**Dental Wear in Evolutionary and Biocultural Contexts** Oct 14 2021 Teeth wear down as they are used for a number of functions in life including mastication and non-masticatory activities, such as using them as tools to hold objects in the mouth. Dental wear has been studied for decades at both macroscopic and microscopic levels. However, to date, no volume has been produced that is devoted specifically to dental wear. *Dental Wear in Evolutionary and Biocultural Contexts* provides a single source that disseminates current state-of-the-art research regarding dental wear across a variety of hominoid species, and under a number of temporal and spatial contexts. The volume begins with a brief introductory chapter addressing the general history, understandings, and approaches to the study of dental wear. The remaining chapters in the first half of the volume are dedicated to dental macrowear, and the chapters in second half are dedicated to dental microwear. The primary audience for this volume are students and professionals in anthropology, specifically paleoanthropologists, bioarchaeologists, archaeologists, and primatologists. It may also be attractive to dentists and other dental professionals interested in dental function. Covers a wide range of topics including method and theory, macrowear and microwear in primates and fossil hominins Highlights several recent technological innovations, including occlusal fingerprinting, considerations of enamel mechanical properties, and microwear texture Includes case studies from archaeological populations

*Nina Garcia's Look Book* Mar 27 2020 "We must all listen to Nina Garcia. Sharp and genuine, her advice can make or break an outfit." -Tim Gunn, Fashion Consultant and Mentor of Project Runway Believe me-there's pressure when you're deciding what to wear to a meeting with an iconic fashion designer or a member of the press. It can be terrifying. But instead of panicking, I stop, take a deep breath, and remember that I speak "fashion." And by the time you have read this book, you'll be able to speak the language of fashion too, at all the key moments of your life. - from *Nina Garcia's Look Book* Every woman, at one time or another, has contemplated an all-important job interview, first date, formal party, or important presentation and wailed to herself and to her closest girlfriends, "What should I wear?" In *Nina Garcia's Look Book*, style guru Nina Garcia solves this universal quandary with an

inspired and unbeatable combination of fashion knowledge and common sense. She shows us the pieces, the accessories, and the strategies to create the looks that will take us from the first day on a job through the day we ask for a raise and beyond, from the first time we meet our boyfriend's parents (or his children) through the day we see our own children walk down the aisle. With Nina by your side, you can't go wrong. You'll have all the tips you will need to navigate every day looking your best. True style is not about having a closet full of expensive and beautiful things-it is instead about knowing when, where, and how to utilize what you have.

Stylish Dress Book Apr 08 2021 Japanese craft books are loved the world over for their beautiful and practical design, unique aesthetic, and their clear, meticulous and educational instruction. Translated into English for the first time, Stylish Dress Book contains 26 projects for beautiful dresses and blouses. Elegant and loose-fitting, the pieces in this book are designed to be worn in any season and are suitable for women of all ages. The easy-to-follow instructions are accompanied by detailed diagrams and gorgeous full-colour photographs. The full-sized pattern sheets have been adapted for Western sizing and run from AU 6 - 16. **IMPORTANT CORRECTION:** Correction: The sleeve pattern piece for Dress Y, pictured p. 34, How to Make p. 82, is missing from the pattern sheet. Click the link in the left side navigation pane to download the Y Sleeve pattern piece.

**Wear No Evil** Jul 31 2020 Have you ever wondered, "How can I inherently do good while looking good?" Wear No Evil has the answer, and is the timely handbook for navigating both fashion and ethics. It is the style guide with sustainability built in that we've all been waiting for. As a consumer, you regain your power with every purchase to support the causes and conditions you already advocate in other areas of your life (such as local or organic food), while upholding your sense of self through the stylish pieces you use to create your wardrobe. Featuring the Integrity Index (a simplified way of identifying the ethics behind any piece of fashion) and an easy to use rating system, you'll learn to shop anywhere while building your personal style and supporting your values- all without sacrifice. Fashion is the last frontier in the shift towards conscious living. Wear No Evil provides a roadmap founded in research and experience, coupled with real life style and everyday inspiration. Part 1 presents the hard-hitting facts on why the fashion industry and our shopping habits need a reboot. Part 2 moves you into a closet-cleansing exercise to assess your current wardrobe for eco-friendliness and how to shop green. Part 3 showcases eco-fashion makeovers and a directory of natural beauty recommendations for face, body, hair, nails, and makeup. Style and sustainability are not mutually exclusive. They can live in harmony. It's time to restart the conversation around fashion—how it is produced, consumed, and discarded—to fit with the world we live in today. Pretty simple, right? It will be, once you've read this book. Wear No Evil gives new meaning—and the best answers—to an age-old question: “What should I wear today?”

Dress With Grace Jun 29 2020 The story tells of Len, a miner; his wife Emily; two sons, Jimmy and Arthur; and twin daughters Grace and Ellen. A mining accident leaves Len and Jimmy jobless, and to make ends meet, Emily has to work. The Great War sees the young ones enlist and heartbreak when one is reported missing. A young doctor appears after the war is over and sees the family through an unpleasant experience. Grace has a dream that has always with her. Will it come true? Will she achieve her ambition? She moves to London to find out where she

meets people who wish to help but setbacks depress her. However, unforeseen forces are building to help her.

**Style Bible** May 09 2021 First impressions (and second ones!) count, whether you are an intern or a CEO. Lauren A. Rothman addresses an age-old dilemma: how to be appropriate and stylish in the workplace. Based on a decade of experience in the fashion industry, she addresses the basics of fashion and executive presence by offering advice, anecdotes, and style alerts that help readers avoid major fashion faux pas at the office. *Style Bible: What to Wear to Work* is the must-have resource for the modern professional, male or female, climbing the ladder of success. Lauren identifies the ultimate wardrobe essentials, and reveals shopping strategies and destinations for the everyday person. *Style Bible*, complete with helpful illustrations, is the go-to manual on how to dress for every professional occasion and a valuable resource for understanding dress codes by industry, city, and gender so that your visual cues will make a strong impact. Make a commitment to being better dressed at work with *Style Bible*.
