Máma to má na háku Mar 09 2021 Matka p?iteltého syna z Kansas City, vybavená neodolateľným šarmem a drzosťou, ?íká v?ci, ktoré si všetky mamy skute?n? myslí, a prochází jí to – v?tšinou. V nadšen? p?ijatém románu se ?tená?ky seznámí s její nekonven?ní rodinou a hlasit? se sm?jí, když se Jen snaží proplouvat p?ekvapiv? náro?ným terénem rodi?ovské politiky. Jen Dixonová není typická zástupkyn? rodi?? ve t?íd? p?edškola? – ani máma obecn?. Její dv? dcery, které zplodila se dv?ma r?znými (pravd?podobn?) muzikanty, už jsou na vysoké a s Maxem si tuhle roli zopakuje pot?etí – tentokrát s manželem a otcem svého syna po boku. I když jí její nejlepší kamarádka a p?edsedkyn? Sdružení rodi?? a p?átel školy vidí jako nejvhodn?jší adeptku na tuhle práci (nebo nejstarší), ne všichni rodi?e mají stejný názor. Jen nap?íklad požaduje, aby všichni v co nejkratším ?ase reagovali na její e-maily týkající se pomoci ve t?íd? nebo p?inesli na t?ídní sch?zku „speciální“ brownies, takže ne všechny matky p?ijímají její metody s nadšením. P?idejte k tomu starou lásku z její minulosti, matku alergického dít?te, p?ekvapiv? sexy u?itelku a aspirantku na Dokonalou hospody?ku, již není snadné se zavd??it a jež na každém kroku vyvolává problémy, a z té práce se stane mnohem víc, než k ?emu se upsala. Up?ímná, neuctivá a vtipná kniha **Máma to má na háku** je sv?ží, vítaný hlas v beletrii – ten typ románu, po kterém opravdové mamy touží, a zábavná ?etba pro všechny matky, co se budou s úlevou smát jejím jízlivým post?eh?m. Vít?zka Vine Award for Canadian Jewish Literature 2018 a kandidátka Leacock Prize for Humor.

Basic Persian Jul 25 2022 This fully revised second edition of Basic Persian: A Grammar and Workbook comprises an accessible reference grammar and related exercises in a single volume. This book presents twenty grammar units, covering the core material which students would expect to encounter in their first year of learning Persian. Grammar points are followed by multiple examples and exercises which allow students to reinforce and consolidate their learning. Key features include: • a clear, accessible format • many useful language examples • jargon-free explanations of grammar • abundant exercises with full answer key • a glossary of Persian-English terms • a subject index Rigorous yet engaging, Basic Persian is suitable for both class use and independent study, making it an ideal grammar reference and practice resource for both beginners and students with some knowledge of the language.

Critical Component Wear in Heavy Duty Engines Aug 14 2021 The critical parts of a heavy duty engine are theoretically designed for infinite life without mechanical fatigue failure. Yet the life of an engine is in reality determined by wear of the critical parts. Even if an engine is designed and built to have normal wear life, abnormal wear takes place either due to special working conditions or increased loading. Understanding abnormal and normal wear enables the engineer to control the external conditions leading to premature wear, or to design the critical parts that have longer wear life and hence lower costs. The literature on wear phenomenon related to engines is scattered in numerous periodicals and books. For the first time, Lakshminarayanan and Nayak bring the tribological aspects of different critical engine components together in one volume, covering key components like the liner, piston, rings, valve, valve train and bearings, with methods to identify and quantify wear. The first book to combine solutions to critical component wear in one volume Presents real world case studies with suitable mathematical models for earth movers, power generators, and sea going vessels Includes material from researchers at Schaeffer Manufacturing (USA), Tekniker (Spain), Fuchs (Germany), BAM (Germany), Kirloskar Oil Engines Ltd (India) and Tarabusi (Spain) Wear simulations and calculations included in the appendices Instructor presentations slides with book figures available from the companion site **Critical Component Wear in Heavy Duty Engines** is aimed at postgraduates in automotive engineering, engine design, tribology, combustion and practitioners involved in engine R&D for applications such as commercial vehicles, cars, stationary engines (for generators, pumps, etc.), boats and ships. This book is also a key reference for senior undergraduates looking to move onto advanced study in the above topics, consultants and product mangers in industry, as well as engineers involved in design of furnaces, gas turbines, and rocket combustion. Plant Carbohydrates I Feb 20 2022 Part 1=Volume 13A.

???????????? Aug 02 2020 Not only will this bilingual glossary save time, but users will find the terms easy to look up, pronounce and understand. Covers 120 subject fields. There are 3,000 chemical, 1,600 mathematical, 3,700 physics, 900 computer and logic, 3,200 engineering and 3,700 biological terms. Includes numerous words used in light of today's ecology and features ``kanji" (Chinese characters) and ``kana" (Japanese letters).

Zōo - La rabbia (Il Giallo Mondadori) Aug 22 2019 Un uomo ucciso nei corridoi dell'affollata stazione di Tokyo, per di più all'ora di punta, e non un testimone che si faccia avanti. Un trolley passato di mano negli stessi istanti dell'omicidio: a consegnarlo è stata una misteriosa ragazza in tailleur nero, il volto nascosto da una mascherina antismog e grandi occhiali scuri. Lei e il presunto assassino, ripresi sul posto dalle telecamere di sorveglianza, ormai scomparsi nel magma vorticoso della metropoli. Al commissario Jo Hara del dipartimento investigativo di Kanagawa basta questo per intuire che il caso gli darà filo da torcere. Sono appena le avvisaglie di un crescendo inarrestabile di orrori, di follia e antiche vendette, mentre la violenza sembra diffondersi come un'epidemia. Nessuno sarà al sicuro, tantomeno il commissario Hara, pronto a pagare un prezzo altissimo in cerca della verità. Che potrebbe tuttavia sfuggirgli alla fine dei giochi, in quell'immensa scacchiera di go sulla quale lui è forse soltanto una pedina.

MoeKaori Sep 15 2021 Come vi sentireste se, cresciuti per sedici anni in una grande metropoli, la vostra famiglia di punto in bianco decidesse di trasferirsi in un'isola così piccola da non risultare nelle carte geografiche? È così che si sentiva Akane il mattino in cui fece trasloco, sistemando le sue cose nella nuova camera. Quel luogo offriva ben pochi svaghi e non avrebbe certo giovato al suo carattere chiuso e solitario. Fu quindi per Akane un'incredibile sorpresa scoprire ciò che da lì a poco le sarebbe accaduto...

The Asami Library Jun 24 2022 This title is part of UC Press's Voices Revived program, which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice, reach, and impact. Drawing on a backlist dating to 1893, Voices Revived makes high-quality, peer-reviewed scholarship accessible once again using print-on-demand technology. This title was originally published in 1969.

Joint Utterance Construction in Japanese Conversation Apr 22 2022 This book focuses on how participants in Japanese conversation negotiate and achieve joint courses of action within a single turn at talk. Using the methodology of Conversation Analysis as a central framework, this book describes in detail the structures and procedures used by Japanese speakers to jointly produce a coherent grammatical unit-in-progress, and explores the range of social actions that speakers accomplish by employing that practice. This study is part of a larger project intended to investigate how humans achieve intricate coordination of their behavior with that of co-participants in everyday social encounters and how language plays a constitutive part in making such micro-level social coordination possible. Through a close examination of joint utterance construction in Japanese, this book contributes to a growing body of research into the mutual influence between the grammatical organization of language and the organization of situated human conduct in social interaction.

A Poetics of Modernity Aug 26 2022 The urban theatre which emerged under Anglo-European and local influences in colonial metropolises such as Calcutta and Bombay around the mid-nineteenth century marked the beginning of the 'modern period' in Indian theatre, distinct from classical, postclassical, and more proximate precolonial traditions. A Poetics of Modernity offers a unique selection of original, theoretically significant writings on theatre by playwrights, directors, actors, designers, activists, and policy-makers, to explore the full range of discursive positions that make these urban practitioners 'modern'. The source-texts represent nine languages, including English, and about one-third of them have been translated into English for the first time; the volume thus retrieves a multilingual archive that so far had remained scattered in print and manuscript sources around the country. A comprehensive introduction by Dharwadker argues for historically precise definitions of theatrical modernity, outlines some of its constitutive features, and connects it to the foundational theoretical principles of urban theatre practice in modern India.

--and Pine for what is Not Sep 03 2020 Suneeta Deshpande's bitter-sweet reminiscences are of a life fully lived, from a student revolutionary, stage performer, writer, to being an educational administrator. Translated by Gauri Deshpande from the Marathi original (1990), it paints a vivid picture of a large repertoire of roles packed into one eventful existence. Her biography reveals varied facets of a high-principled and intensely private person a woman who could bring an intensity of purpose not only to bomb-making and underground work, but also to poetry-reading and tribal education.

Anatomy of a Doll Dec 06 2020 “At last! A complete book on doll design and soft sculpture has been written.” —Virginia Robertson, designer and publisher Master dollmaker Susanna Oroyan gives you the definitive book on fabric sculpting. Anatomy of a Doll is packed with an abundance of exquisite photographs that capture the best work from dollmakers today. Detailed step-by-step illustrations for an incredible variety of cloth dolls are included for you to create any type of cloth doll imaginable. Many methods of doll construction are covered so that beginning and professional dollmakers have a handy answer book. Beginners will find the book a practical guide that examines techniques for making all kinds of dolls. The more experienced dollmaker will discover an abundance of new ideas and techniques never before found in one book. Anatomy of a Doll shows you everything from bending wire to cutting cloth, which will allow you to create your own original dolls! “[Enjoy] this book as a peerless museum guide, as a user’s manual of the inventive hand and mind, and as a parable of science.” —Scientific American “It’s finally happened—the cloth doll book that says it all! Thank you Susanna—the table is set, the banquet is prepared!” —Elinor Peace Bailey, author of *Storytelling with Dolls* “Here is all the information you need—written in Susie’s friendly, casual style.” —Cary Raesner, editor of *Doll World*

Inscriptions of the Iron Age Dec 18 2021 This is an edition of the Hieroglyphic inscriptions of the Late Hittite states of Turkey and Syria. These inscriptions, surviving largely on stone, include monuments of kings to their reigns and works as well as the humbler memorials of subordinates. A few precious survivals of documents in the form of lead strips give us a different type of document: letters and economic texts. Recent discoveries have improved the decipherment and understanding of these inscriptions to a point where new and comprehensive translations can be offered, and the presentation of this in English will make them available for the first time to the wide audience of the English-speaking world. At the same time we are in a position to present more reliable texts than those which have appeared in editions hitherto regarded as standard.

After School 2 Feb 08 2021 Due anni dopo il termine del capitolo precedente, 'After School : Nella stessa università!' è il proseguimento delle controversie che nel primo capitolo sono state lasciate irrisolte. Anzai sarà di nuovo il protagonista di stravaganti avventure in compagnia dei suoi amici.

After School - 10° anniversario: Versione XL Jan 07 2021 La collezione contiene: After School: Quello splendido incontro (2012) After School 2: Nella stessa università (2013) After School 3: Tutto quello che è rimasto (2014) After School 4: I miei vecchi ricordi rossi (2018) Tutto in un solo volume. Le avventure di Anzai e i suoi amici fra triangoli amorosi, delusioni, tradimenti e storie d'amore, vengono così intrecciate le vite di molti ragazzi e ragazze dalle caratteristiche alle volte atipiche e divertenti! Scopri la crescita dei personaggi, tra le loro insicurezze e problemi giovanili, nella continua lotta tra immaturità e maturità! L'intera quadrilogia di After School in un solo volume!

Kalata e ta e loma na Miemba. Na Kalati ya bebüsedî. Epistles to the Churches. And the Book of Revelation. [Translated by Alfred J. S. Saker.] Sep 27 2022

The Memoirs of Lady Hyegyong Oct 28 2022 Lady Hyegyong married Crown Prince Sado when they were both nine years old. The prince descended into violence and insanity in adulthood, and was killed by his father. Lady Hyegyong chose to live, and her son was later crowned king. She wrote the collected four memoirs in an attempt to weather the storms of political intrigue surrounding her. Contains introductory material, a glossary, and genealogical tables. Annotation copyright by Book News, Inc., Portland, OR.

Il giovane robot Dec 26 2019 Un giovane robot dalle sembianze umane viene creato da uno scienziato con l’obiettivo di rendere felici gli uomini. Dovrà vivere tra di loro, come un agente segreto, capire le loro motivazioni e intervenire per correggere i loro errori. Ma non tutto va come dovrebbe, la complessità dei sentimenti umani lo porterà a vivere situazioni inattese. Il «dolore» e la «dolcezza» del protagonista sono raccontate con semplicità e maestria dall’autore Sakumoto Y?suke, da anni affetto da una forma di schizofrenia. L’adolescente Tezaki Rei è un robot in incognito, progettato da uno scienziato sconosciuto ma geniale, che ha il compito di portare felicità agli esseri umani. Quello di Rei è un modello sperimentale di alta qualità: ha grandi abilità e capacità mnemoniche superiori. Riflette con distacco sulle azioni degli uomini, che non sanno della sua natura di robot. È perfettamente mimetizzato tra loro, sebbene in più di un’occasione la complessità dei sentimenti umani, mal padroneggiata da Rei, lo porti a vivere mille equivoci e incomprensioni, spesso esilaranti, che mettono in crisi le sue funzionalità di automa, portandolo a crash di sistema che lo costringono a rivedere radicalmente i suoi piani. Il nostro robot dovrà andare alla ricerca di un passato rimosso, doloroso e molto diverso da quello che credeva. Questa nuova consapevolezza lo costringerà ad affrontare un difficile percorso in cui ripensare totalmente la sua esistenza, in cerca di un rinnovato senso di sé e un nuovo rapporto con la realtà e le persone. Una sapienza narrativa che riesce a conciliare con sensibilità e delicatezza sentimenti, drammi dell’esistenza e humour.

The Book Review Apr 10 2021

Handbook of Polymer Synthesis Jun 12 2021 A relatively compact, but nonetheless comprehensive, review of the most important preparative methods for the synthesis and chemical modification of polymers. The contents are subdivided according to chemical structure of the polymer backbone. Complementary emphasis is on special properties and appl
