On the Reliability of the Old Testament Nov 01 2022 Draws upon a wide range of historical sources to examine the factuality of the Old Testament, arguing that the Bible's stories are firmly based on fact and refuting evidence from modern scholars who claim otherwise.

A Catholic Introduction to the Bible: The Old Testament Nov 28 2019 Although many Catholics are familiar with the four Gospels and other writings of the New Testament, for most, reading the Old Testament is like walking into a foreign land. Who wrote these forty-six books? When were they written? Why were they written? What are we to make of their laws, stories, histories, and prophecies? Should the Old Testament be read by itself or in light of the New Testament? John Bergsma and Brant Pitre offer readable in-depth answers to these questions as they introduce each book of the Old Testament. They not only examine the literature from a historical and cultural perspective but also interpret it theologically, drawing on the New Testament and the faith of the Catholic Church. Unique among introductions, this volume places the Old Testament in its liturgical context, showing how its passages are employed in the current Lectionary used at Mass. Accessible to nonexperts, this thorough and up-to-date introduction to the Old Testament can serve as an idea textbook for biblical studies. Its unique approach, along with its maps, illustrations, and other reference materials, makes it a valuable resource for seminarians, priests, Scripture scholars, theologians, and catechists, as well as anyone seeking a deeper understanding of the Bible.

Old Testament Law Jul 25 2019 Dale Patrick examines the first five books of the Bible--the Pentateuch--the Law. He provides an effective method for studying and understanding this vital part of the canon. His introduction concentrates on the exposition of the major thrust of Old Testament Law: the Ten Commandments, the Book of the Covenant, the Deuteronomic Law, the Holiness Code, and the Priestly Law. Law--rules and regulations, concepts and principles, legal codes--written and unwritten. Patrick tackles important questions surrounding the formation of the Law. What is the Law? How was it formulated? What implications does the Law of the Israelites have for Christians today? Patrick's deft handling and answering of these questions results in a book that provides a means to understand the specific rules governing the concepts and principles of the written law so that we may grasp the unwritten law; i.e., the justice, righteousness, and holiness required by God. Patrick offers critical exposition in a format that makes a seemingly difficult and esoteric part of the Bible accessible to the reader. This introductory text serves as a springboard to further study.

Jesus and the Old Testament Sep 30 2022

Commentary on the New Testament Use of the Old Testament Jun 27 2022 Leading evangelical scholars provide comprehensive commentary on every quotation, allusion, and echo of the Old Testament that appears in Matthew through Revelation.

The Old Testament and Ethics Oct 27 2019 The acclaimed Dictionary of Scripture and Ethics (DSE), written to respond to the movement among biblical scholars and ethicists to recover the Bible for moral formation, offered needed orientation and perspective on the vital relationship between Scripture and ethics. This book-by-book survey of the Old Testament features key articles from the DSE, bringing together a stellar list of contributors to introduce students to the use of the Old Testament for moral formation. It will serve as an excellent supplementary text. The stellar list of contributors includes Bruce Birch, Mark Boda, William Brown, Stephen Chapman, Daniel Harrington, and Dennis Olson.

Old Testament Theology for Christians Mar 25 2022 The Old Testament was written for us, but not to us. Inviting us to leave our modern Christian preconceptions behind, John Walton contends that we will only grasp the Old Testament's theology when we are immersed in its Ancient Near Eastern context, being guided by what the ancient authors intended as they wrote within their cognitive environment.

The Old Testament: Text and Context Jul 29 2022 This updated edition of a classroom standard provides an accessible introduction to the literature, history, and social context of the Old Testament.

Themes in Old Testament Theology Feb 09 2021 Studying the New Testament without a background in the Old is like listening to only the last movement of a great symphony. Unless we begin at the beginning, we miss the sense of developing themes and their subtle variations. To fully appreciate the music of the Bible, we need to listen to its early movements. William Dyrness helps us by providing a set of program notes to important Old Testament themes: the self-revelation of God, the nature of God, creation and providence, man and woman, sin, covenant, law, worship, piety, ethics, wisdom, the Spirit of God, prophecy and the hope of Israel. By attuning our ears to these themes, Dyrness sets us on a course of enriching study and increased understanding.

Handbook on the New Testament Use of the Old Testament Oct 20 2021 This concise guide by a leading New Testament scholar helps readers understand how to better study the multitude of Old Testament references in the New Testament. G. K. Beale, coeditor of the bestselling *Commentary on the New Testament Use of the Old Testament*, focuses on the "how to" of interpreting the New Testament use of the Old Testament, providing students and pastors with many of the insights and categories necessary for them to do their own exegesis. Brief enough to be accessible yet thorough enough to be useful, this handbook will be a trusted guide for all students of the Bible. "This handbook provides readers with a wonderful overview of key issues in and tools for the study of the use of the Old Testament in the New. I expect it to become a standard textbook for courses on the subject and the first book to which newcomers will be directed to help them navigate through these sometimes complex waters."--Roy E. Ciampa, Gordon-Conwell Theological Seminary

Hearing the Old Testament in the New Testament Jun 15 2021 How does the New Testament echo the Old? Which versions of the Hebrew Scriptures were authoritative for New Testament writers? The appearance of concepts, images, and passages from the Old Testament in the books of the New raises important questions about textual versions, allusions, and the differences between ancient and modern meaning. Presenting essays from a range of distinguished scholars, *Hearing the Old Testament in the New Testament* begins by laying out the foundational issues and then investigates the use of the Old Testament in specific segments of the New Testament. A concluding chapter by Andreas Kostenberger both questions and affirms the previous contributors' findings, offering much-needed direction for further inquiry into this vital area of biblical study.

The Old Testament Is Dying Mar 01 2020 The Old Testament constitutes the majority of the Christian Bible and provides much of the language of Christian faith. However, many churches tend to neglect this crucial part of Scripture. This timely book details a number of ways the Old Testament is showing signs of decay, demise, and imminent death in the church. Brent Strawn reminds us of the Old Testament's important role in Christian faith and practice, criticizes current misunderstandings that contribute to its neglect, and offers ways to revitalize its use in the church.

The Old Testament Apr 25 2022 This SCM Study Guide to the Old Testament guides the newcomer to Old Testament studies easily and smoothly through the myriad of interpretations of this ancient text. Explaining difficult concepts, and ensuring space for the reader to reflect independently on topics throughout, this accessible textbook is aimed specifically at those who want to make connections between their own experience and the Old Testament text in a way which enables each to be transformed by the other. It provides the reader with matter to reflect upon and presents Biblical text in a way that makes reflection - and understanding - possible.

Old Testament Theology Jan 11 2021 In the first volume of his three-volume Old Testament theology, John Goldingay is closely attentive to the First Testament's narrative, plot, motifs, tensions and subtleties. Telling the story of Israel's gospel as a series of divine acts, he gives readers fresh and challenging perspectives on God and God's ways with Israel and the world.

Introduction to the Old Testament Aug 25 2019 Applying Norman Gottwald's thesis on Israel's origins, Cereski argues that Israel was formed through a process of social revolution, inspired by the memory of runaway slaves and their worship of a God whose cult mandated radical social equality and justice.

Do We Need the New Testament? May 27 2022 While many Christians wonder whether we really need the Old Testament, John Goldingay turns the question around: Perhaps Jesus' Bible--the Old Testament--is enough. Goldingay probes our misreading of the Old Testament and brings out the richness of the "First Testament's" message as Israel's and the church's gospel.

The Cambridge Companion to the Hebrew Bible/Old Testament Mar 13 2021 This volume features an impressive array of leading biblical scholars and presents an illuminating and lively cross-section of this traditional field of study. Treating core topics and changing methodologies within twenty-three comprehensive chapters, this Companion provides an outstanding introduction to the historical origins and literary character of the canonical literature.

Old Testament Theology: The theology of Israel's historical traditions Jul 17 2021 This republication of a classic work contains a new introduction by Walter Brueggemann that places Gerhard von Rad's work within the context of German theology, Old Testament theology, and the history of interpretation of the Old Testament. In *Old Testament Theology*, von Rad applies the most advanced results of form criticism to develop a new understanding of the Bible. His original approach is now available once again in English. The Old Testament Library provides fresh and authoritative treatments of important aspects of Old Testament study through commentaries and general surveys. The contributors are scholars of international standing.

Toward Rediscovering the Old Testament Sep 26 2019 Understanding the Old Testament is the crucial problem for the Christian. The three parts of this book (the Old Testament and scholarship, the Old Testament and theology, and The Old Testament and life) present issues rarely discussed by Christians, as well as models and solutions for age-old dilemmas.

The Messiah in the Old Testament Dec 10 2020 This detailed chronological study by a noted scholar describes the unfolding Old Testament concept of Messiah.

The Old Testament in the Book of Revelation Aug 18 2021

Women in the Old Testament Jul 05 2020 Tells the stories of some of the women in the Old Testament of the Bible, including Sarah and Hagar, Samson's wife Delilah, Ruth and Naomi, Bathsheba, Queen Esther, and others.

Understanding the Old Testament Aug 06 2020 Presents a study of the Old Testament by interweaving historical, archeological, literary, and religious perspectives. The book traces the story of the people of Israel from the Exodus in the time of Moses through the dawn of the Common Era. It considers the importance of literary criticism and other methods for understanding the literature of ancient Israel; treats the latest archaeological discoveries that illuminate the Old Testament period.

The Old Testament Canon of the New Testament Church May 15 2021 This new study of the Old Testament canon by Roger Beckwith is on a scale to match H. E. Ryle's classic work, which was first published in 1892. But Beckwith has the advantage of writing after the Qumran (and other) discoveries; and he has also made full use of all the available sources, including biblical manuscripts and rabbinical and patristic literature, taking into account the seldom studied Syriac material as well as the Greek and Latin material. The result of many years of study, this book is a major work of scholarship on a subject which has been neglected in recent times. It is both historical and theological, but Beckwith's first consideration has been to make a thorough and unprejudiced historical investigation. One of his most important concerns - and one that is crucial for all students of Judaism, and Christians in particular - is to decide when the limits of the Jewish canon were settled. In the answer to this question lies an important key to the teaching of Jesus and his apostles, and the resultant beliefs of the New Testament church. Furthermore, any answers to questions about the state of the canon in the New Testament period would help to open a way through the present ecumenical (and interfaith) impasse on the subject. With its meticulous research and evenhanded approach, this book is sure to become the starting point for study of the Old Testament canon in the years to come.

The One Year Book of Discovering Jesus in the Old Testament Sep 06 2020 We tend to look to the New Testament to tell us about Jesus, yet it was the Old Testament about which Jesus said, "the Scriptures point to me!" In *The One Year Book of Discovering Jesus in the Old Testament*, Bible teacher Nancy Guthrie takes readers from Genesis through Malachi, shining the light of Christ on the promise of a descendant who will put an end to the curse of sin; the story of a father who offers up his son as a sacrifice; the symbol of a temple where people can meet with God; the prophecy of a servant who will suffer; the person of a king who will rule with righteousness--and so much more. Day by day throughout the year, readers will see the beauty of Christ in fresh new ways, creating a deeper understanding and appreciation for who Jesus is and what he accomplished through his Cross and Resurrection.

The Essence of the Old Testament Sep 18 2021 Leading biblical scholars from Liberty University offer a thorough survey of the complete Old Testament, with book introductions, theological concepts, practical applications, word studies, and more.

Old Testament Theology Aug 30 2022 Paul R. House provides a comprehensive theology of the Old Testament, carefully exploring each Old Testament book, thematically summarizing its content and showing its theological significance within the whole of the Old Testament canon.

Old Testament Use of Old Testament Dec 22 2021 Old Testament Use of Old Testament contains in one clearly arranged volume every scriptural allusion in the Old Testament, along with a hermeneutical profile of each Old Testament book's overall use of Scripture. A one-of-a-kind resource, it provides an invaluable beginning place for intertextual study of the Old Testament.

Tyndale's Old Testament Jun 03 2020 Translated by William Tyndale Reprint of 1534 edition with modern spelling 643 pp.

Warfare in the Old Testament Jun 23 2019 Warfare in the Old Testament bridges the gap between the modern reader and the world of the Old Testament by using textual and physical evidence to describe ancient military practices in Israel, Egypt, Philistia, Assyria, Babylon, and Persia. Filled with illustrations and maps, this full-color volume enriches many biblical accounts by showing how Israel and the surrounding nations did battle. Of special interest are the author's treatments of the role that religion played in ancient warfare practices.

Old Testament Exegesis, Fourth Edition Nov 08 2020 For years, Douglas Stuart's Old Testament Exegesis has been one of the most popular ways to learn how to perform exegesis--the science and art of interpreting biblical texts properly for understanding as well as proclamation. Completely updated and substantially expanded, this new edition includes scores of newer resources, a new configuration of the format for the exegesis process, and an entirely new section explaining where to find and how to use the latest electronic and online resources for doing biblical research. Stuart provides guidance for full exegesis as well as for a quicker approach to provide information specifically tailored to the task of preaching. A glossary of terms explains the sometimes bewildering language of biblical scholarship, and a list of frequent errors guides the student in avoiding common mistakes. No exegetical guide for the Old Testament has been more widely used in training ministers and students to be faithful, careful interpreters of Scripture.

The IVP Bible Background Commentary: Old Testament Apr 13 2021 This unique commentary provides historical, social and cultural background for each passage of the Old Testament. From Genesis through Malachi, this single volume gathers and condenses an abundance of specialized knowledge, and includes a glossary, maps and charts, and expanded explanations of significant background issues.

Old Testament Theology Dec 30 2019 What is Old Testament Theology? For the past two hundred years Old Testament scholars have developed a distinctive presentation of the theological significance of this literature on the basis of a penetrating historical criticism. Increasingly, however, the form and structure of this discipline have moved away from other areas of theological investigation. The result is that today Old Testament theology bears little relationship to the historic ways in which Christians and Jews have actually found theological meaning in the Bible.

Old Testament Survey Feb 21 2022 Since its publication in 1982, *Old Testament Survey* has served as the standard textbook on the background, content, literary quality, and message of the Old Testament. The second edition of this excellent work has been thoroughly revised and updated to take into account new research in the field of Old Testament studies. The book now also includes important new contributions from six leading biblical studies scholars: Leslie C. Allen, James R. Battenfield, John E. Hartley, Robert L. Hubbard Jr., John E. McKenna, and William B. Nelson Jr. Reflecting the best of evangelical scholarship, *Old Testament Survey* provides a comprehensive study of the nature and contents of each of the thirty-nine books of the Old Testament and also considers the historical data and theological themes relevant to the Hebrew Scriptures. Part 1 covers the five books of the Pentateuch. Part 2 studies the books of the Prophets, with special consideration given to the birth and history of Israel's monarchy, the role of prophets and prophecy, and the nature of Hebrew poetry. Part 3 examines the Writings, including a special study of wisdom literature in general. Part 4, which has been relocated from the front of the book to the back, contains studies of various background themes necessary for understanding the Old Testament: "The Authority of the Old Testament for Christians," "Revelation and Inspiration," "The Concept of Canon," "Formation of the Old Testament," "Geography," "The Chronological Puzzle," "Archaeology," and "Messianic Prophecy." All of the revisions and enhancements undertaken in this volume will make *Old Testament Survey* even more serviceable for college and seminary use as well as for study by scholars, pastors, and interested lay readers.

Old Testament Essentials Nov 20 2021 Following the format of the Essentials series (as designed by Greg Ogden, author of *Discipleship Essentials*), this comprehensive guide from Tremper Longman offers a survey of the Old Testament for use in the context of a small group. Each study contains a question-answer format, a field-tested inductive Bible study and questions to draw out key principles.

An Introduction to the Old Testament Jan 29 2020 This companion textbook to Carson, Moo, and Morris's acclaimed "Introduction to the New Testament" puts intellectual muscle into Old Testament study.

Ancient Near Eastern Thought and the Old Testament Apr 01 2020 Leading evangelical scholar John Walton surveys the cultural context of the ancient Near East, bringing insight to the interpretation of specific Old Testament passages. This new edition of a top-selling textbook has been thoroughly updated and revised throughout to reflect the refined thinking of a mature scholar. It includes over 30 illustrations. Students and pastors who want to deepen their understanding of the Old Testament will find this a helpful and instructive study.

An Introduction to the Old Testament Jan 23 2022 Enter the classroom of John Goldingay, one of today's premier biblical interpreters, and begin the adventure of exploring the Bible's First Testament. More workbook than handbook, this refreshing introduction to the Old Testament outfits you with basic knowledge, points out the main approaches, outlines the primary issues and then sets you loose to explore the terrain for yourself.

Kingdom of Priests May 03 2020 This revised edition of a proven textbook offers an up-to-date articulation of a conservative evangelical position on Old Testament history.

The Task of Old Testament Theology Oct 08 2020 This prodigious work offers a broad selection of essays that present Knierim's distinct method for the discipline of Old Testament studies. One subject deals with the implications of his method for New Testament studies.
