[She Reads Truth](#) Dec 13 2020 She wants faith, hope, and love. She wants help and healing. She wants to hear and be heard, to see and be seen. She wants things set right. She wants to know what is true—not partly true, or sometimes true, or almost true. She wants to see Truth itself, face-to-face. But here, now, these things are all cloudy. Hope is tinged with hurt. Faith is shaded by doubt. Lesser, broken things masquerade as love. How does she find something permanent when the world around her is always changing, when not even she can stay the same? And if she finds it, how does she hold on? *She Reads Truth* tells the stories of two women who discovered, through very different lives and circumstances, that only God and His Word remain unchanged as the world around them shifted and slipped away. Infused with biblical application and Scripture, this book is not just about two characters in two stories, but about one Hero and one Story. Every image points to the bigger picture—that God and His Word are true. Not because of anything we do, but because of who He is. Not once, not occasionally, but right now and all the time. Sometimes it takes everything moving to notice the thing that doesn't move. Sometimes it takes telling two very different stories to notice how the Truth was exactly the same in both of them. For anyone searching for a solid foundation to cling to, *She Reads Truth* is a rich and honest Bible-filled journey to finally find permanent in a world that's passing away.

[Supporting the Whole Child: Reflections on Best Practices in Learning, Teaching, and Leadership](#) Nov 11 2020 This e-book, a collection of articles from *Educational Leadership* and other ASCD publications explores what it means to “support the whole child.” In these articles, authors ponder the various meanings of support in the classroom, school, and community. This third in a four-book series exploring whole child education ends by emphasizing another maxim of good teaching: Hold high expectations for your students. Our authors agree: With the right supports, students are capable of doing more than even they think they can.

[A Forty-Day Study of the Biblical Story](#) Sep 09 2020 There is not much enjoyment in contemplating a single piece from a jigsaw puzzle. It may create some level of interest—but not much. Even looking at three pieces, or even ten pieces, isn't that interesting. What makes a jigsaw puzzle attention-grabbing is the process of figuring out how the pieces fit together. Slowly, a pleasant, unified, comprehensible picture begins to appear. The more complete that image becomes, the more anxious we are to grab another piece and see where and how it fits. In some ways, the books and stories of the Old Testament are like the pieces to a jigsaw puzzle. In and of themselves they create some level of interest—but they don't become attention-grabbing until we begin to see how the individual pieces relate to the whole. For many, the study of the Old Testament may never reach beyond looking at the individual pieces. Nothing fits the pieces together. How is the book of Leviticus connected to the book of Hebrews? How is John's reason for writing his Gospel related to Psalm 2? How do we connect the covenant ceremony of Genesis 15 with the cross—much less understand that ceremony to begin with? Why is the book of Ruth included as part of the Bible? What does it have to do with anything? Or better yet, why do we have the book of Esther—where God is not mentioned at all? What makes each of these important? How are they related, or are they? In short, how is God's story—God's revelation—unified? And that's where *A Forty-Day Study of the Biblical Story* comes in. We journey through Scripture in a way that brings all of the bits and pieces into a unified whole—because our focus is going to be on what makes the Biblical Story whole: Jesus Christ. We examine the Old Testament through the lens of what we learn about Jesus.

**A Forty-Day Study of the Book of Hebrews** Jul 20 2021 Can Christians lose their salvation? Are there such things as guardian angels? Can those in heaven see the happenings on earth? How were the Old Testament saints saved since Jesus hadn't been born yet? Jesus said to the thief on the cross, "Today you shall be with me in paradise," but he wasn't raised from the dead until three days later and didn't ascend into heaven until many days after that—did Jesus lie? Using an in-depth study of the book of Hebrews, Dr. Jory explores answers from the Bible for these and a host of other questions about God and the Christian faith. Biblical commentaries come in all shapes, sizes, and levels of detail and complexity. Dr. Jory's approach is to ratchet down the complexity. It seeks to present material with these questions always in focus: What would I want to learn from the Bible? How would I want it to be taught to me? The material is presented in short lessons structured to be covered over a forty-day period and is geared for both individual and small-group Bible studies.

**A Forty-Day Study on Sin, Salvation, and Sanctification** Aug 28 2019 Sin. We don't seem to talk about sin anymore. For some, it hits too close to home, creating a feeling of guilt and unworthiness. Others deal with the issue simply by comparing themselves to the worst of the worst—or even a beer-drinking neighbor next door who doesn't pull all of the weeds from his yard. They certainly aren't as bad as this—so they remain with their pride and self-righteousness intact and unthreatened.

**A Forty-Day Study of John's Gospel** May 30 2022 Did Jesus claim to be God? Without question. And he did so repeatedly. That's why John, a member of the "inner circle" of the disciples, wrote his own account of Jesus' time on earth. *Youth and Nation-Building in Cameroon. A Study of National Youth Day Messages and Leadership Discourse (1949-2009)* Jun 06 2020 This meticulous and comprehensive documentation of Cameroonian Youth Day Messages and leadership discourse on youth from 1949 - 2009 is a gold mine for researchers, historians and anyone interested in studying youth, politics and society in Africa. The book presents and explores themes and content of Youth Day Messages: how these messages tied in with, or veered away from, key events and issues of the time; how they served as a platform for West Cameroon governments, and the Ahidjo and Biya regimes to articulate their political vision, justify their policies, sell their respective ideologies to the youth; and what lessons could be drawn from them on competing, conflicting and complementary perspectives on youth agency in Cameroon and Africa. Churchill links the Youth Day to ongoing discussions in Africa about the role and place of youths as agents of development in Africa. Most significantly, he finally puts Cameroon's controversial Youth Day in its appropriate historical context - not as a political device created by the Francophone politicians to distort Cameroonian history and erase 'plebiscite day' from the collective memory as Anglophone nationalists claim, but as a British Cameroons colonial legacy, successfully sold to the Ahidjo regime as a day to be commemorated throughout the federation, by leaders of the federated state of West Cameroon. Churchill Ewumbue-Monono, a senior career diplomat, is Minister Counsellor in the Cameroon Embassy in Moscow. A graduate of the International Higher School of Journalism, and the International Relations Institute of Cameroon in the University of Yaounde, he was a 1991-92 Fellow in Public Diplomacy in Boston University, USA. He has served in Cameroon in various professional capacities. Ewumbue-Monono has written extensively on Cameroon's political history, and his books include *Men of Courage*, published in 2005.
