*DI Geraldine Steel: The Early Cases Omnibus* May 15 2021 The first three murder investigations in the million-selling Detective Geraldine Steel series: Cut Short, Road Closed and Dead End.

'Unmissable' - Lee Child Meet Detective Inspector Geraldine Steel: fierce, dependable, and

committed to her job, she has dedicated her life to finding justice for the voiceless dead. Relocated to a quiet rural town, she expects respite from the stresses of the city; a space where she can battle her demons in private. But when she finds herself pitted against a twisted killer preying on young women, she quickly discovers how wrong she is... 'A rare talent' – Peter James 'You're just plain going to love Geraldine Steel' – Jeffery Deaver What Amazon readers are saying: 'Amazing' 'Brilliant' 'A terrific read' 'Thriller from the start' 'If you like James Patterson you will love this author' 'If fast paced crime action is what you're after then this book will not disappoint.' 'Geraldine is a brilliant detective - used to seeing gruesome sights, but her work has not hardened her. She is a human, vulnerable woman with her own problems.' 'Gritty, gripping and well written. Can highly recommend it.' The next book in the series, *Death Bed*, is available now.

**The Raising of Predicates** Aug 30 2022 One of the basic premises of the theory of syntax is that clause structures can be minimally identified as containing a verb phrase, playing the role of predicate, and a noun phrase, playing the role of subject. In this study Andrea Moro identifies a new category of copular sentences, namely inverse copular sentences, where the predicative noun phrase occupies the position which is canonically reserved for subjects. In the process, he sheds new light on such classical issues as the distribution and nature of expletives, locality theory and cliticization phenomena.

**Di'bil b. 'Alī** Jan 23 2022 Di'bil b. 'Alī (765--860) was regarded by his contemporaries as one of the best satirists in the school of Arabic poets which flourished during the early 'Abbāsīd age. Leon Zolondek has collected, translated, and annotated 229 fragments of Di'bil's verse and has assembled materials for a reconstruction of his long-lost yet widely quoted *Book of the Poets*. Arabic texts of the poems and of the citations of *Book of the Poets* are included.

**The Equilibrium of Human Syntax** Nov 20 2021 This book assembles a collection of papers in two different domains: formal syntax and neurolinguistics. Here Moro provides evidence that the two fields are becoming more and more interconnected and that the new fascinating empirical questions and results in the latter field cannot be obtained without the theoretical base provided by the former. The book is organized in two parts: Part 1 focuses on theoretical and empirical issues in a comparative perspective (including the nature of syntactic movement, the theory of locality and a far reaching and influential theory of copular sentences). Part 2 provides the original sources of some innovative and pioneering experiments based on neuroimaging techniques (focusing on the biological nature of recursion and the interpretation of negative sentences). Moro concludes with an assessment of the impact of these perspectives on the theory of the evolution of language. The leading and pervasive idea unifying all the arguments developed here is the role of symmetry (breaking) in syntax and in the relationship between language and the human brain.

Encyclopedia of Italian Literary Studies Nov 28 2019 The Encyclopedia of Italian Literary Studies is a two-volume reference book containing some 600 entries on all aspects of Italian literary culture. It includes analytical essays on authors and works, from the most important figures of Italian literature to little known authors and works that are influential to the field. The Encyclopedia is distinguished by substantial articles on critics, themes, genres, schools, historical surveys, and other topics related to the overall subject of Italian literary studies. The Encyclopedia also includes writers and subjects of contemporary interest, such as those relating to journalism, film, media, children's literature, food and vernacular literatures. Entries consist of an essay on the topic and a bibliographic portion listing works for further reading, and, in the case of entries on individuals, a brief biographical paragraph and list of works by the person. It will be useful to people without specialized knowledge of Italian literature as well as to scholars.

**Michelangelo on Parnassus** Jul 29 2022 This book presents an original investigation of the relationship of a variety of authors (Varchi, Aretino, Foscolo, Wordsworth, Stendhal, Mann, Montale, Morante and others) with Buonarroti's verse. Through close analysis of the texts, it shows why Michelangelo should hold a more noble position on Parnassus than that which historiography has hitherto granted him.

**D.I. Denning and D.S. Fisher** Jun 15 2021 Meet detectives D.I. Denning & D.S. Fisher as they tackle London crime. Includes the first four books in the series; Know No Evil, Blood Family, The

Darkness Within and Run For Cover. Know No Evil: The body of young mother, Leanne Wyatt, is discovered in an East London park. Under pressure to solve the case, and fast, D.I. Matthew Denning delves into Leanne's history and finds that she was close to some dangerous individuals - could one of them have taken her life? But when another woman is found dead in similar circumstances, Denning is forced to reconsider. D.S. Molly Fisher discovers a horrifying link to these deaths and a killing spree in South London a decade ago - a terrifying summer when 'The Bermondsey Ripper' killed many young women. Anthony Ferguson is serving a life sentence for the crimes, so are these new deaths the result of a copycat killer - or did the police convict the wrong man? Blood Family: When D.I. Matthew Denning is called in to investigate a house fire in North London, he never anticipated the horrors that awaited him. The bodies of the Galloway family - Brian and Ellie, son Simon, daughter Amber and 9-year-old grandson Caleb - are discovered in the smouldering house. All evidence points to a tragic accident... until Denning and Fisher discover that the family was dead before the fire. As the case deepens, Denning and Fisher discover that the Galloways were no ordinary family. Like all families, they harboured secrets - but unlike others, their secrets were so deadly, someone is willing to spill blood to keep them hidden... The Darkness Within: A man is discovered on a leafy North London street, fighting for life after a brutal beating. DI Matthew Denning must track down the monster responsible. Except the victim is hiding something. His name shows that he was reported missing two decades ago - but it's clear that the missing person is not the same man lying broken in a hospital bed. A visit to a squalid East London flat unearths a victim with his throat slit, his body left to decompose. A sad end to any life - but when it is identified as former DCI Frank Buckfield, the case takes on a new significance. Denning and DS Molly Fisher investigate further and uncover links between the two victims that lead back to the blackest of crimes. As Denning and Fisher dig deeper, they find themselves pitted against a psychopath who will kill to keep their secrets hidden. Can they uncover the truth, before they end up the latest victims? Run For Cover: D.I. Matthew Denning is used to seeing the very worst of humanity. But when a young woman's body is discovered in an East London churchyard, he is plunged into his most shocking case yet. While the investigation discovers that victim Bryony Allen was hiding some dark secrets, nothing seems to warrant the violence that ended her life. Until Denning, along with D.S. Molly Fisher, uncovers a link between this murder and the disappearance of an undercover policeman investigating a high-level criminal gang, one that may be responsible for the deaths of two men found dead in a ritual execution in Kent. The top brass want to suppress Denning's discovery but when his own boss, D.C.I. Liz McKenna, goes missing, the case becomes personal. Can Denning and Fisher get justice for Bryony's murder, while fighting through the wall of silence from the powers that be? An utterly compelling detective series perfect for fans of Angela Marsons, Robert Bryndza and Line of Duty. Praise for Graeme Hampton 'A fantastic police procedural - a great plot, well-drawn characters and terrific pacing.' [ ] [ ] [ ] [ ] Reader Review 'Full of tension and intrigue. A well-written read that keeps you gripped.' [ ] [ ] [ ] [ ] Reader Review 'Really enjoyable. A solid read for crime fans and I would recommend it.' [ ] [ ] [ ] [ ] Reader Review

**Don Camillo Stories of Giovannino Guareschi** Mar 25 2022 Giovannino Guareschi (1908-1968) was an Italian journalist, humorist, and cartoonist best known for his short stories based on the fictional Catholic priest Don Camillo. In this study, Alan R. Perry explores the Don Camillo stories from the perspective of Christian hermeneutics, a unique approach and the best critical key to unlocking the richness of both the author and his tales. The stories of Don Camillo, the cantankerous but beloved priest, and his sidekick, Communist mayor Peppone, continue to entertain viewers and readers. Their Cold War adventures, mishaps, arguments, and reconciliations have a timeless quality, and their actions reflect endearing values that prevail even today. The stories delight, to be sure, but the best of them also force us to stop and think about how Guareschi so powerfully conveyed the Christian message of faith, hope, and love. To appreciate the true genius of Guareschi, Perry argues that we must delve deeper into the latent spiritual meaning that many of his stories contain. In reflecting popular understandings of the faith, the Don Camillo tales allow us to appreciate a sacred awareness of the world, an understanding communicated through objects, gestures, expressions, and actual religious rites. The first full-length scholarly examination of the Don Camillo stories to appear, this book offers a solid appreciation of Italian cultural values and discusses the ways in which those values were contested in the first decades of the Cold War.
