Loner Life in Another World (Light Novel) Vol. 2 Apr 22 2022 Haruka has reunited with his classmates in the city of Omui, but as a loner through and through, it isn't long before their presence starts getting to him. An excursion to a dangerous underground dungeon gives him a much-needed reprieve...when he falls all the way to the bottom level, the domain of the legendary undead Emperor of the Labyrinth! But Haruka won't be alone for long--he'll soon be joined by a powerful skeleton knight who's somehow also a seventeen-year-old girl!

The Emergency Dec 26 2019 Brian Girvin has written a fresh and original history of Ireland between 1939 and 1945. Drawing on new sources and recent scholarship, he tells the story of what is known as 'The Emergency' in Ireland, but elsewhere as the Second World War. Despite Ireland still being a member of the Commonwealth, Eamon de Valera refused to join the war against Nazi Germany and declared his country neutral. To the endless frustration and anger of Churchill – and later Roosevelt – de Valera pursued an isolationist policy that changed the course of Irish domestic and foreign politics. In this brilliantly argued account, Girvin shows how this policy went against the national interest, and far from being the only option for the Government, was simply the only one they would consider. This decision, Girvin concludes, cost de Valera his ultimate prize: a united Ireland. Woven into this political maelstrom are the stories of the people who lived through those difficult years. Bold, fearless and compelling, *The Emergency* is a unique and important addition to any understanding of Ireland and the Second World War.

HEY, U UP? (For a Serious Relationship) Jun 12 2021 Who better to write a very humorous manual about evolving modern relationships than two CollegeHumor veterans and viral-video stars who happen to be a real-life husband-and-wife team? With candor, bite, and charm, *HEY, U UP?* takes readers on an eight-chapter journey through the trials of hooking up to the foibles of marriage, and combines the authors' prescriptive advice with the unfolding story of their own relationship. *HEY, U UP?* tackles all the milestones of relationships today—both glorious and embarrassing— with sections ranging from “How to Ask Someone Out After You've Slept with Them” all the way to “Establish Your Family as the Christmas Family by Turning Your Significant Other Against Their Own Parents.” In addition to the laugh-out-loud essays, lists, questionnaires, and even flowcharts further enliven the pages.

Organizing for Quality Dec 18 2021 This challenging and highly practical book draws on the findings from an international study designed to help practitioners and researchers understand the factors and processes that enable healthcare organisations in the United States and Europe to achieve - and sustain - high quality services for their users. The in-depth case-studies from seven leading hospitals give an international, evidence-based outlook that focuses on both the organisational and cultural processes of quality improvement. Implication for research and practice are considered, and a checklist of possible challenges has been drawn up to help identify any 'gaps' in initiatives. Healthcare policy makers and shapers including hospital chief executives and NHS directors will find this book enlightening, as will healthcare quality improvement and service development researchers and professionals. Clinicians with an interest in quality improvement will also find much of interest.

Dungeon Runner 3 Oct 24 2019 Dungeons are getting harder. Entin Soroy, with his new party of Dungeon Runners—Bailey, Triton, and Aayra—has received a request from a dungeoneering family in need of rescue. But it's not the Troken Dungeon, the dungeon they just beat. It's a new dungeon with a challenging modifier. On top of this, the orphanage is in trouble. Despite everything the others have tried, it's not enough. Now, the Dungeon Runners have one chance to Run a harder dungeon unlike any they have seen, a haunted house full of freaky scenarios. There's something wicked in this mansion. Will the Dungeon Runners be able to survive and complete the challenge to save the orphanage? Or will they lose everything? **Dungeon Runner 3** is the longest episode in this GameLit/LitRPG serial. It's a laugh-out-loud funny adventure with Halloween themes. This scary book is ideal for young adult readers who love exploring new and unique fantasy dungeons. Exploit. Extract. Exit!

Lazy Dungeon Master: Volume 5 Oct 16 2021 **It's been about one year since I started managing this dungeon with dreams of living a work-free life. A nice and relaxed spring was ahead of me... until I ended up thrown into a three-way Dungeon Battle?! What the hell happened at the Dungeon Core gathering...? Wait, we're on a team with our guardian Core? And Rokuko's guardian is Haku, right?! Uh, given how romantic things have been getting between me and Rokuko, I'm gonna have to say n— "I look forward to battling with you on my side, Keima." "S-Same to you, ahaha!" Am I gonna die before the Dungeon Battle even starts?! This is Volume 5 of my own lazy kind of dungeon story!**

D-Genesis: Three Years after the Dungeons Appeared Volume 1 Sep 03 2020 **Three years ago, dungeons suddenly appeared on Earth after an experiment in Area 51 went awry. Now everyone—from average citizens to soldiers—explores these monster-filled labyrinths in search of wealth, power, and magic. Keigo Yoshimura is an office worker with no sense of adventure, who dreams of quitting his job to live the easy life. While out on a business call, he stumbles on the birth of a new dungeon and accidentally gains a magical skill that turns subterranean exploration into an RPG. Things spiral out of control and Keigo winds up as the world's top explorer. With help from Azusa Miyoshi, his mathematically gifted colleague and new business partner in dungeon diving, he might be able to turn the status screens he sees into piles of cash. Unfortunately, Keigo ends up under the scrutiny of the military, government agencies, and even more sinister forces. What happened to his dream of taking it easy?!**

Emergency Sex (And Other Desperate Measures) Apr 10 2021 What it's really like on the frontline of humanitarian aid It's the early 1990s and three young people are looking to change their lives, and perhaps also the world. Attracted to the ambitious global peacekeeping work of the UN, Andrew, Ken and Heidi's paths cross in Cambodia, from where their fates are to become inextricably bound. Over the coming years, their stories interweave through countries such as Rwanda, Bosnia, Somalia and Haiti - war-torn, lawless places where the intervention of the UN is needed like nowhere else. Driven by idealism, the three struggle to do the best they can, caught up in an increasingly tangled web of bureaucracy and ineffectual leadership. As disillusionment sets in, they attempt to keep hold of their humanity through black humour, revelry and 'emergency sex'. Brutal and moving in equal measure, Emergency Sex (And Other Desperate Measures) explores pressing global issues while never losing a sense of the personal. Deeply critical of the West's indifference to developing countries and the UN's repeated failure to intervene decisively, the book provoked massive controversy on its initial publication. Kofi Annan called for the book to be banned, and debate was sparked about the future direction of the UN. Brilliantly written and mordantly funny, it is a book that continues to make waves.

Sloppy Craft Jan 19 2022 Sloppy Craft: Postdisciplinarity and the Crafts brings together leading international artists and critics to explore the possibilities and limitations of the idea of 'sloppy craft' – craft that is messy or unfinished looking in its execution or appearance, or both. The contributors address 'sloppiness' in contemporary art and craft practices including painting, weaving, sewing and ceramics, consider the importance of traditional concepts of skill, and the implications of sloppiness for a new 21st century emphasis on inter- and postdisciplinarity, as well as for activist, performance, queer and Aboriginal practices. In addition to critical essays, the book includes a 'conversation' section in which contemporary artists and practitioners discuss challenges and opportunities of 'sloppy craft' in their practice and teaching, and an afterword by Glenn Adamson.

My Song: Memoir of an Emergency Room Physician Sep 15 2021 Thirty years in the making, one hundred thousand patients later, the hundred numinous patients I will forever treasure. It has been said that memoirs are the narratives of our life, and as such, become the manner and method of how we make sense out of our life's journey. Indeed, I could not imagine my life without my career in the ER, since without it; I would truly feel like a naked, wizened skeleton devoid of skin, flesh or viscera. The ER experience was the alchemist's stone that touched my ordinary life, and in so many ways, made it exquisitely gilded. Many were the patients that stirred the invisible fabric of my soul, and made the ordinary universe seem so much more expansive and unequalled. The magnificence of the ER flows from the commanding variety of patients, not unlike the arresting diversity of flora in the plant kingdom, renders a regal awe upon the eyes and souls of the beholder.

The Fourth Realm Aug 02 2020 The Battlefield Realm: A realm where sects rise and fall. Where the ground trembles under the feet of fighters from the higher realms. Emergency Powers in Theory and Practice Jul 13 2021 Why have the early years of the 21st century seen increasing use of emergency-type powers or claims of supra-legal executive authority, particularly by the Western countries regarded as the world's leading democracies, notably the United States? This book examines the extraordinary range of executive and prerogative powers, emergency legislation, martial law provisos and indemnities in countries with English-derived legal systems, primarily the UK, the US and Australia. The author challenges attempts by legal and academic theorists to relativise, rationalise, legitimise or propose supposedly safe limits for the use of emergency powers, especially since the September 2001 terrorist attacks. This volume also considers why the reputation of Carl Schmitt, the best-known champion of 'exceptional' dictatorial powers during the post-1919 Weimer Republic in Germany, and who later enthusiastically served and sanctified the Nazi dictatorship, is being rehabilitated, and examines why his totalitarian doctrines are thought to be of relevance to modern society. This diverse book will be of importance to politicians, the media, the legal profession, as well as academics and students of law, humanities and politics.

The Al-Eden Emergency Aug 26 2022 Introducing The Al-Eden Emergency, the cracking third instalment in S.P. Moss's series of retro-style adventures. Our hero Billy is on a school trip, visiting the British Museum, when once again, he slips back in time and joins his grandad for a good old-fashioned dose of derring-do and dastardly deeds. As in the previous

books, *The Al-Eden Emergency* features classic aircraft and cars from the mid-20th century as well as some jolly good chaps and a couple of thoroughly bad eggs. It's 1966 and Billy's RAF officer Grandpop is something hush-hush in the Ministry of Defence. All eyes are on the port of Al-Eden, a hothouse of rebel activity. As soon as Billy lands on its barren rocks, he's thrust into a storm of intrigue. He discovers: a secret terrorist organisation led by the enigmatic "Scorpion", Al-'Agrab, a stolen astrolabe linked to a mysterious prophecy, an aircraft carrier sailing on shark-infested waters and a good friend who's being held against his will – or is he? Meanwhile, an old enemy is closing in. Can Billy crack the puzzle before his cover is blown? "Al-Eden" is a fictitious place, but is inspired by Aden, where the author lived as a small child in the 1960s. Fans of the previous books, as well as any 10 - 13 year old who enjoys breathtaking adventure, will be thrilled by this tremendous tale!

State of Emergency (A Jack Emery Thriller—Book 2) Nov 17 2021 What is the true cost of security? La Doña Sep 22 2019 "La Doa, One Person as Three" describes a wealthy woman who creates two other personalities to find a non-violent way to destroy a drug operation in a remote Guatemalan town: a sister in plain dress and her angry mental creature full of power. She inspires the people of the town to pull together to love and trust each other. At the same time her son, who is on drugs, finds a cure from a Mayan Curandero and becomes a new man. The ancient town moves into the modern age, keeping old traditions that matter, but dropping bad habits and taboos gathered over centuries. Once a human catalyst is active, many events can unfold. This story is based on real people, too moving to forget, who created co-operatives teaching new skills to women who had lost their husbands or had been abandoned. They learned that every

individual has power to be used thoughtfully.

The Dungeon's Front Door & Other Things in the Deep Dark Feb 08 2021 Join an intrepid, rakish day adventure into the fantasy dungeon, the staple of fantasy role-playing games. Here are 13 essays surveying the sub-structure of dungeons and their philosophy, what makes them popular and what we can do to expand their potential. With humour, inventiveness and biting sarcasm, Smolensk uncovers the relationship between dungeons and post-apocalyptic survival, digs into the megadungeon, breaks the fourth wall and reveals the dual natures of time and fate hidden behind the Dungeon's Front Door. A great experimenter, there are few who can compare with Smolensk's drive and dedication.
