Kasher in the Rye Feb 13 2021 Rising young comedian Moshe Kasher is lucky to be alive. He started

using drugs when he was just 12. At that point, he had already been in psychoanalysis for 8 years. By the time he was 15, he had been in and out of several mental institutions, drifting from therapy to rehab to arrest to...you get the picture. But KASHER IN THE RYE is not an "eye opener" to the horrors of addiction. It's a hilarious memoir about the absurdity of it all. When he was a young boy, Kasher's mother took him on a vacation to the West Coast. Well it was more like an abduction. Only not officially. She stole them away from their father and they moved to Oakland, California. That's where the real fun begins, in the war zone of Oakland Public Schools. He was more than just out of control-his mother walked him around on a leash, which he chewed through and ran away. Those early years read like part Augusten Burroughs, part David Sedaris, with a touch of Jim Carrol...but a lot more Jewish. In fact, Kasher later spends time in a Brooklyn Hasidic community. Then came addiction... Brutally honest and laugh-out-loud funny, Kasher's first literary endeavor finds humor in even the most horrifying situations.

**Mendoza the Jew** Dec 14 2020 Mendoza the Jew combines a graphic history with primary documentation and contextual information to explore issues of nationalism, identity, culture, and historical methodology through the life story of Daniel Mendoza. Mendoza was a poor Sephardic Jew from East London who became the boxing champion of Britain in 1789. As a Jew with limited means and a foreign-sounding name, Mendoza was an unlikely symbol of what many Britons considered to be their very own "national" sport.

**High Line Nudes** Mar 17 2021 From the foreword: "One of the High Line's powers is its ability to evoke time, to remind us of the changes we've experienced during our own lives, to bring forth echoes of the past, and to make us guess what life might be like years from now. I love the photos on these pages, because they have that power, too." --Joshua David, Co-Founder of the Friends of the High Line. Ten Avenues Press, in association with Friends of the High Line, announce the publication of High Line Nudes. In 2006, photographer Kevin McDermott took three of his friends up on the abandoned railroad tracks that would become New York City's High Line park to shoot a series of nudes. As McDermott states in his introduction, "at the time I took these photos, what I sought from its beauty was its sense of isolation, being alone, surrounded by nature in the middle of this metropolis." A decade later, this location is now one of the most visited tourist destinations in NYC and one of the largest real estate developments in the world. High Line Nudes captures a seemingly impossible, but beautiful moment in the history of the West Side Rail Yards, Chelsea and an ever changing New York City. The cloth hardcover book is beautifully printed in color and rich black and white duotone images.

James Baldwin Now Sep 10 2020 View the Table of Contents Read the Introduction. This excellent volume conceives of Baldwin as a figure crucial to discussions of whiteness, sexuality, and globalization. The times are ripe for the valuable reconsideration of Baldwin that James Baldwin Now provides.--Jennifer DeVere Brody, George Washington University One of the most prolific and influential African American writers, James Baldwin was for many a harbinger of hope, a man who traversed the genres of art-writing novels, essays, and poetry. James Baldwin Now takes advantage of the latest interdisciplinary work to understand the complexity of Baldwin's vision and contributions without needing to name him as exclusively gay, expatriate, black, or activist. It was, in fact, Baldwin who said, it is quite impossible to write a worthwhile novel about a Jew or a Gentile or a Homosexual, for people refuse... to function in so neat and one-dimensional a fashion. McBride has gathered a unique group of new scholars to interrogate Baldwin's life, his presence, and his political thought and work. James Baldwin Now finally addresses the man who spoke, and continues to speak, so eloquently to crucial issues of the twentieth century. *Disciple IV* Apr 17 2021 DISCIPLE IV UNDER THE TREE OF LIFE is the final study in the four-phase DISCIPLE program and is prepared for those who have completed BECOMING DISCIPLES THROUGH BIBLE STUDY. The study concentrates on the Writings (Old Testament books not in the Torah or the Prophets), the Gospel of John, and Revelation. Emphasis on the Psalms as Israel's hymnbook and prayer book leads natural to an emphasis on worship in the study. Present through the entire study is the sense of living toward completion - toward the climax of the message and the promise, extravagantly pictured in Revelation. The image of the tree and the color gold emphasize the prod and promise in the Scriptures for DISCIPLE IV: UNDER THE TREE OF LIFE. The word under in the title is meant to convey invitation, welcome, sheltering, security, and rest - home at last. Commitment and Time Involved 32 week study Three and one-half to four hours of independent study each week (40 minutes daily for leaders and 30 minutes daily for group members) in preparation for weekly group meetings. Attendance at weekly 2.5 hour meetings. DVD Set Four of the five videos in this set contain video segments of approximately ten minutes each that serve as the starting point for discussion in weekly study sessions. The fifth video is the unique component that guides an interactive worship experience of the book of Revelation. Under the Tree of Life Scriptures lend themselves to videos with spoken word, art, dance, music, and drama. Set decorations differs from segment to segment depending on the related Scripture and its time period. Set decoration for video segments related to the Writings generally has a Persian theme. Set decoration for the New Testament video segments emphasizes the simpler life of New Testament times.

On the recommendation of an old rival turned tentative friend, Mitchell decides to try his hand--among other things--in a last-ditch effort at siring an heir with a rare male omega. When a transfer request for one of the only male omegas in the pack uncovers unspeakable abuse and corruption within the Breeding Program, the very future of the pack is thrown into question. -Angel's heart has turned to stone after a lifetime of abuse at the hands of the alpha shifters who oversee the Breeding Program in his pack unit. The only love he has left belongs to the three other omegas he shares his little corner of hell with. Angel will do whatever it takes to protect them, even if it means becoming the mate of the top alpha himself. Angel knows better than to believe the gruff Mitchell when he claims that he's not like the others. Despite his best attempts to steel himself against the strange bond that forms between them, Angel discovers that Mitchell is the most dangerous alpha of all because he wants the one thing Angel has sworn never to give--his heart. With war looming on the horizon, a pack in chaos and two hardened hearts melted by an unlikely spark of love, only one outcome is certain. The Mountain Ridge Pack will never be the same. **The Last Vispo Anthology** Aug 29 2019 This book collects experimental "visual poetry." With *The Last Vispo Anthology*, Fantagraphics spotlights the intersection of art and language in this innovative new collection — without peer in English — that gathers the work of visual poets from around the world into one stunning volume. The alphabet is turned on its head and inside-out and the results culminate in a compilation of daring and surprising verbo-visual gems. *The Last Vispo* is composed of visual poetry (a portmanteau of the words "visual" and "poetry") from the years 1998 to 2008, during a burst of creative activity fueled by file sharing and e-mail, which made it possible for the vispo community to establish a more heightened and sophisticated dialogue with one another. The collection extends the dialectic between art and literature that began with ancient "shaped text," medieval pattern poetry, and dada typography, pushing past the concrete poetics of the 1950s and the subsequent mail art movement of the 1980s to its current incarnation. Rather than settle into predictable, unchallenged patterns, this vibrant poetry seizes new tools to expand the body of work that inhabits the borderlands of visual art and poetic language. *The Last Vispo* features 148 contributors from 23 countries on five continents. It includes 12 essays that illuminate the abundant history and the state of vispo today. The anthology offers a broad amalgam of long-time practitioners and poets new to visual poetry over the last decade, underscoring the longevity and the continued vitality of the art form.
