Collective Unravelings of the Hegemonic Web Sep 15 2021 Collective Unravelings of the Hegemonic Web represents the culmination of work that emerged from 2013 Curriculum & Pedagogy annual conference. The notion of the hegemonic web is the defining theme of the volume. In this collection, authors struggle to unravel and take apart pieces of the complex web that are so deeply embedded into normative ways of thinking, being and making meaning. They also grapple with understanding the role that hegemony plays and the influence that it has on identity, curriculum, teaching and learning. Finally, scholars included in this volume describe their efforts to engage and undergo counter-hegemonic movements by sharing their stories and struggles.

Awakening You May 23 2022 Lately, life has been going well for Ayden. His relationship with Lyric is starting to heat up and his career in music is taking off. But the disappearance of his sister still weighs heavily on his mind. Desperate to find out where his sister is, Ayden decides to take drastic measures. But his dangerous risk leads to the unraveling of secrets, and he's left facing a darker past than he ever could have imagined.

Beauty and the Billionaire: The Wedding Oct 24 2019 In this all-new novella in the New York Times bestselling series, Hunter and Gretchen are finally tying the knot—but their wedding may not be the easy fairy tale they've dreamed of... Someone's out to ruin Gretchen's happy-ever-after on the eve before the big day. Can she trust Hunter, the man she's given her heart to? And can she rely on her sister Daphne (the least reliable person of all!) to help her salvage things? Or is this marriage going to go down in flames before Gretchen and Hunter ever get to the altar? Includes a sneak peek of Dirty Money, first in Clare's brand new Roughneck Billionaires series. Praise for the Billionaire Boys Club Novels "Blazing hot."—USA Today "A fast, sexy read."—Fiction Vixen "Great storytelling...delightful reading...It's fun and oh so hot."—Kirkus Reviews

Unraveling the Exposure Aug 26 2022 This volume presents a comprehensive overview of the science and application of the Exposure through seventeen chapters from leaders in the field. At just over ten years since the term was coined by Christopher Wild in 2005, this is the first, field-defining volume to offer a holistic picture of the important and growing field of Exposomics. The term "Exposome" describes the sum of all exposures (not only chemical) that an individual can receive over a lifetime from both exogenous sources (environmental contaminants, food, lifestyle, drugs, air, etc.) and endogenous sources (metabolism, oxidative stress, lipid peroxidation, chemicals synthesized by the microbiome, etc.). The first section of this book contains chapters that discuss how the Exposome is defined and how the concept fits into the fields of public health and epidemiology. The second section provides an overview of techniques and methods to measure the human Exposome. The third section contains methods and applications for measuring the Exposome through external exposures. Section four provides an overview on statistical and computational techniques- including big data analysis - for characterizing the Exposome. Section five presents a global collection of case studies

Watch Me Unravel Aug 14 2021 A sexy and emotional second chance romance... David Wiesel lives for making music, partying, and women. He has a wicked sense of humor and a body made for sinning. He's the kind of guy every mama wants her daughter about. Sylvia Price lives for her daughter, theater, and teaching. She's living the responsible life and left her wild ways in the past. She's the kind of woman every mama wants her son to marry. Not that she's looking for that. One drunken night when they were teenagers left them irrevocably bound. Fifteen years later, an accident brings them back together and there is no denying the heat that scorched them when they were young is still there, sparking between them. While David is more than willing to stoke those flames, Sylvia is afraid this time, the fire will burn her right to the ground.

Music Therapy Dec 18 2021 Music therapy is recognised as being applicable to a wide range of healthcare and social contexts. Since the first edition of Music Therapy: An art beyond words, it has extended into areas of general medicine, mainstream education and community practice. This new edition revises the historical and theoretical perspectives and recognises the growing evidence and research base in contemporary music therapy. Leslie Bunt and Brynjulf Stige document the historical evolution of music therapy and place the practice within seven current perspectives: medical, behavioural, psychoanalytical, humanistic, transpersonal, culture-centred and music-centred. No single perspective, individual or group approach is privileged, although the focus on the use of sounds and music within therapeutic relationships remains central. Four chapters relate to areas of contemporary practice across different stages of the lifespan: child health, adolescent health, adult health and older adult health. All include case narratives and detailed examples underpinned by selected theoretical and research perspectives. The final two chapters of the book reflect on the evolution of the profession as a community resource and the emergence of music therapy as an academic discipline in its own right. A concise introduction to the current practice of music therapy around the world, Music Therapy: An art beyond words is an invaluable resource for professionals in music therapy and music education, those working in the psychological therapies, social work and other caring professions, and students at all levels.

Left Drowning Nov 17 2021 Weighted down by the loss of her parents, Blythe McGuire struggles to keep her head above water as she trudges through her last year at Matthews College. Then a chance meeting sends Blythe crashing into something she doesn't expect—an undeniable attraction to a dark-haired senior named Chris Shepherd, whose past may be even more complicated than her own. As their relationship deepens, Chris pulls Blythe out of the stupor she's been in since the night a fire took half her family. She begins to heal, and even, haltingly, to love this guy who helps her find new paths to pleasure and self-discovery. But as Blythe moves into calmer waters, she realizes Chris is the one still strangled by his family's traumatic history. As dark currents threaten to pull him under, Blythe may be the only person who can keep him from drowning.

Name of the Devil Mar 29 2020 In this electrifying sequel to the crowd-pleasing thriller Angel Killer, magician-turned-FBI agent Jessica Blackwood must once again draw on her past to go up against a brutal murderer desperate for revenge at any price. After playing a pivotal role in the capture of the Warlock, a seemingly supernatural serial killer—and saving the FBI's reputation in the process—agent Jessica Blackwood can no longer ignore the world she left behind. Formerly a prodigy in a family dynasty of illusionists, her talent and experience endow her with a unique understanding of the power and potential of deception, as well as a knack for knowing when things are not always as they appear to be. When a church congregation vanishes under mysterious circumstances in rural Appalachia, the bizarre trail of carnage indicates the Devil's hand at work. But Satan can't be the suspect, so FBI consultant Dr. Ailes and Jessica's boss on the Warlock case, Agent Knoll, turn to the ace up their sleeve: Jessica. She's convinced that an old cassette tape holds the key to the mystery, and unraveling the recorded events reveals a troubling act with far-reaching implications. The evil at work is human, and Jessica must follow the trail from West Virginia to Mexico, Miami, and even the hallowed halls of the Vatican. Can she stop a cold-blooded killer obsessed by a mortal sin—or will she become the next target in a twisted, diabolical game of hunter and prey...?

World War II and the West It Wrought May 31 2020 Few episodes in American history were more transformative than World War II, and in no region did it bring greater change than in the West. Having lifted the United States out of the Great Depression, World War II set in motion a massive westward population movement, ignited a quarter-century boom that redefined the West as the nation's most economically dynamic region, and triggered unprecedented public investment in manufacturing, education, scientific research, and infrastructure—an economic revolution that would lay the groundwork for prodigiously innovative high-tech centers in Silicon Valley, the Puget Sound area, and elsewhere. Amidst robust economic growth and widely shared prosperity in the post-war decades, Westerners made significant strides toward greater racial and gender equality, even as they struggled to manage the environmental consequences of their region's surging vitality. At the same time, wartime policies that facilitated the federal withdrawal of Western public lands and the occupation of Pacific islands for military use continued an ongoing project of U.S. expansionism at home and abroad. This volume explores the lasting consequences of a pivotal chapter in U.S. history, and offers new categories for understanding the post-war West. Contributors to this volume include Mark Brilliant, Geraldo L. Cadava, Matthew Dallek, Mary L. Dudziak, Jared Farmer, David M. Kennedy, Daniel J. Kevels, Rebecca Jo Plant, Gavin Wright, and Richard White.

Unravel the Dusk Jun 24 2022 Three magical gowns. Two kingdoms on the brink of war. One chance to save them all. Maia Tamarin proved her skill as a tailor when she wove the dresses of the sun, the moon, and the stars, but it will take more than a beautiful gown to hide the darkness rising up within her, in the stunning sequel to Spin the Dawn. Maia Tamarin's journey to sew the dresses of the sun, the moon and the stars has taken a grievous toll. She returns to a kingdom on the brink of war, while Edan, the boy she loves, is gone - perhaps forever. No sooner does she set foot in the Autumn Palace than she is forced to don the dress of the sun and assume the place of the emperor's bride-to-be. But the emperor's rivals learn of her deception, and there is hell to pay - yet the war raging around Maia is nothing compared to the battle within. Ever since she was touched by the demon Bandur, she has been changing: losing control of her magic, her body and her mind. It's only a matter of time before Maia loses herself completely, but until then she will stop at nothing to find Edan, protect her family, and bring lasting peace to her home. The stakes are higher than ever in this breathtaking sequel to Spin the Dawn. ** Praise for Elizabeth Lim ** Your next big YA series' Entertainment Weekly 'A stunning tapestry of adventure' Washington Post 'What an amazing creation!' Tamora Pierce

Plant Development Feb 08 2021 A subgroup of homeobox genes, which play an important role in the developmental processes of a variety of multicellular organisms, Hox genes have been shown to play a critical role in vertebrate pattern formation. Hox genes can be thought of as general purpose control genes—that is, they are similar in many organisms and direct the same processes in a variety of organisms, from mouse, to fly, to human. Provides researchers an overview and synthesis of the latest research findings and contemporary thought in the area Inclusion of chapters that discuss the evolutionary development of a wide variety of organisms Gives researchers and clinicians insight into how defective Hox genes trigger developmental abnormalities in embryos

Break My Fall May 11 2021 Violence. I'm addicted to it. It's how I feel alive. It's the only thing that's real any more. And now I have to sit around and discuss it like it's physics or calculus. I can't do it. I can't pretend that it's some sterile academic topic. Violence isn't sterile. It isn't calm. It's pulsing. It's alive. It's my drug. Until I met Abby, I never wanted anything beyond the next fight. Never considered that I might finally find a way back to the land of the living. Now? Now I find myself dreaming of a woman with golden eyes. But I can never be with her. Because I am not whole. And I never will be again. But I cannot stay away. And loving her might finally be what breaks me.

Epigenetic Gene Expression and Regulation Mar 09 2021 Epigenetic Gene Expression and Regulation reviews current knowledge on the heritable molecular mechanisms that regulate gene expression, contribute to disease susceptibility, and point to potential treatment in future therapies. The book shows how these heritable mechanisms allow individual cells to establish stable and unique patterns of gene expression that can be passed through cell divisions without DNA mutations, thereby establishing how different heritable patterns of gene regulation control cell differentiation and organogenesis, resulting in a distinct human organism with a variety of differing cellular functions and tissues. The work begins with basic biology, encompasses methods, cellular and tissue organization, topical issues in epigenetic evolution and environmental epigenesis, and lastly clinical disease discovery and treatment. Each highly illustrated chapter is organized to briefly summarize current research, provide appropriate pedagogical guidance, pertinent methods, relevant model organisms, and clinical examples. Reviews current knowledge on the heritable molecular mechanisms that regulate gene expression, contribute to disease susceptibility, and point to potential treatment in future therapies Helps readers understand how epigenetic marks are targeted, and to what extent transgenerational epigenetic changes are instilled and possibly passed onto offspring Chapters are replete with clinical examples to empower the basic biology with translational significance Offers more than 100 illustrations to distill key concepts and decipher complex science

The Princess Revolt Jul 25 2022 Disney's Twisted Tales meets the Half Upon a Time trilogy in this "lively" (School Library Journal) first book of a new fantasy series following a young girl who discovers that fairy tale characters are real when she becomes the target of vindictive princesses who want their Happily Ever Afters. Cia Anderson hasn't slept in ten days, but she doesn't feel one bit tired. She knows that something is up, even if no one but her best friend believes her. Hundreds of pairs of shoes have appeared in her locker, small woodland animals are trailing her, and the only boy she's ever had a crush on has been quarantined with a mysterious illness. There's even talk of closing her middle school. Something strange is going on. Cia discovers that she has accidentally used some fairy tale characters who are trying to find their happily ever afters in the modern world. Desperate to set things right, Cia enlists the help of Cinderella's stepister, gets kidnapped by Snow White's dwarves, and makes a deal that she might regret with the Evil Queen—all while trying to stay one step ahead of the furious princesses who want her dead. Turns out there's nothing meaner than a fairy tale character who can't find her prince charming. **American National Security** Apr 10 2021 Highlights include: An updated look at national security threats, military operations, and homeland security challenges ; An analysis of the evolving roles of the president, Congress, the intelligence community, the military, and other institutions involved in national security; A revised consideration of the strengths, limitations, and employment of instruments of national power, including diplomacy, information, economic tools, and armed forces; An exploration of the economic and national security implications of globalization; An enhanced examination of the proliferation of transnational threats, including security challenges in space and in cyberspace; A new assessment of how international, political, and economic trends may change US leadership of the post-World War II international order; A comprehensive update on changing dynamics in key states and regions, including Russia, China, East Asia, the Middle East, South Asia, Europe, Sub-Saharan Africa, and Latin America An authoritative book that explains US national security policy, actors, and processes in a wide-ranging yet understandable way, American National Security addresses key issues, including challenges to the free and open international order, the reemergence of strategic competition among great powers, terrorism, economic and fiscal constraints, and rapid advances in information and technology.

Reading Kristeva Feb 20 2022 "... both an excellent introduction and a thoroughgoing analysis of Kristeva's writing." —Signs "The book is a brilliant combination of a recuperative and a critical reading of Kristeva's work." —Changes: An International Journal of Psychology & Psychotherapy "... a thorough, detailed, and critical analysis of the writings of Julia Kristeva." —Elizabeth Grosz "... the most involved and engaging study of Julia Kristeva's work to date..." —The Year's Work in Critical and Cultural Theory This first full-scale feminist interpretation of Kristeva's work situates her within the context of French feminism. Oliver guides her readers through Kristeva's intellectual formation in linguistics, Freud, Lacan, and poetics. This comprehensive introduction to Kristeva makes accessible her important contributions to philosophy, linguistics, and psychoanalytic feminism.

Compromised Jul 21 2019 If you ask most Americans what they think about the FBI, they would tell you it's far and away the government agency they trust the most. The Bureau has, for decades, sold an image of itself as efficient, professional, unbiased, and untouchable by corruption. That portrait is a sham. Seamus Bruner and the Government Accountability Institute have spent years cataloging the widespread conflict-of-interests of the D.C. political class. They have found massive self-enrichment and political bias at the highest levels of government—including the Justice Department and the FBI. Indeed, the nation's most important law enforcement agency has become so compromised that every major investigation should face intense scrutiny from the public, the media, and from Congress. James Comey, Robert Mueller, Andrew McCabe, and the rest of the recent FBI leadership should be forced to answer for the way the Bureau has abused the public trust under their watch. **Reclaiming the Tomboy** Jan 27 2020 With the tomboy figure currently operating in a liminal space between extinction and resurgence, this collection is an unabashed celebration of her rebellious, independent, and pioneering spirit. Reclaiming the Tomboy: The Body, Identity, and Representation pays tribute to tomboys of the past, present, and (hopefully) future.

The Unraveling of Cassidy Holmes Jul 01 2020 "The Unraveling of Cassidy Holmes is a page-turning peek inside the glamour and brutality of life as a pop star. Sloan takes us on a wild ride through the world of music video shoots, expensive hotels, and arena tours—showing us the darkness that threatens just below the surface." —Taylor Jenkins Reid, New York Times bestselling author of Daisy Jones and The Six "I didn't know I was waiting for a smart, literary writer to craft a novel about the rise and fall of a teen star akin to Britney Spears until I discovered The Unraveling of Cassidy Holmes. A witty, bright, hilarious—and at times devastating—read. I loved it." —Amanda Eyre Ward, New York Times bestselling author of The Jetsetters Cassidy Holmes isn't just a celebrity. She is "Sassy Gloss," the fourth member of the hottest pop group America has ever seen. Hotter than Britney dancing with a snake, hotter than Christina getting dirty, Gloss was the pop act that everyone idolized. Fans couldn't get enough of them, their music, and the drama that followed them like moths to a flame—until the group's sudden implosion in 2002. And at the center of it all was Sassy Cassy, the Texan with a signature smirk that had everyone falling for her. But now she's dead. Suicide. The world is reeling from this unexpected news, but no one is more shocked than the three remaining Glossies. Fifteen years ago, Rose, Merry, and Yumi had been the closest to Cassidy, and this loss is hitting them hard. Before the group split, they each had a special bond with Cassidy—truths they told, secrets they shared. But after years apart, each of them is wondering: what could they have done? Told in multiple perspectives—including Cassidy herself—and different timelines, this is a behind-the-scenes look into the rise and fall of a pop icon, and a penetrating examination of the dark side of celebrity and the industry that profits from it.

Unraveling Oliver Mar 21 2022 Originally published: Ireland: Penguin Ireland, 2014. **Embrace Your Awesomeness** Jan 19 2022 In a world where television, music, movies and social media promotes women to bare it all for attention and likes, it's important that seasoned Christian pour into and women teach the next generation of God's daughters how to live a life that is pleasing to God. It's so important for young Christian girls to know who they are in Christ. Embrace Your Awesomeness is a devotional book that provides encouraging, uplifting and empowering content for young Christian girls. This book covers topics such as the importance of obeying parents, having positive & healthy friendships, being confident in Christ, living a pure life, having social media etiquette and embracing individuality. The message in this book is to teach young Christian girls how to confidently walk by faith, acknowledge God in all that they do and how a life of a young Christian girl should represent the kingdom of God in this world.

Unravel Aug 22 2019 Calia Read breaks the mold in this explosive novel that grabs hold and doesn't let go until the shocking truth is revealed. One kiss can change everything. One month ago I was admitted to a psych ward. Yesterday, Lachlan told me I'm losing my mind. But I know what I saw. Will you believe me? Behind the walls of a mental hospital, Naomi Carradine feels her world breaking to pieces. She's starting to believe all the voices questioning her sanity. Only visitors from the outside world keep her tethered to reality. But deep in her thoughts, Naomi is haunted by memories of a golden summer that twisted into a waking nightmare of obsessive love and fractured truths. Just home from college, Naomi moves in with her best friend, Lana, the daughter of a Virginia senator. At a lavish party thrown by Lana's father, Naomi meets a sexy stockbroker named Max and finds herself unable to resist his charms. One fiery kiss and she's going back for more, beginning a terrifying descent. Having witnessed the unspeakable, Naomi has only one hope of escape: unraveling the devastating secrets of her past. *Unravel* is intended for mature audiences. Praise for *Unravel* "A sexy, mysterious, and enthralling story . . . Calia Read's words are so captivating, they'll hold you hostage and throw you into loops you'll never see coming."—Claire Contreras, author of *There Is No Light in Darkness*

Unraveling the Layers Sep 27 2022 Have fear, anger, pain, rejection and disappointment left you feeling wounded, trapped and alone? Have you experienced a side of life that has left you feeling hopeless? Do you feel like the weight of the world is keeping you down and you can't find your way to the top? If so, it's time for you to begin the journey of unraveling your layers! When we experience any type of hurt, abandonment, rejection, fear, insecurity, and anger without getting any closure we create emotional layers. Without resolving our issues, we end up with layers of bitterness, shame, loneliness and pain. These painful, emotional layers lead to us becoming addicts, having a dysfunctional mindset and making choices that are destructive to our lives. *Unraveling the Layers: Life Doesn't Define You. You Define Life* is a story of pain, betrayal, forgiveness and triumph. This inspiring and powerful story will remind women of the strength we are all born with and how to use it on their journey. *Unraveling the Layers* will inspire, empower and encourage you to begin the journey of unraveling your own layers so that you too can live the life and be the woman of purpose that God created you to be.

Distraction Nov 24 2019 Keeping students focused can be difficult in a world filled with distractions -- which is why a renowned educator created a scientific solution to one of every teacher's biggest problems. Why is it so hard to get students to pay attention? Conventional wisdom blames iPhones, insisting that access to technology has ruined students' ability to focus. The logical response is to ban electronics in class. But acclaimed educator James M. Lang argues that this solution obscures a deeper problem: how we teach is often at odds with how students learn. Classrooms are designed to force students into long periods of intense focus, but emerging science reveals that the brain is wired for distraction. We learn best when able to actively seek and synthesize new information. In *Distraction*, Lang rethinks the practice of teaching, revealing how educators can structure their classrooms less as distraction-free zones and more as environments where they can actively cultivate their students' attention. Brimming with ideas and grounded in new research, *Distraction* offers an innovative plan for the most important lesson of all: how to learn.

The Divided States Jul 13 2021 What is an "American" identity? The tension between populism and pluralism, between homogeneity and heterogeneity, has marked the United States since its inception. In *The Divided States*, leading scholars and critics argue that the US is, and has always been, a site where multiple national identities intersect in productive and challenging ways. Scrutinizing conflicting nationalisms and national identities, the authors ask, whose stories get told and whose do not? Who or what promotes the idea of a unified national identity in the United States? How is the notion of a unified national identity disrupted? What myths and stories bind the US together? How representative are these stories? What are the counternarratives? And, if the idea of national homogeneity is a fallacy, what does tie us together as a nation? Working across auto/biography studies, American studies, and human geography—all of which deal with the current interest in competing narratives, "alternative facts," and accountability—the essays engage in and contribute to critical conversations in classrooms, scholarship, and the public sphere. The authors draw from a variety of fields, including anthropology, class analysis, critical race theory, diasporic, refugee, and immigration studies; disability studies; gender studies; graphic and comic studies; Indigenous studies; linguistics; literary studies; sociology; and visual culture. And the genres under scrutiny include diary, epistolary communication, digital narratives, graphic narratives, literary narratives, medical narratives, memoir, oral history, and testimony. This fresh and theoretically engaged volume will be relevant to anyone interested in the multiplicity of voices that make up the US national narrative.

Spin the Dawn Jun 19 2019 A tailor in disguise. Three legendary dresses. The competition of a lifetime. 'An amazing creation!' Tamara Pierce, #1 New York Times bestselling author Project Runway meets Mulan in this sweeping fantasy about a young girl who poses as a boy to compete for the role of imperial tailor and embarks on an impossible journey to sew three magic dresses, from the sun, the moon, and the stars. On the fringes of the Great Spice Road, Maia Tamarin dreams of becoming the greatest tailor in the land - but as a girl, the best she can hope for is to marry well. Then a royal messenger summons her ailing father to court, and Maia seizes her chance. Disguised as a man, she travels to the Summer Palace in her father's place to compete for the emperor's favour, and the coveted position of imperial tailor. If Maia's ruse is discovered, her life will be forfeit. But if she wins, she will achieve her greatest dream. Yet nothing could have prepared her for the challenge ahead: to sew three magic gowns for the emperor's bride-to-be. One from the laughter of the sun, one from the tears of the moon, and one from the blood of stars. Accompanied by the mysterious court enchanter, whose piercing eyes seem to see straight through her disguise, Maia's journey will take her to the far reaches of the kingdom, seeking the sun, the moon, and the stars, and finding more than she ever could have imagined. Steeped in Chinese culture, sizzling with forbidden romance, and shimmering with magic, this young adult fantasy is pitch-perfect for fans of Sarah J. Maas or Renée Ahdieh. Praise for *Spin the Dawn* 'Looking for your next big YA fantasy series? We've got our eye on this stylist blockbuster' Entertainment Weekly 'Spin the Dawn is proof that casting a wider net not only gives us a fresh story that feels unlike everything else on the shelves beside it but also allows for richer and more nuanced storytelling' NPR 'All the cutthroat competition of a runway fashion reality show and the thrilling exploits of an epic quest . . . a stunning tapestry of adventure' The Washington Post

Internet Drama and Mystery Television Series, 1996-2014 Nov 05 2020 Created around the world and available only on the Web, internet "television" series are independently produced, mostly low budget shows that often feature talented but unknown performers. Typically financed through online crowd-funding, they are produced with borrowed equipment and volunteer casts and crews, and viewers find them through word of mouth or by chance. The second in a first-ever set of books cataloging Internet television series, this volume covers in depth the drama and mystery genres, with detailed entries on 405 shows from 1996 through July 2014. In addition to casts, credits and story lines, each entry provides a website, commentary and episode descriptions. Index of performers and personnel are included.

Stay With Me Oct 04 2020 The gripping sequel to hit Wattpad novel *She's With Me*. A page-turning high school teen romance, friendship story - and revenge thriller. Amelia Collins was determined to get her head down and finish her senior year without incident, keeping her dramatic past a secret from everyone. Then she - literally - bumped into the school's hottest bad boy, Aiden Parker and neither could deny the intensity of the spark between them. They now both know each other's deepest secrets, and despite everything she knows to be sensible, Amelia finds herself falling in love . . . It should be the perfect Winter Break. Amelia and Aiden are official, she has a group of friends to vacation with, and for now the past seems buried. But Amelia could never be so lucky. She soon finds out her mother is keeping secrets of her own and finds herself caught in a rivalry between Aiden and his gorgeous best friend, Mason. Then the truth about Aiden's biological father comes out, and Amelia learns more about the man who's been chasing her all these years. And there's one big secret still to come out: she's leaving town to start again - again - in just a month's time . . . Book two in the popular Wattpad 'With Me' series.

Juniper Unraveling Aug 02 2020 Papa says everyone has a story that deserves to be told. Most begin years ago, after the second bomb hit, unearthing a deadly contagion that divided the population into the pure, the infected, and the Ragers. Many recount the moment we rose up from the ashes and started anew. Others tell of the day we built a wall to keep them out. For some, they're nothing more than the vestiges left behind a simple name carved into the knotty bark of a Juniper tree. My story begins with a boy. A mute, from the other side of the wall, known only as Six, who touched my heart in ways that words never could, and gave me the courage to face my darkest truth. *Juniper Unraveling* is a full-length standalone romance set in a post-apocalyptic world.

Beauty and the Billionaire: Billionaire Boys Club 2 Dec 06 2020 Fans of J.S. Scott, Louise Bay and Melody Anne - prepare to be dazzled by Jessica Clare's Billionaire Boys Club. The Billionaire Boys Club is a secret society of six incredibly wealthy men who have vowed success in business - at any cost. But success when it comes to love is a different matter... Real-estate tycoon Hunter Buchanan has a dark past that's left him scarred and living as a recluse on his family's palatial estate. Hunter is ready to give up on love - until he spots an enigmatic red-haired beauty and comes up with an elaborate scheme to meet her. Gretchen Petty is in need of a paycheck - and a change. So when a job opportunity in an upstate New York mansion pops up she accepts. And while she can overlook the oddities of her new job, she can't ignore her new boss's delectable body - or his barely leashed temper. Hunter's afraid his plan might be unraveling before it's truly begun, but Gretchen is about to show him that life can be full of surprises... Want more irresistible romance? Look for the rest of Billionaire Boys Club titles, starting with *Stranded With A Billionaire*, as well as the sizzling spinoff series, *Billionaires and Bridesmaids*, starting with *The Billionaire And The Virgin*.

Somebody Else's Sky Oct 16 2021 "This is the best slow-burn romance I have ever read."—New York Times bestselling author, Penelope Ward If I closed my eyes, I could still see them—all blonde sunshine, ocean-blue eyes, and long limbs. The glint of Lake's gold bracelet. Pink cotton candy on Tiffany's tongue. My scenery may have changed from heaven to hell, but some things never would: my struggle to do right by both sisters. To let Lake soar. To lift Tiffany up. The sacrifices I made for them, I made willingly. A better man would've walked away by now, but I never claimed to be any good. I only promised myself I'd keep enough distance. If I'd learned one thing from my past, it was that love came in different forms. You could love passionately, hurt deep, die young. Or you could provide the kind of firm, steady support someone else could lean on. Lake was everything I wanted, and nothing I could ever have. I was nobody before I knew her and a criminal after. The way to love her was to let her shine—even if it would be for somebody else. Book two in a completed, USA TODAY bestselling love saga.

Judges, Judging and Humour Dec 26 2019 This book examines social aspects of humour relating to the judiciary, judicial behaviour, and judicial work across different cultures and eras, identifying how traditionally recorded wit and humorous portrayals of judges reflect social attitudes to the judiciary over time. It contributes to cultural studies and social science/socio-legal studies of both humour and the role of emotions in the judiciary and in judging. It explores the surprisingly varied intersections between humour and the judiciary in several legal systems: judges as the target of humour; legal decisions regulating humour; the use of humour to manage aspects of judicial work and courtroom procedure; and judicial/legal figures and cartoons featuring in comic and satirical entertainment through the ages. Delving into the multi-layered connections between the seriousness of the work of the judiciary on the one hand, and the lightness of humour on the other hand, this fascinating collection will be of particular interest to scholars of the legal system, the criminal justice system, humour studies, and cultural studies.

Unravel Me Feb 26 2020 From New York Times Bestselling Author -- Kendall Ryan Psychology student Ashlyn Drake's neat, orderly life takes a turn for the crazy when she finds the perfect subject for her amnesia thesis - a young man without any memory of his previous life, including the murder he's accused of committing. Against all common sense, Ashlyn's drawn to him like a moth to a flame. Perhaps it's that he's so incredibly male, and even handcuffed to his hospital bed, he could pass for a cologne ad - Scent de Insanity. Or perhaps it's because she's spent too many lonely nights studying. Either way, she's determined to help him solve the mystery of his past. She begins to unravel who he was before, using his cryptic tattoos, and his paintings that scream of a dark past as her only clues. When she finally learns his secret, there's no telling which one is the real him, the gentle lover she's fallen for or the troubled man with a dark past.

Antifa and the Radical Left Jun 12 2021 Antifa has received public attention since the election of President Trump. To some, this was believed to represent the rise of white supremacy and authoritarianism in the United States, which Antifa made it a point to combat at any cost. What exactly is the Antifa movement? Are its militant, sometimes violent attempts to combat fascism justified, or are they just as morally reprehensible as what they are reacting against? This volume looks at Antifa's place in American and international history, as well as its organization, goals, and ethical implications, offering a clearer look at this enigmatic movement.

Inside Role-Play in Early Childhood Education Sep 03 2020 Based on extensive research, and grounded in everyday classroom practice, the authors of this book explore important issues surrounding play in the early years curriculum. The book presents children's views on, and response to their role-play environment, alongside examples of good classroom practice, and addresses vital questions such as: Will structuring role play replace children's own attempts to create scenarios that grow out of their interests and relationships? Has an over-emphasis on subjects like literacy and numeracy eclipsed the important processes inherent in children's social play? How we can ensure that provision for role play fully benefits all young children? Critically, the authors present the child's perspective on play in schools throughout, and argue firmly against a formal, inflexible learning environment for young children. This book will be fascinating to all students on primary education undergraduate courses and early childhood studies. Researchers and course leaders will also find this book a ground-breaking read.

The Lost Girls Jan 07 2021 One of PopSugar's Best Books of 2021 When her true-crime podcast becomes an overnight sensation, a young woman is pulled into the web of a case that may offer a surprising connection to her own sister's disappearance years earlier. It's been more than twenty years since Marti Reese's sister, Maggie, disappeared. Only eight-years-old at the time, Marti can't remember what happened, just that Maggie got into a car and never returned. After years of grief and countless false leads, Marti is coping as best she can: abandoning her marriage, drinking to forget, and documenting her never-ending search via a true-crime podcast. But when the podcast becomes an unexpected hit and Marti thinks she's finally ready to put it all behind her, a mysterious woman calls with new information that could lead her down a dangerous path. For years, Ava Vreeland has been fighting to overturn her brother's murder conviction. After finding strange similarities between the two cases, Ava is certain there's a connection between the murder and Maggie's disappearance, one that could prove her brother's innocence. Together, Marti and Ava embark on a quest for the truth, but the more Marti digs, the more she's shaken by the answers she might find, and what it is she's even searching for...

Unraveled Sep 22 2019 In this sizzling continuation of the Mastered series by New York Times bestselling author Lorelei James, a man will find the domination he's always craved... Shiori Hirano and Knox Lofgren are left to run the martial arts program at Black Arts while Ronin Black travels. On the surface, the two highest ranked belts appear to cooperate—but in private, they butt heads constantly, despite the undeniable attraction between them. Soon their power exchanges start to make for a sweltering dynamic in the bedroom... At first Knox is shocked to be living out his submissive desires, but Shiori sets out to prove that embracing his true sexual nature doesn't make him a weak man. But even while their sexual relationship grants him a power and fulfillment he finds surprising, there's no training regimen for the fight that comes with loving a strong woman...

The Routledge Companion to Art and Disability Apr 22 2022 The Routledge Companion to Art and Disability explores disability in visual culture to uncover the ways in which bodily and cognitive differences are articulated physically and theoretically, and to demonstrate the ways in which disability is culturally constructed. This companion is organized thematically and includes artists from across historical periods and cultures in order to demonstrate the ways in which disability is historically and culturally contingent. The book engages with questions such as: How are people with disabilities represented in art? How are notions of disability articulated in relation to ideas of normality, hybridity, and anomaly? How do artists use visual culture to affirm or subvert notions of the normative body? Contributors consider the changing role of disability in visual culture, the place of representations in society, and the ways in which disability studies engages with and critiques intersectional notions of gender, race, ethnicity, class, and sexuality. This book will be particularly useful for scholars in art history, disability studies, visual culture, and museum studies.

Raveling You Oct 28 2022 Ayden Gregory may want to keep running from his nightmares, but he no longer has a choice. His past is catching up with him. And fast. He relies on one person to keep him from crumbling. His best friend Lyric Scott. Lyric feels helpless watching her best friend's world turn upside down. But she does her best to remain positive and upbeat. Her band gets their very first gig and even with everything going on, her relationship with Ayden starts to heat up. But when danger enters Ayden's life again, even Lyric might not be able to help him.

Relative Strangers Apr 29 2020 After the loss of her mother, Zarah goes to visit her aunt, whom she hasn't seen since she was a young child, but she is greeted instead by a young man named Stein, who introduces himself as her aunt's son. He seems aggressive from the start, his cold smile no comfort. It turns out that Zarah's aunt has passed away and left her a huge inheritance. Though it's a complete surprise to her, Stein believes Zarah is nothing more than a gold digger. Her intention had only been to uncover the mystery of her birth, but the condition of the inheritance states that she must live in her aunt's house for six months before she can claim her legacy. Will she be able to handle red-hot Stein's icy attitude until then?
