**Dirty Rendezvous** Jul 24 2019 Modern pinup Master Chas Ray Krider delivers an enthralling body of work with this high quality collection of sex noir imagery. Gorgeous girls dressed up in vintage lingerie, posing shamelessly behind closed doors in slick retro settings; full of exciting interplays between light and shadow which transport you to a world of love, lust and desire. Highly dirty and highly arty at the same time. Be prepared to be blown away! Dirty Rendezvous is a sensual masterpiece. Provocative, sexy and absolutely classy.

**Kentucky Thriller** Jul 28 2022 Eleven-year-old ace detective Laura Marlin finds herself deep in the murky world of race-fixing, trickery and horse thieves in her third mystery adventure, from award-winning author Lauren St John. Laura Marlin's two greatest loves in life are detective novels and animals, so she is ecstatic when her uncle agrees to let her keep a horse after they rescue it, crazed with fear, from an overturned horsebox. But he has a condition. Before he will allow her to adopt it they have to find its former owner, just to ensure that it hasn't been stolen. A visit to Newmarket to investigate the thoroughbred's origins leads Laura to the Kentucky Derby in the US and deep into the murky world of race-fixing.

**Rendezvous at the Russian Tea Rooms** Aug 29 2022 Rendezvous at the Russian Tea Rooms provides the first comprehensive account of what was once hailed by a leading American newspaper as the greatest spy story of World War II. This dramatic yet little-known saga, replete with telephone taps, kidnappings, and police surveillance, centres on the furtive escapades of Tyler Kent, a handsome, womanising 28-year-old Ivy League graduate, who doubles as a US Embassy code clerk and Soviet agent. Against the backdrop of London high society during the so-called Phoney War, Kent's life intersects with the lives of the book's two other memorably flamboyant protagonists. One of those is Maxwell Knight, an urbane, endearingly eccentric MI5 spy. The other is Anna Wolkoff, a White Russian fashion designer.

designer and Nazi spy whose outfits are worn by the Duchess of Windsor and whose parents are friends of the British royal family. Wolkoff belongs to a fascist secret society called the Right Club, which aims to overthrow the British government. Her romantic entanglement with Tyler Kent gives her access to a secret correspondence between President Roosevelt and Winston Churchill, a correspondence that has the potential to transform the outcome of the war.

**The Russia House** Sep 05 2020 Barley Blair is not a Service man: he is a small-time publisher, a self-destructive soul whose only loves are whisky and jazz. But it was Barley who, one drunken night at a dacha in Peredelkino during the Moscow Book Fair, was befriended by a high-ranking Soviet scientist who could be the greatest asset to the West since perestroika began, and made a promise. Nearly a year later, his drunken promise returns to haunt him. A reluctant Barley is quickly trained by British Intelligence and sent to Moscow to liaise with a go-between, the beautiful Katya. Both are lonely and disillusioned. Each is increasingly certain that if the human race is to have any future, all must betray their countries ... In his first post-glasnost spy novel, le Carré captures the effect of a slow and uncertain thaw on ordinary people and on the shadowy puppet-masters who command them. Contains a foreword and afterword by the author.

**Dead Man's Cove** Mar 24 2022 Winner of the 2011 Blue Peter Book of the Year Award, DEAD MAN'S COVE is the first book in a gripping adventure series about eleven-year-old ace detective, Laura Marlin, from award-winning author Lauren St John. When orphaned Laura Marlin moves from a children's home to live with her uncle in Cornwall, she longs for a life of excitement just like the characters in her favourite detective novels. A real life adventure is on hand as she is deposited at her uncle's spooky house. Why does her uncle, Calvin Redfern, forbid her to go to

Accompanied by her trusty companion, Skye, a three-legged husky, the dog she's always wanted, Laura's adventures begin in this first captivating mystery.

*Kimba* Nov 07 2020 Born among the rocks of M'goma Hill, Kimba is nurtured by his mother, fierce, tender Sabba. She teaches him the ways of the plains—the merciless hunt for food and the endless dangers from hyenas, leopards, crocodiles and rival lions. But when strange lions wrestle the pride away from his sire, Black Mane, Kimba must flee for his life to face the struggle for survival alone. Slowly, painfully, he grows fiercer and stronger, and ready at last to challenge for leadership of his old pride and to confront lion's greatest enemy—humans.

**A RUSSIAN RENDEZVOUS** Oct 19 2021 David Hopkins' job as a chemist in a multinational company based in London involves regular travel to Eastern Europe at the height of the Cold War. His business trips behind the "Iron Curtain" come to the attention of British Intelligence who dupe him into acting as a courier on their behalf. He is persuaded by the "spooks" to smuggle Anna, a beautiful and mysterious Russian to the West. They fall in love and secretly marry in England against the express orders of the Security Services. In hiding, to protect his wife from MI6 who have plans for her that will place her in peril, David learns that her father is in internal exile deep in Southern Russia and in mortal danger. Acting independently of the Intelligence community, who he does not trust, he resolves to smuggle him out to the West with the help of a motley crew, which includes his wife. A gripping life and death drama unfolds across Southern Russia and the Transcaucasian Soviet Socialist Republics as David heads for the Iranian border and safety.

Aldrich Ames, and brings to life Agent Les Wiser, Jr., the agent who helped bring him to justice. Aldrich H. "Rick" Ames was a 31-year veteran of the CIA. He was also a Russian spy. By the time Ames was arrested in 1994, he had betrayed the identities of dozens and caused the deaths of ten agents. The notorious KGB (and later the Russian intelligence service, SVR) paid him millions of dollars. Agent Leslie G. "Les" Wiser, Jr. ran the FBI's Nightmover investigation tasked with uncovering a mole in the CIA. The team worked night and day to collect evidence—sneaking into Ames' home, hiding a homing beacon in his Jaguar, and installing a video camera above his desk. But the spy kept one step ahead, even after agents followed him to Bogota, Colombia. In a crazy twist, the FBI would score its biggest clue from inside Ames' garbage can. At the time of his arrest on February 21, 1994, he had compromised more highly-classified CIA assets than any other agent in history. First in the FBI Files, a true-crime series for middle grade readers that follows FBI agents behind the scenes as they work to keep Americans safe.

**Red Roulette** Jun 22 2019 "THE BOOK CHINA DOESN'T WANT YOU TO READ." —CNN SELECTED AS A BEST BOOK OF THE YEAR by THE ECONOMIST and FINANCIAL TIMES This "powerful and disturbing" (Bill Browder, author of Red Notice) New York Times bestseller is narrated by a man who, with his wife, Whitney Duan, rose to the top levels of power and wealth—and then fell out of favor. Whitney had been disappeared four years before, but this book led to her dramatic reemergence. As Desmond Shum was growing up impoverished in China, he vowed his life would be different. Through hard work and sheer tenacity he earned an American college degree and returned to his native country to establish himself in business. There, he met his future wife, the highly intelligent and equally ambitious Whitney Duan who was determined to make her mark within China's male-dominated society. Whitney and Desmond formed an

effective team and, aided by relationships they formed with top members of China's Communist Party, the so-called red aristocracy, he vaulted into China's billionaire class. Soon they were developing the massive air cargo facility at Beijing International Airport, and they followed that feat with the creation of one of Beijing's premier hotels. They were dazzlingly successful, traveling in private jets, funding multi-million-dollar buildings and endowments, and purchasing expensive homes, vehicles, and art. But in 2017, their fates diverged irrevocably when Desmond, while residing overseas with his son, learned that his now ex-wife Whitney had vanished along with three coworkers. This vivid, explosive memoir shows "how the Chinese government keeps business in line—and what happens when businesspeople overstep" (The New York Times) and is a "singular, highly readable insider account of the most secretive of global powers" (The Spectator).

**The Rendezvous, 1907** Jun 26 2022 I was sitting in a birch grove in autumn, near the middle of September. It had been drizzling ever since morning; occasionally the sun shone warmly; the weather was changeable. Now the sky was overcast with watery white clouds, now it suddenly cleared up for an instant, and then the bright, soft azure, like a beautiful eye, appeared from beyond the dispersed clouds. I was sitting looking about me and listening. The leaves were slightly rustling over my head; and by their very rustle one could tell what season of the year it was. It was not the gay, laughing palpitation of spring; not a soft whispering, nor the lingering chatter of summer, nor the timid and cold lisp of late autumn, but a barely audible, drowsy prattle. A faint breeze was whisking over the tree-tops. The interior of the grove, moist from the rain, was forever changing, as the sun shone or hid beyond the clouds; now the grove was all illuminated as if everything in it had burst into a smile; the trunks of the birch trees suddenly assumed the soft reflection of white silk; the small leaves which lay scattered on the ground all at once became variegated and flashed up like red gold; and the pretty stalks of the tall, branchy ferns, already tinted in their autumn hue, resembling the color of overripe grapes, appeared here and there tangling and crossing one another. Now again

instantaneously, the birch trees stood all white, lustreless, like snow which had not yet been touched by the coldly playing rays of the winter sun and stealthily, slyly, a drizzling rain began to sprinkle and whisper over the forest. The leaves on the birches were almost all green yet, though they had turned somewhat pale; only here and there stood a solitary young little birch, all red or all golden, and one should have seen how brightly these birches flushed in the sun when its rays suddenly appeared gliding and flashing through the dense net of the thin branches which had just been washed around by the sparkling rain.

*The Midnight Picnic* Aug 17 2021 Ace detective Laura Marlin returns in another gripping adventure mystery for World Book Day 2014, from award-winning author, Lauren St John. When a prize-winning essay earns Laura Marlin an invitation to a midnight picnic on mysterious Bodmin Moor she can hardly wait, especially since her best friend, Tariq, and husky, Skye, get to come too. But Bodmin is a place steeped in legend and as the fog descends it becomes hard to separate myth from reality. When a freak accident leaves the children alone, Laura has to use all her powers of deduction to outwit an enemy who may not even exist.

*Russia in the Age of Alexander II, Tolstoy and Dostoevsky* Feb 29 2020 'Russia in the Age of Alexander II, Tolstoy and Dostoevsky' is both history and story, incorporating in its analysis of Alexander II's turbulent reign the lives and ideas of the period's great writers, thinkers and revolutionaries who made this the Golden Age of Russian literature and thought. In his combination of considerable biographical material with the presentation of the main ideas of the era's chief writers and thinkers, Walter G. Moss has written a history that is of interest not only to scholars and students of the period, but also to more general readers.

novel *Fathers and Sons* is regarded as one of major works of 19th-century fiction. After the standard schooling for a child of a gentleman's family, He studied for one year at the University of Moscow and then moved to the University of St Petersburg, focusing on the classics, Russian literature and philology. Turgenev was impressed with German Central-European society, and believed that Russia could best improve itself by imitating the West. Like many of his educated contemporaries, he was particularly opposed to serfdom. He first made his name with *A Sportsman's Sketches*, also known as *Sketches From a Hunter's Album*; or, *Notes of a Hunter*. He wrote several short novels like *The Diary of a Superfluous Man*, *Faust* and *The Lull*. In them Turgenev expressed the anxieties and hopes of Russians of his generation. Amongst his other works are *Liza: A Nest of Nobles*, *The Jew and Other Stories*, *On the Eve*, *A Reckless Character and Other Stories*, *The Torrents of Spring*, and *The Rendezvous*.

*The Space Shuttle* Dec 09 2020 Get a full retrospective of all 134 flights, every mission, of the space shuttle program. This superbly designed and lavishly illustrated reissue of the best-selling hardcover book marks a special moment in history: the final mission of the space shuttle. Noted space and science author Piers Bizony's retrospective covers the entire space shuttle program that began in 1981 and ended in 2011. Every space shuttle mission is detailed, including all flights of the Columbia, Challenger, Discovery, Atlantis, and Endeavour spacecraft. The book also covers the development and design of the orbiter, as well as the technical specifications of the vehicle and details of its major assemblies and subassemblies. A full double-gatefold provides a large-scale technical drawing of the space shuttle. If you never got to watch the countdown clock in person during a space shuttle launch, *The Space Shuttle* is your chance to relive the history of America's first low Earth orbital spacecraft.

two-year hiatus. Since retiring from the Air Force and NASA, she has served on numerous corporate boards and is an inspirational speaker about space exploration and leadership. Eileen Collins is among the most recognized and admired women in the world, yet this is the first time she has told her story in a book. It is a story not only of achievement and overcoming obstacles but of profound personal transformation. The shy, quiet child of an alcoholic father and struggling single mother, who grew up in modest circumstances and was an unremarkable student, she had few prospects when she graduated from high school, but she changed her life to pursue her secret dream of becoming an astronaut. She shares her leadership and life lessons throughout the book with the aim of inspiring and passing on her legacy to a new generation.

**The Red Web** Oct 26 2019 With important new revelations into the Russian hacking of the 2016 Presidential campaigns "[Andrei Soldatov is] the single most prominent critic of Russia's surveillance apparatus." -Edward Snowden After the Moscow protests in 2011-2012, Vladimir Putin became terrified of the internet as a dangerous means for political mobilization and uncensored public debate. Only four years later, the Kremlin used that same platform to disrupt the 2016 presidential election in the United States. How did this transformation happen? *The Red Web* is a groundbreaking history of the Kremlin's massive online-surveillance state that exposes just how easily the internet can become the means for repression, control, and geopolitical warfare. In this bold, updated edition, Andrei Soldatov and Irina Borogan offer a perspective from Moscow with new and previously unreported details of the 2016 hacking operation, telling the story of how Russia came to embrace the disruptive potential of the web and interfere with democracy around the world.

Russia to meet and gain the confidence of the people who know Vladimir Putin best, including those who knew him as a child, a teenager and a young intelligence officer, long before he first entered the world's stage as Russia's leader. The sources proved to be so good that Hutchins was told in 2005 that Putin would step down as President in 2008 to become Prime Minister, and then return to the Kremlin in 2012 - a move which now seems certain to prove the accuracy of all three predictions. Putin's stunning ability as a politician - he had never even stood for office until President Yeltsin made him head of the government in 1999 - took many totally by surprise. A British diplomat who travelled to St Petersburg with Tony Blair to meet the then-President elect describes in detail how Putin completely outwitted the British Prime Minister who was, until that moment, regarded as the elder statesman. In just eight years he rescued his country from financial ruin (a feat the experts had predicted could not be done in less than forty) and in doing so saved the nation's pride. But this book is about the man, not just the politician. Who are his friends? What makes him laugh? What has made him cry? How rich is he? What has his wife got to say about him? What are his real views on the oligarchs? Who does he turn to in times of trouble? Putin leaves no stone unturned. Intelligent books about him have been few and far between because, of all the world leaders, the man his friends call Vlad has managed to remain a mystery. This book goes some way to revealing the man behind the enigma.

is now alone and must find someone to care for his three young children. Into Frank's life comes Lisa Ivanovna, a quiet, calming beauty from the country, untroubled to the point of seeming simple. But is she? And why has Frank's bookkeeper, Selwyn Crane, gone to such lengths to bring these two together? From a winner of the National Book Critics Circle Award, this novel, with a new introduction by Andrew Miller, author of *Pure*, is filled with "writing so precise and lilting it can make you shiver" (Los Angeles Times). "Fitzgerald was the author of several slim, perfect novels. *The Blue Flower* and *The Beginning of Spring* both had me abuzz for days the first time I read them. She was curiously perfect." —Teju Cole, author of *Open City*

#### Automated Rendezvous and Docking of Spacecraft Feb 20 2022

The definitive reference for space engineers on rendezvous and docking/berthing (RVD/B) related issues, this book answers key questions such as: How does the docking vehicle accurately approach the target spacecraft? What technology is needed aboard the spacecraft to perform automatic rendezvous and docking, and what systems are required by ground control to supervise this process? How can the proper functioning of all rendezvous-related equipment, systems and operations be verified before launch? The book provides an overview of the major issues governing approach and mating strategies, and system concepts for rendezvous and docking/berthing. These issues are described and explained such that aerospace engineers, students and even newcomers to the field can acquire a basic understanding of RVD/B. The author would like to extend his thanks to Dr Shufan Wu, GNC specialist and translator of the book's Chinese edition, for his help in the compilation of these important errata.

**Rendezvous with Destiny** Apr 24 2022 The remarkable untold story of Franklin D. Roosevelt and the five extraordinary men he used to pull America into World War II In the dark days between Hitler's invasion of Poland in September 1939 and Japan's attack on Pearl Harbor in December 1941, Franklin D. Roosevelt sent five remarkable men on dramatic and dangerous missions to Europe. The missions were highly unorthodox and they confounded and infuriated diplomats on both sides of the Atlantic. Their importance is little understood to this day. In fact, they were crucial to the course of the Second World War. The envoys were magnificent, unforgettable characters. First off the mark was Sumner Welles, the chilly, patrician under secretary of state, later ruined by his sexual misdemeanors, who was dispatched by FDR on a tour of European capitals in the spring of 1940. In summer of that year, after the fall of France, William "Wild Bill" Donovan—war hero and future spymaster—visited a lonely United Kingdom at the president's behest to determine whether she could hold out against the Nazis. Donovan's report helped convince FDR that Britain was worth backing. After he won an unprecedented third term in November 1940, Roosevelt threw a lifeline to the United Kingdom in the form of Lend-Lease and dispatched three men to help secure it. Harry Hopkins, the frail social worker and presidential confidant, was sent to explain Lend-Lease to Winston Churchill. Averell Harriman, a handsome, ambitious railroad heir, served as FDR's man in London, expediting Lend-Lease aid and romancing Churchill's daughter-in-law. Roosevelt even put to work his ruffled, charismatic opponent in the 1940 presidential election, Wendell Willkie,

the cause. Finally, in the aftermath of Germany's invasion of the Soviet Union, Hopkins returned to London to confer with Churchill and traveled to Moscow to meet with Joseph Stalin. This final mission gave Roosevelt the confidence to bet on the Soviet Union. The envoys' missions took them into the middle of the war and exposed them to the leading figures of the age. Taken together, they plot the arc of America's trans-formation from a divided and hesitant middle power into the global leader. At the center of everything, of course, was FDR himself, who moved his envoys around the globe with skill and élan. We often think of Harry S. Truman, George Marshall, Dean Acheson, and George F. Kennan as the authors of America's global primacy in the second half of the twentieth century. But all their achievements were enabled by the earlier work of Roosevelt and his representatives, who took the United States into the war and, by defeating domestic isolationists and foreign enemies, into the world. In these two years, America turned. FDR and his envoys were responsible for the turn. Drawing on vast archival research, *Rendezvous with Destiny* is narrative history at its most delightful, stirring, and important.

**The Russian Run** May 14 2021 *The Russian Run*, volume three of the *Planets Shaken* series, ratchets up the tension another notch as the members of the Compound pursue an aggressive plan to warn the world about the Rogue, the cover-up, and the prophetic events that are on their doorstep. This tale of the approaching apocalypse weaves biblical prophecy, ancient history, scientific theory, and political intrigue into a thought-provoking thriller. Jack and Sally are prisoners at FEMA 286. The heightened security measures leave them and their friends at the Compound with few options. Will their daring plan to escape the internment camp succeed? Irina and the Backstrom boys are planning an undercover mission to Russia to procure a mirror and infrared sensors for Blake's telescope. What if their cover fails?

Atchafalaya Swamp on a danger-beset mission of their own. An astronomer hiding in its bosom has two sensors. But the region is crawling with federal agents.

**Russia in Space** Mar 12 2021 This is a unique attempt to visualise space exploration's future through the eyes of Russian space engineers and to describe that nation's plans in space. Based on actual documents, rather than on guesswork, it is the first comprehensive illustrated book dedicated to the Russian vision for the future of manned spaceflight from the dawn of manned spaceflight until today. Lavishly illustrated with images of unparalleled artistic quality and technical accuracy, the book: puts the development of the Russian manned spacecraft into political and historical context; uniquely describes the future of space exploration through the eyes of Russian space engineers and planners; introduces hitherto unrevealed systems developed for the Russian space program; describes past events and future plans in the historical context of the fall and rise of the Russian space program.
