Robert Ward's The Crucible Nov 11 2020 In Robert Ward's *The Crucible: Creating an American Musical Nationalism*, Robert Paul Kolt explores the life of the American composer Robert Ward through an examination of his most popular and enduring work, *The Crucible*. Focusing on the musical-linguistic relationships within the opera, Kolt demonstrates Ward's unique synthesis of text and music, one that lends itself to the perception of American musical nationalism. This book contains the most thorough and in-depth biography of Ward yet in print. Based on interviews with the composer, Kolt presents new information about Ward's life and career, focusing on his opera and examining the formation and construction of *The Crucible's* libretto and score, in turn offering new insights into the process of composing an opera. Kolt observes how the libretto's linguistic aspects helped Ward formulate the opera's melodic and rhythmic musical material. A detailed and unique analysis of the opera, particularly the musical and linguistic techniques Ward employed, demonstrates how these techniques lend themselves to the opera's reception as a work of American musical nationalism. The book also provides yet unpublished information on Arthur Miller's play, examining how it came to be written and soon after became the basis for Ward's work. Several appendixes provide a fuller picture, including a deleted scene from Miller's play and Ward's version of the scene, a chronological overview of the Salem Witchcraft Trials, and illustrations and photo reproductions from Ward's manuscript.

A Study Guide for Arthur Miller's The Crucible May 30 2022

The Crucible of Christian Morality May 06 2020 *The Crucible of Christian Morality* explores the notion of Christian ethics and discusses its roots in the teachings of Jesus and also Hellenistic philosophy. Its significance in developing moral standards throughout the world and its stability in the modern world. *The Crucible of Christian Morality* uses new critical perspectives including: * the sociology of knowledge * and discourse analysis. J. Ian H. McDonald challenges conventional approaches by focusing on the behaviour of early Christian communities rather than their texts to shed new light on the nature of Christian morality in its earliest and most formative years.

Out of the Crucible Oct 11 2020 *Out of the Crucible: How the U.S. Military Transformed Combat Casualty Care in Iraq and Afghanistan* edited by Arthur L. Kellermann, MD and MPH, and Eric Elster, MD is now available by the US Army, Borden Institute. This comprehensive resource, part of the renowned Textbooks of Military Medicine series, documents one of the most extraordinary achievements in the history of American medicine - the dramatic advances in combat casualty care developed during Operations Enduring Freedom and Operation Iraqi Freedom. Each chapter is written by one or more military health professionals who played an important role in bringing the advancement to America's military health system. Written in plain English and amply illustrated with informative figures and photographs, *Out of the Crucible*

engages and informs the American public and policy makers about how America's military health system, devised, tested and widely adopted numerous inventions, innovations, technologies that collectively produced the highest survival rate from battlefield trauma in the history of warfare.

The Crucible Jun 30 2022 A haunting examination of groupthink and mass hysteria in a rural community A Penguin Classic "I believe that the reader will discover here the essential nature of one of the strangest and most awful chapters in human history," Arthur Miller wrote in an introduction to *The Crucible*, his classic play about the witch-hunts and trials in seventeenth-century Salem, Massachusetts. Based on historical people and real events, Miller's drama is a searing portrait of a community engulfed by hysteria. In the rigid theocracy of Salem, rumors that women are practicing witchcraft galvanize the town's most basic fears and suspicions; and when a young girl accuses Elizabeth Proctor of being a witch, self-righteous church leaders and townspeople insist that Elizabeth be brought to trial. The ruthlessness of the prosecutors and the eagerness of neighbor to testify against neighbor brilliantly illuminate the destructive power of socially sanctioned violence. Written in 1953, *The Crucible* is a mirror Miller uses to reflect the anti-communist hysteria inspired by Senator Joseph McCarthy's "witch-hunts" in the United States. Within the text itself, Miller contemplates the parallels, writing: "Political opposition...is given an inhumane overlay, which then justifies the abrogation of all normally applied customs of civilized behavior. A political policy is equated with moral right, and opposition to it with diabolical malevolence." For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Understanding The Crucible Jun 06 2020 Discusses the historical and social contexts of the play, and includes an analysis of its dramatic structure.

Island at War Apr 16 2021 Despite Puerto Rico being the hub of the United States' naval response to the German blockade of the Caribbean, there is very little published scholarship on the island's heavy involvement in the global conflict of World War II. Recently, a new generation of scholars has been compiling interdisciplinary research with fresh insights about the profound wartime changes, which in turn generated conditions for the rapid economic, social, and political development of postwar Puerto Rico. The island's subsequent transformation cannot be adequately grasped without tracing its roots to the war years. *Island at War* brings together outstanding new research on Puerto Rico and makes it accessible in English. It covers ten distinct topics written by nine distinguished scholars from the Caribbean and beyond. Contributors include experts in the fields of history, political science, sociology, literature, journalism, communications, and engineering. Topics include US strategic debate and war planning for the Caribbean on the eve of World War II, Puerto Rico as the headquarters of the Caribbean Sea frontier, war and political transition in Puerto Rico, the war economy of Puerto Rico, the German blockade of the Caribbean in 1942, and the story of a Puerto Rican officer in the Second World War and Korea. With these essays and others, *Island at War* represents the cutting edge of scholarship on the role of Puerto Rico and the Caribbean in World War II and its aftermath.

The Dressmaker Oct 30 2019 Now a major motion picture starring Kate Winslet Tilly Dunnage left her hometown of Dungatar in rural Australia under a black cloud of accusation. Years later Tilly, now a couturier for the Paris fashion houses, returns home to make amends with her mentally unstable mother. Mid-century Dungatar is a small town, and small towns have long memories. At first she wins over the suspicious locals with her extraordinary dressmaking skills. But when the eccentric townsfolk turn on Tilly for a second time, she decides to teach them a lesson and exact long-overdue revenge... Packed with memorable characters, acid humour and luscious clothes, *The Dressmaker* is an irresistible gothic tale of small-town revenge.

Arthur Miller's The Crucible Aug 21 2021 An overview of the play features a biographical sketch of the author, a list of characters, a summary of the plot, and critical and analytical essays about the work.

The Crucible Jun 18 2021 This Student Edition of *The Crucible* is perfect for students of literature and drama and offers an unrivalled guide to Miller's classic play. It features an extensive introduction by Susan C. W. Abbotson which includes: a chronology of Miller's life and times; a summary of the plot and commentary on the characters, themes, language, context and production history of the play. Together with over twenty questions for further study, detailed notes on words and phrases from the text and the additional scene 2 of the second Act, this is the definitive edition of the play. In a small tight-knit community gossip and rumour spread like wildfire inflaming personal grievances until no-one is safe from accusation and vengeance. *The Crucible* is Miller's classic dramatisation of the witch-hunt and trials that besieged the Puritan community of Salem in 1692. Seen as a chilling parallel to the McCarthyism and repressive culture of fear that gripped America in the 1950s, the play's timeless relevance and appeal remains as strong as when the play opened on Broadway in 1953.

Arthur Miller - Death of a Salesman/The Crucible Mar 04 2020 Arthur Miller was one of the most important American playwrights and political and cultural figures of the 20th century. Both *Death of a Salesman* and *The Crucible* stand out as his major works: the former is always in performance somewhere in the world and the latter is Miller's most produced play. As major modern American dramas, they are the subject of a huge amount of criticism which can be daunting for students approaching the plays for the first time. This Reader's Guide introduces the major critical debates surrounding the plays and discusses their unique production histories, initial theatre reviews and later adaptations. The main trends of critical inquiry and scholars who have purported them are examined, as are the views of Miller himself, a prolific self-critic.

Echoes Down the Corridor May 18 2021 For some fifty years now, Arthur Miller has been not only America's premier playwright, but also one of our foremost public intellectuals and cultural critics. *Echoes Down the Corridor* gathers together a dazzling array of more than forty previously uncollected essays and works of reportage. Here is Arthur Miller, the brilliant social and political commentator—but here, too, Miller the private man behind the internationally renowned public figure. Witty and wise, rich in artistry and insight, *Echoes Down the Corridor* reaffirms Arthur Miller's standing as one of the greatest writers of our time.

The Crucible Aug 01 2022 A literary study guide that includes summaries and commentaries.

The Crucible of Language Jan 02 2020 In *The Crucible of Language*, Vyvyan Evans explains what we know and do when we communicate using language; he shows how linguistic meaning arises, where it comes from, and the way language enables us to convey the meanings that can move us to tears, or make us dizzy with delight.

Social Science in the Crucible Aug 09 2020 The 1920s and 30s were key decades for the history of American social science. The success of such quantitative disciplines as economics and psychology during World War I forced social scientists to reexamine their methods and practices and to consider recasting their field as a more objective science separated from its historical foundation in social reform. The debate that ensued, fiercely conducted in books, articles, correspondence, and even presidential addresses, made its way into every aspect of social science thought of the period and is the subject of this book. Mark C. Smith first provides a historical overview of the controversy over the nature and future of the social sciences in early twentieth-century America and, then through a series of intellectual biographies, offers an intensive study of the work and lives of major figures who participated in this debate. Using an extensive range of materials, from published sources to manuscript collections, Smith examines "objectivists"—economist Wesley Mitchell and political scientist Charles Merriam—and the more "purposive thinkers"—historian Charles Beard, sociologist Robert Lynd, and political scientist and neo-Freudian Harold Lasswell. He shows how the debate over objectivity and social purpose was central to their professional and personal lives as well as to an understanding of American social science between the two world wars. These biographies bring to vivid life a contentious moment in American intellectual history and reveal its significance in the shaping of social science in this country.

The Crucible Jul 20 2021 The enduring classic drama of the Salem witch trials was inspired by the political witch-hunting activities of Senator Joseph McCarthy in the '50s. Though set in the 17th century, *The Crucible* presents issues still gnawing at modern society.

The Crucible Oct 23 2021 "The 1953 premiere of *The Crucible* confirmed Arthur Miller's reputation as one of America's most important and serious playwrights as it underscored the earlier success of Miller's Pulitzer Prize winning drama, *Death of a Salesman*. While dealing with the 1692 witch trials in Salem, Massachusetts, *The Crucible* reveals Miller's concern with issues of individual conscience and guilt by association - issues that were manifest in the social and political problems of his own time. The drama is both a historical play of 17th-century colonial America and a parable about the communist witch-hunts in the United States of the 1950s. Miller uses the moral absolutism of Puritan Salem to parallel the infamous congressional hearings led by Senator Joseph McCarthy. The events which frame Miller's tragic drama are separated by some two hundred and sixty years, but are joined by circumstances where elements of disparate societies seek only evidence of guilt and ignore or suppress all evidence to suggest otherwise. With universal themes that transcend time and place, including national borders, *The Crucible* remains one of the most often produced American plays worldwide." "In *The Crucible: Politics, Property, and Pretense*, James J. Martine extends his analysis beyond the standard critical appraisals that compare the drama's setting only to the time in which it was written - the McCarthy era. Martine examines in detail Miller's historical sources and the ways in which he adapted this material to his contemporary audience. Martine suggests the play should be "read" within a variety of contexts, that is, as a product of and reaction to the McCarthy era, as a milestone in the development of Miller's work, as an exemplar of the genre of tragedy, as part of the tradition of American theatre, and as a basis for later adaptations. in

his discussion, Martine considers both the written text and the play as public performance. He examines the play's settings, props, and exits and entrances, and draws attention to the various ways in which Miller built these directions about the play's performance into the written text. Martine argues convincingly that *The Crucible* should not be approached as a monochromatic written text as it often has been, but as a multifaceted performance text. His study includes photographs of a contemporary staged production, in addition to commentary on Robert Ward's Pulitzer prize-winning opera based on Miller's drama. Martine's multi-leveled exploration enables the reader to understand and thus appreciate *The Crucible* and Arthur Miller more fully."--BOOK JACKET. The Crucible Jul 28 2019

The Crucible Mar 28 2022 Tale about the Puritan witch trials in the late 1600's Salem (Massachusetts), and how this historical play's lessons apply to contemporary society.

The Crucible Mar 16 2021 Insight Study Guides are written by experts and cover a range of popular literature, plays and films. Designed to provide insight and an overview about each text for students and teachers, these guides endeavor to develop knowledge and understanding rather than just provide answers and summaries.

Lord of the Flies Jan 14 2021 A plane crashes on a desert island and the only survivors, a group of schoolboys, assemble on the beach and wait to be rescued. By day they inhabit a land of bright fantastic birds and dark blue seas, but at night their dreams are haunted by the image of a terrifying beast. As the boys' delicate sense of order fades, so their childish dreams are transformed into something more primitive, and their behaviour starts to take on a murderous, savage significance. First published in 1954, *Lord of the Flies* is one of the most celebrated and widely read of modern classics. Now fully revised and updated, this educational edition includes chapter summaries, comprehension questions, discussion points, classroom activities, a biographical profile of Golding, historical context relevant to the novel and an essay on *Lord of the Flies* by William Golding entitled 'Fable'. Aimed at Key Stage 3 and 4 students, it also includes a section on literary theory for advanced or A-level students. The educational edition encourages original and independent thinking while guiding the student through the text - ideal for use in the classroom and at home.

Featured content includes commentary on major characters, 25 important quotes, essay topics, and key themes like Deception and Redemption and Mob Mentality.

Leadership in the Crucible Feb 01 2020 At the pivotal battles of Twin Tunnels and Chipyeong-ni in February 1951, U.N. forces met and contained large-scale attacks by Chinese forces. Colonel Paul Freeman and the larger-than-life Colonel Ralph Monclar led the American 23rd Infantry Regiment and the French Bataillon de Corée, respectively, in the fierce and dangerous battles that followed the precipitous U.N. retreat down the Korean Peninsula. In *Leadership in the Crucible*, Kenneth Hamburger details the actions of the units in the United Nations counteroffensive following the Chinese intervention, including routine patrols, the harrowing battle of Twin Tunnels, and the pivotal siege of Chipyeong-ni. The regiment was cut off from artillery fire support and was resupplied only by parachute drops. Repeatedly attacked by superior Chinese forces during the two nights and final day of fighting, the U.N. units finally welcomed relief by the armored Tank Force Crombez of the 1st Cavalry Division. From extensive personal interviews and a careful reconstruction of the written record, Hamburger brilliantly analyzes the roles that training, cohesion, morale, logistics, and leadership play in success or failure on the front lines of limited war. He also addresses the vexing problem of when, and at what level, commanders have the right and even the responsibility to question lawful orders they believe are flawed. In this careful consideration of combat leadership at all levels, Hamburger offers his readers stories of men sustaining themselves and one another to the limits of human endurance. By thoroughly sorting out the chaos, carnage, and courage of the battles, he provides a uniquely detailed description of these two crucial battles and a well-organized discussion of unit cohesion and command that is sure to become a classic in the field of leadership studies.

Miller: The Crucible Jun 26 2019 Part of a series of literature guides designed for GCSE coursework requirements, this book contains author details, background to the work, summaries of the text, critical commentaries, analysis of characterization, and sample questions with guideline answers.

The Crucible of Islam Feb 12 2021 Little is known about sixth-century Arabia. Yet from this distant time and place emerged a faith and an empire that stretched from Iberia to India. G. W. Bowersock illuminates this obscure yet most dynamic period in Islam, exploring why arid Arabia proved to be fertile ground for Muhammad's message and why it spread so quickly to the wider world.

The Crucible Apr 04 2020 This Student Edition of The Crucible is perfect for students of literature and drama and offers an unrivalled guide to Miller's classic play. It features an extensive introduction by Susan C. W. Abbotson which includes: a chronology of Miller's life and times; a summary of the plot and commentary on the characters, themes, language, context and production history of the play. Together with over twenty questions for further study, detailed notes on words and phrases from the text and the additional scene 2 of the second Act, this is the definitive edition of the play. In a small tight-knit community gossip and rumour spread like wildfire inflaming personal grievances until no-one is safe from accusation and vengeance. The Crucible is Miller's classic dramatisation of the witch-hunt and trials that besieged the Puritan community of Salem in 1692. Seen as a chilling parallel to the McCarthyism and repressive culture of fear that gripped America in the 1950s, the play's timeless relevance and appeal remains as strong as when the play opened on Broadway in 1953.

The Crucible Nov 04 2022 "The Crucible" is a 1952 play by the American playwright Arthur Miller. It is a dramatization of the Salem witch trials that took place in the Province of Massachusetts Bay during 1692 and 1693. Miller wrote the play as an allegory of McCarthyism, when the US government blacklisted accused communists. Miller himself was questioned by the House of Representatives' Committee on Un-American Activities in 1956 and convicted of "contempt of Congress" for refusing to identify others present at meetings he had attended. It was first performed at the Martin Beck Theater on Broadway on January 22, 1953. Miller felt that this production was too stylized and cold and the reviews for it were largely hostile (although The New York Times noted "a powerful play in a driving performance"). Nonetheless, the production won the 1953 "Best Play" Tony Award. A year later a new production succeeded and the play became a classic. It is a central work in the canon of American drama. Fuji Books' edition of "The Crucible" contains supplementary texts: * "Tragedy And The Common Man", an essay by Arthur Miller. * Excerpts from Nathaniel Hawthorne's magnum opus "The Scarlet Letter", a narrative of the Salem Witch trials. * A few selected quotes of Arthur Miller.

The Crucible Dec 01 2019 Arthur Miller's depiction of innocent men and women destroyed by malicious rumour, The Crucible is a powerful indictment of McCarthyism and the 'frontier mentality' of Cold War America, published in Penguin Modern Classics. Arthur Miller's classic parable of mass hysteria draws a chilling parallel between the Salem witch-hunt of 1692 - 'one of the strangest and most awful chapters in human history' - and the American anti-communist purges led by Senator McCarthy in the 1950s. The story of how the small community of Salem is stirred into madness by superstition, paranoia and malice, culminating in a violent climax, is a savage attack on the evils of mindless persecution and the terrifying power of false accusations. Arthur Miller (1915-2005), American dramatist, was born in New York City. In 1938 Miller won awards for his comedy *The Grass Still Grows*. His major achievement was *Death of a Salesman*, which won the 1949 Pulitzer Prize for drama and the 1949 New York Drama Critics' Circle Award. *The Crucible* was aimed at the widespread congressional investigation of subversive activities in the US; the drama won the 1953 Tony Award. Miller's autobiography, *Timebends: A Life* was published in 1987. If you enjoyed *The Crucible*, you might like Miller's *Death of a Salesman*, also available in Penguin Modern Classics. 'One of a handful of great plays that will both survive the twentieth century and bear witness to it' John Peter, Sunday Times

Social Science in the Crucible Jul 08 2020 The 1920s and 30s were key decades for the history of American social science. The success of such quantitative disciplines as economics and psychology during World War I forced social scientists to reexamine their methods and practices and to consider recasting their field as a more objective science separated from its historical foundation in social reform. The debate that ensued, fiercely conducted in books, articles, correspondence, and even presidential addresses, made its way into every aspect of social science thought of the period and is the subject of this book. Mark C. Smith first provides a historical overview of the controversy over the nature and future of the social sciences in early twentieth-century America and, then through a series of intellectual biographies, offers an intensive study of the work and lives of major figures who participated in this debate. Using an extensive range of materials, from published sources to manuscript collections, Smith

examines "objectivists"—economist Wesley Mitchell and political scientist Charles Merriam—and the more "purposive thinkers"—historian Charles Beard, sociologist Robert Lynd, and political scientist and neo-Freudian Harold Lasswell. He shows how the debate over objectivity and social purpose was central to their professional and personal lives as well as to an understanding of American social science between the two world wars. These biographies bring to vivid life a contentious moment in American intellectual history and reveal its significance in the shaping of social science in this country.
