But this notorious corner's 24-hour open-air drug market provides the economic fuel for a dying neighborhood. David Simon, an award-winning author and crime reporter, and Edward Burns, a 20-year veteran of the urban drug war, tell the chilling story of this desolate crossroad. Through the eyes of one broken family--two drug-addicted adults and their smart, vulnerable 15-year-old son, DeAndre McCollough, Simon and Burns examine the sinister realities of inner cities across the country and unflinchingly assess why law enforcement policies, moral crusades, and the welfare system have accomplished so little. This extraordinary book is a crucial look at the price of the drug culture and the poignant scenes of hope, caring, and love that astonishingly rise in the midst of a place America has abandoned.

[Standing on the Corner of Lost and Found](#) Oct 24 2019 Novellisa Stern, an idealistic child of the sixties, feels ready to change the world. She navigates the tumult of her Boston college years and falls in love with a professor who dies in a car crash. In a state of intense grief, Lisa drives to Provincetown one night to wander their favorite beach. Seeing the anguish of the young woman, a sleepless Isabela, who owns the town bakery, thinks she may commit suicide. She invites Lisa to come home with her and with Isabela's help, Lisa begins to heal. Change is in the air-- there is the possibility of an equal rights amendment; abortion is legalized, the blistering summer of riots and the death of Martin Luther King brings the lack of civil rights in clear view, and there is belief that mass protest over an unjust war could in fact stop it. The music was of hope and change, and just good old rock and roll. Lisa is determined to come to life again and be part of the world that excited her a few short years before. She goes home to Albany, back to her superstitious, hypercritical family, to open a woman's center. Tracts of homes and businesses were bulldozed to make way for a government center and Lisa wants to work with the displaced community. She asks Marika, a single, black mother she befriends in Boston--in need of a new beginning herself-- to come with her. As she charts a new course for herself to get through her personal crisis, an unlikely group of women whose lives intersect hers, begin shaping new lives for themselves. This is a story about broken hearts and fragile dreams repaired through the indelible ties of friendship and family. It celebrates the buoyant spirit of sisterhood in overcoming life's challenges.

[The Woman in the Corner](#) Mar 09 2021 The Woman in the Corner keenly observes and gives voice to the ambiguities and astonishments that we often turn away from--in human relationships and in our own unruly hearts. In poems that speak fearlessly about sex and grief, mothers and daughters, and friendships and marriage, Krygowski examines the beauty and danger of inhabiting a woman's body in the twenty-first century while negotiating how our pasts infiltrate, for better or worse, the here and now. This intimate collection delivers hard won loves and insights, surprising humor, and daring imagination. Krygowski celebrates our joys, gives witness to our pain, and never, never compromises. Excerpt from "The Woman in the Corner" I cut a leaf from my mother's blooming violet, long alive past her death, to start a plant for my daughter who I never knew as a baby-- born to a different woman-- but for whom I explained birth control, blood, how to relax, push in a tampon, what my mother never touched, her body a child-making mystery that pushed me into mystery. What is a woman who doesn't long for kids?

She explains the influence of the author of *The Cloud of Unknowing*, Teilhard de Chardin, Boehme, Barnhart, Keating, and Gurdjieff, among others in a philosophy built on the cornerstones of the Incarnation and the Paschal Mystery, tied by the Trinity as a cosmogonic principle, the fundamental generative mechanism through which all things came into being. In the *My Theology* series, the world's leading Christian thinkers explain some of the principal tenets of their theological beliefs in concise, pocket-sized books. There are sixteen titles total.

*Hotel on the Corner of Bitter and Sweet* Oct 28 2022 "Sentimental, heartfelt....the exploration of Henry's changing relationship with his family and with Keiko will keep most readers turning pages...A timely debut that not only reminds readers of a shameful episode in American history, but cautions us to examine the present and take heed we don't repeat those injustices."-- Kirkus Reviews "A tender and satisfying novel set in a time and a place lost forever, *Hotel on the Corner of Bitter and Sweet* gives us a glimpse of the damage that is caused by war--not the sweeping damage of the battlefield, but the cold, cruel damage to the hearts and humanity of individual people. Especially relevant in today's world, this is a beautifully written book that will make you think. And, more importantly, it will make you feel." -- Garth Stein, New York Times bestselling author of *The Art of Racing in the Rain* "Jamie Ford's first novel explores the age-old conflicts between father and son, the beauty and sadness of what happened to Japanese Americans in the Seattle area during World War II, and the depths and longing of deep-heart love. An impressive, bitter, and sweet debut." -- Lisa See, bestselling author of *Snow Flower and the Secret Fan* In the opening pages of Jamie Ford's stunning debut novel, *Hotel on the Corner of Bitter and Sweet*, Henry Lee comes upon a crowd gathered outside the Panama Hotel, once the gateway to Seattle's Japantown. It has been boarded up for decades, but now the new owner has made an incredible discovery: the belongings of Japanese families, left when they were rounded up and sent to internment camps during World War II. As Henry looks on, the owner opens a Japanese parasol. This simple act takes old Henry Lee

back to the 1940s, at the height of the war, when young Henry's world is a jumble of confusion and excitement, and to his father, who is obsessed with the war in China and having Henry grow up American. While "scholarshipping" at the exclusive Rainier Elementary, where the white kids ignore him, Henry meets Keiko Okabe, a young Japanese American student. Amid the chaos of blackouts, curfews, and FBI raids, Henry and Keiko forge a bond of friendship--and innocent love--that transcends the long-standing prejudices of their Old World ancestors. And after Keiko and her family are swept up in the evacuations to the internment camps, she and Henry are left only with the hope that the war will end, and that their promise to each other will be kept. Forty years later, Henry Lee is certain that the parasol belonged to Keiko. In the hotel's dark dusty basement he begins looking for signs of the Okabe family's belongings and for a long-lost object whose value he cannot begin to measure. Now a widower, Henry is still trying to find his voice--words that might explain the actions of his nationalistic father; words that might bridge the gap between him and his modern, Chinese American son; words that might help him confront the choices he made many years ago. Set during one of the most conflicted and volatile times in American history, *Hotel on the Corner of Bitter and Sweet* is an extraordinary story of commitment and enduring hope. In *Henry and Keiko*, Jamie Ford has created an unforgettable duo whose story teaches us of the power of forgiveness and the human heart. **BONUS:** This edition contains a *Hotel on the Corner of Bitter and Sweet* discussion guide and an excerpt from Jamie Ford's *Love and Other Consolation Prizes*.

**The View From the Corner Shop** Sep 22 2019 A lively diary chronicling the ups and downs of running a grocery shop in a Yorkshire town during the rationing years of the Second World War Kathleen Hey spent the war years helping her sister and brother-in-law run a grocery shop in the Yorkshire town of Dewsbury. From July 1941 to July 1946 she kept a diary for the Mass-Observation project, recording the thoughts and concerns of the people who used the shop. What makes Kathleen's account such a vivid and compelling read is the immediacy of her writing. People were pulling together on the surface ('Bert has painted the V-sign on the shop door...', she writes) but there are plenty of tensions underneath. The shortage of food and the extreme difficulty of obtaining it is a constant thread, which dominates conversation in the town, more so even than the danger of bombardment and the war itself. Sometimes events take a comic turn. A lack of onions provokes outrage among her customers, and Kathleen writes, 'I believe they think we have secret onion orgies at night and use them all up.' The Brooke Bond tea rep complains that tea need not be rationed at all if supply ships were not filled with 'useless goods' such as Corn Flakes, and there is a long-running saga about the non-arrival of Smedley's peas. Among the chorus of voices she brings us, Kathleen herself shines through as a strong and engaging woman who refuses to give in to doubts or misery and who maintains her keen sense of humour even under the most trying conditions. A vibrant addition to our records of the Second World War, the power of her diary lies in its juxtaposition of the everyday and the extraordinary, the homely and the universal, small town life and the wartime upheavals of a nation.

*Religion at the Corner of Bliss and Nirvana* Dec 18 2021 Based on ethnographic research by an interdisciplinary team of scholars and activists, *Religion at the Corner of Bliss and Nirvana* illuminates the role that religion plays in the civic and political experiences of new migrants in the United States. By bringing innovative questions and theoretical frameworks to bear on the experiences of Chinese, Filipino, Mexican, Salvadoran, and Vietnamese migrants, the contributors demonstrate how groups and individuals negotiate multiple religious, cultural, and national identities, and how religious faiths are transformed through migration. Taken together, their essays show that migrants' religious lives are much more than replications of home in a new land. They reflect a process of adaptation to new physical and cultural environments, and an ongoing synthesis of cultural elements from the migrants' countries of origin and the United States. As they conducted research, the contributors not only visited churches and temples but also single-room-occupancy hotels, brothels, tattoo-removal clinics, and the streets of San Francisco, El Salvador, Mexico, and Vietnam. Their essays include an exploration of how faith-based organizations can help LGBT migrants surmount legal and social complexities, an examination of transgendered sex workers' relationship with the unofficial saint Santisima Muerte, a comparison of how a Presbyterian mission and a Buddhist temple in San Francisco help Chinese immigrants to acculturate, and an analysis of the transformation of baptismal rites performed by Mayan migrants. The voices of gang members, Chinese and Vietnamese Buddhist nuns, members of Pentecostal churches, and many others animate this collection. In the process of giving voice to these communities, the contributors interrogate theories about acculturation, class, political and social capital, gender and sexuality, the sociology of religion, transnationalism, and globalization. The collection includes twenty-one photographs by Jerry Berndt. Contributors. Luis Enrique Bazan, Kevin M. *A Place on the Corner, Second Edition* Dec 06 2020 This paperback edition of *A Place on the Corner* marks the twenty-fifth anniversary of Elijah Anderson's sociological classic, a study of street corner life at a local barroom/liquor store located in the ghetto on Chicago's South Side. Anderson returned night after night, month

after month, to gain a deeper understanding of the people he met, vividly depicting how they created—and recreated—their local stratification system. In addition, Anderson introduces key sociological concepts, including "the extended primary group" and "being down." The new preface and appendix in this edition expand on Anderson's original work, telling the intriguing story of how he went about his field work among the men who frequented Jelly's corner.

The New York Times Editors' Choice • Paste In 2012, Beck Dorey-Stein is working five part-time jobs and just scraping by when a posting on Craigslist lands her, improbably, in the Oval Office as one of Barack Obama's stenographers. The ultimate D.C. outsider, she joins the elite team who accompany the president wherever he goes, recorder and mic in hand. On whirlwind trips across time zones, Beck forges friendships with a dynamic group of fellow travelers—young men and women who, like her, leave their real lives behind to hop aboard Air Force One in service of the president. As she learns to navigate White House protocols and more than once runs afoul of the hierarchy, Beck becomes romantically entangled with a consummate D.C. insider, and suddenly the political becomes all too personal. Against a backdrop of glamour, drama, and intrigue, this is the story of a young woman learning what truly matters, and, in the process, discovering her voice. Praise for *From the Corner of the Oval* “Who knew the West Wing could be so sexy? Beck Dorey-Stein's unparalleled access is obvious on every page, along with her knife-

sharp humor. I tore through the entire book on a four-hour flight and loved reading all about the brilliant yet hard-partying people who once surrounded the leader of the free world. Lots of books claim to give real insider glimpses, but this one actually delivers.”—Lauren Weisberger, author of *The Devil Wears Prada* “Dorey-Stein . . . writes with wit and self-deprecating humor.”—The Wall Street Journal “Addictively readable . . . Dorey-Stein's spunk and her sparkling, crackling prose had me cheering for her through each adventure. . . . She never loses her starry-eyed optimism, her pinch-me wonderment, her Working Girl pluck.”—Paul Begala, The New York Times Book Review (Editors' Choice)
