Unveiled Truth Aug 24 2022 What Woman Would Willingly Move to Afghanistan? No woman in her right mind would choose to live in war-ravaged, male-dominated Afghanistan unless she had the golden opportunity to lead the best school in the country. The how, when, and why make for a captivating and insightful story. *Unveiled Truth* pulls back the curtain of distant cultures and reveals the challenge of overseas living. With humor and transparency, Gail shares dramatic scenes from her seven years in Kabul and unveils the lessons she learned. The Truth Unveiled Oct 26 2022 Islam is a religion that inculcates the importance of being loyal to the country in which one lives. Hazrat Mirza Ghulam Ahmad, peace be upon him, the Promised Messiah and Mahdi, and Founder of the Ahmadiyya Muslim Community, always taught the same to his followers. However, Maulvi Muhammad Husain of Batala, a staunch opponent, sought to defame the author by sending false reports to the government alleging that the Promised Messiah, peace be upon him, was a man who secretly conspired against the state. Against this backdrop, the author was moved to pen this treatise, in which he outlines his own family background and the long-standing services of his family in support of the British government. He also presents a succinct summary of the teachings of his community. Moreover, the author explains that Muslims who believe in the return of a violent Mahdi who would forcibly convert the world to Islam could not be further from the truth.
