**When God Walked Among the Nations** Oct 31 2019 The following is a brief description of the prevailing spiritual and moral tides that were washing over much of Europe and America in the early eighteenth century--God's "righteous name had been intolerably dishonored, his pure and holy word disregarded by incompetent or unconverted clergy, and the human family, created to glorify God and enjoy him forever, willfully and with abandon gave themselves to all manner of corruption." These were despairing times--with striking similarities to our present day. And yet, in the midst of this seemingly hopeless era, the omnipotent God did what no man alone could accomplish: he restored the honor due to his great name, and exalted the power of his holy word through a revival that set ablaze two spiritually parched continents--God Walked Among the Nations! The pulpit was powerfully revived, men and women by the tens of thousands were soundly converted, and biblical renewal and social reformation flourished throughout the land. Do you wonder if a revival so vast in scope that it produces extraordinary biblical, moral, and social reformation throughout your nation is even possible? If you're pondering this question, then it is time to read about the glorious event best known as the First Great Awakening and renew your hope.

**Ramadan Revival Journal** Nov 05 2022 Ramadan is a month filled with blessings, forgiveness, and warmth. It's a month that revives your spirit. The IGI Ramadan Revival Journal intends to make your Ramadan journey more productive and efficient. This journal will not only help you plan your fasting days but will help you achieve all your oft-neglected Ramadan goals with determination and strength. This is a beautiful, full-color planner, designed to help you organize your days, keep track of your priorities, and accomplish your most important goals. It includes: Daily planner for fasting, prayer, Qur'an recitation, & dhikr Space for notes on each day's prayers, tasks, good deeds, & reflections "Heart Check-In" section to help you remember each day's prayers, charity, and more You'll also get access to a series of "Ramadan Moments", short video reminders released every few days to help revive your spirit.

**Sustaining the Fires of Revival** Nov 12 2020

*Macphail's Edinburgh ecclesiastical journal and literary review* Sep 10 2020

**The Early Music Revival** May 19 2021 First comprehensive historical study, going back to 18th century. Influence of Schola Cantorum; instrument builders; performers such as Wanda Landowska, Alfred Deller, others. Includes 46 illustrations. "Well informed" -- Christopher Hogwood.

[Religion in China](#) Jan 03 2020 Religion in China survived the most radical suppression in human history--a total ban of any religion during and after the Cultural Revolution. All churches, temples, and mosques were closed down, converted for secular uses, or turned to museums for the purpose of atheist education. Over the last three decades, however, religion has survived and thrived even as China remains under Communist rule. Christianity ranks among the fastest-growing religions in the country, and many Buddhist and Daoist temples have been restored. The state even sponsors large Buddhist gatherings and ceremonies to venerate Confucius and the legendary ancestors of the Chinese people. On the other hand, quasi-religious qigong practices, once ubiquitous, are now rare. All the while, authorities have carried out waves of atheist propaganda, anti-superstition campaigns, severe crackdowns on the underground Christian churches and various "evil cults." How do we explain religion in China today? How did religion survive the eradication measures in the 1960s and 1970s? How do various religious groups manage to revive despite strict regulations? Why have some religions grown fast in the reform era? Why have some forms of spirituality gone through dramatic turns? In *Religion in China*, Fenggang Yang provides a comprehensive overview of the religious change in China under Communism.

**Azusa Street** Jul 09 2020 Presents a compilation of eyewitness accounts of the Pentecostal revival at the Azusa Street Mission in Los Angeles, California.

*The Work of the Spirit* Aug 10 2020 Ever since the sensational Azusa Street Revival in 1906, the global Pentecostal church has continued to explode numerically, pushing theological debates on the Holy Spirit to the forefront. This insightful collection draws together theologians, scientists, and Pentecostal scholars to make connections between the study and experience of the Holy Spirit. The authors begin by addressing theological implications before moving on to the Pentecostal experience, finally connecting the Spirit to scientific and philosophical reflections. Filled with interdisciplinary insights, "The Work

of the Spirit" is inspiring and timely, honoring a century of intense reflection on and involvement with the Holy Spirit. Contributors: D. Lyle Dabney James D. G. Dunn Veli-Matti Karkkainen Frank D. Macchia Bernd Oberdorfer John Polkinghorne Margaret Poloma Kathryn Tanner Grant Wacker Michael Welker Amos Yong Anna York Donald G. York **Revival Preaching** Aug 22 2021 As part of his passion to bring glory to God, Ernie Klassen is particularly interested in the revival of God's people and the awakening of the lost. He believes strongly that God-honoring, Christ-exalting, and Spirit-empowered preaching plays a critical role in revival and awakening. No one models this dynamic better than Jonathan Edwards. He was a pastor who was a protagonist of the First Great Awakening. He thought deeply and critically about religious movements, and his reflections and sermons provide valuable "fodder" for reflection. *Revival Preaching* extracts the most important lessons of Edwards's writings and sermons for preaching in today's world.

**British Bee Journal & Bee-keepers Adviser** Oct 12 2020

*The Altared Life: The Pathway Towards Personal Revival* May 07 2020 Dr. Darryl Husband was a typical theologically trained Baptist minister, until a life-changing encounter with the Holy Spirit changed everything. *The Altared Life* is more than a book describing a man's religious faith; it's a blue print for those seeking a pathway towards dynamic intimate fellowship with the living God. *The Altared Life* is an invitation to breakthrough the average mundane religious experience and into the pleasure of consistent unbroken fellowship with the Living God of unconditional grace, mercy and abundant living. *The Altared Life* will offer you several paths to the presence of God, from a biblical perspective. Everyday your relationship with Him will grow stronger; thereby you will grow into the image of God and become a "Carrier of the Glory".

**The Whig Revival, 1808-1830** Sep 22 2021 Between 1808 and 1830, the Whigs made a remarkable transition from opposition to office that highlights important trends in early Nineteenth-Century Britain. *The Whig Revival* examines how a coalition between provincial interest groups and the parliamentary party established them as a viable governing party by 1830. Where earlier studies have focused on the Whigs experience in government or liberal reform movements, this work examines their years in opposition and how the struggle for

power broadened the political nation beyond metropolitan elites.

[The Assemblies of God](#) Feb 02 2020 The Assemblies of God draws on fresh, up-to-date research including quantitative surveys and interviews conducted within twenty-two Assemblies of God congregations to offer a new sociological portrait of the AG for the new millennium. The authors suggest that there is a revitalization of the movement in the works within the context of the larger Pentecostal upswing, and that this revitalization may be spurred by what the authors call "godly love" : the dynamic interaction between perceived divine and human love that enlivens and expands adherents' benevolence.

[How to Experience Revival \(Journal Edition\)](#)

Oct 04 2022 Revival starts with one person.

You. Charles Finney—who shook up nineteenth-century America with his preaching, earned the title Father of Modern Revivalism, and became the forerunner of revivalists like Dwight L. Moody and Billy Graham—knew a thing or two about revival. And he claimed it began not in the emotion of the masses but in the repentance of the individual. This new journal edition of a spiritual classic invites readers to record their reflections, thoughts, and prayers in response to Finney's fiery words on how to experience revival. As you let his message soak in and interact with your life, you might find revival to be closer to home than you ever expected.

[Colonial Revival Maine](#) Oct 24 2021 An illustrated history of the Colonial Revival movement in Maine (ca. 1876-1930). Examines a group of architects who, from the 1870s onward, both recorded the historic buildings of northern New England and recycled that imagery into their own designs.

[Catholic Spirit](#) Mar 05 2020 "Previously, most books have focused on the differences between the theology of John Wesley and George

Whitefield, while overlooking the lasting friendship between the two, which, after a brief period of separation, was restored for the sake of the continuation of the revival movement on two continents. Catholic Spirit: Wesley, Whitefield, and the Quest for Evangelical Unity in Eighteenth-Century British Methodism focuses on the key themes upon which both men agreed. James Schwenk explores the commonalities between these leaders of British Methodism and illustrates the great lengths they went to further the revival of Christianity in England and North America. Wesley and Whitefield each claimed to possess "Catholic spirits"; that is, they both believed the importance of working with other like-minded individuals to spread the message of salvation through Christ. Schwenk argues that they were successful in promoting that spirit of cooperation - even as some of their followers failed to understand how hard they worked at making "molehills out of mountains."--BOOK JACKET.

[The Seeds of Revival](#) Jan 15 2021 Do you hunger for revival? Learn what revival is, how it is birthed, and how to maintain an atmosphere of revival on personal and corporate levels. The Seeds of Revival will ignite the passion in your heart for true revival, while providing practical instruction on how to obtain it. The Seeds of Revival uses a simple, parable-driven approach to help you understand God's perspective on revival. This small, but powerful book, is packed with insights that can transform your life. Whether you are a new or seasoned Christian, there is something in this book for you!

[Great Revival Stories](#) Mar 29 2022 Great Revival Stories is compiled from two books, Best Revival Stories from the Renewal Journal, and Transforming Revivals. Chapters are articles from the Renewal Journals: Best Revival Stories: 1 Power from on High, by John Greenfield 2 The Spirit told us what to do, by Carl Lawrence 3 Pentecost in Arnhem Land, by Djiniyini Gondarra 4 Speaking God's Word, by David Yonggi Cho 5 Worldwide Awakening, by Richard Riss 6 The River of God, by David Hogan Transforming Revivals: 1 Solomon Islands 2 Papua New Guinea 3 Vanuatu 4 Fiji 5 Snapshots of Glory, by George Otis Jr

[Gothic Revival Worldwide](#) Apr 29 2022 Pugin's global influence on church architecture and material reform The year 2012 marked the bicentenary of the gothic revival architect A.W.N. Pugin. His influence as a designer not only spread fast globally, but also played a leading part in the transformation of material culture from the mid-nineteenth century onwards. Pugin's work has been comprehensively reevaluated over the last decade. In this volume sixteen leading scholars from across the globe discuss Pugin's direct influence on church architecture and furnishing. Beautifully illustrated with a large selection of new photography, Gothic Revival Worldwide, the successor to the volume Gothic Revival published in 2000, reveals how Pugin's ideas played a profound role in the changing face of material reform in church architecture as an expression of the evolving identity of the churches across the world from North America to Mongolia and the South Pacific. Contributors Stephen Bann (Bristol University), Jessica Basciano (University of St. Thomas, Houston),

G.A. Bremner (University of Edinburgh), Martin Bressani (McGill University, Montréal), Karen Burns (University of Melbourne), Timothy Brittain-Catlin (University of Kent), Peter Coffman (Carleton University, Ottawa), Thomas Coomans (KU Leuven), Jan De Maeyer (KU Leuven / KADOC), Candace Iron (York University, Toronto), Stephen Kite (Cardiff University, Wales), Alex Lawrey (independent scholar), Peter N. [The Oxford Handbook of Music Revival](#) Nov 24 2021 Revivals - movements that revitalize, resuscitate, or re-indigenize traditions perceived as threatened or moribund into new temporal, spatial, or cultural contexts - have been well-documented in Western Europe and Euro-North America. Less documented are the revival processes that have been occurring and recurring elsewhere in the world. And particularly under-analyzed are the aftermaths of revivals: the new infrastructures, musical styles, performance practices, subcultural communities, and value systems that have grown out of revival movements. The Oxford Handbook of Music Revival helps us achieve a deeper understanding of the role and development of traditional, folk, roots, world, classical, and early music in modern-day postindustrial, postcolonial, and postwar contexts. The book's thirty chapters present innovative theoretical perspectives illustrated through new ethnographic case studies on diverse music cultures around the world. Together these essays reveal the potency of acts of revival, resurgence, restoration, and renewal in shaping musical landscapes and transforming social experience. The contributors present research from Euro-America, Native America, Latin America and the Caribbean, Africa, Europe, the former Soviet bloc, Asia, Australia, and the Pacific. They enrich the field by applying approaches and insights from across the disciplines of ethnomusicology, ethnochoreology, historical musicology, folklore studies, anthropology, ethnology, sociology, and cultural studies. The book makes a powerful argument for the untapped potential of revival as a productive analytical tool in contemporary, global contexts—one that is crucial for understanding manifestations of musical heritage in postmodern, cosmopolitan societies. With its detailed treatment of authenticity, recontextualization, transmission, institutionalization, globalization, and other key concerns, the collection makes a significant impact far beyond the field of revival studies and is crucial for understanding contemporary manifestations of folk, traditional, and heritage music in today's postmodern cosmopolitan societies.

[Revive Us Again](#) May 31 2022 A world in chaos. The Church divided. Families broken. Evil abounding. What we need right now is Jesus. What we need, is revival. God began burning

this in my heart: He has a desire for His people to return to Him. A revival of The Church. For this revival to occur, we must fervently seek God. We are told in Jeremiah 29:13, "You will seek me and find me when you seek me with all of your heart." That seeking comes from spending time in His Word and in prayer. This seeking has been the catalyst for Revive Us Again. Revive Us Again is a 31 Day Scripture Journal focused on the topic of revival. This study journal can be used on it's own or as a companion study to Sweet To The Soul's Prayer Journal, Praying for Revival. Revive Us Again includes a 31-day Scripture Reading list and pages to journal during your daily study time. This study journal can be used at your preferred pace. The Scripture Reading List can be used to read and study a scripture (or section of scripture) each day, or week days or weekly. For more information and to access additional Revival resources, visit.

[PrayingForRevival.com](http://PrayingForRevival.com) or

[SweetToTheSoul.com](http://SweetToTheSoul.com).... IT WILL STIR UP REVIVAL WITHIN US & SPILLOVER ON OTHERS ...The Holy Spirit breathes within us God's desires and purpose-a relationship with our Creator. He stirs us to prayer, repentance, healing, and renewal-revival. I am reminded revival is a daily asking and seeking God's guidance, not a once in a lifetime decision. I believe if we commit to pray and meet with our Father, it will change our hearts and stir up revival within us and spillover on others.

Michele O'Leary, writer, blogger.

*The Boston Medical and Surgical Journal* Aug 29 2019

**The Palgrave Handbook of Anthropological Ritual Studies** Dec 02 2019 Ritual Studies have achieved prominence since the 1980s, when interest in ritual as an object of inquiry was established, bridging over a number of humanities and social science disciplines. Both connected with religious studies and independent of it; overlapping with social and cultural anthropology, but also with history;

related to science and health practices and ranging across the life course to education, Ritual Studies has come to encompass studies of change and dynamism in social life. Rituals are determinate in form, but not static. They enunciate distinctive social values within specific contexts that frame them; and they relate to the wider concerns and issues of their practitioners. Due to this broad and wide-ranging scope, it is often difficult to find a single resource on Ritual Studies, and even more so to find one which moves beyond the beginnings of anthropological theorizing to grapple with the present-day contexts of ritual. Bringing together recent ethnographies of ritual practice and ritualization from across the globe, this Handbook provides case study of ritual in the light of Emotion and Cognition, Identity, Religious Power, Performance and Literature, Ecology and Ecological Disaster, Media, and other topics. While each chapter provides a deep ethnography of a specific society, ritual, or ritualized practice, each also engages with current theoretical and substantive approaches to the relevant topic. The scholars collected here provide original synoptic and indicative pieces as guideposts and pathways through the complex, varied and cross-disciplinary, and vast landscape of scholarship that constitutes Ritual Studies today and points to developments in the future. [Revival a Writing Journal](#) Jan 27 2022 This is a hardcover, blank journal, features lined pages for you to write your personal or work thoughts. Hard cover journal helps with your writing no matter where you are, to help keep a steady hand. Proceeds from the sale of this journal helps Stephen King's Haven Foundation for authors and artists.

**Periodizing Secularization** Dec 14 2020 Moving beyond the (now somewhat tired) debates about secularization as paradigm, theory, or master narrative, Periodizing Secularization focuses upon the empirical evidence for secularization, viewed in its

descriptive sense as the waning social influence of religion, in Britain. Particular emphasis is attached to the two key performance indicators of religious allegiance and churchgoing, each subsuming several sub-indicators, between 1880 and 1945, including the first substantive account of secularization during the fin de siècle. A wide range of primary sources is deployed, many of them relatively or entirely unknown, and with due regard to their methodological and interpretative challenges. On the back of them, a cross-cutting statistical measure of 'active church adherence' is devised, which clearly shows how secularization has been a reality and a gradual, not revolutionary, process. The most likely causes of secularization were an incremental demise of a Sabbatarian culture (coupled with the associated emergence of new leisure opportunities and transport links) and of religious socialization (in the church, at home, and in the school). The analysis is also extended backwards, to include a summary of developments during the eighteenth and early nineteenth centuries; and laterally, to incorporate a preliminary evaluation of a six-dimensional model of 'diffusive religion', demonstrating that these alternative performance indicators have hitherto failed to prove that secularization has not occurred. The book is designed as a prequel to the author's previous volumes on the chronology of British secularization - *Britain's Last Religious Revival?* (2015) and *Secularization in the Long 1960s* (2017). Together, they offer a holistic picture of religious transformation in Britain during the key secularizing century of 1880-1980.

**REVIVAL WRITING JOURNAL - TRAD** Aug 02 2022 This is a trade paperback, blank journal, features lined pages for you to write your personal or work thoughts. This journal helps with your writing no matter where you are, to help keep a steady hand. Proceeds from the sale of this journal helps Stephen King's Haven Foundation for authors and artists.
