[Medical Anthropology](#) Oct 04 2022 Intended as the primary text for introductory courses on medical anthropology, this book integrates human biological data relevant to health and disease with both evolutionary theory and the social environments that more often than not produce major challenges to health and survival. Because students who take this fastest-growing anthropology course come from a variety of disciplines (anthropology, biology, especially pre-med students, and health sciences, especially), the text does not assume anything beyond a basic high-school level familiarity with human biology and anthropology. The authors first present basic biological information on a particular health condition and then expand their analysis to include evolutionary, historical, and cross-cultural perspectives. Among the topics covered are nutrition, infectious disease, stress, reproductive health, behavioral disease, aging, race/racism and health, mental health, and healers and healing.

Global Weirdness May 31 2022 Produced by Climate Central—a highly regarded independent, nonprofit journalism and research foundation founded in 2008—and reviewed by scientists at major educational and research institutions the world over, Global Weirdness summarizes, in clear and accessible prose, everything we know about the science of climate change; explains what is likely to happen to the climate in the future; and lays out in practical terms what we can and cannot do to avoid further shifts. Sixty easy-to-read entries tackle such questions as: Is climate ever “normal”? Why and how do fossil-fuel burning and other human practices produce greenhouse gases? What natural forces have caused climate change in the past? What risks does climate change pose for human health? What accounts for the diminishment of mountain glaciers and small ice caps around the world since 1850? What are the economic costs and benefits of reducing carbon emissions? Global Weirdness enlarges our understanding of how climate change affects our daily lives, and arms us with the incontrovertible facts we need to make informed decisions about the future of the planet and of humankind. With black-and-white images interspersed throughout.

Poems We Love Jun 19 2021 Trieste Publishing has a massive catalogue of classic book titles. Our aim is to provide readers with the highest quality reproductions of fiction and non-fiction literature that has stood the test of time. The many thousands of books in our collection have been sourced from libraries and private collections around the world. The titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original. Our readers see the books the same way that their first readers did decades or a hundred or more years ago. Books from that period are often spoiled by imperfections that did not exist in the original. Imperfections could be in the form of blurred text, photographs, or missing pages. It is highly unlikely that this would occur with one of our books. Our extensive quality control ensures that the readers of Trieste Publishing's books will be delighted with their purchase. Our staff has thoroughly reviewed every page of all the books in the collection, repairing, or if necessary, rejecting titles that are not of the highest quality. This process ensures that the reader of one of Trieste Publishing's titles receives a volume that faithfully reproduces the original, and to the maximum degree possible, gives them the experience of owning the original work. We pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality, but also providing value to every one of our readers. Generally, Trieste books are purchased singly - on demand, however they may also be purchased in bulk. Readers interested in bulk purchases are invited to contact us directly to enquire about our tailored bulk rates.

Blink Once Sep 03 2022 West is a high school senior who has everything going for him - until an accident leaves him paralysed. Strapped down in his hospital bed, moving in and out of consciousness, West is isolated and alone. Until he meets Olivia. Olivia is the girl next door - though not the typical girl next door. She is in the hospital room next to his, and before long, she's sneaking into his room to talk with him. Only Olivia seems to know what he's thinking, and even dreaming about. Yet certain questions haunt him: Why is Olivia in the hospital? And how is she connected to the terrible dreams he's been having? But the biggest shock of all comes when West must face the possibility that the girl he's fallen in love with - and who's done more to aid his recovery than anyone else - may not even be alive.

Ballads from Far Land Feb 02 2020 Ballads. Or can we say them poems? They acquaint the audience with the emotions and thoughts and bring out the emotions of the audience from deep of the heart. This book also does the same. It contains ballads that emphasize the different aspects, emotions, and life events of the balladist. From love to lust to philosophy, this book is the perfect concoction of different emotions. It's sure that the readers will drift into a different macrocosm while reading this book.

100 Simple Ways How to Manage a Successful Property and Evidence Room Feb 13 2021 100 Simple Ways How to Manage a Successful Property and Evidence Room is just that. One hundred simple ways of doing old business through new ways that can lead to real success. After almost seventeen years of frustration and trying to get it right, a new roadmap is finally here in this book and has one hundred simple ways of doing it. It's simple, no-nonsense, real-world situations with real-world solutions from someone that does it every day from nine to five, with sometimes twenty-four hours being on call, and loves doing it while giving real advice that works. It's a fun read from start to finish that will have you saying, "Why didn't I think of that. Makes sense to me"—or better yet—"Wow." Leadership from the bottom up. Many organizations are merely successful surviving off of antiquated policies and procedures that create long term ineffectiveness. It has become far too common to pass down the worst practices to our new joins under the banner of "It's always been done this way." Over the past seventeen years of faithful service within the New Bern Police Department's Forensics and Evidence Unit, I have been able to deploy transcending strategies that have made me one of the leading evidence specialist throughout North Carolina. 100 Simple Ways How to Manage a Successful Property and Evidence Room is a practical and systematic guide that is a must-have for law enforcement departments of all sizes. Many departments struggle daily with the nagging questions of how to properly store evidence, as well as what are the best practices, and how should a property and evidence room be set up and maintained. In this practical and engaging book, these and many more questions are answered with clarity, accuracy, brevity, and even a splash of levity. It is not because I say so, but because my ideals really do work, and they can work for you in your evidence room. 100 Simple Ways How to Manage a Successful Property and Evidence Room is the culmination of trial and error from things that work versus things that will not work and is finally captured in a "how-to," fun, easy-to-read book that is sure to revolutionize your department's management of property and evidence.

Spinning Side Kick Mar 17 2021 Anita Lahey's second collection, *Spinning Side Kick*, is a hard-knuckled look at the other half. These lively poems mix a girl-about-town cockiness with an all-too-rare emotional honesty about men, love, and relationships. Whether the subject is a one-man chimney demolition, the lifelong fidelity of seahorses, a lover at war in Afghanistan or a kickboxing match, Lahey confronts the enduring disconnect between the sexes in a language that is slangy and quick, punctuated with jabs. She eyes those moments—in a day, in a life—when the normal clues we rely on disappear, shifting the line between domesticity and danger. In *Spinning Side Kick*, a talented poet returns with sharper aim.

The Power of Vision with a Purpose Mar 05 2020 This material amplifies in a simple but profound way, the different nuances of the vision and the power it contains. Here, we work concepts such as spiritual vision, visionary leadership, and purpose. This is a reading that should be offered to anyone and everyone who wants to realign their goals and be moved by greatness, as it provides an experience of self-knowledge and a powerful load of intentionality. I hope that, as with the other materials in the Digital Economy series, the reader can be instructed, challenged, and encouraged to fulfill the vision that God has for them.

Positive Lightning Apr 05 2020 Kate Winter teaches dog owners how to train their canine companions. During her spare time, accompanied by her Lab, Dakota, she explores the woods and beaches on foot or horseback. She's worried that something's happening in her relationship, but she can't get her girlfriend Trish to talk to her about it. Faith Hutchins recently lost her sight after a terrible outdoor accident. She's dealt with her anger, depression, and blindness primarily on her own. A seeing-eye dog would help alleviate her reliance on anyone else, but the guide dog school has been unsuccessful in providing her with one. On a mission to find someone who will train a dog specifically for her, she ultimately zeroes in on Kate. They say lightning never strikes the same place twice. But positive lightning is notoriously unpredictable and can ignite a fire when and where least expected . . . no matter who's in its path."
