Heat To Obsession

Oct 12 2020 From the best-selling author of *Pretty Killer*, *No Justice*, and *12* comes *Heat To Obsession*, a gripping new stand-alone thriller by Nolon King.

Superstar chef Amanda Byrd had it all -- a loving husband, two beautiful kids, and a critically-acclaimed restaurant -- until her epic meltdowns caused her marriage to implode. After a humiliating year of therapy and eating crow, her husband Mike has agreed to take her back, as long as she

continues to keep her inner diva in check. Amanda's guilty secret: during that year of separation, she had an affair with the talented young chef, Noah, who worked in the hotel where she stayed after Mike kicked her out. Nothing serious, just a fling that she broke off as soon as Mike let her come home. But her indiscretion comes back to haunt her when a Hollywood power couple offers Amanda her own cooking show -- with Noah as one of the cohosts. Her unsuspecting husband demands she say yes: Mike resents that Amanda's restaurant doesn't bring in what it used to, and private

school for two kids isn't cheap. It's soon clear that Noah hasn't given up on luring Amanda back into his bed. He's willing to destroy anything that stands between them: her family, her reputation, her career ... and maybe her sanity. A gut-wrenching, suspenseful thriller, *Heat To Obsession* is perfect for fans of Darcey Bell and Harlan Coban. Warning: *Heat To Obsession* is a tense psychological thriller that includes adult language and situations. While it is all within the context of the story, some readers may find this content offensive. Intended for mature audiences.

Heat Race Aug 10 2020 It’s been two hundred years since alphas could knot and omegas could get pregnant, since anyone has shifted. Today’s hybrids are more human than wolf, but there’s one tradition they’ve retained from their animal ancestry: the heat race. With omegas in short supply, the annual heat race is every alpha’s

chance to catch and claim an omega. Jack Henry stands at the starting line, undecided. He could conspire to be caught by his best friend and childhood sweetheart, Elias, but would Elias be alpha enough for him? Maybe he’d prefer to be claimed by Saul, the huge and handsome alpha he’s always had a crush on. Then Jasper shows up—a stranger dressed in leather who emits such strong alpha vibes Jack Henry is ready to give himself up before the race even begins. But Jasper’s an unknown entity, whose confidence might be indicative of a desire to control. Jack Henry can’t decide, and so

he runs, turning his fate over to fate itself as he’s pursued by all three of his suitors plus the one alpha he can’t abide—Lon, a violent and regressive man who won’t take no for an answer. Jack Henry is going to need more than one alpha to keep him safe. And to keep him satisfied. During a long night of danger and triumph, the Treehouse Pack is formed. But beyond the heat race lies an uncertain future. Jack Henry, Elias, Saul, and Jasper must each face their own insecurities, fight their own fights, and find their place in the pack as they navigate uncharted waters together.
