Issola Jan 01 2020 Okay, so maybe I've been living in the woods too long, where you can't even get a decent cup of klava first thing in the morning. So who should turn up but Lady Teldra, the courtly servant of my old friend the Dragonlord Morrolan? Teldra wants my help, because Morrolan and Alera have disappeared, and according to Sethra Lavode, it looks like they may be in the hands of the Jenoin. Do I want to mess with them? The guys who made this place? And I thought I had problems before... Oh well, what's a little cosmic battle with beings who control time and space? It's better than hunkering down in the woods without even so much as a drinkable cup of klava. In Issola, Stephen Brust delivers another swashbuckling fantasy adventure for Vlad Taltos. Wicked Pleasure Feb 11 2021 Second in the sizzling supernatural Castle of Dark Dreams series from New York Times bestselling author Nina Bangs. Brynn McNair may seem heaven-sent to the women who hunger for his body, but he's actually a cursed demon of desire driven to fulfill women's erotic needs. In the Castle of Dark Dreams, he's found refuge playing a sexy prince in nightly fantasies. The castle, part of an adult theme park, is the best thing that's happened to Brynn in centuries. Kim Vaughn wants an ordinary life. Unfortunately, she's agreed to destroy demons—it's a family thing—until she can find a normal guy and marry him. But finding Mr. Right in her line of work won't be easy. Especially when the latest demon she's supposed to off is so totally tempting...

The Secret History of Mac Gaming Oct 29 2019 The Macintosh challenged games to be more than child's play and quick reflexes. It made human-computer interaction friendly, inviting, and intuitive. Mac gaming led to much that is now taken for granted by PC gamers and spawned some of the biggest franchises in video game history. It allowed anyone to create games and playful software with ease, and gave indie developers a home for their products. It welcomed strange ideas and encouraged experimentation. It fostered passionate and creative communities who inspired and challenged developers to do better and to follow the Mac mantra 'think different'. Drawing on archive material and interviews with key figures from the era – and featuring new material from Craig Fryar, Apple's first Mac games evangelist and the co-creator of hit game Spectre – *The Secret History of Mac Gaming* is the story of those communities and the game developers who survived and thrived in an ecosystem that was serially ignored by the outside world. It's a book about people who followed their hearts first and market trends second, showing how clever, quirky, and downright wonderful video games could be.

The Castle of Llyr Oct 22 2021 Master Dallben has decided it is time for Eilonwy, daughter of the House of Llyr, to learn to behave like a proper princess. He sends her away to the Isle of Mona but instead of training in the art of being a lady, Eilonwy falls into the hands of the evil enchantress, Achren, who wants to use Eilonwy's magical powers for her own ends. Taran and his companions must rescue the princess or the peaceful land of Prydain will face a fearful future. Their quest is a perilous one and demands bravery and sacrifice, but it also promises adventure, excitement and a touch of magic. The third book in Lloyd Alexander's classic fantasy epic *The Chronicles of Prydain*. "Lloyd Alexander is the true High King of fantasy." - Garth Nix

The Art of Game of Thrones, the Official Book of Design from Season 1 to Season 8 May 29 2022 Filled with gorgeous illustrations and artwork from HBO's hit series, *The Art of Game of Thrones* is the definitive collection. Beautifully crafted and presented in a deluxe, large format, these pages present a visual chronicle of the meticulous work done by artists to bring the world of Westeros to life on-screen.

The Black Castle Jan 25 2022 *The Black Castle* is a fast-moving tale of battle between brothers. One is seen as evil because he is a vampire, while the other is perceived as good because he is a man of God. But the vampire only does what he has to do to survive while the churchman, an Inquisitor, inflicts pain for the power it confers upon him. Which is the greater evil?

Sir Kendrick and the Castle of Bel Leone Apr 27 2022 A dangerous new order threatens the mission of the Knights of Arrethtrae. Only loyalty to the King can bring victory! As the Knights of the Prince await His triumphant return, they are steadfast in their mission to take His story into the kingdom and recruit as many as are willing. But when a new and dangerous threat is revealed, their mission is jeopardized. Sir Kendrick and his young charge, the impetuous Sir Duncan, are sent on a mission to discover the identity and origin of a secretive new order

known as the Conquistero Knights. They travel to the city of Bel Lione where Lord Ra has been enticing young people in the kingdom to join his festivals, after which many choose not to return home. Their families keep quiet for fear of repercussion. When Sir Duncan disappears while trying to discover the truth of Lord Ra's castle, Sir Kendrick attempts to find and enlist the help of a mysterious warrior. Time is short for he must save Duncan and call upon the knights of Chessington to join in the battle against the evil Lord Ra. Journey to Arrethtrae, where these knights of noble heart live and die in loyal service to the King and the Prince. These knights are mighty, for they serve a mighty King. They are...the Knights of Arrethtrae!

The Baron of Magister Valley Sep 28 2019 From the vaults of Dragaeran history and the mind of master fantasist Steven Brust--a tale of betrayal and vengeance that is not at all a retelling of *The Count of Monte Cristo* Reader, you will undoubtedly have had the misfortune of consuming the rotten fruit of fallacies that we—Paarfi of Roundwood (esteemed historian of House of Hawk and exquisite artisan of truths)—“borrow” our factual recount of Dragaeran history from some obscure fellow who goes by the name Al Dumas or some silly nomenclature of that nature. The salacious claims that *The Baron of Magister Valley* bears any resemblance to a certain nearly fictional narrative about an infamous count are unfounded (we do not dabble in tall tales. The occasional moderately stretched? Yes. But never tall). Our tale is that of a nobleman who is betrayed by those he trusted, and subsequently imprisoned. After centuries of confinement, he contrives to escape and prepares to avenge himself against his betrayers. A mirror image of *The Count of Monte Cristo*, vitrolic naysayers still grouse? Well, that is nearly and utterly false. Also by Paarfi of Roundwood: *The Khaavren Romances* 1. *The Phoenix Guards* 2. *Five Hundred Years After* 3. *The Paths of the Dead (The Viscount of Adrilankha I)* 4. *The Lorde of Castle Black (The Viscount of Adrilankha II)* 5. *Sethra Lavode (The Viscount of Adrilankha III)* At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Women of Ice and Fire Aug 27 2019 George R.R. Martin's acclaimed seven-book fantasy series *A Song of Ice and Fire* is unique for its

strong and multi-faceted female protagonists, from teen queen Daenerys, scheming Queen Cersei, child avenger Arya, knight Brienne, Red Witch Melisandre, and many more. The Game of Thrones universe challenges, exploits, yet also changes how we think of women and gender, not only in fantasy, but in Western culture in general. Divided into three sections addressing questions of adaptation from novel to television, female characters, and politics and female audience engagement within the GoT universe, the interdisciplinary and international lineup of contributors analyze gender in relation to female characters and topics such as genre, sex, violence, adaptation, as well as fan reviews. The genre of fantasy was once considered a primarily male territory with male heroes. Women of Ice and Fire shows how the GoT universe challenges, exploits, and reimagines gender and why it holds strong appeal to female readers, audiences, and online participants.

The Lost Lord of Castle Black Oct 02 2022 An exciting new Regency Historical Romance series! Graham, Lord Blakemore, was believed to be lost at sea as a boy. While his mother, Lady Agatha, has never given up hope of finding her son again, others-eager for the title and the wealth that accompanies it-have been conspiring to have him declared dead against Lady Agatha's wishes. Her only ally in the house is her late husband's ward, Miss Beatrice Marlowe. But when a dark-haired stranger arrives on their doorstep claiming to be the lost heir to Castle Black, the plots and schemes of those who would have the castle for themselves take a dark and even more sinister turn. An orphan when she came into the care of the late Lord Blakemore, Castle Black is the only home Beatrice has ever known. Its occupants are her family. This stranger, who claims to have lost his memory of his life there, threatens the order of all that she knows and holds dear. And yet, she is both drawn to him and strangely compelled to believe his claim. Beatrice finds herself torn between her desire for him and her belief that, if he is the lost lord of Castle Black, he is far above her reach. Graham is no ordinary gentleman, bound by the rules of a society he has spent his life far removed from. He's willing to face not just the danger that lurks within the walls of Castle Black, but anyone who stands between him and what he wants. He has returned to claim his destiny and, for him, Beatrice is part of that. While all else has been forgotten, he knows her to the depths of his soul. More than the castle itself, more than the strangely familiar and rugged land it sits upon, she is his home and he means to claim her.

Eagle Dragon Sep 20 2021 The Talismans of the Kings of Romez is a multi-book series that chronicles mysterious events that begin to unfold on Romez, entangling each of the kingdoms in difficulties that lead them towards an uncertain destiny. These begin with the sudden unsealing of ancestral talismans, leading to the intervention of specific characters who cause the ensuing events. The series includes several volumes, each of which explain the events occurring in one or more kingdoms. These events are recorded by the Great Soul of Antelam, the ancient historian and scholar of Romez, who has been recording its events since the world's formation. He lives beneath the surface, unseen by any of the planet's inhabitants. The first volume of this exciting series, The Eagle Dragons, documents events that unfold in Santilan and Enestera. The story begins in Santilan, where greedy Quadera Rodavas, who was appointed caretaker of Castle Black by King Jannes, has recently fled when Helerant captured the Castle. After his failure, Quadera begins looking for a legendary cave, and finally locates it with the help of a friend. He discovers a mother lode of thermal diamonds covering a viable clutch of eggs of the extinct Eagle Dragons, which have been gone for millennia. His avarice, and the determination of other characters in the story to own or sell the precious diamonds and eggs, sends Santilan careening down a perilous path toward an unknown destination. Meanwhile, Enestera is undergoing massive changes. The Enesterans worship the gods of the Jahsar and Velanis Mountains. In the past, a sorcerer they consider their common ancestor, Sholrus, used a magical tool called

The Four Mirrors to hide his bodily organs in the Velanis range to protect them from the passage of time. He lived for six hundred years until he was incidentally killed with the magic sword Dragal, and buried on the tallest peak, Mount Velanis. There are a number of effectively magical items in Enestera, for whose possession most of the local kings and princes hatch plots. One of them is Tedora Ardelan, a grandson of Rennes of Riklasta, who paves the way to infiltrate Enestera and launches a search for The Four Mirrors. However, he is caught due to his recklessness, The king of Enestera, the ruthless Rantoram, jails Tedora and sentences him to death...

The Paths of the Dead Jun 25 2019 The long-awaited sequel to *The Phoenix Guards* and *Five Hundred Years After* Two hundred years after Adron's Disaster, in which Dragaera City was accidentally reduced to an ocean of chaos by an experiment in wizardry gone wrong, the Empire isn't what it used to be. Deprived at a single blow of their Emperor, of the Orb that is the focus of the Empire's power, of their capital city with its Imperial bureaucracy, and of a great many of their late fellow citizens, the surviving Dragaerans have been limping through a long Interregnum, bereft even of the simple magic and sorcery they were accustomed to use in everyday life. Now the descendants and successors of the great adventurers Khaavren, Pel, Aerich, and Tazendra are growing up in this seemingly diminished world, convinced, like their elders, that the age of adventures is over and nothing interesting will ever happen to them. They are, of course, wrong . . . For even deprived of magic, Dragaerans fight, plot, and conspire as they breathe, and so do their still-powerful gods. The enemies of the Empire prowl at its edges, inscrutable doings are up at Dzur Mountain...and, unexpectedly, a surviving Phoenix Heir, young Zerika, is discovered—setting off a chain of swashbuckling events that will remake the world yet again. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Phoenix Guards Aug 08 2020 Khaavren of the House of Tiassa is a son of landless nobility, possessor of a good sword and "tolerably well-acquainted with its use." Along with three loyal friends, he enthusiastically seeks out danger and excitement. But in a realm renowned for repartee and betrayals, where power is as mutable as magic, a young man like Khaavren, newly come from the countryside, had best be wary. His life depends on it. And so does the future of Draegara. Set in the same world as Stephen Brust's beloved Vlad Taltos books, *The Phoenix Guards* is a fantasy rewrite of *The Three Musketeers*—a swashbuckling tale of adventure. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Social Network Based Big Data Analysis and Applications Aug 20 2021 This book is a timely collection of chapters that present the state of the art within the analysis and application of big data. Working within the broader context of big data, this text focuses on the hot topics of social network modelling and analysis such as online dating recommendations, hiring practices, and subscription-type prediction in mobile phone services. Manuscripts are expanded versions of the best papers presented at the IEEE/ACM International Conference on Advances in Social Networks Analysis and Mining (ASONAM'2016), which was held in August 2016. The papers were among the best featured at the meeting and were then improved and extended substantially. *Social Network Based Big Data Analysis and Applications* will appeal to students and researchers in the field.

Death in Castle Dark Jul 31 2022 Actor Nora Blake finds her dream job when she is cast in a murder-mystery troupe that performs in an imposing but captivating old castle. When she stumbles upon a real murder, things take a nightmarish turn in this first book in an exciting new series. Maybe it was too good to be true, but when Nora Blake accepted the job from Derek Corby, proprietor of Castle Dark, she could not see any downsides. She would sink her acting chops into the troupe's intricately staged murder-mystery shows, earn free room and board in the fairy tale-like castle, and make friends with her new roommates, which include some seriously adorable kittens. But something sinister lurks behind the walls of Castle Dark. During Nora's second performance, one of her castmates plays the part of the victim a little too well. So well, in fact, that no one can revive him. He has been murdered. Not ready to give up her dream gig—or to be the next victim—Nora sets out to see which one of her fellow actors has taken the role of a murderous real-life villain.

Five Hundred Years After Nov 10 2020 In which our heroes are reunited a mere five centuries later... just in time for an uprising that threatens to destroy the Imperial Orb itself! This is the story of the conspiracy against the Empire that begins in the mean streets of the Underside and flourishes in the courtly politics of the Palace where Khaavren has loyally served in the Guards this past half-millennium. It is the tale of the Dragonlord Adron's overweening schemes, of his brilliant daughter Alieria, and of the eldritch Sethra Lavode. And it is the tale of four boon companions, of love, and of revenge...a tale from the history of Dragaera, of the events that changed the world. This action-packed fantasy epic continues the story of The Phoenix Guards, from bestselling author Steven Brust. At the Publisher's request, this title is

A Game of Thrones Mar 27 2022 NOW THE ACCLAIMED HBO SERIES GAME OF THRONES—THE MASTERPIECE THAT BECAME A CULTURAL PHENOMENON Winter is coming. Such is the stern motto of House Stark, the northernmost of the fiefdoms that owe allegiance to King Robert Baratheon in far-off King’s Landing. There Eddard Stark of Winterfell rules in Robert’s name. There his family dwells in peace and comfort: his proud wife, Catelyn; his sons Robb, Brandon, and Rickon; his daughters Sansa and Arya; and his bastard son, Jon Snow. Far to the north, behind the towering Wall, lie savage Wildings and worse—unnatural things relegated to myth during the centuries-long summer, but proving all too real and all too deadly in the turning of the season. Yet a more immediate threat lurks to the south, where Jon Arryn, the Hand of the King, has died under mysterious circumstances. Now Robert is riding north to Winterfell, bringing his queen, the lovely but cold Cersei, his son, the cruel, vainglorious Prince Joffrey, and the queen’s brothers Jaime and Tyrion of the powerful and wealthy House Lannister—the first a swordsman without equal, the second a dwarf whose stunted stature belies a brilliant mind. All are heading for Winterfell and a fateful encounter that will change the course of kingdoms. Meanwhile, across the Narrow Sea, Prince Viserys, heir of the fallen House Targaryen, which once ruled all of Westeros, schemes to reclaim the throne with an army of barbarian Dothraki—whose loyalty he will purchase in the only coin left to him: his beautiful yet innocent sister, Daenerys.

Parzival Jul 27 2019 Parzival is a medieval romance by the German poet, knight, and troubadour Wolfram von Eschenbach. The story belongs to the most significant examples of medieval literature. The poem, dated to the first quarter of the 13th century, tells about the

legendary knight of the Round Table Parzival (Percival in English) and his long search for the Holy Grail following his initial failure to achieve it. The story begins with Parzival's birth and early life, continues with his attempts to find King Arthur and join him, together with his friend Gawain and concludes in meeting and marriage to the love of his life Orgeluse. Although the poem is dedicated to the spiritual and physical search for Saint Grail, its central narrative is love, chivalry, and courtship that reward the hero with a happy completion of his deeds.

Dark Awakening Dec 24 2021 Enter the world of the Dark Dynasties . . . For centuries, shapeshifting vampire Tynan MacGillivray has prowled the night as an outcast, valued only for his ferocious hunting skills. When a feud among the immortals escalates into all-out war, he is ordered by his ruthless queen to locate a Seer—a human woman with a special gift—who can secure victory for their clan. Ty's search leads him to a quiet New England town, but once he has the Seer in his grasp, her touch awakens within him a hunger like he's never known . . . Lily Quinn has always been different. Since childhood, she's had vivid nightmares and an eerie sixth sense. When a sexy, silver-eyed stranger demands her help, Lily plunges into a new world of danger and sensuality. With Ty, she discovers sizzling passions she cannot deny and powers she cannot control. Soon, it is clear that Lily is much more than a Seer—she holds the key to ancient secrets and unthinkable destruction. But will a vampire's vow of eternal protection stop these evil forces . . . or unleash her dark destiny?

The Castle of Dark Feb 23 2022 Although she leads an overprotected life with the two old hags, Lilune knows she possesses a special gift. When she 'calls' the musician, Lir, to her prison-like castle, she knows she must avail herself of the opportunity to escape and explore the world. But travelling south of the castle, Lilune and Lir realize that they aren't alone - for an ancient, infectious evil accompanies them, which instills terror in everyone they meet. Lir dislikes arrogant Lilune, but finds himself intrigued by her and the source of the evil. Is it within Lilune, or does it come from a deeper source? When the pair become separated, he carries on searching for her. Finally, Lilune returns to her castle in despair, believing that she must be imprisoned to protect the world from the evil within her. But Lir follows her, and discovers that the root of the evil lies deep beneath the castle...

A Dance with Dragons Dec 12 2020 #1 NEW YORK TIMES BESTSELLER • THE BOOK BEHIND THE FIFTH SEASON OF THE ACCLAIMED HBO SERIES GAME OF THRONES Don't miss the thrilling sneak peek of George R. R. Martin's A Song of Ice and Fire: Book Six, The Winds of Winter Dubbed "the American Tolkien" by Time magazine, George R. R. Martin has earned international acclaim for his monumental cycle of epic fantasy. Now the #1 New York Times bestselling author delivers the fifth book in his landmark series—as both familiar faces and surprising new forces vie for a foothold in a fragmented empire. A DANCE WITH DRAGONS A SONG OF ICE AND FIRE: BOOK FIVE In the aftermath of a colossal battle, the future of the Seven Kingdoms hangs in the balance—beset by newly emerging threats from every direction. In the east, Daenerys Targaryen, the last scion of House Targaryen, rules with her three dragons as queen of a city built on dust and death. But Daenerys has thousands of enemies, and many have set out to find her. As they gather, one young man embarks upon his own quest for the queen, with an entirely different goal in mind. Fleeing from Westeros with a price on his head, Tyrion Lannister, too, is making his way to Daenerys. But his newest allies in this quest are not the rag-tag band they seem, and at their heart lies one who could undo Daenerys's claim to Westeros forever. Meanwhile, to the north lies the mammoth Wall of ice and stone—a structure only as strong as

those guarding it. There, Jon Snow, 998th Lord Commander of the Night's Watch, will face his greatest challenge. For he has powerful foes not only within the Watch but also beyond, in the land of the creatures of ice. From all corners, bitter conflicts reignite, intimate betrayals are perpetrated, and a grand cast of outlaws and priests, soldiers and skinchangers, nobles and slaves, will face seemingly insurmountable obstacles. Some will fail, others will grow in the strength of darkness. But in a time of rising restlessness, the tides of destiny and politics will lead inevitably to the greatest dance of all. Praise for *A Dance with Dragons* "Filled with vividly rendered set pieces, unexpected turnings, assorted cliffhangers and moments of appalling cruelty, *A Dance with Dragons* is epic fantasy as it should be written: passionate, compelling, convincingly detailed and thoroughly imagined."—The Washington Post "Long live George Martin . . . a literary dervish, enthralled by complicated characters and vivid language, and bursting with the wild vision of the very best tale tellers."—The New York Times "One of the best series in the history of fantasy."—Los Angeles Times

Martin—dubbed "the American Tolkien" by Time magazine—international acclaim and millions of loyal readers. Now this bundle collects the entire monumental cycle in the most convenient format available: **A GAME OF THRONES A CLASH OF KINGS A STORM OF SWORDS A FEAST FOR CROWS A DANCE WITH DRAGONS** "One of the best series in the history of fantasy."—Los Angeles Times Winter is coming. Such is the stern motto of House Stark, the northernmost of the fiefdoms that owe allegiance to King Robert Baratheon in far-off King's Landing. There Eddard Stark of Winterfell rules in Robert's name. There his family dwells in peace and comfort: his proud wife, Catelyn; his sons Robb, Brandon, and Rickon; his daughters Sansa and Arya; and his bastard son, Jon Snow. Far to the north, behind the towering Wall, lie savage Wildings and worse—unnatural things relegated to myth during the centuries-long summer, but proving all too real and all too deadly in the turning of the season. Yet a more immediate threat lurks to the south, where Jon Arryn, the Hand of the King, has died under mysterious circumstances. Now Robert is riding north to Winterfell, bringing his queen, the lovely but cold Cersei, his son, the cruel, vainglorious Prince Joffrey, and the queen's brothers Jaime and Tyrion of the powerful and wealthy House Lannister—the first a swordsman without equal, the second a dwarf whose stunted stature belies a brilliant mind. All are heading for Winterfell and a fateful encounter that will change the course of kingdoms. Meanwhile, across the Narrow Sea, Prince Viserys,

heir of the fallen House Targaryen, which once ruled all of Westeros, schemes to reclaim the throne with an army of barbarian Dothraki—whose loyalty he will purchase in the only coin left to him: his beautiful yet innocent sister, Daenerys. “Long live George Martin . . . a literary dervish, enthralled by complicated characters and vivid language, and bursting with the wild vision of the very best tale tellers.”—The New York Times

Dzur Jan 31 2020 In which Vlad Taltos confronts the Left Hand of the Jhereg...and discovers the game has more players than he thought Vlad Taltos, short-statured, short-lived human in an Empire of tall, long-lived Dragaerans, has always had to keep his wits about him. Long ago, he made a place for himself as a captain of the Jhereg, the noble house that runs the rackets in the great imperial city of Adrilankha. But love, revolution, betrayal, and revenge ensued, and for years now Vlad has been a man on the run, struggling to stay a step ahead of the Jhereg who would kill him without hesitation. Now Vlad's back in Adrilankha. The rackets he used to run are now under the control of the mysterious "Left Hand of the Jhereg"—a secretive cabal of women who report to no man. His ex-wife needs his help. His old enemies aren't sure whether they want to kill him, or talk to him and then kill him. A goddess may be playing tricks with his memory. And the Great Weapon he's carrying seems to have plans of its own... Picking up directly where *Issola* left off, *Dzur* gives us Vlad Taltos at his best—swashbuckling storytelling with a wry and gritty edge. A Feast for Crows Oct 10 2020 THE BOOK BEHIND THE FOURTH SEASON OF THE ACCLAIMED HBO SERIES GAME OF THRONES Few books have captivated the imagination and won the devotion and praise of readers and critics everywhere as has George R. R. Martin's monumental epic cycle of high fantasy. Now, in *A Feast for Crows*, Martin delivers the long-awaited fourth book of his landmark series, as a kingdom torn asunder finds itself at last on the brink of peace . . . only to be launched on an even more terrifying course of destruction. *A FEAST FOR CROWS* It seems too good to be true. After centuries of bitter strife and fatal treachery, the seven powers dividing the land have decimated one another into an uneasy truce. Or so it appears. . . . With the death of the monstrous King Joffrey, Cersei is ruling as regent in King's Landing. Robb Stark's demise has broken the back of the Northern rebels, and his siblings are scattered throughout the kingdom like seeds on barren soil. Few legitimate claims to the once desperately sought Iron Throne still exist—or they are held in hands too weak or too distant to wield them effectively. The war, which raged out of control for so long, has burned itself out. But as in the aftermath of any climactic struggle, it is not long before the survivors, outlaws, renegades, and carrion eaters start to gather, picking over the bones of the dead and fighting for the spoils of the soon-to-be dead. Now in the Seven Kingdoms, as the human crows assemble over a banquet of ashes, daring new plots and dangerous new alliances are formed, while surprising faces—some familiar, others only just appearing—are seen emerging from an ominous twilight of past struggles and chaos to take up the challenges ahead. It is a time when the wise and the ambitious, the deceitful and the strong will acquire the skills, the power, and the magic to survive the stark and terrible times that lie before them. It is a time for nobles and commoners, soldiers and sorcerers, assassins and sages to come together and stake their fortunes . . . and their lives. For at a feast for crows, many are the guests—but only a few are the survivors.
