Pardon My Planet Jul 04 2020 Coast-to-coast readers of more than 150 newspapers such as the Los Angeles Times, San Francisco Chronicle, Atlanta Constitution, Chicago Sun-Times, and Toronto Star share Fagan's view of this laugh-out-loud strip that deftly balances the tightrope of political correctness. Pardon My Planet: Omigawd! I've Become My Mother! represents the first collection of this uproarious cartoon that finds humor in all that makes us a little uncomfortable. Lee's razor wit is delivered through an array of seven recurring characters, each with their own off-kilter look at the world. In one panel, middle-aged suburbanites Dennis and Chloe learn from their Realtor that they may have found a home in their price range, but

"unfortunately, there's a Scottish terrier named Rusty living in it." In another panel, while twentysomething roommates Jesse-Jane and Norris are dining out, Jesse-Jane asks the server how the chicken is prepared. The waiter dryly replies, "With no sugar-coating. We tell them right up front they're going to die." At times, the humor of *Pardon My Planet* is subtle but speaks to a deeper truth. Other times it is flat-out bizarre. This heady and hilarious collection captures it all, laying bare the annoyances and eccentricities of the inhabitants of our planet in this strip's unique and fresh way.

Paper Dolls Aug 24 2019 Paper dolls might seem the height of simplicity--quaint but simple toys, nothing more. But through the centuries paper figures have reflected religious and political beliefs, notions of womanhood, motherhood and family, the dictates of fashion, approaches to education, individual self-image and self-esteem, and ideas about death. This book examines paper dolls and their symbolism--from icons made by priests in ancient China to printable Kim Kardashians on the Internet--to show how these ephemeral objects have an enduring and sometimes surprising presence in history and culture.
