**Politics - According to the Bible** Feb 02 2020 A variety of perspectives exist within the Christian community when it comes to political issues and political involvement. This comprehensive and readable book presents a political philosophy from the perspective that the Gospel pertains to all of life so Christians should be involved in political issues. In brief, this is an analysis of conservative and liberal plans to do good for the nation, evaluated in light of the Bible and common sense. In this ground-breaking book, recognized evangelical Bible professor Wayne Grudem rejects five mistaken views about Christian influence on politics: (1) “compel religion,” (2) “exclude religion,”

(3) “all government is demonic,” (4) “do evangelism, not politics,” and (5) “do politics, not evangelism.” He proposes a better alternative: (6) “significant Christian influence on government.” Then he explains the Bible’s teachings about the purpose of civil government and the characteristics of good or bad government. Does the Bible support some form of democracy? Should judges and the courts hold the ultimate power in a nation? With respect to specific political issues, Grudem argues that most people’s political views depend on deep-seated assumptions about several basic moral and even theological questions, such as whether God exists, whether absolute moral standards can be known, whether there is good and evil in each person’s heart, whether people should be accountable for their good and bad choices, whether property should belong to individuals or to society, and whether the purpose of the earth’s resources is to bring benefit to mankind. After addressing these foundational questions, Grudem provides a thoughtful, carefully-reasoned analysis of over fifty specific issues dealing with the protection of life, marriage, the family and children, economic issues and taxation, the environment, national defense, relationships to other nations, freedom of speech and religion, quotas, and special interests. He makes frequent application to the current policies of the Democratic and Republican parties in the United States, but the principles discussed here are relevant for any nation.

**The Family** Jul 09 2020 In August of 1969, during two bloody evenings of paranoid, psychedelic savagery, Charles Manson and his dystopic communal family helped to wreck the dreams of the Love Generation. At least nine people were murdered, among them Sharon Tate, the young, beautiful, pregnant, actress and wife of Roman Polanski. Ed Sanders' unnerving and detailed look at the horror dealt by Manson and his followers is a classic of the true-crime genre. The Family was originally published in 1971 and remains the most meticulously researched account of the most notorious murders of the 1960s. Using firsthand accounts from some of the family's infamous members, including the wizard himself, Sanders examines not only the origins and legacy of Manson and his family, but also the mysteries that persist. Completely revised and updated, this edition features 25 harrowing black and white photos from the investigation. "One of the best-researched, best-written, thoroughly-constructed, and eminently significant books of our times.... A masterpiece."—Boston Phoenix

Overcoming the Dark Side of Leadership Oct 31 2019 The Christian world has been rocked by the number of prominent leaders, in both church and parachurch organizations, who have been compromised by moral, ethical, and theological failures. This pace-setting volume addresses this alarming problem and offers Christian leaders valuable guidance in dealing with the inherent risks of their work. Using biblical and current examples, the authors describe the characteristics of five types of leaders and the problems that are most likely to develop if their particular dysfunctions develop unrestrained. McIntosh and Rima offer a series of steps for leaders to consider so they can take control of their dark side and learn to harness its creative powers. This edition includes a new introduction, updated information throughout, a self-assessment tool, and other additional material. Includes endorsements from John Maxwell, Leighton Ford, Leith Anderson, and Rob Angel.

**Mexico's "Golden Age" : THE FIRST HALF CENTURY** Oct 24 2021 A

Franciscan monk-Mexico's first historian--characterized the four decades following the Aztecs' 1521 overthrow as Mexico's "Golden Age." His intention was to praise the benign, bi-racial society that was then coming into existence. The first of three pillars for this short-lasting society featured an enlightened governing team led by ex-conquistador Hernán Cortés; the country's first bishop, Friar Juan de Zumárraga; respected lawyer and founder of missions, Vasco de Quiroga; and the first two viceroys, Antonio de Mendoza and Luis de Velasco. The second pillar were the Franciscan friars who headed up perhaps the most important religious campaign of the sixteenth century: the decades-long evangelization campaign that would be staffed by nearly a thousand mendicant monks who dedicated their lives to baptize millions of willing Mexicans. Included in this group was the champion of Indian baptism, Friar Toribio Benavente "Motolinía," as well as the leader for Indian education, Friar Pedro de Gante. The third pillar for this emerging society were the native chieftains (this work focuses on those from Cuernavaca) who partnered with the Spanish in governing and uplifting their respective communities. The recent publication of important, heretofore unknown, historical documents justifies the need for a re-examination of events and society during this important period of Mexican history.

He uplifts our spirits and helps us recognize what God wants to do in and through each and every one of us. These sermons deal directly with the subjects of the Christian church and the spiritual basis for its varied and continuing ministries. They display A. W. Tozer's love, appreciation, and concern for the church, which motivated him to so consistently issue caution. Tozer always yearned to reveal to the Christian and Missionary Alliance a desire for each church member to reach their full potential for honoring the Lord Jesus Christ, and this book represents that yearning well.

**Cultural Anthropology** Sep 22 2021 This volume on cultural anthropology presents a Christian perspective for Bible school students of conservative evangelical backgrounds. The hope is that a sympathetic approach to the problems of cultural diversity throughout the world will help young people overcome typical North American cultural biases and bring understanding and appreciation for the diversities of behavior and thought that exist in a culturally heterogeneous world. Grunlan and Mayers take the position of "functional creationism"; and though they discuss some of the problems implied in traditional interpretations of the age of the world and especially of the creation of the human race, they do not attempt to deal with either physical anthropology or the origins of man. They do, however, attempt to deal meaningfully with the problems posed by biblical absolutism and cultural relativism, and their practice. Concluding chapters with a series of thought-provoking questions should prove to be of real help to both the professional and nonprofessional teacher of anthropology.

**Why We Love the Church** Jan 15 2021 This book presents the case for loving the local church. It paints a picture of the local church in all its biblical and real life guts, gaffes, and glory in an effort to edify local congregations and entice the disaffected back to the fold. It also provides a solid biblical mandate to love and be part of the body of Christ and counteract the "leave church" books that trumpet rebellion and individual felt needs. *Why We Love the Church* is written for four kinds of people - the Committed, the Disgruntled, the Waffling & the Disconnected.

*The Power of Now* Jan 27 2022 To make the journey into the Now we will need to leave our analytical mind and its false created self, the ego, behind. We become connected to the indestructible essence of our Being, "The eternal, ever present One Life beyond the myriad forms of life that are subject to birth and death." Although the journey is challenging, Eckhart Tolle uses simple language and an easy question and answer format to guide us. A word of mouth phenomenon since its first publication, *The Power of Now* is one of those rare books with the power to create an experience in readers, one that can radically change their lives for the better.

**Pulling Down Strongholds** Dec 02 2019 IT'S TIME TO FIGHT BACK. Ever feel like there's an invisible force blocking you from stepping into your destiny? **Jesus Is Coming Soon** Jul 29 2019 Shakings, Signs, and the Return of Christ You are mentioned in biblical prophecy. You may not be mentioned by name, but you are included there. End-times prophecies speak of faithful followers of Jesus—called the “remnant”—who are ready for the last days and His return, but they also speak of those who are unprepared or fall away before His appearing. Which prophecy will you fulfill? **Jesus Is Coming Soon: Discern the End-Time Signs and Prepare for His Return** will help you be certain you are part of God’s remnant. The signs of the end of the age and Jesus’s appearing are evident in the physical and spiritual worlds. But most people, including Christians, have not recognized them. What signs has God given to announce the culmination of His purposes for the world? How can we discern them? How can we prepare? This book will unfold: The reason for the unprecedented natural and spiritual shakings in our world What the signs tell us, including unusual signs such as blood moons How God works according to seasons, eras, and the fullness of time How Jewish feasts point to the ages of man, accurately showing us God’s time clock Which imminent biblical signs and promises have yet to be fulfilled The judgments God is bringing to the earth God has given prophecies concerning Israel, the church, and the world. And His Spirit is disclosing His last-days purposes right now. We need to know how to receive the vital revelation and prophetic knowledge He wants to share with His people. When we have this foreknowledge, we can understand the times and prepare for His final plans for the earth. God intends the church to be a community of hope, revival, and

supernatural power in the midst of dark times. There is a spirit of confusion in the world today. People must turn to God for the answers only He can give, and the church needs to be ready to provide those answers. In these end times, you do not need to be fearful, discouraged, or distracted. Instead, you can know your true position in God before Christ's appearing. You can be joyfully prepared, watching and waiting in expectation, with your spiritual eyes open. Live in God's perfect will for your life and participate in His supernatural, last-days purposes!

Dynamic Spiritual Leadership Apr 05 2020 J. Oswald Sanders probes Scripture to elicit principles and factors that inspired the dynamic spiritual leadership of Paul and the other apostles in the halcyon days of the church. Paul's letters reveal a frail, fallible man--one who fell and rose again--someone who can speak to our need. Because spiritual principles are timeless, we can learn to apply them to our own situations.

**The Master's Plan for the Church** Mar 29 2022 It is absolutely essential that a church perceive itself as an institution for the glory of God, and to do that, claims John MacArthur, the local church must adhere unfalteringly to biblical leadership principles. Christ never intended church leadership to be earned by seniority, purchased with money, or inherited through family ties. He never compared church leaders to governing monarchs, but rather to humble shepherds; not to slick celebrities, but to laboring servants. Drawing from some of the best-received material on church leadership, this updated edition guides the church with crucial, effective lessons in leadership. This book is valuable not only for pastors and elders, but for anyone else who wants the church to be what God intended it to be.

*The Incomparable Christ* Sep 10 2020 Author J. Oswald Sanders, a lawyer turned 20th century missionary statesman, follows Jesus from His pre-existence to His earthly life and coming Second Advent. Throughout he upholds Jesus as the powerful and perfect Savior of the world, arguing against any who would diminish His uniqueness.

*Spiritual Discipleship* Aug 02 2022 “Take time and trouble to keep yourself spiritually fit.” — 1 Tim. 4:7, J. B. Phillips Translation As J. Oswald Sanders points out, true discipleship is more than intellectual assent to a belief in Christ; it involves the whole person and lifestyle. True disciples pursue their Master. They know that God is watching over their faith, but they also take Scripture’s command seriously: “work out your own salvation with fear and trembling, for it is God who works in you.” They take pains, by His power, to look more and more like Jesus. This book will help you to be such a disciple. It examines Jesus’ teaching on what it means to follow Him, helping you become the kind of Christian Jesus wants you to be—not one devised by man or even other Christians. You’ll learn: The profile of an ideal disciple  
Conditions for discipleship  
The tests that disciples endure  
How disciples pray and grow  
The posture and practices of a disciple  
And more  
For anyone who wants to be not just a believer in Christ, but an imitator of Him, this book is a treasured resource. Includes questions for reflection, ideal for both individual and group study.

Preacher and Prayer Mar 05 2020 We are constantly on a stretch, if not on a strain, to devise new methods, new plans, new organizations to advance the Church and secure enlargement and efficiency for the gospel. This trend of the day has a tendency to lose sight of the man or sink the man in the plan or

organization. God's plan is to make much of the man, far more of him than of anything else. Men are God's method. The Church is looking for better methods; God is looking for better men.

*The Souls of Animals* May 19 2021 Why do elephants bury their dead? What makes birds sing and cranes dance? Do animals appreciate art? Do they know the difference between right and wrong? Do they experience awe and wonder? In this revised second edition of his celebrated book, Reverend Gary Kowalski combines heartwarming stories with solid science to show that other creatures are not insensitive objects devoid of feeling and intellect but thinking, sentient beings with an inward, spiritual life.
