The ONE Thing Dec 14 2020 • More than 500 appearances on national bestseller lists • #1 Wall Street Journal, New York Times, and USA Today • Won 12 book awards • Translated into 35 languages • Voted Top 100 Business Book of All Time on Goodreads People are using this simple, powerful concept to focus on what matters most in their personal and work lives. Companies are helping their employees be more productive with study groups, training, and coaching. Sales teams are boosting sales. Churches are conducting classes and recommending for their members. By focusing their energy on one thing at a time people are living more rewarding lives by building their careers, strengthening their finances, losing weight and getting in shape, deepening their faith, and nurturing stronger marriages and personal relationships. YOU WANT LESS. You want fewer distractions and less on your plate. The daily barrage of e-mails, texts, tweets, messages, and meetings distract you and stress you out. The simultaneous demands of work and family are taking a toll. And what's the cost? Second-rate work, missed deadlines, smaller paychecks, fewer promotions--and lots of stress. AND YOU WANT MORE. You want more productivity from your work. More income for a better lifestyle. You want more satisfaction from life, and more time for yourself, your family, and your friends. NOW YOU CAN HAVE BOTH — LESS AND MORE. In *The ONE Thing*, you'll learn to * cut through the clutter * achieve better results in less time * build momentum toward your goal* dial down the stress * overcome that overwhelmed feeling * revive your energy * stay on track * master what matters to you *The ONE Thing* delivers extraordinary results in every area of your life--work, personal, family, and spiritual. WHAT'S YOUR ONE THING?

Who Invented the Stepover? May 31 2022 Have you ever wondered who invented the 4-4-2 formation? Why footballers used to celebrate success by releasing a platitudinous pop single? And who has really scored the most goals in the history of the game? You can find the answers to all these questions and more in a book which takes the time to consider the debt the stepover may owe to Dutch speed skaters, explores the most surprising world transfer record and celebrates the most dysfunctional World Cup campaign ever. Through a series of answers to puzzling and perennial questions, the book sheds unexpected light on the beautiful game, challenging conventional wisdom, discovering neglected heroes and destroying a few urban myths along the way.

Glen Jan 03 2020 Biography of Glen Orrin Richardson, son of Justin V. and Hortense Earl Richardson, compiled by Hope R. Barrowes. Cover design and book layout by Samuel Richardson, owner of Silver Storm Imaging and Printing. Contains Glen's journal entries, letters he's written and his

achievements. Also contains writing to or about him by his family and friends. Included is a scrapbook of his life.

Strikers Instinct Jul 01 2022 Harry Green and Luke Linden grew up in the same small Lancashire town but their paths only really crossed when they were thrown together by a violent incident at university. The two became lifelong friends and after years apart building separate careers, they both meet again in the town of their birth. Harry is now Dr. Green - on the verge of an amazing medical discovery - and Luke is the former successful head of a large IT company who is now looking for a new challenge, but faces accusations that he has forgotten his roots. A unique opportunity arises which means that the two friends can work together to achieve their aims against the backdrop of their shared love for their local football team. The action moves from the boardroom to the football pitch and involves betrayal and devotion. Luke uses skills he has developed throughout his adult life to help protect his family, his friend and the way of life his father held so dear. The final stakes are worth millions - but the human cost could be inestimable.

Goal Planning Strategies That Truly Work Oct 31 2019 What are a few of your greatest goals in life? To slim down? To take in more revenue? To be in your dream vocation? To assemble your own business? Would you love to live in abundance? To be in the best health? To find your life mate? To have a loving household? For any of these goals, have you ever experienced the resolve to accomplish it, commit resources toward it, work at it for an long time period, only to have it flop finally? Suppose you've a goal to slim down and you decide to cast off 30 lbs. You begin great, cutting back the amount of food you consume. You likewise begin a workout regimen. Daily, you assess your weight to track your advancement. Inside the first few days, you begin realizing a decrease in your weight. Jubilant, you carry on what you've been doing, but it appears that your activities have lost their effectiveness as your weight loss has stopped. If anything, it appears to be increasing somewhat compared to your lowest weigh-in. You get disheartened. You begin to free and overeat, reconciling that it's never possible for you to accomplish the goal as it's in your genes or you simply don't have the self-control. You start to lie to rest the whole whim of weight loss. Predictably, you begin to acquire back all the weight you shed and more. This makes you even more downhearted and you begin consuming still more. At some stage down the road, you get another urge to slim down. You start up the goal pursuit once more, more determined than ever. Nevertheless, past events duplicate themselves and soon you're back where you began, if not in a sorrier place. Does this blueprint of behavior go for to any of the goals you've determined to achieve previously? Being intertwined in a ceaseless cycle of setting the goal and attempting to accomplish it, but never quite reaching it? At this point in time, you feel heartsick. You reconcile that you're not meant to accomplish this goal and choose to center your energy on something else... Well help is here.

Fulham Match of My Life Feb 25 2022 Fifteen of Fulham's biggest names reflect on their most memorable games during their careers with the club. From fifties legend Tosh Chamberlain and World Cup winner George Cohen through to current club captain Danny Murphy and Europa League hero Simon Davies - others include Tosh Chamberlain, Steve Earle, John Mitchell, Les Strong, Gordon Davies, Roger Brown, Ray Lewington, Jim Stannard, Rodney McAree, Simon Morgan, Sean Davis and Lee Clark. With a foreword by the late Johnny Haynes, the finest player to wear the white of Fulham, Match of My Life is an absorbing look back at some of the great games in club's history. Key features- Part of the popular and successful Match of My Life series which features a number of football clubs- Features twelve of Fulham's greatest names, reflecting on their most memorable match for the club- Also details those players' cherished memories from their time with the club, the players they played with and the managers they served- Includes contemporary and historic images from the legendary matches covered- Written by respected football writer and author Michael Heatley, who has written a number of books on football

I Wonder Why Jul 09 2020 From the early childhood on, we are conditioned to try to earn as much money as possible. Only a very few people make it to the point of becoming financial independent. In this rat race of getting more and more things, do we still realize what the real purpose of life

could be? We have entered a time of great uncertainty. Many nations are close to insolvency. Currencies lose value over night. Nations who embraced socialism have no money to support their illusion. People like you and me will ask the question: I wonder why I am always broke? Where are you today? Are you one of the few who have been preserved from being broke? When will you lose or have to give up your wealth? Daniel has studied the Word of GOD. He has seen a lot of things in this fallen world which do not add up and which do display corruption to the highest degree. Does GOD have a plan? Does the Bible teach a prosperity Gospel? More than ever before are believers and non-believers confused about the teaching of the Bible about wealth. Does the Bible really predict an economical collapse of unmeasureable proportions? Find out what Daniel discovered where true wealth can be found. Are you prepared for the things that will strike this earth? Where is your faith?

Perry Groves' Football Heroes Sep 03 2022 Following the success of his autobiography, everyone's favourite cult football icon Perry Groves is back, pen in hand, to deliver his latest opus. "Perry Groves' Football Heroes" is his collection of the twenty players he has idolised in front of the television, marvelled at from the stands, tussled with on the pitch and drank with in the bar. Pele's in there, so is Bobby Moore...and what all-time player list would be complete without Terry Hurlock? More than just a collection of great players, Perry explains in his own inimitable way exactly why these players made the cut. So, while Pele would make everyone's list for his amazing goal-scoring feats, Perry can't help but admire the Brazilian's drug of choice - Viagra - to guarantee he still keeps scoring despite pushing 70! From Cryuff's turn and 20-a-day habit to Brazilian maestro Ronaldinho, who still manages to be the best player in the world despite being a fixture on the Barcelona party circuit; and from the flamboyant skills, poetry and kung-fu fighting of Eric Cantona to the va-va-voom of Thierry Henry, Perry has a host of great players from the history of the game - from the 1960s up to the present day - and from all corners of the globe. Packed full of facts and uproarious stories from the man himself, "Perry Groves' Football Heroes" is guaranteed to have you believing, just for a little while, that We All Live in a Perry Groves World. This is an engaging and hilarious collection of football heroes by a true football hero.

Smithsonian Stories Nov 24 2021 Why is the Smithsonian more than the "Nation's Attic?" Or more than a museum complex? As Wilton S. Dillon shows, the Smithsonian came to be the institution we know today under the twenty-year leadership of "Sun King" S. Dillon Ripley. Ripley aspired to reinvent the Smithsonian as a great university—with museums. Although little understood by the public at large, it began as a basic research center. The Smithsonian remains a key contributor to the world of higher learning and functions diplomatically as the ministry of culture for the United States. Dillon provides backstage insights into Ripley's quest for the wholeness of knowledge. He describes how he inspired its role as a "theater of ideas as well as artifacts." Under his tutelage, the National Mall became a playground for world intelligentsia, an "intellectual free trade zone" in the shadow of the nation's political capital. Dillon reminds us that interdisciplinary, international Smithsonian symposia foreshadowed twenty-first-century issues and trends. His descriptions of the educational rewards of balancing tradition with the avant-garde are inspiring. As Dillon reminds us, Ripley's twenty-year reign may well have helped spark the waning embers of the Enlightenment.

Savage! May 19 2021 Robbie Savage could have been just another Manchester United reject. Instead, he used the Old Trafford scrapheap as a springboard to become one of the most instantly recognisable footballers in the Premier League, despite being told by Sir Alex Ferguson he was not good enough to stay in the class of '92 alongside David Beckham, Paul Scholes, Ryan Giggs, Nicky Butt and Gary Neville. For the last 16 years, Savage has carved out a reputation as a hard man and wind-up merchant with an unerring ability to grab a headline. From deliberately getting Tottenham's Justin Edinburgh sent off in a Wembley Cup final to the 'Jobbiegate' row with referee Graham Poll and the bust-ups with John Toshack, Rio Ferdinand, Graeme Souness and Paul Jewell, the list is endless. Yet numerous footballing legends will testify to the skill of the midfielder, who has starred for Crewe, Leicester, Birmingham, Blackburn and Derby and won 39 international caps for Wales. Behind the long blond hair, the Armani

tattoo and the flamboyant cars, Savage has always been the heartbeat of his team. Savage! provides a unique insight into the extraordinary life of an elite sportsman, a colourful character and loving family man. Love him or loathe him, Robbie Savage's story is a remarkable one.

Intermedial Theater Sep 10 2020 This book explores relationships between intermedial theater, consciousness, memory, objects, subjectivity, and affect through productive engagement with the performance aesthetics, socio-cognitive theory, and critical methodology of transversal poetics alongside other leading philosophical approaches to performance. It offers the first sustained analysis of the work of Gilles Deleuze, Félix Guattari, Jean Baudrillard, and Friedrich Nietzsche in relation to the contemporary European theater of Jan Lauwers and Needcompany, Romeo Castellucci and Societas Raffaello Sanzio, Thomas Ostermeier, Rodrigo García and La Carnicería Teatro, and the Transversal Theater Company. It connects contemporary uses of objects, simulacra, and technologies in both posthumanist discourse and postdramatic theater to the transhistorically and culturally mediating power of Shakespeare as a means by which to discuss the affective impact of intermedial theater on today's audiences.

Danish Dynamite Aug 22 2021 The Denmark side of the 1980s was one of the last truly iconic international football teams. Although they did not win a trophy, they claimed something much more important and enduring: glory, and in industrial quantities. They were a bewitching fusion of futuristic attacking football, effortless Scandinavian cool and laid-back living. They played like angels and lived like you and I, and they were everyone's second team in the mid-1980s. The story of Danish Dynamite, as the team became known, is the story of a team of rock stars in a polyester Hummel kit.

Heralding from a country with no real football history to speak of and a population of five million, this humble and likeable team was unique. Everyman off the field and superheroes on it, they were totally of their time, and their approach to the game was in complete contrast to the gaudy excess and charmless arrogance of today's football stars. That they ultimately imploded in spectacular style, with a shocking 5-1 defeat to Spain in the 1986 World Cup in a game that almost everyone expected them to win, only adds to their legend. For the first time in English, Danish Dynamite tells the story of perhaps the coolest team in football history, a team that had it all and blew it in spectacular style after a live-fast-die-young World Cup campaign. Featuring interviews with the players themselves, including Michael Laudrup, Preben Elkjær and Jesper Olsen, as well as with those who played or managed against them, this is a joyous celebration of one of the most life-affirming teams the world has ever seen.

The Ultimate Dinosaur Book for Kids Apr 05 2020 The Ultimate Dinosaur Book for Kids Welcome to the exciting world of dinosaurs! In this colourful dinosaur book, best-selling non-fiction author Jenny Kellett, has compiled only the very best dinosaur facts illustrated with detailed color images of some of the biggest and most fascinating creatures to roam our planet. With 20+ details dinosaur pictures, even early readers will enjoy The Ultimate Dinosaur Book for Kids- as well as adults! Perfect for teaching children to read, while letting them learn about the fascinating world of dinosaurs -The Ultimate Dinosaur Book for Kids is ideal for long car journeys and bedtime reading. Scroll up and click Buy Now and help your child become a dinosaur fact expert in no time!

Lost? Aug 02 2022 As Liverpool F.C. reach their 125th anniversary, amidst the celebrations, doubts persist. Are they still elite? Can their prolonged title drought be ended? Foreign owners say they came to win but the trophy cabinet lies bare. Where to next for the reds? Lost? explores the gloried past, the moneyed present and the uncertain future of both Liverpool F.C. and the English game at large. Have they lost their way? Liverpool F.C.'s most famous manager, Bill Shankly, declared that the club 'exists to win trophies' and for many years this maxim proved true, as Liverpool became

one of the most successful clubs in European football and dominated the scene in England for over two decades. Yet recently, the victories have dried up and Liverpool have not won the league title in over a quarter of a century. Football is also in a state of flux as major TV deals have made the Premier league the wealthiest in the world, but the gap between the elite clubs and those striving to catch up widens. Has the game lost its soul? Who will rise and who will fall as a new uncharted era in football unfolds? *Lost?* captures exclusive interviews with key figures including former Liverpool managers, Brendan Rogers and Roy Evans, the Shankly family and a whole host of footballing legends, past and present. The book also includes reflective pieces on an array of Premier League clubs from both a sporting and cultural perspective, looking not just at the team in isolation, but also at the communities and landscapes that shape them

Pompey Mar 17 2021 At the start of the 2019–20 League One season, award-winning sports reporter Neil Allen set out to follow the fortunes of a team in the hunt for promotion. By the time it came to an end, the football almost felt like an afterthought. Covering the highs and lows of a season like no other, Allen offers an exclusive insight into a club and a fanbase that has known more hardship than most, exploring the vital role a football club plays when the football is taken away. Given unparalleled access, Allen interviews current players and club legends, the fans who saved the club in 2013 and those now tasked with ensuring its survival. The essential profile of Portsmouth Football Club, its fans and its recent history.

The Kindergarten Magazine Apr 29 2022

Certain Personal Matters Jun 07 2020 The world mends. In my younger days people believed in mahogany; some of my readers will remember it a heavy, shining substance, having a singularly close resemblance to raw liver, exceedingly heavy to move, and esteemed on one or other count the noblest

Human Spatial Navigation Feb 02 2020 The first book to comprehensively explore the cognitive foundations of human spatial navigation Humans possess a range of navigation and orientation abilities, from the ordinary to the extraordinary. All of us must move from one location to the next, following habitual routes and avoiding getting lost. While there is more to learn about how the brain underlies our ability to navigate, neuroscience and psychology have begun to converge on some important answers. In *Human Spatial Navigation*, four leading experts tackle fundamental and unique issues to produce the first book-length investigation into this subject. Opening with the vivid story of Puluwat sailors who navigate in the open ocean with no mechanical aids, the authors begin by dissecting the behavioral basis of human spatial navigation. They then focus on its neural basis, describing neural recordings, brain imaging experiments, and patient studies. Recent advances give unprecedented insights into what is known about the cognitive map and the neural systems that facilitate navigation. The authors discuss how aging and diseases can impede navigation, and they introduce cutting-edge network models that show how the brain can act as a highly integrated system underlying spatial navigation. Throughout, the authors touch on fascinating examples of able navigators, from the Inuit of northern Canada to London taxi drivers, and they provide a critical lens into previous navigation research, which has primarily focused on other species, such as rodents. An ideal book for students and researchers seeking an accessible introduction to this important topic, *Human Spatial Navigation* offers a rich look into spatial memory and the neuroscientific foundations for how we make our way in the world.

Mister Lee's Fantastic Football Dream Sep 30 2019 Singaporean teenager Lee Jun Yong dreams of becoming a professional footballer. Growing up in a family of humble means, in the shadow of Bedok Stadium, the sixteen-year-old is unsure what the future has in store for him. Then one day a chance encounter and some fancy footwork lead to a trial with local professional soccer team Geylang United and suddenly it seems as if Jun Yong's dream is about to come true. Armed with his grandfather's Tiger Balm and qi gong training, can Jun Yong make the under-18 national squad and represent his country against Australia? Teenage soccer fans worldwide will delight in Jun Yong's football skills, despair at his dating skills, and

empathise with his struggle to overcome hardships and make his fantastic football dream become reality.

Wonder Goal! Oct 04 2022 Like many children all over the world, a small boy dreams of winning the World Cup! But in the meantime, scoring the perfect, time-stopping goal would be just fine. And once you've done that, who knows what the future might hold? 'A perfectly paced story about passion, dedication and what they might bring, accompanied by Foreman's tender drawings... You might say he has the hand of God... Vital reading for aspiring Harry Kanes everywhere.' THE TIMES (Book of the Week) 'Michael Foreman deserves all the applause he gets.' INDEPENDENT *Basta* Jan 27 2022 ***** Shortlisted for International Autobiography of the Year in the Telegraph Sports Book Awards 2021 'This account is often poetic and sometimes haunting.' - FourFourTwo Triple European Footballer of the Year. Once World Footballer of the Year. European Champion two UEFA Super Cups, European Champion with the Dutch National Team in 1988 and numerous national championships with both Ajax and AC Milan. Marco van Basten is known as one of the greatest footballers of all time, but his personal life has always remained somewhat of a mystery, until now. *Basta* is the raw, honest, but above all gripping autobiography of Marco van Basten. It's the unfiltered story of his rise to fame, from being under the wing of Cruyff and experiencing life as an Ajax player to being propelled into the spotlight following Euros '88 - and scoring the greatest goal ever to win a major final - and playing for AC Milan at the peak of Italian football's popularity. But despite countless successes, Marco van Basten experienced many low points, including losing a childhood friend, battling with pain after his numerous fluffed operations, and ultimately coming to terms with life after playing football. *Basta* is his story.

Contemporary Authors New Revision Series Mar 05 2020 In response to the escalating need for up-to-date information on writers, Contemporary Authors® New Revision Series brings researchers the most recent data on the world's most-popular authors. These exciting and unique author profiles are essential to your holdings because sketches are entirely revised and up-to-date, and completely replace the original Contemporary Authors® entries. For your convenience, a soft-cover cumulative index is sent biannually.

Wonder Nov 12 2020 As the town of Appleton is rocked by the death of a teenager, the high school year begins under a dark shadow. Brandon continues to pursue Marvel while trying to discover what she believes will happen to her. It's easy to fall more in love with her. It's easy to forget she thinks God told her she will have to sacrifice herself to save others. But Brandon can't forget about the shapeless evil that seems to watch him around corners and seep through the streets of his town. Strange things start to occur to Brandon. He starts looking for clues about the dead student, thinking this might be related to whatever evil Marvel is talking about. He also continues to battle against the guys picking on a nerdy senior named Seth Belcher. Marvel falls in love with Brandon, and he truly accepts her faith even though he doesn't understand what to make of it. Something is growing in the darkness. Something is coming. Will Brandon be able to stand up against the malice that draws ever closer? Will he be able to save Marvel from the horrors to come?

Make LIFE Work For YOU! Aug 10 2020

Don't Rub 'Em, Count 'Em Feb 13 2021 An anecdotal memoir of being born and growing up in Tottenham. These are stories and tales written by a working-class boy who was brought up by working-class parents half a mile from Tottenham Hotspur's White Hart Lane Ground. Parents who might be considered poor but were extremely loving and of high moral standards. By the author's own admission, and with all due respect to his teachers, his education was not the best it might have been. It really just passed him by, mostly due to his obsession with his dream of being a professional footballer. A dream he did not quite achieve, albeit with the consolation that he became a scout, later in life, for his beloved Tottenham Hotspur. A biography full of the stories the author remembers from over sixty-five years of playing and being involved with the game. And with his other great love of music. The banter of the club houses and the pubs after the game. The ups and downs of being an ardent fan of Tottenham Hotspur

supporting them through 'thick'n thin, good and bad'. The author hopes to show what a great life it can be being involved with the 'grass roots' of football.

The Lost Chronicle Dec 26 2021 Polarbear is one of the most influential poets of his generation. The work collected here is the work that made his name. These poems have racked up hundreds of thousands of views online, lodging themselves in the hearts and minds of readers and audiences alike. His particular gift is for the many kinds of music a line can contain. He marries the intricate, compulsive, rhyming strategies of rap with the schanachie's gift for telling a story and the saxophonist's flair for bending the possibilities of sound.

Stevie Wonder's Songs in the Key of Life Jun 27 2019 Like all double albums, *Songs in the Key of Life* is imperfect but audacious. If its titular concern - life - doesn't exactly allow for rigid focus, it's still a fiercely inspired collection of songs and one of the definitive soul records of the 1970s. Stevie Wonder was unable to control the springs of his creativity during that decade. Upon turning 21 in 1971, he freed himself from the Motown contract he'd been saddled with as a child performer, renegotiated the terms, and unleashed hundreds of songs to tape. Over the next five years, Wonder would amass countless recordings and release his five greatest albums - as prolific a golden period as there has ever been in contemporary music. But *Songs in the Key of Life* is different from the four albums that preceded it; it's an overstuffed, overjoyed, maddeningly ambitious encapsulation of all the progress Stevie Wonder had made in that short space of time. Zeth Lundy's book, in keeping with the album's themes, is structured as a life cycle. It's divided into the following sections: Birth; Innocence/Adolescence; Experience/Adulthood; Death; Rebirth. Within this framework, Zeth Lundy covers Stevie Wonder's excessive work habits and recording methodology, his reliance on synthesizers, the album's place in the gospel-inspired progression of 1970s R'n'B, and many other subjects.

Luton Town Sep 22 2021 The Hatters' battle through five horrendous and eventful years in Non-League Football to return to the Football League.

Wonder Goal! Nov 05 2022 Like many children all over the world, a small boy dreams of winning the World Cup! But in the meantime, scoring the perfect, time-stopping goal would be just fine. With a stirring, simple text and glorious watercolors, this picture book captures both the drama and the magic of the most popular game in the world.

Just Some Memories Dec 02 2019 What is it that others say? You are old, and you are blessed. Your life has been long, at least in years. But as I grow old, I see life as things I missed and need yet to do. It is not as long as once I thought. What does one think about when he retires and looks back on life? In a thoughtful compilation of poems and remembrances, Hilton Mollenhauer poetically explores his life, thoughts, and many memories. His diverse verse includes reflections on God, death, the gifts of nature, the pains of age, and the gentle words of a sophist. Included are short notes and introspective perspectives on life overall as well as the potential challenges we all may face at one time or another in today's world. *Just Some Memories* is a collection of poetry and other writings that record one man's life and thoughts as he reflects on his diverse experiences.

The Eighth Wonder Jul 29 2019

The David Beckham Quiz Book Jun 19 2021 David Beckham's name is known around the globe but he wasn't always the polished ambassador for his country that he is today. popular and recognisable footballers of all time.

Brainball May 07 2020 This book gives the reader a wealth of background knowledge in both theater and inquiry based education and also lays out lesson plans that are easy to follow.

The Kindergarten-primary Magazine Mar 29 2022

Horse Sense Oct 12 2020 In *Horse Sense*, the authors convert their marketing principles into personal principles and pitch their book at a wide range of general readers who want to succeed - whether in their careers or in their personal lives.

Esther the Wonder Pig Jan 15 2021 Unlikely pig owners Steve and Derek got a whole lot more than they bargained for when the designer micro piglet they adopted turned out to be a full-sized 600-pound sow! This funny, inspirational story shows how families really do come in all shapes and sizes. In the summer of 2012, Steve Jenkins was contacted by an old friend about adopting a micro piglet. Though he knew his partner Derek wouldn't be enthusiastic, he agreed to take the adorable little pig anyway, thinking he could care for her himself. Little did he know, that decision would change his and Derek's lives forever. It turned out there was nothing "micro" about Esther, and Steve and Derek had actually signed on to raise a full-sized commercial pig. Within three years, Tiny Esther grew to a whopping 600 pounds. After some real growing pains and a lot of pig-sized messes, it became clear that Esther needed much more space, so Steve and Derek made another life-changing decision: they bought a farm and opened the Happily Ever Esther Farm Sanctuary, where they could care for Esther and other animals in need. Funny, heartwarming, and utterly charming, *Esther the Wonder Pig* follows Steve and Derek's adventure--from reluctant pig parents to farm-owning advocates for animals. NEW YORK TIMES BESTSELLER AMAZON BEST BOOK OF THE YEAR

Positive Affirmations (1508 +) to Love Yourself and Your World Apr 17 2021 The Miracle! In this book Nicholas presents you a practical, unique, subliminal, very simple, detailed method of how to Love Yourself and Your World. You will feel the effects immediately and the results will appear very quickly! So it was in my case. You will not achieve fulfillment and happiness until YOU become the architect of your own reality. Imagine that with a few moments each day, you could begin the powerful transformation toward complete control of your own life and well being through this unique, subliminal method combined with positive affirmations. The order of words is extremely important for every book written by Nicholas. These are arranged to be traversed in a certain way so as to eliminate certain blockages in the human being, blockages that are bringing disease or failure on various plans. You don't need a big chunk of your time or expensive programs. Everything is extremely simple! Health, money, prosperity, abundance, safety, stability, sociability, charisma, sexual vitality, erotic attraction, will, optimism, perseverance, self-confidence, tenacity, courage, love, loving relationships, self-control, self-esteem, enthusiasm, refinement, intuition, detachment, intelligence, mental calm, power of concentration, exceptional memory, aspiration, transcendence, wisdom, compassion. You have the ability to unlock your full inner-potential and achieve your ultimate goals. This is the age-old secret of the financial elite, world class scholars, and Olympic champions. For example, when you watch the Olympics, you'll find one consistency in all of the champions. Each one closes their eyes for a moment and clearly affirms & visualizes themselves completing the event flawlessly just before starting. Then they win gold medals and become champions. That's merely one example of how the real power of mind can elevate you above any of life's challenges. By reading this book, you will feel totally that life deserves to be lived and enjoyed every moment and that everything that you propose for yourself becomes easy for you to fulfill. Nicholas will guide you to touch your longed-for dream and will make you see life from a new perspective, full of freshness and success. This book helps you step by step, in a natural way, in just 3 minutes a day, to change your misguided way of thinking and to Love Yourself and Your World. (NOTE: For good, Nicholas keep the price of the book as lower as he can, even if it is a hard work behind this project. A significant portion of the earnings from the sale of the book are used for these purposes: for

charity, volunteer projects, nature restoration, and other inspired ideas to do good where it is needed. If you can not afford to buy the book please contact Nicholas and he will give you a free copy.) You, also have a bonus in the pages of the book that makes you live your success by doing a seemingly trivial thing. You will feel the difference. Yes. The Miracle is possible! Get Your Copy Now!
