Americanah Jun 19 2019 SHORTLISTED FOR THE BAILEYâ€(tm)S WOMENâ€(tm)S PRIZE FOR FICTION 2014. From the award-winning author of â€~Half of a Yellow Sun,â€(tm) a powerful story of love, race and identity. As teenagers in Lagos, Ifemelu and Obinze fall in love. Their Nigeria is under military dictatorship, and people are fleeing the country if they can. The self-assured Ifemelu departs for America. There she suffers defeats and triumphs, finds and loses relationships, all the while feeling the weight of something she never thought of back home: race. Obinze had hoped to join her, but post-9/11 America will not let him in, and he plunges into a dangerous, undocumented life in London. Thirteen years later, Obinze is a wealthy man in a newly democratic Nigeria, while Ifemelu has achieved success as a blogger. But after so long apart and so many changes, will they find the courage to meet

again, face to face? Fearless, gripping, spanning three continents and numerous lives, the National Book Critics Circle Award-winning *Americanah* is a richly told story of love and expectation set in today's globalized world.

Holding Back The Tears Feb 08 2021 This is true story about real people is set in Edinburgh City and Dundee, where a petite Scottish Lassie called Rosie Gilmour, mother to Finlay Sinclair, receives news of the death of her son - who tragically has taken his own life by hanging. Rosie pretends her son is still alive by talking to him, for that takes away the unbearable pain of her loss. But once she begins to face up to the fact that Finlay is not coming back, her conversations become more of a challenge than she can handle. When memories of her past are triggered by everyday life events, they take her mind back and forth in time - back to her own childhood days in 1960, when she flirted with the fairground boys, and to the day she gave birth to Finlay - 'ME LADDIE'. Rosie's Scottish accent becomes more apparent whenever her emotions are heightened and she begins to recite poetry. She goes on to reveal doubts about her own self-worth and how she re-unites her role as mother - a role she had denied herself for seven years prior to Finlay's death. Rosie learns how to forgive herself and how to accept her loss with using practical coping strategies that sometimes but not always work for her. Many voices of different natures and walks of life appear in Rosie's, story with each one offering a part of their own belief to try and console her in her misery - except that she turns her back on any advice or support offered. Rosie is convinced that she can cope with her loss on her own and "needs no help from anyone, thank you" - until a sweet, gentle, soft-spoken voice begins to travel with her throughout her ordeal, leaving her no other choice but to listen. Eventually moving to the countryside in Angus, Rosie finds the isolation gives her life a new meaning offering her the opportunity to re-value her belief's about her own self values and decides the time has come to give her son a memorial service and invite a chosen few dance companions whom she met on a regular basis in Edinburgh to honour this day. Rosie begins to accept she will never be the same person she once had been and shall never be again, believing now her journey through grief taught her many lessons making her a stronger and better person than she imagined she could ever be.

Follow the Leader? Dec 06 2020 In a democracy, we generally assume that voters know the policies they prefer and elect like-minded officials who are responsible for carrying them out. We also assume that voters consider candidates' competence, honesty, and other performance-related traits. But does this actually happen? Do voters consider candidates' policy positions when deciding for whom to vote? And how do politicians' performances in office factor into the voting decision? In *Follow the Leader?*, Gabriel S. Lenz sheds light on these

central questions of democratic thought. Lenz looks at citizens' views of candidates both before and after periods of political upheaval, including campaigns, wars, natural disasters, and episodes of economic boom and bust. Noting important shifts in voters' knowledge and preferences as a result of these events, he finds that, while citizens do assess politicians based on their performance, their policy positions actually matter much less. Even when a policy issue becomes highly prominent, voters rarely shift their votes to the politician whose position best agrees with their own. In fact, Lenz shows, the reverse often takes place: citizens first pick a politician and then adopt that politician's policy views. In other words, they follow the leader. Based on data drawn from multiple countries, *Follow the Leader?* is the most definitive treatment to date of when and why policy and performance matter at the voting booth, and it will break new ground in the debates about democracy.

The Call Jul 13 2021 When I finished reading this great book for the first time, I had highlighted most of the book, and I immediately moved it into my all-time top five books. The Call should be required reading for every serious follower of Jesus. One cannot live purposefully in life without answering the Call of Jesus of Nazareth. I spent twenty-five years as a university professor making difficult topics easier so that students could understand. With these study notes and Guinness' wonderful and insightful book, you'll be able to follow these important concepts, and enjoy discussing and answering the questions with others.

Foreign Language - How to Use Modern Technology to Effectively Learn Foreign Languages Jul 01 2020 This book is a compilation of information about modern resources available to foreign language students. The purpose of this book is to help the reader to correctly select instructional materials and organize independent study of a foreign language. This edition contains recommendations for the use of both traditional methods as well as the latest multimedia technologies. The book gives great attention to vocabulary development - how to correctly study, review, and systematize foreign words. This book will help you determine the main goals and exercises associated with mastering a foreign language. These goals are always there. They simply need to be stated, analyzed, and ordered. In general, systemization and order are two of the main factors in mastering anything new, including foreign languages. When you understand what you want to achieve you will find it much easier to choose a path that will lead to success. Topical dictionary section. This book contains an English-Azerbaijani theme-based dictionary with 1,500 frequently used words that will help you develop basic vocabulary. The dictionary's content is organized by topic. The material is presented in three columns: source word, translation, and transcription. Each topic consists of 50 words grouped into small blocks. You can treat this dictionary as a model for creating your own unified word database. We're confident that this book will help you develop your own effective learning system and give you another boost in this useful and fascinating exercise - learning a foreign language

LexisNexis Study Guide Apr 29 2020 Begin exam preparation or revision with this essential tool for success! The LexisNexis Study Guide series is designed to assist law students with the foundations for effective, systematic revision and preparation for assignments and exams. Each chapter clearly identifies and explains the pertinent and often difficult topics within specific areas of law. The most important and recent cases are summarised to consolidate practical understanding of the theoretical concepts. Concise summaries of key cases and principles simplify exam study and short and concise paragraphs, bullet-pointed summaries, flowcharts and tables facilitate revision. Open-book exams are made easier with this compact and portable text. This edition includes discussion of key developments in: oAeo the governing principles for proprietary estoppel, especially in relation to remedy (Sidhu v Van Dyke (2013) 308 ALR 232; [2014] HCA 19); oAeo unconscionable conduct (Kakavas v Crown Melbourne Ltd (2013) 250 CLR 392; (2013) 298 ALR 35; [2013] HCA 25) oAeo the law of penalties (Andrews v Australia & New Zealand Banking Group Ltd (2012) 247 CLR 205; 290 ALR 595; [2012] HCA 30) oAeo constructive trusts as a remedy for for fiduciary bribes (Grimaldi v Chameleon Mining NL (ACN 098 773 785) (No 2) (2012) 287 ALR 22; [2012] FCAFC 6), and oAeo

equitable compensation. Features o" Includes commentary and key cases o" Compact and portableo" great for open book exams o" Succinct explanations assist students to understand and retain key principles

Pirate Journey Jul 21 2019 Dave Adams is a teenager standing at a crossroads in his life. He's lonely, a bully in need of direction. Through the pages of an ancient, leather-bound journal, Dave makes contact with an ancestor, James Adams, captain of a seventeenth century sailing-ship. Captain Adams is also straddling a fence, and the life of an honest sea-going merchant pales in comparison to the excitement and opportunities available for a captain willing to do what it takes to get ahead. Will the captain's decisions take him and his crew where they want to go? And how will those decisions affect Dave as he makes his way through high school and finds his first summer job? Pirate Journey explores the parallel lives of a scurvy sea captain and a high school bully as they make decisions and face the consequences of their choices, both good and bad.

(PMI, PMP and Project Management Professional are registered marks of the Project Management Institute, Inc.)

Women in High Gear Nov 24 2019 Is high gear attainable for today's women and the next generation? Yes! Women in High Gear is a first-of-its-kind look at how women in business, on-rampers, and aspiring executives can discern and discover a path to high gear. Whether that looks like financial independence, starting a business, ascending to the C-suite, securing a board seat, or making superconnections, high gear is clearly within reach. Entrepreneurs and small business owners Anne Deeter Gallaher and Amy D. Howell join forces in Women in High Gear to tell their stories of two divergent paths to reach the same goal. In 13 easy-to-read and easy-to-relate-to chapters, Amy and Anne lay out their own journeys to high gear and show how others can connect the dots for growth and success. They combine big business principles with small business DNA in hopes that their experiences will shorten the business learning curve of women. Living the realities of staying at home and staying on the fast track, Anne and Amy help women of all ages understand the necessities for emotional resilience, harnessing the softs skills, exhibiting leadership, mastering self-discipline, understanding the bottom line, connecting on social media, and building a personal brand. Wherever you stand in your business journey, Anne and Amy challenge you to charge ahead with confidence and fresh perspectives. The world needs what you have to offer-high gear awaits! Acclaim for Women in High Gear: "Anne Deeter Gallaher and Amy D. Howell are keenly attuned to the need for mentoring, guidance, and inspiration to help prepare current and future generations of women for leadership in business and society. In Women in High Gear, Anne and Amy have artfully woven their own high gear journeys to both mark a path for growth and to steer readers clear of roadblocks. They blend advice, personal experience, insight, and accountability in hopes of shortening the learning curves of other

women." Kim S. Phipps, Ph.D. President, Messiah College "In a business world steeped in too much self-help blather, Amy and Anne stand up for accountability, distinctiveness, mental toughness, responsibility, hard work, compassion, and appropriate compromise—the values that forge great leaders. This book is inspiring, true, and even better-entertaining!" Mark. W. Schaefer College Educator, Entrepreneur, International Speaker, and Author of Return on Influence and The Tao of Twitter "Women in High Gear is proof of the power of storytelling—at which Anne Deeter Gallaher and Amy D. Howell excel. They turn their hard-won personal and professional experiences into illuminating and engaging examples for others to follow. Early and mid-career professionals will find High Gear immediately useful, but even seasoned executives (like me) will see in Amy and Anne's experiences new approaches to today's challenges." Kathleen A. Pavelko President/CEO, WITF, Harrisburg, PA "This book is for anyone wanting to soar to higher goals in business." Philip H. Trenary CEO, Phil Trenary Associates; Former CEO, Pinnacle Airlines Corporation "After reading Women in High Gear, I immediately wrote out my high gear goals for the next five years. This book is for any woman with a big dream for her life!" Rachael Dymski Author "Wonder duo Anne and Amy provide valuable insight into how independent, driven women can dominate the professional business landscape." Susan R. Ewing Director of Social & Digital Media, Hershey Harrisburg Regional Visitors Bureau "Women in High Gear is the modern guide to overcoming obstacles and achieving success without breaking a sweat—and doing it all in 4-inch heels. Anne and Amy have hit a homerun!" Kaitlin Sawyer Public Relations/Marketing Professional, Hawaii

The Importance and Value of Proper Bible Study Dec 26 2019 There has perhaps never been an age that set such great store in study as that in which we now live. The unfortunate thing about it is that so much of the study in our day is devoted to books and subjects in which there is little or no profit. Time is squandered on the purely speculative, the uncertain, the unprofitable, the unessential, the unproductive, the irrelevant, and the transitory. The most profitable of all study is wisely ordered Bible study. Its value is incalculable. It is beyond all comparison more profitable than any other study. It is the one superlatively profitable study. Bible study towers above all other studies in importance and value not only because of what the Bible is, but also because of what the Bible does. The Bible properly studied makes men wise unto salvation. The Bible makes Jesus Christ known so as to lead anyone who studies it to believe in Jesus as the Christ, the Son of God, and thereby to obtain eternal life in His name. The Bible imparts God's own nature to the men, women, and children who study it as they should and thus completely transforms their inmost and their outward life. When properly studied, this Book makes the one who studies it grow like the palm tree in all the graces

and glories of Christian character. The Bible properly studied makes the heart pure and keeps the life white. The Bible, properly studied, brings peace, wonderful peace, to the troubled heart. The Bible, properly studied, brings joy as well as peace. In this book, I will tell you how to properly study the Bible: for light and not for darkness, for life and not for death, for blessing and not for cursing, and so it will lift us up to heaven and not sink us down to hell.

International Relations Dec 18 2021 The book is written for active learners - those keen on cutting their own path through the complex and at times hardly comprehensible world of THEORY in International Relations. To aid this process as much as possible, this book employs the didactical and methodical concept of integrating teaching and self-study. The criteria for structured learning about IR theory will be derived from an extensive discussion of the questions and problems of philosophy of science (Part 1). Theory of IR refers to the scientific study of IR and covers all of the following subtopics: the role and status of theory in the academic discipline of IR; the understanding of IR as a science and what a "scientific" theory is; the different assumptions upon which theory building in IR is based; the different types of theoretical constructions and models of explanations found at the heart of particular theories; and the different approaches taken on how theory and the practice of international relations are linked to each other. The criteria for the structured learning process will be applied in Part 2 of the book during the presentation of five selected theories of International Relations. The concept is based on "learning through example" - that is, the five theories have been chosen because, when applying the criteria developed in Part 1 of the book, each single theory serves as an example for something deeply important to learn about THEORY of IR more generally.

Curriculum for Excellence Oct 04 2020

The Complete Practical Fishpond Book Sep 22 2019 My aim in this book is to give essential advice on all the main aspects of freshwater garden fish ponds. I have tried to include some of the science of ponds while keeping the information easy to understand. Each chapter begins with an outline of the main points of the topic. Each point is then expanded on. My experience with ponds has mainly been in the warm temperate climate in Perth, Western Australia. The principles for fish ponds are similar worldwide but warm temperate climates like that of Perth intensify some of the problems in ponds. This book will therefore be particularly useful to pond owners in sunny climates. The book begins with pond design, starting with the position of the pond in the garden. I discuss the consequences of different pond sizes and

depths, and of natural and artificial ponds. I talk about the advantages of a dual pond system. I give guidelines for these and for self-cleaning ponds. I also say why I recommend designing the pond with a sump, overflow, leaf skimmer, and automatic top-up valve. Lastly, I give my colour preference for the pond bottom and sides. Next, I advise on pond construction. Ponds can be built with concrete, bricks, rigid polyethylene, fibreglass or liners. I write about my experiences with ponds made from each of these materials and also my preferences for pipework materials. In the following chapter, I recommend various pumps, filters (including ultraviolet clarifiers), water features, underwater lights and copper ionizers. Choosing the right equipment will give you the right effect for the lowest cost and for the least effort. The chapter on fish gives information on types of fish, especially goldfish and koi. I advise on when a new pond is ready for fish and on the number of fish a pond can support. I give information on the handling, transporting, and feeding of fish, and on diseases and predators. The next chapter delivers general information on water plants, why you should have them and their role in the ecology of the pond. Plants provide shade, oxygen, food, habitat and cover from predators. They filter toxins and excessive nutrients from the water. I give advice on keeping plants, including information on fertilizer and pests. Finally, I give recommendations for pond maintenance including a routine. My advice is directed at pumps, filters, pond cleanliness, exchanging water and maintaining the pH and hardness. The maintenance is largely directed at algae control. I discuss the various forms of nuisance algae and control methods for microalgae, blanket weed, and slime algae. Other advice includes information on water testing and water treatments. Maintaining good water quality is fundamental to the success of any fish pond. "Good" water quality means the water's suitability for its proposed purpose. Water quality is affected by every aspect of a pond, from its design and construction to its pumps, filters and maintenance. Each chapter of this book tells how each aspect of the pond affects the water. Every fish pond is different. The solutions to one pond's problems may be very different to another pond's.

MOS 2013 Study Guide for Microsoft Word Expert Apr 10 2021 Presents a guide to preparing for the 2013 Word Expert Microsoft Office Specialist (MOS) exams, which includes overviews, step-by-step instructions, and practice projects.
