F*cking History Jun 25 2019 History that doesn't suck: Smart, crude, and hilariously relevant to modern life. Those who don't know history are doomed to repeat it. Too bad it's usually boring as sh*t. Enter The Captain, the ultimate storyteller who brings history to life (and to your life) in this hilarious, intelligent, brutally honest, and crude compendium to events that happened before any of us were born. The entries in this compulsively readable book bridge past and present with topics like getting ghosted, handling haters, and why dog owners rule (sorry, cat people). Along the way you'll get a glimpse of Edith Wharton's sex life, dating rituals in Ancient Greece, catfishing in 500 BC, medieval flirting techniques, and squad goals from Catherine the Great. You'll learn why losing yourself in a relationship will make you crazy--like Joanna of Castile, who went from accomplished badass to Joanna the Mad after obsessing over a guy known as Philip the Handsome. You'll discover how Resting Bitch Face has been embraced throughout history (so wear it proudly). And you'll see why it's never a good idea to f*ck with powerful women--from pirate queens to diehard suffragettes to Cleo-f*cking-patra. People in the past were just like us--so learn from life's losers and emulate the badasses. The Captain shows you how.

Islam, Women's Sexuality and Patriarchy in Indonesia May 29 2022 This book explores the intimate marital relationships of Indonesian Muslim married women. As well as describing and analysing their sexual relationships, the book also investigates how Islam influences discourses of sexuality in Indonesia, and in particular how Islamic teachings affect Muslim married women's perceptions and behaviour in their sexual relationships with their husbands. Based on extensive original research, the book reveals that Muslim women perceive marriage as a social, cultural, and religious obligation that they need to fulfil; that they realise that finding an ideal marriage partner is complicated, with some having the opportunity for a long courtship and others barely knowing their partner prior to marriage; and that there is a strong tendency, with some exceptions, for women to consider a sexual relationship in marriage as their duty and their husband's right. Religious and cultural discourses justify and support this view and consider refusal a sin (dosa) or taboo (pamali). Both discourses emphasise obedience towards husbands in marriage.

Love and Sex in Islam Nov 10 2020 Everything you wanted to know about sex and love in Islam, but were hesitant to ask about: polygamy, contraception allowed by Sharia, oral and group sex, homosexual marriages and also the relationship with jinns, masturbation and mysteries of martial relations - all that is allowed and all that is prohibited in sexual relations in this noble and pure religion. Many people both in the West and Russia continue to have a mistaken illusion that love, sex and variability of relations between man and woman are either suppressed in Islam or in contrary exceed all norms of decency. the book is an insight into this matter. The Muslim man is perceived as an ideal type of an always ready sexual partner. Love and Sex in Islam lifts the veil covering the delicate theme, in which the phenomena seeming incompatible turn out to be

good neighbors.

Jurisprudence Made Easy Aug 20 2021 Preface to the English edition In the Name of Allah, Most Gracious, Most Merciful I have pleasure in making available to the English reader my Book, al Fatawa al-Muyyessarah Jurisprudence Made Easy, which has also been translated to few other languages. I am glad to say that the Arabic Edition has now been published few times. This is indicative of the need for books of jurisprudence, which is a quite technical subject, in a form of language that is down to earth. This being so as to make the subject matter more accessible to the readers, irrespective of their backgrounds. I am confident that this novel approach to dealing with the subject will bear fruit, not least in contributing to the spread of religious knowledge among vast sections of the society, especially the up-and-coming generation, who has been starved of gaining any meaningful knowledge of the precepts of religion, because of the way the education system has been geared.

Heart Softeners Jul 19 2021 In the name of Allah, the Most Merciful and Most Compassionate. Praise to the One Who completed this religion and sent guidance through His Messenger salAllahu 'alayhi wa sallam. To begin: Every so often our daily lives preoccupy us and turn us away from Allah's promise. When we walk out of our homes, turn on the radio, TV, or Internet, we are distracted by the evils we see and hear. As result of immorality and unashamed disobedience, our hearts grow hard and distant from Allah and His Messenger's call. We know the message of Islam is true, but we are weak due to the rigidity of our heart, spirit and mind. In times like these, we need something to penetrate that stiffness. We need a remedy to soften that hardness and the inflexibility of our choices. Disunity and harshness afflicts this Ummah today. Consequently, many people have turned away from brotherhood, caring, and even Islam itself. Their hearts have transformed into dwellings of complete hatred for a sinner, disdain toward the weak Muslim, and jealousy of their successful

brother or sister. I have selected some ahaadeeth from the most authentic book after the Qur'aan to soften the hearts in our chests. I used Shaykh Muhammad ibn Saalih Al-'Uthaymeen's explanations for the ahaadeeth selected. The ahaadeeth selected come from a book in Imam Al-Bukhari's collection titled Riqaq: Heart Softeners. This chapter brings tears to one's eyes, fear to one's mind, and most importantly it diminishes the rigidity in one's heart. I ask Allah to make the translation and compilation solely for His pleasure. I pray to Allah for acceptance of this deed and His mercy in the Hereafter. Abu Aaliyah Abdullah ibn Dwight Battle

Child Education in Islam Aug 27 2019 This book outlines the basic Islamic concepts in child education. The author has tried to coordinate the main ideas, as well as the basic precepts for raising Muslim children in all the different spheres of life. First of all, the importance of correct belief and faith cannot be inculcated in young children except through the teaching and example of their parents; and obviously, the role of the mature and religious mother is foremost. This state of harmony can only be achieved when matrimonial relations are relatively stable. Care is to be taken in providing young children with all the necessary elements in the fields of ethical, physical and psychological education. This cannot be overemphasized. It is established that the common ailments of human societies, personal as well as social, find their remedy in monotheism and justice. Therefore, emphasis on these two moral principles is essential. Muslim children must develop a clear understanding of the concept of the oneness of Allah, mainly through the performance of devotional acts of worship, to Him, and through developing a sense of justice in all personal and social dealings. The author has succinctly outlined these glorious concepts in this book. Through his deep understanding of Islam, and his eminent conviction and personal adherence to its glorious principles, he introduces this book to the readers, with all practical instructions, with the intention of helping to build up a Muslim nation, worthy to uphold the honorable tenets of the Glorious Qur'an and Sunnah. This book, "Child Education in Islam," by Abdullah Nasih Ulwan, is a replication. It has been restored by human beings, page by page, so that you may enjoy it in a form as close to the original as possible.

The Sublime Revelation (al-Faḥ Ar-rabbānī) Dec 12 2020

Mendidik Anak Perempuan May 17 2021

Challenging Islamic Orthodoxy Sep 20 2021 This book is the first work that comprehensively presents the accounts of Lia Eden, a former flower arranger who claims to have received divine messages from the Archangel Gabriel and founded the divine Eden Kingdom in her house in Jakarta. This book places Lia Eden's prophetic trajectory in the context of diverse Indonesian spiritual and religious traditions, by which hundreds of others also claimed to have been commanded by God to lead people and to establish religious groups. This book offers a fresh approach towards the rich Indonesian religious and spiritual traditions with particular attention to the accounts of the emergence of indigenous prophets who founded some popular religions. It presents the history of prophetic tradition which remains alive in Indonesian society from the colonial to reform period. It also explores the ways in which these prophets rebelled against two hegemonies: colonial power in the past and Islamic orthodoxy in the present. The discussion of this book focuses on Lia Eden including her biography, claims to prophethood and divinity, the development of her group Eden Kingdom, her challenge to Islamic orthodoxy under the banner of the MUI (Indonesian Ulama Council), her persecution by radical groups, her experiences in court trials and imprisonment, and public responses to her emergence. The discussion also covers other themes currently drawing public attention in Indonesia, such as pluralism, religious freedom, tolerance, discrimination against minorities, and secularisation.

English translation of Sunan Abu Dawud Apr 27 2022

The History of al-Tabari Vol. 9 Feb 11 2021 This volume deals with the last two and a half years of the Prophet's life. In addition to the three major expeditions to Hunayn, Ta'if, and Tabuk, it describes in detail the circumstances surrounding the illness from which he died and the subsequent crisis of leadership faced by the nascent Muslim community. The author depicts with admirable fairness all the various opinions and divisions that existed within the community. He also presents a vivid picture of the Prophet's physical appearance, his personal life, and his marriages. Among other topics discussed in this volume are all the deputations that came to Medina; a summary of all the expeditions and raiding parties; and his scribes, freedmen, horses, camels, goats, swords, coats of mail, and so on. It also covers the apostasy of Musaylimah, Aswad, and Tulhahah and the Prophet's attempts to deal with them. The translation not only preserves the original lively flavor of al-Tabari but also, in its annotations, draws extensively on both parallel Arabic sources and the intensive research of recent years. Readers who seek a deeper understanding of the Prophet's personality and of the reasons for antagonisms engendered among various factions will find this volume most informative.

Characteristics of the Hypocrites Feb 23 2022 In the Qur'an, Allah has revealed the machinations of the hypocrites, He has unveiled their beliefs, their qualities, and made their goals clear so that the believers can be aware of them. He divided mankind into three groups in the beginning of Surah al-Baqarah: the believer, the disbeliever, and the hypocrite. He mentioned four verses concerning the believers, two verses concerning the disbelievers, and thirteen verses concerning the hypocrites due to their plentitude and the great harm and tribulation they bring to Islam and the Muslims. The harm they cause to Islam is truly severe for they claim to be Muslims, they claim to aid and support Islam, whereas in reality they are its enemies seeking to destroy it from within, covertly spreading their corruption and ignorance such that the unwary thinks that what they are upon is knowledge and right action.
