Maring's project examines the expressive possibilities created by hybridization as well as how these expressions influence our interpretation of individual poems from the ninth to eleventh centuries.

I'll sing to you next time May 15 2021 "I'll sing to you next time" consists of 46 poems by Victor Edgar Rivera. The poems in this book are sparse on words, but resourceful in imagery and ideas. Some of the poems are written in Spanish, as the poet felt this to be the best way to convey those emotions in their proper space. Some of the poems use both English and Spanish to express a common experience. There is a surrealist objective in several of the poems.

Darkness, Sing Me a Song Jun 23 2019 David Housewright's Edgar Award-winning Holland Taylor series returns with a case of murder resulting from tragic, twisted drama in an extremely wealthy family in *Darkness, Sing Me a Song*. Holland Taylor is a PI who does simple background checks and other mostly unchallenging cases. Still wounded by the long-ago death of his wife and

daughter, and newly mourning a recently failed relationship, Taylor doesn't have much interest in more challenging work. But almost by accident, he finds himself in the middle of the crime of the century. Eleanor Barrington, the doyenne of a socially prominent family of great wealth, has been arrested for the murder of Emily Denys, her son's fiancée. Barrington made no secret of her disdain for the victim, convinced that she was trying to take advantage of her son and her family. Taylor had been brought in to do a full background check on Emily, only to discover that both her name and her

background were fabricated. Before he could learn more, she was murdered—shot in the head outside her apartment. Barrington had been overheard threatening to kill her son’s fiancé and an eyewitness claims to have seen her kill Emily. But that’s not the worst of it. Barrington’s own son has even worse accusations to make against her. Caught in the dark tangle of a twisted family and haunted by his own past, Taylor finds that the truth is both elusive and dangerous.

Sing Us a Song, Piano Woman Jun 27 2022 *Sing Us a Song, Piano Woman: Female Fans and the Music of Tori Amos* explores the many-layered relationships female fans build with feminist musicians in general and with Tori Amos, in particular. Using original interview research with more than forty fans of Tori Amos, multiple

observer-participant experiences at Amos’s concerts, and critical content analysis of Amos’s lyrics and larger body of work, Adrienne Trier-Bieniek utilizes a combination of gender, emotions, music, and activism to unravel the typecasts plaguing female fans. Trier-Bieniek aggressively challenges the popular culture stereotypes that have painted all female fans as screaming, crying teenage girls who are unable to control themselves when a favorite (generally male) performer occupies the stage. In stunning contrast, admirers of Tori Amos comprise a

more introspective category of fan. Sing Us a Son, Piano Woman examines the wide range of stories from these listeners, exploring how Amos's female fans are unique because Amos places the experiences of women at the center of her music. Tori Amos's fan base is considered devoted because of the deeply emotional, often healing, connection they have to her music, an aspect that has been overlooked, particularly in sociological and cultural research on gender, emotions and music. Tori Amos's female fans as a social phenomenon are

understanding the multi-layered relationships women can have with female singer/songwriters. At a time when superficial women dominate public media presentations, from the Kardashians to the "Real Housewives," the relationship between Tori Amos and her fans illustrates the continuous search by women for female performers who challenge patriarchal standards in popular culture. Trier-Bieniek's research serves as a springboard for further study of women in pop culture whose purpose is empower and provoke their fans, as well as

Sing You Home

Oct 27 2019 From the award-winning, #1 New York Times bestselling author whom USA TODAY calls a "master of the page-turner,"

comes the spectacular story of a woman's complex quest to form a family. Every life has a soundtrack.

All you have to do is listen. Music has set the tone for most of Zoe Baxter's life.

There's the melody that reminds her of the summer she spent rubbing baby oil on her stomach

in pursuit of the perfect tan. A dance beat that makes her think of using a fake ID to slip into a nightclub. A dirge that marked the years she spent trying to get pregnant. For better or for worse, music is the language of memory. It is also the language of love. In the aftermath of a series of personal tragedies, Zoe throws herself into her career as a music therapist. When an unexpected friendship slowly blossoms into love, she makes plans for a new life, but to her shock and inevitable rage, some people—even those she loves and trusts most—don't want that to

happen. Sing You Home is about identity, love, marriage, and parenthood. It's about people wanting to do the right thing for the greater good, even as they work to fulfill their own personal desires and dreams. And it's about what happens when the outside world brutally calls into question the very thing closest to our hearts: family.

Why Suyá Sing Jul 29 2022 "Like many other South American Indian communities, the Suyá Indians of Mato Grosso, Brazil, devote a great deal of time and energy to making music, especially singing. In paperback for the first time, Anthony Seeger's *Why Suyá Sing*

considers the reasons for the importance of music for the Suyá - and by extension for other groups - through an examination of myth telling, speech making, and singing in an initiation ceremony." "This new paperback edition features a CD offering examples of the myth telling, speeches, and singing discussed, as well as a new afterword that describes the continuing use of music by the Suyá in their recent conflicts with cattle ranchers and soybean farmers." -- Prové de l'editor.
