*The Littleton Heritage* Jul 25 2019 Nathaniel Littleton was born in 1605 in Shropshire, England. His parents were Edward Littleton and Mary Walter. He married Ann Southey, daughter of Henry Southey and widow of Charles Harmer, in about 1640. They had three children, Edward, Southey and Esther. Nathaniel died in 1654 in Northampton County, Virginia. Descendants and relatives lived mainly in Virginia and Maryland.

Bibliographie Linguistique de L'annee 1999 Nov 01 2022 Setting out the historical national and religious characteristics of the Italians as they impact on the integration within the European Union, this study makes note of the two characteristics that have an adverse effect on Italian national identity: cleavages between north and south and the dominant role of family. It discusses how for Italians family loyalty is stronger than any other allegiance, including feelings towards their country, their nation, or the EU. Due to such subnational allegiances and values, this book notes that Italian civic society is weaker and engagement at the grass roots is less robust than one finds in other democracies, leaving politics in Italy largely in the hands of political parties. The work concludes by noting that EU membership, however, provides no magic bullet for Italy: it cannot change internal cleavages, the Italian worldview, and family values or the country's mafia-dominated power matrix, and as a result, the underlying absence of fidelity to a shared polity—Italian or European—leave the country as ungovernable as ever.

Contemporary artists and archives Dec 22 2021 *Nombreux sont les artistes qui se sont saisi d'archives pour figurer un univers, qu'il soit individuel (Christian Boltanski, Vera Frenkel) ou collectif (IRWIN, Ilya Kabakov), quand d'autres portent un regard sur cette activité (Maurizio Nannucci) ou produisent du fait même de leur activité artistique quotidienne un matériel d'archive qui peut basculer vers un statut esthétique, c'est-à-dire devenir une œuvre (Artur Barrio, Gilles Mahé, Gérard Collin-Thiébaud, Gilbert & George). Les travaux d'artistes sur le Web (David Boeno, George Legrady) ou sur CD-Rom enfin, mettent en œuvre des archives numérisées que le lecteur-visiteur est invité à parcourir ou à compléter. Il s'agit donc sans objectif problématique a priori de cerner la façon dont ces artistes ont développé leurs œuvres avec l'archive comme objet, comme méthode, comme image ou comme poétique et de voir ce que cette relation à l'archive produit ou induit.*
