Photocommunication Jul 27 2019 Summary: 1991 Hong Kong feature film directed by John Woo. A cruel adoptive father, brings up three street urchins: Cup Cake, Red Bean and Jim. As adults, the three become adept art thieves, stealing artwork on contract. In an attempt to escape after stealing a valuable painting from a French castle, Cup Cake's car explodes and he disappears from sight. Behind the scenes, skulduggery sees the stolen painting end up with the trio's adoptive father. Two years later Cup Cake, now wheelchair bound, reappears. The adoptive father persuades Jim to steal artwork from a tycoon's safe. Unbeknown to the adoptive father, Jim and Cup Cake team up again to crack the tycoon's safe. In Cantonese and French, English subtitles. Offair, SBS, 104 mins. DVD.

Original. 15,000 first printing.

The Mollusks Jan 25 2022 Mollusks have been important to humans since our earliest days. Initially, when humans were primarily interested in what they could eat or use, mollusks were important as food, ornaments, and materials for tools. Over the centuries, as human knowledge branched out and individuals started to study the world around them, mollusks were important subjects for learning how things worked. In this volume, the editors and contributors have brought together a broad range of topics within the field of malacology. It is our expectation that these topics will be of interest and use to amateur and professional malacologists.
