Rusch to Glory Jun 17 2021 Rebecca Rusch is one of the great endurance athletes of our time. Known today as the Queen of Pain for her perseverance as a relentlessly fast runner, paddler, and mountain bike racer, Rusch was a normal kid from Chicago who abandoned a predictable life for one of adventure. In her new book Rusch to Glory: Adventure, Risk & Triumph on the Path Less Traveled, Rusch weaves her fascinating life's story among the exotic locales and extreme conditions that forged an extraordinary athlete from ordinary roots. Rusch has run the gauntlet of endurance sports over her career as a professional athlete— climbing, adventure racing, whitewater rafting, cross-country skiing, and mountain biking—racking up world championships along the way. But while she might seem like just another superhuman playing out a listful of aces, her empowering story proves that anyone can rise above self-doubt and find their true potential. First turning heads with her rock climbing and paddling skills, Rusch soon found herself spearheading adventure racing teams like Mark Burnett's Eco-Challenge series. As she fought her way through the jungles of Borneo, raced camels across Morocco, threaded the rugged Tian Shan mountains, and river-boarded the Grand Canyon in the dead of winter, she was forced to stare down her own demons. Through it all, Rusch continually redefined her limits, pushing deep into the pain cave and emerging ready for the next great challenge. At age 38, Rusch faced a tough decision: retire or reinvent herself yet again. Determined to go for broke, she shifted her focus to endurance mountain bike racing and rode straight into the record books at a moment when most athletes walk away. Rusch to Glory is more than an epic story of adventure: it is a testament to the rewards of hard work, determination, and resilience on the long road to personal and professional triumph.

A Rose for the Anzac BoysApr 15 2021 The 'War to end all Wars', as seen through the eyes of three young women War is being fought on a horrific scale in the trenches of France, but it might as well be a world away from sixteen-year-old New Zealand Midge Macpherson, at school in England learning to be a young lady. But the war is coming closer. Midge's brothers are in the army, and her twin, Tim, is listed as 'missing' in the devastating defeat of the Anzac forces at Gallipoli. Desperate to do their bit - and avoid the boredom of school and the restrictions of Society - Midge and her friends Ethel and Anne start a canteen in France, caring for the endless flow of wounded soldiers returning from the front. Midge, recruited by the over-stretched ambulance service, is thrust into carnage and scenes of courage she could never have imagined. And when the war is over, all three girls - and their Anzac boys - discover that even going 'home' can be both strange and wonderful. Exhaustively researched but written with the lightest of touches, this is Jackie French at her very best. AWARDS Shortlisted - 2009 ABIA Awards Honour Book - 2009 CBCA Book of the Year Awards (Younger Readers) PRAISE 'Highly recommended for teenage to adult readers' - Readings 'A book of many voices. Poignant, graphic and compulsive fiction about women who volunteered during WWI' - Sunday Age 'Beautifully written. An important story. The use of a sixteen year old

protagonist will make the story more real and more confronting for teen readers' - Aussie Reviews 'A well-researched story about the invaluable support women provided during the war. Recommended for secondary school-aged children' - Australian Bookseller and Publisher '... rousing stuff, and it hasn't been watered down. French doesn't shy away from the nightmarish conditions of trench warfare. Highly readable, scrupulous in its history ... an ideal text for schools' - Sydney Morning Herald '... entertaining and uplifting' - Sun-Guardian Blacktown 'This is a moving story about the love, kindness and humanity of the people involved in the bloodshed and carnage of World War I' - Launceston Examiner 'Jackie has woven her usual magic with her deft light touch and humour in this gripping story' - Toowoomba Chronicle 'A warm tribute to extraordinary women in extraordinary times. We must remember them' - Woman's Day 'Younger readers will enjoy this story about the soldiers of World War I and the volunteers who supported them' - Brisbane News 'Comprehensively researched and beautifully written' - South Coast Register

From Airline Reservations to Sonic the Hedgehog May 17 2021 A business history of the software industry from the days of custom programming to the age of mass-market software and video games. From its first glimmerings in the 1950s, the software industry has evolved to become the fourth largest industrial sector of the US economy. Starting with a handful of software contractors who produced specialized programs for the few existing machines, the industry grew to include producers of corporate software packages and then makers of mass-market products and recreational software. This book tells the story of each of these types of firm, focusing on the products they developed, the business models they followed, and the markets they served. By describing the breadth of this industry, Martin Campbell-Kelly corrects the popular misconception that one firm is at the center of the software universe. He also tells the story of lucrative software products such as IBM's CICS and SAP's R/3, which, though little known to the general public, lie at the heart of today's information infrastructure. With its wealth of industry data and its thoughtful judgments, this book will become a starting point for all future investigations of this fundamental component of computer history.

Baseball Haiku: The Best Haiku Ever Written about the Game! Jul 07 2020 Presenting more than two hundred of the greatest haiku ever written about the game. There are moments in every baseball game that make fans catch their breath: the pause while a pitcher looks in for the sign, the moment a cocksure rookie gets picked off first, or the instant a batter lashes a game-winning homer into the night sky, just before the sell-out crowd explodes onto its feet. Haiku captures these moments like no other poetic form, and Baseball Haiku captures the sights, the sounds, the smells, and the emotions of the game like no previous collection. Some of the most important haiku poets of both America and Japan are featured in this anthology: including Jack Kerouac, a longtime baseball fan who pioneered English-language haiku; Alan Pizzarelli, one of the top American haiku and senryu poets of the last thirty years; and Masaoka Shiki, one of the four great pillars of Japanese haiku—a towering figure—who was instrumental in popularizing baseball in Japan during the 1890s. With over two hundred poems spanning more than a century of ball playing, Baseball Haiku reveals the intricate ways in which this enduring and indelible sport—which is played on a field, under an open sky—has always been linked to nature and the seasons. And just as a haiku happens in a timeless now, so too does Baseball Haiku evoke those unforgettable images that capture the actions and atmospheres of the national pastime: each poem resonates like the lonely sound of cleats echoing in the tunnel as a grizzled veteran leaves his final game. The largest collection of haiku and senryu on baseball ever assembled, Baseball Haiku is an extraordinary treasure for any true baseball fan.
