition to Gina's and Dante's love story, the island, itself, is not without danger." Reading Between the Wines "A wonderful continuation of the Chateau Seduction Series. Involves the previous characters, but definitely a stand alone book as well. I love the new (to me) aspect of the paranormal. I often find hot sex scenes are put in merely to enhance the scene, but in these books the romance and sex intertwine and fit perfectly into the story." Long and Short Reviews Dark Stranger ***** FIVE STARS ***** - "I have read the first 2 books in this series and could not wait to get my hands on this one; and I was not disappointed. The thing I love most, is that while this is a story about paranormal creatures, you can still relate to the trial and tribulations that they go through. You can relate to how each character is feeling, even though you are nothing like them." Books and Beyond Fifty Shades

League of Vampires Box Set Apr 13 2021 Three complete books filled with witches, vampires, fae, shades, and sexy characters in swoonworthy romances and nail-biting action. *Redemption* A vampire

slayer by necessity. Anissa Garnet is a vampire. She's also a slayer. Anissa is no stranger to taking out the enemies of her clan leader. Her assignment is simple. Jonah Bourke is not to attend the League of Vampires. Ever. It should have been an easy kill. It should have been one and done. It would have been, if Jonah Bourke hadn't saved her life. An assignment like no other. Vampire clan leader Jonah Bourke is that one. He didn't plan to be a hero. He didn't want to save the life of the slayer that was sent to kill him. Maybe he wouldn't have, if he'd known. Too late now. Anissa just compounded his problems. Not that he didn't have plenty: A rebellious twin who wants to claim leadership of their clan and a litany of supernaturals that want him dead. So what's a vampire to do when he saves the life of the vampire girl sent to kill him? Sanctuary A half-blood by birth. Anissa Garnet is half-fae, half-vampire. And she's not the daughter of just any fae, she's the daughter of Gregor, the leader of the fae. Except now she's made the mistake of walking away from her fae kind. As if that wasn't bad enough, she left her mother's kind—vampires—behind. Now this half-breed has gone rogue, but she hasn't done it alone. Vampire clan leader no more. Jonah Bourke not only stepped down from being a clan leader, he also left behind his entire clan, the one he was destined to rule. All to merge his fate with Anissa, the slayer that had been sent to kill him. New Alliances, old foes. The Sanctum provides more than sanctuary. It provides answers, which sometimes leads to more questions, and then even more threats. Absolution Ancient enemies, newfound coalitions. Anissa's not about to take Jonah's decision to face his enemies alone. This former slayer isn't your average sit on the sidelines kind of girl. New heroes, not so new archenemies. Fane wants forgiveness and allegiance, but not at the cost of the ones he loves most. Certainly, not at the expense of a new soul that is joining his cadre. Needs rarely line up with wants. Philippa's feelings for Vance won't be the end of her, but will they be the end of a loved one?

The award-winning, New York Times bestselling author Colleen Gleason's International Bestselling Gardella Vampire Hunter Series. "Sophisticated, sexy, surprising!" —J.R. Ward "One of my favorite vampire series!" —Jeaniene Frost "Colleen Gleason's irresistible...series is deliciously dark and delightfully entertaining." —Chicago Tribune "Gleason's publishing debut turns vampire stories—and romances—on their ear." —Detroit Free Press Beneath the glitter of dazzling nineteenth century London Society lurks a bloodthirsty evil... Vampires have always lived among them, quietly attacking unsuspecting debutantes and dandified lords as well as hackney drivers and Bond Street milliners. If not for the vampire slayers of the Gardella family, these immortal creatures would have long ago taken control of the world. In every generation, a Gardella is called to accept the family legacy, and this time, Victoria Gardella Grantworth is chosen, on the eve of her debut, to carry the stake. But as she moves between the crush of ballrooms and dangerous moonlit streets, Victoria's heart is torn between London's most eligible bachelor, the Marquess of Rockley, and her dark, dangerous duty. This boxed set starter collection includes: *The Rest Falls Away* *Rises the Night* *The Bleeding Dusk* All five books are now available. ----- Praise for The Gardella Vampire Hunters Series "The Rest Falls Away, Gleason's publishing debut...turns vampire stories--and romances--on their ear with a decidedly dark, decidedly unsentimental Regency heroine who stakes the undead with the best of them." —Detroit Free Press "The undead rise to great heights through Gleason's phenomenal storytelling. She creates a chilling world with the perfect atmosphere of fear and sexual tension." —Romantic Times "Gleason keeps upping the ante with each novel, weaving the characters around her readers with each engaging conversation and narrative, every stage set of all the appropriate gothic gloom and melting beauty." —Book Fetish "...Above all, the writing is what recommends this book most. Gleason's writing is sharp and taut, which makes for excellent action sequences, and a plot that travels quickly from the start. The writing strength alone gives me ample reassurance that this potentially plot-heavy series is in the right hands. I'm definitely looking forward to the next installment." —Smart Bitches, Trashy Books

He needs a healer, and the handsome human he saved knows where he can find one. But Anderson is no human. He's a werewolf, and things get complicated when he mates with Noir. The Vampire and the Shifter Dec 10 2020 A vampire and a wolf shifter fall in love... and they will fight tooth and claw to be together. From USA Today bestselling author Cate Farren. "My name is Alanna. I'm a vampire. I've lived on my own in a cabin in the woods for 150 years. I'd prefer if it stayed that way. One day a critically injured wolf shifter, an alpha called Valko, lands on my doorstep. I have to nurse him back to health, but I didn't have to fall in love with him. We have such passion, such a connection. Now all of a sudden I don't want to be alone. I want to be with him. But there are forces out there working against us, and secrets that could tear our world apart... I will fight for my shifter. He will fight for me. We will be together, no matter what." This paranormal romance is part of the Vampire Inheritance Saga universe, though you don't have to have read any of those to enjoy this as this novel is a prequel and a complete stand-alone novel.
