[The Top 10 Distinctions Between Millionaires and the Middle Class](#) Jun 26 2019 If you're ready to take the journey to wealth and personal fulfillment, here's your ticket. In this life-changing little book, entrepreneur and inspirational speaker Keith Cameron Smith shows you how to think like a millionaire and reap the benefits of a millionaire mindset. The key to moving beyond the middle class and up the economic ladder is mastering ten vital principles, including • Millionaires think long-term. The middle class thinks short-term. Create a clear vision of the life you desire, and focus on it. • Millionaires talk about ideas. The middle class talks about things and other people. Ask some positive "what if" questions every day, and bounce ideas off successful people who will be honest with you. • Millionaires work for profits. The middle class works for wages. Take calculated risks and learn to take advantage of good opportunities. We all want to improve our financial position. In this inspirational and practical guide filled with savvy and sensible advice, Smith upgrades you from coach to first class. So follow these principles, transform your life, and realize your dreams!

[The Myth of Capitalism](#) May 18 2021 The Myth of Capitalism tells the story of how America has gone from an open, competitive marketplace to an economy where a few very powerful companies dominate key industries that affect our daily lives. Digital monopolies like Google, Facebook and Amazon act as gatekeepers to the digital world. Amazon is capturing almost all online shopping dollars. We have the illusion of choice, but for most critical decisions, we have only one or two companies, when it comes to high speed Internet, health insurance, medical care, mortgage title insurance, social networks, Internet searches, or even consumer goods like toothpaste. Every day, the average American transfers a little of their pay check to monopolists and oligopolists. The solution is vigorous anti-trust enforcement to return America to a period where competition created higher economic growth, more jobs, higher wages and a level playing field for all. The Myth of Capitalism is the story of industrial concentration, but it matters to everyone, because the stakes could not be higher. It tackles the big questions of: why is the US becoming a more unequal society, why is economic growth anemic despite trillions of dollars of federal debt and money printing, why the number of start-ups has declined, and why are workers losing out.

[The Millionaire Master Plan](#) Jul 08 2020 The Millionaire Master Plan is a unique and fresh approach as to how individuals can not only get a sense of where they stand on the spectrum of personal wealth, but more importantly, how they can learn to ascend from their present state to a higher level. Roger James Hamilton, himself a highly successful entrepreneur and successful investor, has designed nine steps - from barely surviving - all the way to the highest level of ultimate wealth for life - and he lays out his nine steps in an easy-to-understand color-coded manner that ranges from red (barely living paycheck-to-paycheck) all the way to ultra-violet (where generating income is simply no longer a worry). Along the way, the reader first takes a quick test to determine where one is on the financial spectrum, and then Hamilton provides key insights and practical tips as to how one can progress to the next level. You track your progress by ascending from one color to the next.

The Abundance Code Aug 21 2021 Are you frustrated in your efforts to succeed and create abundance in your life? Are you exasperated even though you may have set goals for yourself, gained knowledge, and worked hard? Are your financial dreams just not working out the way you'd like them to, or as fast as you'd like them to? Are you wondering what is standing in your way, preventing you from accessing the life of freedom you've been dreaming about? Well, The Abundance Code is here to provide the answer you've been searching for... There is a hidden yet crucial element to success and abundance that most people are unaware of—because that essential element is buried in their unconscious minds. The Abundance Code is about how you can (and must!) rewrite your subconscious programming so that you can effortlessly achieve the rich life of abundance you deserve. Julie Ann Cairns takes you through the "7 Money Myths"—an extremely common set of subconscious barriers put up between you and your attainment of abundant wealth and freedom—and helps you banish them, so that your subconscious "code" can come into alignment with your conscious goals for financial freedom. If your underlying programming does not support your goals—and it probably doesn't—then Julie will show you how to get out of your own way and finally access the life you have always wanted. You can be successful, you can be wealthy, and you can make money without expending physical effort or sacrificing too much of your precious time. You can become financially free with the luxury of choice. It's all possible for you, but conscious goals and knowledge are not enough to make this happen—you also need a set of supporting subconscious beliefs in order to ultimately prosper. If you have tried and tried to attain financial freedom but are still struggling, then this book will provide the breakthrough you've been waiting for.

The Myth of Marginality Jul 20 2021

Easy Money for Lazy People Sep 02 2022 Do you KNOW the Fact and Fiction of Passive Income and Making Money Online? You can start a passion-based business and bring it to the point where you're earning more money for less direct effort on your part. That is the essence of passive income: structuring your business so that you can leverage your time into higher earnings for fewer hours of direct involvement. There are so many websites, seminars, and e-books available on the topic that the information can be overwhelming. Some say you'll be working 60 hours a week because passive income isn't so passive, others claim that you'll become lazy once your new six-figure income starts rolling in -within the next year to boot! My favorites are the ones that manage to simultaneously claim you'll be working sixty hours a week while also becoming lazy. And, no matter what, the key to all of these programs seems to be happy thoughts, whether they're mixed with hard work or cocktails on the beach. I can assure you, the methods in this book are not going to include promises that money will come floating to you from the sky atop a pink unicorn whose magic is powered by your positive thinking. The unicorn will be purple, obviously. No, unfortunately, the myth about passive income is not true. The Lottery remains the only way to become wealthy by doing nothing. You can take that bet if you want to, but wouldn't you rather bet on yourself instead? Myths are usually based in reality, and the reality is that you can become wealthy by doing something you love. You can't guarantee the lottery, but you can count on yourself. You can create a passion-based business and bring it to the point where you're earning more money for less direct effort on your part. That is the essence of passive income: structuring your business so that you can leverage your time into higher earnings for fewer hours of direct involvement. Before you can do this, however, you have to understand the facts about passive income, among other things. You see, there are all sorts of ways you can create a business in which you're doing fulfilling work while building a good income. However, your income won't be passive unless you are taking a passive role in the business. Depending on what you want to do, it may be a while before you can or want to take a passive role. Even then, the passive role isn't as passive as it sounds.

Book Launch Formula Sep 21 2021 How To Write, Publish, & Market Your First Non-Fiction Book Around Your Full Time Schedule Become an Authority, Build Your Brand, & Create A Passive Income

Virtual Summits For Authors Jan 26 2022 Don't fall for this diabolical myth about your book! If you already have, you know it hurts. The myth is the idea that you're going to publish this book and you're going to earn passive income, meet influencers and build your email list. Your business will be on autopilot. You're going to make huge royalties, and pretty soon you'll quit your day job and all that stuff. This myth is just not true. The reality is, for most nonfiction authors, your book is not your source of income. It's not going to create passive income you can retire on. You have to understand its true purpose. If this is new to you, it is not your fault. There will be people who let you believe the myth-or even enforce the myth by suggesting you buy their course on how to write a book to make money. The allure will be that you're going to generate instant passive income. That's not the case. Your book is an authority builder. It's a business card. It is also a sales and marketing tool. But it is not your income. Virtual summits do all the things that you thought a book would do and more. They will help you create that much needed income as an author. It's more than just about income though.... you will learn: How to attract influencers to speak at your summit, even if you have no email list You need to be an expert on your summit topic, right? Wrong! 7 hidden benefits of hosting a virtual summit How to eliminate doubt when reaching out to potential speakers Where to find the perfect audience for your summit Why marketing to less people creates more attendees Why you should never wait to host a summit until "after you publish your book" The Truth about where summit attendees really come from Say Goodbye to the frustration of small royalties on the backend of your book What to do if you aren't technical, but want to host a summit When it's ok to let go of your book as the breadwinner How to start planning your first summit now Yes, that's a lot of great reasons to host a summit, but it get's better because there are three secret benefits to summits that most experts either don't mention or simply don't know about. But you will learn them when you turn to page 12. "I loved your ebook. I normally don't read them but the subject was very relevant and the book was super simple to read. I absolutely love your work and your latest Summit Campaign was beyond captivating." - Shawn J., Founder of Elevation Coach The world has now become accustomed to digital content consumption. Take advantage of this amazing trend while it is gaining momentum. Download VIRTUAL SUMMITS FOR AUTHORS now!

The Perpetual Passive Income Machine Mar 28 2022 Are you having trouble finding any kind of reasonable return for the risk in your investments? Do you stay up at night worrying about your money in the stock market? Does the financial system have you nervous? This informative and easy to read book will introduce you to an investment that will guarantee you returns on the downside, without limiting the upside. In fact, it will show you how to invest once and begin acquiring multiple income producing assets over time from that same initial investment (A Perpetual Passive Income Machine). As an accredited investor, you have more options than most. However, in our current ZIRP environment, getting a reasonable return requires a lot of risk. Investing in income producing real estate sounds great, but you don't have the time to master it. The Perpetual Passive Income Machine: A Proven 4-Step Process for Putting An Extra Paycheck In Your Pocket Every 30 Days will bust the myth that you can't get good returns for your risk, secured by a valuable real asset. Jim Small is an active real estate broker, Equity Marketing Specialist, holds a designation from the National Council of Exchangers and is an Associate Member of the Institute of Real Estate Management. Jenny, a user of the SANTÉ Realty Investments 10-30 Plan(tm), says, "I now have real professionals working for me and finding the best deals on real estate, taking all the risks, and I get my profit paid monthly." "The explanation of how Wall Street uses funny math when the calculate returns is worth the price of the book alone,"

says Fred B. In the book, Jim explains his brainchild, the SANTÉ Realty Investments 10-30 Plan(tm). This plan will: - Explain a simple 4-Step Process for getting a guaranteed return - Show you how to do it while someone else takes all the risk - Allow you to realize the returns of a real income-producing asset - Receive a guaranteed a minimum preferred investor return - Show you how to get a paycheck every 30 days - Learn the dirty little secret about stock market "returns" that Wall Street doesn't want you to know about, you will be shocked when you see it!! Follow the advice in this book and you can be off and receiving passive income paychecks in as little as 30 days, every 30 days thereafter. What is stopping you from getting out of the rat race and building your passive income portfolio the right way? Scroll to the top and click the "ADD TO CART" button. This book describes an investing program that is available to accredited investors.

The Charles Schwab Guide to Finances After Fifty Jan 02 2020 Here at last are the hard-to-find answers to the dizzying array of financial questions plaguing those who are age fifty and older. The financial world is more complex than ever, and people are struggling to make sense of it all. If you're like most people moving into the phase of life where protecting—as well as growing—assets is paramount, you're faced with a number of financial puzzles. Maybe you're struggling to get your kids through college without drawing down your life's savings. Perhaps you sense your nest egg is at risk and want to move into safer investments. Maybe you're contemplating downsizing to a smaller home, but aren't sure of the financial implications. Possibly, medical expenses have become a bigger drain than you expected and you need help assessing options. Perhaps you'll shortly be eligible for social security but want to optimize when and how to take it. Whatever your specific financial issue, one thing is certain—your range of choices is vast. As the financial world becomes increasingly complex, what you need is deeply researched advice from professionals whose credentials are impeccable and who prize clarity and straightforwardness over financial mumbo-jumbo. Carrie Schwab-Pomerantz and the Schwab team have been helping clients tackle their toughest money issues for decades. Through Carrie's popular "Ask Carrie" columns, her leadership of the Charles Schwab Foundation, and her work across party lines through two White House administrations and with the President's Advisory Council on Financial Capability, she has become one of America's most trusted sources for financial advice. Here, Carrie will not only answer all the questions that keep you up at night, she'll provide answers to many questions you haven't considered but should.

The Last Safe Investment Jul 28 2019 Myth: If you save for decades and invest in 401(k)s, IRAs, and a home, these investments will grow steadily, allowing twenty to thirty years of secure, peaceful retirement. Reality: Though this might have been true at some point in the last century, it is not true any longer. If you want to get ahead and enjoy a life of prosperity, you must invest in the last safe investment: yourself, and your own skills, value to others, relationships, and overall happiness. Business strategist Bryan Franklin and author Michael Ellsberg (The Education of Millionaires) team up here to present a blueprint for building "True Wealth": the ability to generate not just financial value but also the experiences you cherish most—security, freedom, creative expression, and love. Discarding traditional advice, Franklin and Ellsberg propose the Self-Amplifying Financial Ecosystem (SAFE) plan. This plan teaches you: ·Small investments you can make for a big impact on your value to other people, multiplying your earning potential ·The secret to accumulating savings without willpower or deprivation ·How to invest in life's richest experiences (which money can't buy) ·The "Super Skills"—the most valuable, sought-after, rewarded, and universally beneficial human skills ·Why most people are throwing away huge sums of money in the quest for happiness, and how to spend that money more effectively This bold manifesto will change the way you think about money, wealth, investment, and spending forever.

The Entrepreneur Equation Dec 25 2021 It's time to drop the rose-colored glasses and face the facts: most new businesses fail, with often devastating consequences for the would-be entrepreneur. The New York Times, Wall Street Journal, and USA TODAY bestseller The Entrepreneur Equation helps you do the math before you set down the entrepreneurial path so that you can answer more than just "Could I be an entrepreneur?" but rather "Should I be an entrepreneur?". By understanding what it takes to build a valuable business as well as how to assess the risks and rewards of business ownership based on your personal circumstances, you can learn how to stack the odds of success in your favor and ultimately decide if business ownership is the best possible path for you, now or ever. Through illustrative examples and personalized exercises, tell-it-like-it-is Carol Roth helps you create and evaluate your own personal Entrepreneur Equation as you: • Learn what it takes to be a successful entrepreneur in today's competitive environment. • Save money, time and effort by avoiding business ownership when the time isn't right for you. • Identify and evaluate the risks and rewards of a new business based on your goals and circumstances. • Evaluate whether your dreams are best served by a hobby, job or business. • Gain the tools that you need to maximize your business success. The Entrepreneur Equation is essential reading for the aspiring entrepreneur. Before you invest your life savings, invest in this book!

What's In It For You When Downloading "Passive income" today! 25 Proven Passive Income Strategies To Make Money Online Passive Income Ideas You Might Not Even Be Aware Of Advantages Of These Passive Income Strategies What To Expect From Passive Income Helpful Advice On Every Strategy MUCH, MUCH MORE My True Story Of How These Passive Income Strategies Changed My Life It was merely a couple of years ago when I was working non-stop trying to get somewhere in life but still stood at the same exact place. Day after day passed by and I followed the same exact same routine day in and day out for a very long period of time. During the last few months of me constantly working like crazy for someone else, I began to think. I began to think about what I was actually doing. I kept thinking to myself "Do I want to do this for another 40-50 years?". "Is this what my life is going to be about, constantly working until I'm old and grey for a salary that barely lasts a month". It was not until I discovered this thing of having multiple streams of passive income that everything changed. To be honest, at first, I thought it was just another money-making scam. I thought why would anyone share information on how to create wealth and get rich? Even though I did not really believe any of it, I still decided to give it a shot, and trust me when I say this: IT WAS WORTH IT. At that time, there was no one in the world that could possibly convince me that you could earn money for months and even for years while relaxing on a beach somewhere. I'm aware of the fact that money does not make you happy, however, money gives you freedom. It gives you the freedom to do anything you desire. It gives you the freedom to spend your time on what is important to you. It gives you the freedom to be with your loved ones. Yes, money alone does not make you happy but all the things you are able to do when being financially free, that is going to make you happy. Note: This book on passive income is no get-rich-quick scheme! No matter what field of work you are in, creating wealth takes time and effort. This book, however, guides you through proven strategies that are guaranteed to work!

The Purity Myth Mar 04 2020 From the bestselling author of *Sex Object*, a searing investigation into American culture's obsession with virginity, and the argument for creating a future where women and girls are valued for more than sexuality The United States is obsessed with virginity--from the media to schools to government agencies. In *The Purity Myth*, Jessica Valenti argues that the country's intense focus on chastity is damaging to young women. Through in-depth cultural and social analysis, Valenti reveals that powerful messaging on both extremes--ranging from abstinence-only curriculum to "Girls Gone Wild" infomercials--place a young woman's worth entirely on her sexuality. Morals are therefore linked purely to sexual behavior, rather than values like honesty, kindness, and altruism. Valenti sheds light on the value--and hypocrisy--around the notion that girls remain virgins until they're married by putting into context the historical question of purity, modern abstinence-only education, pornography, and public punishments for those who dare to have sex. *The Purity Myth* presents a revolutionary argument that girls and women are overly valued for their sexuality, as well as solutions for a future without a damaging emphasis on virginity.

The Passive Income Myth Nov 04 2022 You've seen the book titles. They start with, "How to," and end with some ridiculous promise of a six-figure income or the word, "from home." Search for 'How to make passive income' in Google and you're blasted by more than seven million results. You can practically feel the swindlers screaming out at you from the screen. Making money on your investments is a powerful draw and ripe for all kinds of scams, scoundrels and shysters. But in the fiction, there's a little truth to be found. The truth that more than a few people have built massive success stories through the four most popular strategies. The truth that many of the strategies can be started in your spare time and require little cash to get started. This book is about that truth. *The Passive Income Myth* is your opportunity to cut through the B.S. and scams to see how money really can be made in four passive income strategies. I have been involved in every strategy described. Knowing what I have picked up over the last twenty years will save you years of time learning and mistakes made. Each strategy can be read separately or as a part of a complete system to put together true passive income potential. In this book you'll learn: - The exact process I used to make more money on blogging that 81% of bloggers in less than a year (page 46) - 5 simple criteria I use to pick dividend stocks that will create stable cash flow forever (page 88) - The fixed-income investment that is replacing bonds as the safety and income investment (page 122) - Sources of special real estate loans with as little as 3.5% down (page 12) - The step-by-step process to value residential real estate (page 16) - How to invest in real estate without the tenant headaches or even touching a property (page 30) - An investment that has nearly doubled the annual return on stocks over the last 20 years, and has another 20 years to go (page 99)

Success and Luck Dec 01 2019 From New York Times bestselling author and economics columnist Robert Frank, a compelling book that explains why the rich underestimate the importance of luck in their success, why that hurts everyone, and what we can do about it How important is luck in economic success? No question more reliably divides conservatives from liberals. As conservatives correctly observe, people who amass great fortunes are almost always talented and hardworking. But liberals are also correct to note that countless others have those same qualities yet never earn much. In recent years, social scientists have discovered that chance plays a much larger role in important life outcomes than most people imagine. In *Success and Luck*, bestselling author and New York Times economics columnist Robert Frank explores the surprising implications of those findings to show why the rich underestimate the importance of luck in success--and why that hurts everyone, even the wealthy. Frank describes how, in a world increasingly dominated by winner-take-all markets, chance opportunities and trivial initial advantages often translate into much larger ones--and enormous income differences--over time; how false beliefs about luck persist, despite compelling evidence against them; and how myths about personal success and luck shape individual and political choices in harmful ways. But, Frank argues, we could decrease the inequality driven by sheer luck by adopting simple, unintrusive policies that would free up trillions of dollars each year--more than enough to fix our crumbling infrastructure, expand healthcare coverage, fight global warming, and reduce poverty, all without

requiring painful sacrifices from anyone. If this sounds implausible, you'll be surprised to discover that the solution requires only a few, noncontroversial steps. Compellingly readable, *Success and Luck* shows how a more accurate understanding of the role of chance in life could lead to better, richer, and fairer economies and societies.

UNSCRIPTED Jun 06 2020 What if Life Wasn't About 50 Years of Wage-Slavery, Paying Bills and then Dying? Tired of sleepwalking through a mediocre life bribed by mindless video-gaming, redemptive weekends, and a scant paycheck from a soul-suffocating job? Welcome to the **SCRIPTED** club— where membership is neither perceived or consented. The fact is, ever since you've been old enough to sit obediently in a classroom, you have been culturally engineered for servitude, unwittingly enslaved into a Machiavellian system where illusionary rules go unchallenged, sanctified traditions go unquestioned, and lifelong dreams go unfulfilled. As a result, your life is hijacked and marginalised into debt, despair, and dependence. Life's death sentence becomes the daily curse of the trivial and mundane. Fun fades. Dreams die. Don't let life's consolation prize become a car and a weekend. Recapture what is yours and make a revolutionary repossession of life-and-liberty through the pursuit of entrepreneurship. A paradigm shift isn't needed—the damn paradigm needs to be thrown-out altogether. The truth is, if you blindly follow conventional wisdom pushed by conventional people living conventional lives, can you expect to be anything but conventional? Rewrite life's script: ditch the job, give Wall Street the bird, and escape the insanity of trading your life away for a paycheck and an elderly promise called retirement. **UNSCRIPT** today and start leading life— instead of life leading you.

Leapfrog Feb 01 2020 For women entrepreneurs (and anyone sick of the status quo), this smart, unapologetic collection delivers fifty proven hacks to leapfrog over obstacles and succeed in business. "A must-read for any woman who has a great idea and the nagging thought that doors are closed to her; Molina Niño helps to blow them open."--Publishers Weekly Think the most critical factor for becoming a great entrepreneur is grit, risk-taking, or technical skills? Think again. Despite what every other business book might say, historical data show the real secret ingredients to getting ahead in business are being rich, white, and male. Until now. Leapfrog is the decades-overdue startup bible for the rest of us. It's filled with uncompromising guidance for winning at business, your way. Leapfrog is for entrepreneurs of all stripes who are fed up with status quo advice--the kind that assumes you have rich friends and family and a public relations team. Refreshingly frank and witty, author Nathalie Molina Niño is a serial tech entrepreneur, the founder and CEO of BRAVA Investments, and a proud daughter of Latinx immigrants. While teaching budding entrepreneurs at Barnard College at Columbia University and searching the globe for investment-worthy startups, she has met or advised thousands of entrepreneurs who've gone from zero to scalable business. Here she shares their best secrets in the form of fifty "leapfrogs"--clever loopholes and shortcuts to outsmart, jump over, or straight up annihilate the seemingly intractable hurdles facing entrepreneurs who don't have family money, cultural capital, or connections.
