A-Level Study Guide Chemistry Ed H2.2 Nov 24 2019 This is an ebook version of the "A-Level Study Guide - Chemistry (Higher 2) - Ed H2.2" published by Step-by-Step International Pte Ltd. [For the revised Higher 2 (H2) syllabus with first exam in 2017.] This ebook gives concise illustrated notes and worked examples. It is intended as a study guide for readers who have studied the O-Level Chemistry or the equivalent. It contains material that most readers should want to take note of when attending formal lessons and/or discussions on the Singapore-Cambridge GCE A-Level Higher 2 (H2) Chemistry. [As the Higher 1 (H1) Chemistry syllabus is a subset of the H2 Chemistry syllabus, this ebook is also suitable for readers studying Chemistry at the H1 level.] The concise notes cover essential steps to understand the relevant theories. The illustrations and worked examples show essential workings to apply those theories. We believe the notes and illustrations will help readers learn to "learn" and apply the relevant knowledge. The ebook should help readers study and prepare for their exams. Relevant feedbacks from Examiner Reports, reflecting what the examiners expected, are incorporated into the notes and illustrations where possible, or appended as notes (NB) where appropriate. It is also a

suitable aid for teaching and revision.

EBOOK: Master's Level Study in Education: A Guide to Success for PGCE Students Jul 25 2022 Are you keen to study at Master's level? Do you need to understand what is expected from your research and written work? Would you like to see real examples of successful Master's level study? If you answered 'yes' to any of these questions, then this is the book for you. Taking a practical approach, this book will guide you through and demystify the process of thinking, researching, writing and achieving at Master's level. It offers an insight into the knowledge, tools and skills that need to be developed for a successful outcome in an educational context. Using detailed - and real - exemplars, the authors cover the conventions that need to be followed and consider the different elements of Master's level work. Each chapter is supported by appropriate reference to, and extracts from, the three most common types of work undertaken - traditional essay, curriculum package, and portfolio. Now that the DCFS plans to make teaching a Master's level profession, it is vital that you can develop the confidence in making the transition from H level to M level. The book will enable you to: Understand how to prepare, carry out and write a literature review Consider the different methodologies and approaches that are inherent in Master's level work Understand the nature of Master's level work within education as a research/evidence based profession Appreciate the importance of ethical underpinning when working at this level Master's Level Study in Education is a valuable guide not just for teacher training students but also for their mentors and for teachers in post, undertaking further Professional Development.

The "I Hate to Write" Guide to College Level Essays Nov 05 2020 THE "I HATE TO WRITE" GUIDE TO COLLEGE LEVEL ESSAYS: 4 IN 1 does not replace the required text books in English Composition courses but it does explain how to write an essay at this level without using academic words like "thesis." I never understood what that meant when I was an undergraduate, so I don't expected everyone to know what it means...but I do explain what it is in "regular" language. The four volumes grouped together here have appeared in e-book form but never as a print copy. It was probably past time to offer another option. The reason I wrote

BASIC ESSAY, BOOK CRITIQUE, and RESEARCH PAPER is that they were the first essays students were required to write -- not just in composition class but in other courses. CHOOSING A TOPIC is something that has boggled many a mind. These are my guidelines and enough students told me that the way I detailed essay requirements finally allowed the light bulb moment of understanding the process be lit for them. Hopefully you'll find something helpful, too.
