Many Were Held by the Sea
Aug 08 2020 NAVAL HISTORY
WORLD WAR I "Great naval battles, terrible privation, and mind-boggling acts of heroism flow through Scott's book, which successfully blends the characteristics of a page-turner with meticulous, scholarly research. The charmed life and tragic sinking of the troopship HMS Otranto under the cliffs of a Scottish island resulted in America's heaviest loss of life at sea during World War I, but it could have been so much worse. This was one of the terrible but ultimately uplifting tragedies from which the 'special relationship' between Britain and the United States has been forged. Scott issues a timely reminder. We must

never forget."---Carl Reavey, editor, *The (Islay, Scotland)* "Professor Scott tells a well-researched, fast-paced story of one of the most dramatic and courageous sea rescues in modern history, tempered by the tragic loss of so many Young American troops. Working with detailed firsthand accounts, historical documents, and private letters, Scott recounts a gripping and heart-rending story of heroism and horror. In the absence of public monuments to the worst maritime disaster to befall American soldiers during World War I, *Many were Held by the Sea* serves as a memorial and in itself a monument to the 470 men of HMS Otranto who lost their lives on that unlucky day."---Irwin H. Lord, Teach Us to Pray Jun 25 2019 Although Jesus of Nazareth was a devout first-century Jew, in the twenty-first century he is often lost in the thickets of Christian theology, reflection on the wisdom of his words, and the busyness of church life. But Jesus is more than words about Jesus. What can we know about Jesus the Jew? What filled his daily life? Why did people come to him in great numbers? At a time in the church's life when "spiritual formation" has become a priority, it is rare to hear someone ask, "What was Jesus' spiritual formation like and how did it influence his life?" What can we learn from Jesus'

life about spiritual formation, prayer, and our involvement in the needs of the world today? Using one hundred daily reflections, *Lord, Teach Us to Pray* enables readers to experience Jesus' prayer from the point of view of his Jewish life of prayer. Reflections explore Jesus' periods of quiet intimacy with his Abba, his commitment to Sabbath worship in synagogues, his participation in the great Jewish feasts at the Jerusalem temple, and the ways in which his life of prayer became the womb of his compassionate engagement with the poor, the ill, sinners, and the "unclean" in his society.

On My Honor Jul 07 2020 On the first day of his Senate confirmation hearings, John Ashcroft raised his right hand and vowed, "I swear to uphold the laws of the United States of America, so help me God." People who knew him intimately knew they could count on this. And so will others as they read *On My Honor*, a book that reveals Ashcroft's personal beliefs on racism, abortion, capital punishment, our judicial system, his faith in God, and more. These beliefs were not designed to answer his critics in the Senate. They are beliefs he has held for years, written when he still expected to serve a second term in the Senate. Here is an opportunity to judge this extraordinary man from his own words and deeds. As Ashcroft says, "The verdict of history is inconsequential; the verdict of eternity is what counts." *On My Honor* was previously published as *Lessons From a Father to His Son*, ISBN 07852-75401.

Desert Banquet Sep 28 2019 The wisdom of the desert fathers and mothers lies in

their experiences of solitude, prayer, community life, work, and care for their neighbors. Their goal was transformation of their lives through openness to the presence and energy of God in Christ. They taught by example and by sharing narratives and sayings that reflect the deep human psychological and spiritual aspects of their journey toward authentic human life. The venue for their transformation was the whole person 'body, mind, and spirit. They emphasized self-knowledge, humility, purity of heart, and love of God and neighbor. Far from being naïve, their sayings and narratives reflect honest struggles, temptations, and failures. They also demonstrate the disciplines of prayer and meditation that kept them centered in God as their only source of strength. The daily reflections in **Desert Banquet** introduce readers to a variety of these early Christian mentors and offer reflections on the significance of their wisdom for life in the twenty-first century. David G. R.Keller, an Episcopal priest, is adjunct professor of ascetical theology at the General Theological Seminary in New York City. He is co-steward, with his wife, Emily Wilmer, of Oasis of Wisdom: An Institute for Contemplative Study, Practice, and Living based in Asheville, North Carolina (www.oasisofwisdom.net). Prayer and the Scoutmaster

Nov 03 2022 The glaring question here is what does

Prayer have to do with whatever Scoutmaster is. This book is the effort to show that they, indeed, are one and the same. From the Oath, "On my honor I will do my best to do my duty to God and my country" to the last point of the Scout Law being Reverent, Williams examines the in's and out's of the intricacies of prayer: How to listen, how to help others listen and the temptations that have plagued mankind from the beginning to look elsewhere for his answers when, indeed, they are as "close as breathing and nearer than hands or feet." One may have little knowledge of the Boy Scouts of America, but what you see in this definition of prayer will either confirm your faith or challenge you to grow in the exercise of the same.

DEVOTIONS AND PRAYERS FOR POLICE OFFICERS Nov

10 2020 While keeping physically fit and achieving expert law enforcement skills are essential to a successful police officer, maintaining a strong heart, mind, and soul are also crucial to surviving in his or her career. This new edition of this singular book serves as a tool to help law enforcement officers consciously take the pulse of their soul, ensuring that they stay on a strong spiritual and moral path. The book is not just a collection of devotions with religious meaning, but rather it clearly identifies some of the most trying situations that officers often find themselves in and helps them make sense of it all. The author then links these situations with relevant biblical passages. Each devotion in the book is freestanding and can be used in any order. The devotions and corresponding situations are presented in five categories: Justice, Dealing with People, Crime and Police Situations, Prevention, and Self-Care. Each of the 69 devotion sections concludes with questions for reflection and a meaningful prayer. The revision of the text includes 15 percent more devotions, and

The 24th Wisconsin Infantry in the Civil War Apr 27 2022
Winner of Milwaukee County Historical Society's coveted

Gambrinus Prize for the best book-length contribution to Milwaukee historiography in 2003 Profiles the courageous 24th Wisconsin Infantry and features the personal stories of members of the 24th, including Arthur McArthur, the father of Gen. Douglas MacArthur Utilizes hundreds of primary sources--letters, diaries, and contemporary newspaper articles Formed in the summer of 1862, the 24th Wisconsin Infantry participated in many major battles of the Western theater, earning a reputation as a brave, hard-fighting unit. Unlike other unit histories, this book makes no attempt, as the author freely admits, to provide "an objective history" of the regiment. Rather, the book digs deeper, following the personal stories of the soldiers themselves, providing hundreds of individual

vignettes that, taken together, paint a vivid picture of the life of a Union soldier.
