**The Hindi Music Jukebox** Apr 17 2021 This Indian film music book is a collection of eighty essays about the people who made remarkable music in Bollywood cinema, especially during the great era, and the ideas such people brought to the recording studios. When songs had to go without rhythms or when melodies had plenty of Q n A in them. In this music book, we flirt with Rock n Roll and scan songs that speed up at the end, we peep behind the screen to see what the idea was behind chorus songs in our films – even if there was no one to sing that chorus on the screen; it’s a huge list. These pages are a reflection of the time when everyone was fired up in their art, and when no one wanted to finish last in the race. It is about artists who every now and then dreamt ideas, and only after crystallizing things perfectly in their mind’s eye, went out to translate and transform their dreams into unforgettable melodies in Indian movies. Jukebox will interest the layman as well as the academician.

*Daughters of Parvati* Jun 07 2020 In her role as devoted wife, the Hindu goddess Parvati is the divine embodiment of viraha, the agony of separation from one's beloved, a form of love that is also intense suffering. These contradictory emotions reflect the overlapping dissolutions of love, family, and mental health explored by Sarah Pinto in this visceral ethnography. *Daughters of Parvati* centers on the lives of women in different settings of psychiatric care in northern India, particularly the contrasting environments of a private mental health clinic and a wing of a government hospital. Through an anthropological consideration of modern medicine in a nonwestern setting, Pinto challenges the dominant framework for addressing crises such as long-term involuntary commitment, poor treatment in homes, scarcity of licensed practitioners, heavy use of pharmaceuticals, and the ways psychiatry may reproduce constraining social conditions. Inflected by the author's own experience of separation and single motherhood during her fieldwork, *Daughters of Parvati* urges us to think about the ways women bear the consequences of the vulnerabilities of love and family in their minds, bodies, and social worlds.

**The Hindi Public Sphere 1920–1940** Jan 15 2021 This book analyses how a language became the instrument with which the contours of a new nation were traced. Mapping the success of formalized Hindi in creating a regional public sphere in north India in the early twentieth century, the book explores the way many educated Indians, influenced by the British ideas and institutions, expressed interest in new concepts such as progress, unity, and a common cultural heritage. From the development of new codes and institutions to a language that helped to create space for argument and debate, the book gives an overview of the Hindi public sphere. Furthermore, it throws light on the work of Vasudha Dalmia about the nascent Hindi public sphere and brings to light how early-twentieth-century discourses on language, literature, gender, history, and politics form the core of the Hindi culture that exists today.

*Struggles for Peace and Justice* Jul 01 2022 This work by Karl-Julius Reubke embodies labours of experience and reflection spanning almost 20 years. It is rich with many kinds of detail but above all Reubke's work accomplishes something the late German philosopher Hans-Georg Gadamer called a Horizontverschmelzung, a merging of horizons in service of an act of understanding. Reubke, a German himself, a former chemist, a follower of Rudolph Steiner, a self-taught Sanskrit scholar and translator of ancient texts, sympathetically merges those horizons with an equally complex set of horizons arising from India: the post-colonial search for a coherent tradition in one of the oldest civilizations, the emergence of early modern spiritual and nationalist thinking, the complex challenges posed by Gandhi's ethico-spiritual vision, and then finally, from the contemporary India driven and riven by the forces of globalization, the horizon of a civil/social movement inspired by Gandhi and Vinobha, namely Ekta Parishad. Reubke describes this movement, inspired and led by PV Rajagopal from the inside with a personal touch and a uncannily reflective eye. All of this is an accomplishment of some note and worthy of our attention especially as we now turn to confront how we as people of the planet will face the ecological disaster our way of living has created. This too is a task of "comprehension" which Hannah Arendt described as the work of "the unpremeditated facing up to, and resisting of, reality—whatever it may be." - Paul Schwartztruber, Independent Scholar and Activist, Halifax, Canada If you wish to know what Satyagraha is all about, read this candid, reflective account of the struggle for freedom and justice Gandhi and his contemporaries waged during the twentieth century and P V Rajagopal and Ekta Parishad have been engaged in during the 21st. Extremely timely and morally challenging. - Manoranjan Mohanty, Former Professor of Political Science, University of Delhi, New Delhi, India This book is invaluable in challenging us to develop nonviolent mass movements addressing the needs of those who are oppressed and suffering the most, the impoverished, the exploited, those thrown off their lands, adivasis, women, and why such movements are necessary for greater peace and justice. - Douglas Allen, Professor of Philosophy, The University of Maine, USA This brilliant book, the first major scholarly study of Ekta Parishad, demonstrates how rights-based mass mobilisations in contemporary India adapt Gandhian ideas in their struggle for justice and in negotiating state politics and policies, with grit and compassion. - Arnab Roy Chowdhury, Assistant Professor, Higher School of Economics (HSE), Moscow, Russian Federation This impressive volume addresses the topic, which is possibly the most important of our time: global solidarity. And it does so from the perspective of the global South, drawing especially on Gandhi and Ekta Parishad. The result is a very unique combination of scholarship and vision for the future that is a must-read for all students of India and Indian thought but also for those looking for inspiration in the times of global crisis and the return of nationalisms and fascisms. - Boike Rehbein, Professor, Humbolt University, Berlin, Germany In a world in deep need of global solidarity as we enter an era challenged with the Covid-19 pandemic, global economic devastation, the continuing epidemic of racism, and with an existential climate crisis, Ekta Parishad shines a bright new light for humanity and our human challenges. This book and this organization confront these challenges boldly and head-on. Jai Jagat!! - David Blake Willis, Professor, Fielding Graduate University, USA

Summary Of The Book Housefull: The Golden Age of Hindi Cinema is a collection of short essays that provide insights into the best films in Hindi Cinema during the 1950s and 60s. This book starts off with a foreword by Mahesh Bhatt, followed by a brief introduction by Salam. The readers are provided with little-known facts on the lives of actors, directors, composers, lyricists, and producers during this golden age. This book has been divided into 11 parts, most of which examine the lives of some of the greatest directors during the 50s and 60s, which include Guru Dutt, Bimal Roy, B. R. Chopra, Shakti Samanta, Raj Kapoor, Mehboob Khan, V. Shantaram and the Anands. There is a rather incongruous portion placed between these sections, called Period Films (1952-1960). Each section starts off with a brief introduction by a renowned figure in the Hindi film industry, followed by a series of write-ups on films. Only landmark films by a particular director have been included. An example of this is Bimal Roy, whose hit movies such as Devdas, Madhumati, Sujata, Bandini, and Do Bigha Zameen have been added in this book. Each essay begins with some brief information about the movie, such as the director, writers, lyricist, lead actors, and the cinematographer, which is followed by the movie's synopsis. Additionally, the readers are given insights into how a particular movie came into being as well as behind-the-scenes stories sans any gossip. The writer of that particular section

then gives their take on where the movie scores and what contributed to its success. This book consists of contributions from some of the most renowned figures such as Vijay Lokapally, Anuj Kumar, and Suresh Kohli. This book takes the readers back in time, when the eminent Mangeshkar sisters sang together and the time Gulzar was prevented from singing his own song. *Housefull: The Golden Age of Hindi Cinema* helps the readers understand how Indian cinematic history has evolved from films such as *Mughal-e-Azam* and *Sholay*, to *Tare Zameen Par* and *Lagaan*. **Ramesh Chandra Agarwal (English)** May 31 2022 The building of the no. 1 newspaper empire in India was like an architect ground plan – Ramesh Chandra Agarwal laid the foundation edition by edition, city by city, state by state, going into the den of the mightiest and slaying them without fear. That quality of never cowering was an inheritance from his father. Ramesh Chandra blended it with an unparalleled taste for risk-taking and a thirst for venturing into the unknown, throwing this molotov cocktail at his rivals who stood mocking the new entrants before it hit them. In 35 short years, he turned a modest family-owned newspaper into the prime choice of readers in 12 states with 64 editions, and built an empire with a turnover of Rs 5,000 crore. But Ramesh Chandra Agarwal's biggest professional achievement was to revolutionise the Hindi newspaper. Replacing the pure, undistilled Hindi of the discerning litterateur with popular, colloquial words that made an easy connect, he gave the Hindi newspaper a hitherto unknown respect – to heave its chest and play the game like a champion. This is a champion's story.

**The Gandhi Cap and Other Short Stories by Raja Radhikaraman Prasad Singh** Apr 29 2022 The book *The Gandhi Cap and Other Short Stories* offers a glimpse into the lifetime of work of a forgotten pioneer of Hindi fiction, Raja Radhikaraman Prasad Sinha. It is ironic that one cannot find a single book by this author who was so dedicated to Hindi literature. The stories in this collection are a testament not only to the contributions of Sinha to Hindi fiction but also, reflect the depth of political and social milieu of the times. Many readers will be moved by the elements patriotism, feminism, secularism, and spiritualism in these stories. Strong female characters are common in most of these stories. These characters provide both a moral fulcrum to the stories as well as reflect the struggle of women to balance prevailing customs with modernity. Some of these stories provide sharp political and social commentary that still have currency (*The Gandhi Cap*). Sinha incorporates a unique style of writing that uses lyrical prose and poetry together. He even employs a dialogue between the storyteller and a social gathering in the form of an epilogue, to offer a discourse on social dilemma about women's plight to become modern while admonishing them to retain their Indian essence (*An Expensive Bargain*). We hope the readers will enjoy this

wonderful collection.

**Parveen Babi** May 07 2020 ‘Raat baaki, baat baaki... Hona hai jo, ho jaane do...’ Sensuous, glamorous and bold, Parveen Babi set the Hindi cinema screen ablaze during the 1970s and ’80s, breaking the ‘pious, nice girl’ mould of the film heroine and redefining it after her own style. On screen, she sizzled in unforgettable roles in blockbusters like Deewaar, Shaan, Kaalia and Amar Akbar Anthony – while, off-screen, her bohemian and unabashed lifestyle lit up gossip columns, and her appearance on the cover of Time magazine, a first for an Indian, created a stir nationwide. Yet, for all the sensational rumours and films her life inspired, Parveen has remained something of an enigma to generations of fans. In Parveen Babi: A Life, Karishma Upadhyay traces the journey of a shy but ambitious girl from an aristocratic family in Junagadh, Gujarat, to a life of merciless scrutiny that comes with being in the Bollywood spotlight. Exploring with depth and sensitivity the myriad facets of the actress’s life, she lays bare little-known details about Parveen’s doomed romances, her obsession with the spiritual guide who advised her to quit films, the tumultuous years of battling mental illness and her tragic, untimely demise. Rich with insights from the star’s friends, former lovers and colleagues, this compelling narrative captures the nuances of an extraordinary life – the highs and lows of finding fame, love and solace, and then, in the end, losing it all.
