[The Battle of Hamburger Hill](#) Oct 26 2019 \*Includes pictures \*Includes a bibliography for further reading "We are in for some tough fighting ahead, but I feel we have never before been more capable of success than now. The NVA we are going to meet out there will be highly trained, well-equipped, hard-core troops who will stand and fight, especially when we get close to his base camps and supply depots." - Colonel John Hoefling, 2nd Brigade, March 1, 1969 The Vietnam War could have been called a comedy of errors if the consequences weren't so deadly and tragic. In 1951, while war was raging in Korea, the United States began signing defense pacts with nations in the Pacific, intending to create alliances that would contain the spread of Communism. As the Korean War was winding down, America joined the Southeast Asia Treaty Organization, pledging to defend several nations in the region from Communist aggression. One of those nations was South Vietnam. Faced with such a determined opponent, skilled in asymmetrical warfare and enjoying considerable popular support, the Americans would ultimately choose to fight a war of attrition. While the Americans did employ strategic hamlets, pacification programs, and other kinetic counterinsurgency operations, they largely relied on a massive advantage in firepower to overwhelm and grind down the Viet Cong and NVA in South Vietnam. The goal was simple: to reach a "crossover point" at which communist fighters were being killed more quickly than they could be replaced. American ground forces would lure the enemy into the open, where they would be destroyed by a combination of artillery and air strikes. One of the most infamous battles of the Vietnam War, the Battle of Hamburger Hill - officially, part of Operation Apache Snow - occurred in spring of 1969. Towering over the perilous, elephant grass choked length of the A Shau Valley, Hill 937, otherwise known as Hamburger Hill or Dong Ap Bia ("Crouching Beast Mountain"), rose to a height of over 3,074 feet above sea level. The Americans launched a series of 11 attacks against this low mountain's NVA defenders, leading to fierce combat involving both advanced weaponry and infantry tactics unchanged since World War II. The Battle of Hamburger Hill ranks as one of the most famous - or infamous - of the Vietnam War. Over time, however, all nuance and context have vanished, leaving a legend of pointless butchery which ignores the very real strategic and tactical considerations that converged to produce the encounter. The battle

pitted several battalions of the 101st Airborne Division, one of America's most famous fighting units, against the 29th Regiment of the NVA. The latter's toughness, skill, courage, and zeal earned it the unofficial sobriquet of "The Pride of Ho Chi Minh." Both units fought extremely hard and with great determination, inflicting high casualties on one another. The change from an elusive strategy to one of aggression marked a shift in North Vietnamese action, too. Documents captured during the battle indicated the 29th moved into the A Shau Valley and occupied Hill 937 as a staging area for a second full-scale attack on the city of Hue. This, in turn, triggered a shift in American military thinking, though as was often the case during the war, the results suffered from the effects of large-scale political interference. [The Battle of Hamburger Hill: The History and Legacy of One of the Vietnam War's Most Controversial Battles](#) chronicles one of the most controversial campaigns of the war, and the effects it had on both sides. Along with pictures of important people, places, and events, you will learn about the Battle of Hamburger Hill like never before. [Verdun 1916](#) Nov 27 2019 A gripping narrative of the most infamous Western Front battle of the war. The British remember the Somme, Russia the Brusilov Offensive, and France and Germany remember Verdun [Battle of the Bulge \[The Young Readers Adaptation\]](#) May 02 2020 On the 16th of December, 1944, in the frozen forests of the Ardennes, the German army attacked American Allied forces, launching a final bid to turn the tide of World War II. Thus began the long, hard slog of a battle that was nicknamed by the media as the Battle of the Bulge. Lasting more than a month, it led to tens of thousands of casualties. Sir Winston Churchill called it "the greatest American battle of the war and . . . an ever-famous American victory." Atkinson skillfully guides his audience through the attacks and counterattacks, the advances and retreats of this terrible bloodbath. Whether history buffs or newcomers to the topic, young readers will appreciate the author's clear and accessible prose, as well as the many fascinating facts, photographs, and statistics. A historical exploration of World War II's Battle of the Bulge from Pulitzer Prize-winner and New York Times–bestselling author Rick Atkinson. This thoroughly-researched and documented book can be worked into multiple aspects of the common core curriculum. [Battle of the Spirits](#) Dec 29 2019

[The Battle of Newton Road](#) Jun 14 2021 [Battle of the Bulge 1944-45](#) Jun 26 2022 In December 1944 the German military made their final attempt to end the Second World War by throwing in all their reserves in a desperate attempt to shatter the Allied lines. After breaking through the American-held sector in the Ardennes, two Panzer armies headed for the bridges over the River Meuse. However, a combination of poor planning, bad weather, tortuous terrain and above all, the determined defense of keys towns and villages, such as Bastogne and St Vith, delayed the advance. The Allies were able to hold the northern and southern shoulders of the attack, hemming the Germans in. The Bulge had been created, and as the fortunes of battle were reversed, the Allies struck back. This book gives a clear, concise account of those dramatic days at the end of 1944, supported by a timeline of events and orders of battle. Over fifty photographs illustrate the events during this momentous campaign. [The Battle of Britain](#) Dec 21 2021 This is the second volume of the classified history of air defence in Great Britain. Written while World War II was still being fought, the account has an analysis of the defensive tactics of Fighter Command, and attempts a day-by-day analysis of the action as it took place. [The Most Dangerous Enemy](#) Aug 05 2020 "The magnitude and vital importance of the Battle of Britain has found a superb chronicler in Stephen Bungay, whose book is the best single-volume history to be published in over a decade." - Andrew Roberts Stephen Bungay's magisterial history is acclaimed as the account of the Battle of Britain. Unrivalled for its synthesis of all previous historical accounts, for the quality of its strategic analysis and its truly compulsive narrative, this is a book ultimately distinguished by its conclusions - that it was the British in the Battle who displayed all the virtues of efficiency, organisation and even ruthlessness we habitually attribute to the Germans, and they who fell short in their amateurism, ill-preparedness, poor engineering and even in their old-fashioned notions of gallantry. An engrossing read for the military scholar and the general reader alike, this is a classic of military history that looks beyond the mythology, to explore all the tragedy and comedy; the brutality and compassion of war. [The Merlin Prophecy Book One: Battle of Kings](#) May 14 2021 BOY, HEALER, PROPHET—THE EPIC TALE OF MERLIN BEGINS In the town of Segontium a wild storm washes a fugitive ashore. He

brutally rapes the granddaughter of the ruler of the Deceangli tribe, leaving her to bear his son, Myrddion Merlinus (Merlin). Spurned as a demon seed, the child is raised by his grandmother and, as soon as he turns nine, he is apprenticed to a skilled alchemist who hones the boy's remarkable gift of prophecy. Meanwhile, the High King of the Britons, Vortigern, is rebuilding the ancient fortress at Dinas Emrys. According to a prophecy, he must use the blood of a demon seed—a human sacrifice—to make his towers stand firm. Myrddion's life is now in jeopardy, but the gifted boy understands that he has a richer destiny to fulfill. Soon Vortigern shall be known as the harbinger of chaos, and Myrddion must use his gifts for good in a land besieged by evil. So begins the young healer's journey to greatness . . .

Patton at the Battle of the Bulge Apr 12 2021 December, 1944. For the besieged American defenders of Bastogne, time was running out. Hitler's forces had pressed in as their ammunition dwindled, and the weary paratroopers of the 101st Airborne could only hope for a miracle—a miracle in the form of General George S. Patton and his Third Army. Here, Army veteran and historian Leo Barron explores one of the most famous, yet little understood, clashes of the war, a vitally important chapter in one of history's biggest battles.

Fifty Years of "The Battle of Algiers" Oct 07 2020 The Battle of Algiers, a 1966 film that poetically captures Algerian resistance to French colonial occupation, is widely considered one of the greatest political films of all time. With an artistic defiance that matched the boldness of the anticolonial struggles of the time, it was embraced across the political spectrum—from leftist groups like the Black Panther Party and the Palestine Liberation Organization to right-wing juntas in the 1970s and later, the Pentagon in 2003. With a philosophical nod to Frantz Fanon, Sohail Daulatzai demonstrates that tracing the film's afterlife reveals a larger story about how dreams of freedom were shared and crushed in the fifty years since its release. As the War on Terror expands and the “threat” of the Muslim looms, The Battle of Algiers is more than an artifact of the past—it's a prophetic testament to the present and a cautionary tale of an imperial future, as perpetual war has been declared on permanent unrest. Forerunners: Ideas First is a thought-in-process series of breakthrough digital publications. Written between fresh ideas and finished books, Forerunners draws on scholarly work initiated in notable blogs, social media, conference plenaries, journal articles, and the synergy of academic exchange. This is gray literature publishing: where intense thinking, change, and speculation take place in scholarship.

The Battle of the Somme Jul 24 2019 offensive to be waged against Germany even as France poured incredible numbers of men into the slaughterhouse that was the desperate defense of Verdun. élan vital” of the French people, a quality, he argued, that set the Gallic race apart from the rest of the world. French losses were just under 200,000. The Germans lost at least 650,000. Just as the French refused to give up ground at Verdun, the Germans held on stubbornly at the Somme—so stubbornly that General Ludendorff actually complained that his men “fought too doggedly, clinging too resolutely to the mere holding of ground, with the result that the losses were heavy.” The

only thing “conclusive” about the Somme was the ineluctable fact of death. No battle ever fought in any conflict provided a stronger incentive for all sides to reach a negotiated peace—the “peace without victory” that Woodrow Wilson, still standing on the sidelines, urged the combatants to agree upon. Instead, the Kaiser, appalled both by Verdun and the Somme, relieved Falkenhayn and replaced him with Hindenburg and Ludendorff, who had achieved great success on the Eastern Front. The new commanders created two new defensive lines, both well behind the Somme front. On the one hand, it was a retreat. On the other, it was a commitment to draw the French and British farther east and invite them to sacrifice more of their soldiery. The modest advance the British made was but the prelude to additional slaughter.

**Monte Cassino** Nov 07 2020 Monte Cassino is the true story of one of the bitterest and bloodiest of the Allied struggles against the Nazi army. Long neglected by historians, the horrific conflict saw over 350,000 casualties, while the worst winter in Italian memory and official incompetence and backbiting only worsened the carnage and turmoil. Combining groundbreaking research in military archives with interviews with four hundred survivors from both sides, as well as soldier diaries and letters, Monte Cassino is both profoundly evocative and historically definitive. Clearly and precisely, Matthew Parker brilliantly reconstructs Europe's largest land battle—which saw the destruction of the ancient monastery of Monte Cassino—and dramatically conveys the heroism and misery of the human face of war.

**Battle of the Boss-Monster** Jul 04 2020 In the year since Alexander and his father moved to Stermont, he and his friends in the Super Secret Monster Patrol of Stermont Elementary have defeated all kinds of monsters, but now they face their greatest challenge, the boss-monster who has kidna

**The Battle of the Books** Sep 17 2021 Joseph M. Levine provides a witty and erudite account of one of the most celebrated chapters in English cultural history, the acrimonious quarrel between the “ancients” and the “moderns” which Jonathan Swift dubbed “the Battle of the Books.” The dispute that amused and excited the English world of letters from 1690 until the 1730s was, Levine shows, an installment in the long-standing debate about the relationship of classical learning to modern life. Levine argues that the debate was fundamentally a quarrel about the rival claims of history and literature concerning the proper way to understand the authors of the past. He skillfully examines how both sides wrote their own brands of history: The moderns, led by Richard Bentley, proposed that the “modern” inventions of classical scholarship and archaeology gave them a superior insight into the past; the ancients, marshaled by Jonathan Swift and Alexander Pope, held out for a more direct imitation of antiquity and opposed the new scholarship with all the force of their satire and invective. Levine demonstrates that the ancients and the moderns influenced each other in powerful ways, and had much more in common than they knew. Chronicling a critical episode in the development of modern scholarship, The Battle of the Books

illuminates the roots of present-day controversies about the role of the classics in the curriculum and the place of the humanities in education.

*Last Assault* Sep 25 2019 Were the Americans caught unawares at the outset of the Battle of the Bulge? Whiting argues that the answer is very probably that they were not. If the Americans knew that the Germans were coming, why didn't they reinforce the troops on the weakly front line?

**Braddock's Defeat** Jun 02 2020 On July 9, 1755, British and colonial troops under the command of General Edward Braddock suffered a crushing defeat to French and Native American enemy forces in Ohio Country. Known as the Battle of the Monongahela, the loss altered the trajectory of the Seven Years' War in America, escalating the fighting and shifting the balance of power. An unprecedented rout of a modern and powerful British army by a predominantly Indian force, Monongahela shocked the colonial world—and also planted the first seeds of an independent American consciousness. The culmination of a failed attempt to capture Fort Duquesne from the French, Braddock's Defeat was a pivotal moment in American and world history. While the defeat is often blamed on blundering and arrogance on the part of General Braddock—who was wounded in battle and died the next day—David Preston's gripping new work argues that such a claim diminishes the victory that Indian and French forces won by their superior discipline and leadership. In fact, the French Canadian officer Captain Beaujeu had greater tactical skill, reconnaissance, and execution, and his Indian allies were the most effective and disciplined troops on the field. Preston also explores the long shadow cast by Braddock's Defeat over the 18th century and the American Revolution two decades later. The campaign had been an awakening to empire for many British Americans, spawning ideas of American identity and anticipating many of the political and social divisions that would erupt with the outbreak of the Revolution. Braddock's Defeat was the defining generational experience for many British and American officers, including Thomas Gage, Horatio Gates, and perhaps most significantly, George Washington. A rich battle history driven by a gripping narrative and an abundance of new evidence, Braddock's Defeat presents the fullest account yet of this defining moment in early American history.

*Archon Book 1: Battle of the Dragon* Jul 16 2021 In 1981 Las Vegas is changing. The Mafia is being pushed out and Big Corporations are moving in. But something mysterious is taking up residency. Gareth Thompson, the Archon's new chief of security, will soon discover a mythical new world hidden behind the guise of a fantasy themed Hotel and Casino. Collects the adventure of ARCHON #1-5."

Battle of Wits Sep 29 2022 "This is the story of the Allied codebreakers puzzling through the most difficult codebreaking problems that ever existed.

The Battle of the Atlantic Jun 22 2019 "First published in Great Britain in 2015 by Viking."--Title page verso.

**British Battle Planning in 1916 and the Battle of Fromelles** Nov 19 2021 The Battle of Fromelles (19-20 July 1916) witnessed the first

time Australian forces were used in offenses on the Western Front, and thus looms large in Commonwealth perceptions of 'Bumbling British Generals'. This book follows the battle plan from the supreme commander's strategic designs down through the commands at operational and tactical headquarters until it became the orders sending the infantry into the attack. In so doing it provides a unique insight into the strengths and weaknesses of British command structure, allowing a more scholarly judgement of its effectiveness.

**The Battle of the Beetles 3: Battle of the Beetles** Jan 10 2021 The beetle adventure continues as Darkus and his friends seek wicked Lucretia Cutter's secret Biome in the Amazon rainforest. If they can't stop her from unleashing her hoard of giant Frankenstein beetles, the planet will never be the same again ...

**The Battle of Bretton Woods** Mar 31 2020 Reveals how the blueprint for the post-World War II economic order was actually drawn.

*Armoured Warfare in the Battle of the Bulge, 1944-1945* Dec 09 2020

The Battle of the Bulge took the Allied armies by surprise in 1944. It was a result of the extraordinary recovery of Hitler's panzer divisions following crushing defeats on the Eastern and Western fronts. In a daring offensive he hoped his panzers would unhinge the American and British push on the Rhine by charging through the Schnee Eifel, thereby prolonging the war. The consequence was one of the best-known battles of the entire conflict, and Anthony Tucker-Jones's photographic history is the ideal introduction to it. The story is told through a sequence of revealing contemporary photographs and a concise text. They give a sharp insight into the planning and decision-making, the armored forces involved, the terrain and the appalling mid-winter conditions, the front-line fighting and the experience of the troops involved. The armored battle, which was critical to the outcome, is the main focus. Through a massive tank offensive the Germans aimed to cut through the US 1st Army to Antwerp and Brussels, in the process trapping three Allied armies. The confusion and near collapse of the Americans as their defenses were overrun is vividly recorded in the photographs, as is their resistance and recovery as the German spearheads were slowed, then stopped.

Battle of the Butts Jan 28 2020 Did you know manatees swim using farts? Or that herrings communicate by passing gas? Butts are used for breathing, eating, swimming, talking, and even killing in the animal kingdom. Focusing on ten different animals and their derrières, and offering fun facts about their origin, habitat, and "posterior power," this hilarious book captures the wonder of our ecosystem. Which animal has the coolest butt power? That's up to you to decide!

**The Battle of Anzio** Feb 20 2022 A major turning point of WWII: The incredible true story of Allied forces who held a strip of Italian beach against Nazi bombardment. The Battle of Anzio was among the most bloody of the World War II conflicts. T. R. Fehrenbach's accurate account stunningly depicts the reality of the Allied forces' fight for survival on an Italian beach as they stormed what Winston Churchill called the soft underbelly of the Axis powers. In one of the turning points of the war, the allies clung to a narrow strip of sand while

German planes swooped in from above and artillery shells and mortar fire pounded them on the ground. This is a true and dramatic account of the battle from the perspective of a soldier and military historian, told with pride, compassion, and spirit. T. R. Fehrenbach's account of war needs no embellishing and brings you into the thick of the action. **Verdun** Aug 24 2019 A definitive account of the iconic World War I battle provides coverage of its leaders, strategies and technologies while offering insight into the experiences of soldiers, analyzing the battle's unique status to consider if it merited its definitive reputation. By the author of *Stavinsky*.

**The Battle of the Labyrinth** Oct 31 2022 Time is running out as war between the Olympians and the evil Titan lord Kronos draws near. Even the safe haven of Camp Half Blood grows more vulnerable by the minute as Kronos's army prepares to invade its once impenetrable borders. To stop them, Pe

The Battle of All The Ages May 26 2022 Who do you turn to when there's no one left to trust? Epic sea battles and treasonous betrayals... In the heat of a gigantic battle against the Dutch, the English fleet is mysteriously divided. A large portion of their resources is sent to meet a French threat which never materialises. Thousands are slaughtered. Could there be a traitor in the Royal Navy? As popular fury erupts, Captain Matthew Quinton is given the unenviable task of uncovering the enemy within. Heads must roll. Sent to find source of this false intelligence in pirate-infested Plymouth, Quinton is dismayed when all evidence seems to point to an old friend... Fans of Patrick O'Brian's Master and Commander will love the fifth instalment of the Matthew Quinton Journals. 'Great naval fiction ... Hornblower, Aubrey and Quinton - a pantheon of the best adventures at sea' Conn Iggulden The Matthew Quinton Journals 1. Gentleman Captain 2. The Mountain of Gold 3. The Blast that Tears the Skies 4. The Lion of Midnight 5. The Battle of the Ages 6. The Rage of Fortune 7. Death's Bright Angel 8. The Devil Upon the Wave

**Arnhem** Mar 24 2022 The Sunday Times #1 Bestseller The great airborne battle for the bridges in 1944 by Britain's Number One bestselling historian and author of the classic *Stalingrad* 'Our greatest chronicler of the Second World War . . . his fans will love it' - Robert Fox, *Evening Standard* 'The eye for telling detail which we have come to expect from Antony Beevor. . . this time, though, he turns his brilliance as a military historian to a subject not just of defeat, but dunderhead stupidity' *Daily Mail* On 17 September 1944, General Kurt Student, the founder of Nazi Germany's parachute forces, heard the growing roar of aeroplane engines. He went out on to his balcony above the flat landscape of southern Holland to watch the air armada of Dakotas and gliders carrying the British 1st Airborne and the American 101st and 82nd Airborne divisions. He gazed up in envy at this massive demonstration of paratroop power. Operation Market Garden, the plan to end the war by capturing the bridges leading to the Lower Rhine and beyond, was a bold concept: the Americans thought it unusually bold for Field Marshal Montgomery. But could it ever have worked? The cost of failure was horrendous, above all for the Dutch, who risked everything to help. German reprisals were

pitiless and cruel, and lasted until the end of the war. The British fascination with heroic failure has clouded the story of Arnhem in myths. Antony Beevor, using often overlooked sources from Dutch, British, American, Polish and German archives, has reconstructed the terrible reality of the fighting, which General Student himself called 'The Last German Victory'. Yet this book, written in Beevor's inimitable and gripping narrative style, is about much more than a single, dramatic battle. It looks into the very heart of war. 'In Beevor's hands, Arnhem becomes a study of national character' - Ben Macintyre, *The Times* 'Superb book, tirelessly researched and beautifully written' - Saul David, *Daily Telegraph* 'Complete mastery of both the story and the sources' - Keith Lowe, *Literary Review* 'Another masterwork from the most feted military historian of our time' - Jay Elwes, *Prospect Magazine* 'The analysis he has produced of the disaster is forensic' - Giles Milton, *Sunday Times* 'He is a master of his craft . . . we have here a definitive account' - Piers Paul Read, *The Tablet*

*The Second Battle of the Marne* Jul 28 2022 The First Battle of the Marne produced the so-called Miracle of the Marne, when French and British forces stopped the initial German drive on Paris in 1914. Hundreds of thousands of casualties later, with opposing forces still dug into trench lines, the Germans tried again to push their way to Paris and to victory. The Second Battle of the Marne (July 15 to August 9, 1918) marks the point at which the Allied armies stopped the massive German Ludendorff Offensives and turned to offensive operations themselves. The Germans never again came as close to Paris nor resumed the offensive. The battle was one of the first large multinational battles fought by the Allies since the assumption of supreme command by French general Ferdinand Foch. It marks the only time the French, American, and British forces fought together in one battle. A superb account of the bloody events of those fateful days, this book sheds new light on a critically important 20th-century battle. The Battle of Glendale Feb 29 2020 It is commonly accepted that the South could never have won the Civil War. By chronicling perhaps the best of the South's limited opportunities to turn the tide, this provocative study argues that Confederate victory was indeed possible. On June 30, 1862, at a small Virginia crossroads known as Glendale, Confederate forces under Robert E. Lee sliced the retreating Army of the Potomac in two and came remarkably close to destroying their Federal foe. Only a string of command miscues on the part of the Confederates—and a stunning command failure by Stonewall Jackson—enabled the Union army to escape a defeat that day, one that may well have vaulted the South to its independence. Never before or after would the Confederacy come as close to transforming American history as it did at the Battle of Glendale.

**The Lion of Mars** Jan 22 2022 Life on Mars is pretty standard.... until a mysterious virus hits. Don't miss this timely and unputdownable novel from the bestselling author of *The Fourteenth Goldfish*. Bell has spent his whole life—all eleven years of it—on Mars. But he's still just a regular kid—he loves cats and any kind of cake, and is curious about the secrets the adults in the US colony are keeping. Like, why don't they have contact with anyone on the other Mars colonies? Why are

they so isolated? When a virus breaks out and the grown-ups all fall ill, Bell and the other children are the only ones who can help. It's up to Bell--a regular kid in a very different world--to uncover the truth and save his family...and possibly unite an entire planet. Mars may be a world far, far away, but in the hands of Jennifer L. Holm, beloved and bestselling author of *The Fourteenth Goldfish*, it can't help but feel like home.

*What Was the Battle of Gettysburg?* Apr 24 2022 "Four score and seven years ago..." begins Abraham Lincoln's beautiful speech commemorating the three-day battle that turned the tide of the Civil War. The South had been winning up to this point. So how did Union troops stop General Robert E. Lee's invasion of the North? With black-and-illustrations throughout and sixteen pages of photos, this turning point in history is brought vividly to life.

*The Battle of An Loc* Mar 12 2021 A firsthand account of the sixty-day siege of An Loc presents a detailed overview of the 1972 North Vietnamese Easter Offensive, focusing on the fighting in Binh Long Province, Saigon, and the siege of An Loc.

*D-Day* Feb 08 2021 Stephen E. Ambrose's *D-Day* is the definitive history of World War II's most pivotal battle, a day that changed the course of history. D-Day is the epic story of men at the most demanding moment of their lives, when the horrors, complexities, and triumphs of life are laid bare. Distinguished historian Stephen E.

Ambrose portrays the faces of courage and heroism, fear and determination—what Eisenhower called “the fury of an aroused democracy”—that shaped the victory of the citizen soldiers whom Hitler had disparaged. Drawing on more than 1,400 interviews with American, British, Canadian, French, and German veterans, Ambrose reveals how the original plans for the invasion had to be abandoned, and how enlisted men and junior officers acted on their own initiative when they realized that nothing was as they were told it would be. The action begins at midnight, June 5/6, when the first British and American airborne troops jumped into France. It ends at midnight June 6/7. Focusing on those pivotal twenty-four hours, it moves from the level of Supreme Commander to that of a French child, from General Omar Bradley to an American paratrooper, from Field Marshal Montgomery to a German sergeant. Ambrose's *D-Day* is the finest account of one of our history's most important days.

*Battle of the Bands* Sep 05 2020 Fifteen young adult authors and one real-life rock star band together for one epic—and interconnected—take on a memorable high school rite of passage. A daughter of rock 'n' roll royalty has a secret crush. A lonely ticket taker worries about his sister. An almost-famous songwriter nurses old wounds. A stage manager tires of being behind the scenes. A singer-songwriter struggles to untangle her feelings for her best friend and his girlfriend. In this live-out-loud anthology, the disparate protagonists of sixteen stories are thrown together for one

unforgettable event: their high school's battle of the bands. Told in a harmonic blend of first- and third-person narrative voices, roughly chronological short stories offer a kaleidoscopic view of the same transformative night. Featuring an entry from Justin Courtney Pierre, lead vocalist of Motion City Soundtrack, *Battle of the Bands* is a celebration of youth, music, and meeting the challenges of life head-on. With stories by Brittany Cavallaro, Preeti Chhibber, Jay Coles, Katie Cotugno, Lauren Gibaldi, Shaun David Hutchinson, Ashley Poston, Jenny Torres Sanchez, Sarah Nicole Smetana, Eric Smith, Jenn Marie Thorne, Sarvenaz Taghavian, Jasmine Warga, Ashley Woodfolk, and Jeff Zentner, and featuring Motion City Soundtrack's Justin Courtney Pierre.

*The Battle of The Bulge* Oct 19 2021 Explains the events of the Battle of the Bulge in graphic novel format.

*Victory of the West* Aug 17 2021 In this compelling piece of narrative history, Capponi describes the clash between the Ottoman Empire and the Holy League that led to the Battle of Lepanto and takes a fresh look at the bloody struggle at sea between oared fighting galleys and determined men of faith.

*The Battle of Midway* Aug 29 2022 In comic book format, describes the battle, including U.S. and Japanese strategy, early Japanese confidence, and the ultimate American victory that ended the Japanese offensive and presaged the country's ultimate defeat.
