The adventures of Yorick Brown continue in Y: THE LAST MAN: ONE SMALL STEP, collecting issues #11-17 of the critically acclaimed series. A Russian Soyuz capsule is coming down from the International Space Station carrying three passengers: one woman and two men. Could this be the end of Yorick's tenure as last living male?

**Y: The Last Man Book Four** Aug 26 2022 The continuation of Brian K. Vaughan and artist Pia Guerra's acclaimed VERTIGO series Y: THE LAST MAN brings to vivid life the age-old speculation: What would really happen to the last man on Earth? In 2002, the world changes forever. Every man, every boy, every mammal with a Y chromosome everywhere on Earth suddenly collapses and dies. With the loss of nearly half the planet's population, the gears of society grind to a halt, and a world of women are left to pick up the pieces and try to keep civilization from collapsing entirely. The 'gendercide,' however, is not absolutely complete. For some unknown reason, one young man named Yorick Brown and his pet male monkey, Ampersand, are spared. Overnight, this anonymous twenty-something becomes the most important person on the planet—the key, it is hoped, to unlocking the secret of the mysterious sex-specific plague. For Yorick himself, the most important person on the planet has been agonizingly out of reach. But now, after three long years and 10,000 arduous miles, the last man is closing in on the truth about his lost fiancée—and the shocking facts behind his own survival. Collects Y: THE LAST MAN #37-48

**Last Man Standing** Sep 22 2019 The final "powerfully intense" (Romantic Times) Black Ops, Inc. novel from New York Times bestseller Cindy Gerard, featuring a covert private security team and electrifying romantic suspense. Black Ops, Inc. operative Joe Green is determined to bring to justice the man responsible for former team member Bryan Tompkins's death. He's convinced the ambush that killed Bryan was no coincidence, but a setup. Unsure of the consequences of the battle he's about to start, Joe distances himself from both his Black Ops, Inc. team members and the woman he loves,

Bryan's sister, Stephanie Tompkins. But Stephanie knows there must be some reason Joe broke it off, and when she hears Joe's charged with a murder in Sierra Leone, she wastes no time in breaking him out of prison. Then they must unravel the mystery behind the ambush, and bring resolution to a long-ago betrayal....

**The Last Man in Russia** Dec 06 2020 From Oliver Bullough, the acclaimed author of the Orwell Prize-shortlisted, Let Our Fame Be Great, a study - part travelogue, part political analysis - of a nation in crisis The Last Man in Russia is a portrait of the country like no other; a quest to understand the soul of Russia. Award-winning writer Oliver Bullough travels the country from crowded Moscow train to empty windswept village, following in the footsteps of one extraordinary man, the dissident Orthodox priest Father Dmitry. His moving, terrifying story is the story of a nation: famine, war, the frozen wastes of the Gulag, the collapse of communism and now, a people seeking oblivion. Bullough shows that in a country so willing to crush its citizens, there is also courage, resilience and flickering glimmers of hope. 'Brisk, lucid style ... skilful interweaving of historical context with his own rich experience of Russia. [Bullough] has a talent for sketching the people he meets, often administering a welcome dose of humour ... and he appreciates the absurd, in the best Russian tradition ... an ambitious and wide-ranging journey' Arthur House, Sunday Telegraph 'An extraordinary portrait of a nation struggling to shed its past and find peace with itself' Anthony Sattin, Sunday Times Oliver Bullough studied modern history at Oxford University and moved to Russia after graduating in 1999. He lived in St Petersburg, Bishkek and Moscow over the next seven years, travelling widely as a reporter for Reuters news agency. He is now the Caucasus Editor for the Institute of War and Peace Reporting. His first book, Let Our Fame Be Great: Journeys Among the Defiant People of the Caucasus, received the Cornelius Ryan award in the United States and was shortlisted for the Orwell Prize in Britain. Oliver Bullough received the Oxfam Emerging Writer award in 2011.

**Last Man in the Q** Aug 02 2020 Last Man in the Q is the stand of one man amongst millions, one of those many alone and lost in a world of service, in solidarity against injustice. This book is a narrative by a doctor who, with gratitude for the free government education he received, chose a path of self-sufficiency and of service to his fellow man. Driven by an intense desire to make a livelihood out of his own skills, hard work, dedication and knowledge, the last man in the queue

draws from his experiences as he grew his own practice from a dream to fruition, in order to draw attention to inherent failings within the 'system.' Considering the needs of his patients and customers to be of the greatest concern, the last man in the Q is offended by any insinuation that his motivations be financial, as he strives and perseveres for the greater good, withstanding unnecessary struggles to provide for all concerned. The last man in the Q is far from alone in these struggles, there are millions alike, and in coming together as one force, a triumphant fight can be waged against a 'system' of injustice and exploitation. ?? ?????? ??? ?? ?????????? ?? ??? ??? ?????? ?? ??? ?????? - ?????????? ?????? ?????????? ?????

[The Last Man on the Moon](#) Nov 24 2019 The basis of the 2014 award-winning feature-length documentary! A revealing and dramatic look at the inside of the American Space Program from one of its pioneers. Eugene Cernan was a unique American who came of age as an astronaut during the most exciting and dangerous decade of spaceflight. His career spanned the entire Gemini and Apollo programs, from being the first person to spacewalk all the way around our world to the moment when he left man's last footprint on the Moon as commander of Apollo 17. Between those two historic events lay more adventures than an ordinary person could imagine as Cernan repeatedly put his life, his family and everything he held dear on the altar of an obsessive desire. Written with New York Times bestselling author Don Davis, The Last Man on the Moon is the astronaut story never before told - about the fear, love and sacrifice demanded of the few men who dared to reach beyond the heavens for the biggest prize of all - the Moon.

Accompanied by a mysterious government agent, a brilliant young geneticist and his pet monkey, Ampersand, Yorick travels the world in search of his lost love and the answer to why he's the last man on earth. This Absolute Edition will feature the first twenty issues of this action-packed series along with special script pages, character sketches and cover gallery. Collects Y: THE LAST MAN #1-20.

*Last Man Off* Oct 16 2021 "A sinister version of The Perfect Storm. Thrilling."—Sunday Times (UK) For readers of The Perfect Storm, Between a Rock and a Hard Place, and Into the Wild There's nothing that armchair adventure lovers relish more than a gripping true story of disaster and heroism, and Last Man Off delivers all that against a breathtaking backdrop of icebergs and killer whales. On June 6, 1998, twenty-three-year-old Matt Lewis had just started his dream job as a scientific observer aboard a deep-sea fishing boat in the waters off Antarctica. As the crew haul in the line for the day, a storm begins to brew. When the captain vanishes and they are forced to abandon ship, Lewis leads the escape onto three life rafts, where the battle for survival begins.

*Rural Rides* Jun 19 2019 Rural Rides is the book for which the English journalist, agriculturist and political reformer William Cobbett is best known. At the time of writing Rural Rides, in the early 1820s, Cobbett was a radical anti-Corn Law campaigner. He embarked on a series of journeys by horseback through the countryside of Southeast England and the English Midlands. He wrote down what he saw from the points of view both of a farmer and a social reformer. The result documents the early 19th-century countryside and its people as well as giving free vent to Cobbett's opinions

**The Last Man Annotated** May 11 2021 The Last Man is an apocalyptic science fiction novel. The book tells of a future world (the first-person narrative is that of a man living at the end of the 21st century) that has been ravaged by a plague. The novel was harshly reviewed at the time, and was virtually unknown until a scholarly revival beginning in the 1960s.

**The Last Man** Jun 24 2022 Mary Shelley's third published novel, The Last Man, is a disillusioned vision of the end of civilization, set in the twenty-first century. The book offers a sweeping account of war, plague, love, and desolation. It is the sort of apocalyptic vision that was widespread at the time, though Shelley's treatment of the theme goes beyond the conventional; it is extraordinarily interesting and deeply moving. If The Last Man is in some sense a "conventional" text of the period, it is also intensely personal in its origin; Shelley refers in her journal to the last man as her alter ego, "the last relic of a beloved race, my companions extinct before me." The novel thus develops out of and contributes to a network of story and idea in which fantasy, allusion, convention, and autobiography are densely interwoven. This

new version of the first edition (1826) sets out to provide not only a thoroughly annotated text, but also contextual materials to help the reader acquire knowledge of the intellectual and literary milieu out of which the novel emerged. Appendices include material on "the last man" as early nineteenth-century hero, texts from the debate initiated by Malthus in 1798 about the adequacy of food supply to sustain human population, various accounts of outbreaks of plague, and Shelley's poems representing her feelings after the death of her husband.

*The Man in the High Castle* Dec 26 2019 In a classic work of alternate history, the United States is divided up and ruled by the Axis powers after the defeat of the Allies during World War II. Reissue. Winner of the Hugo Award for Best Novel.

*Last Man: The Stranger* Apr 29 2020 The Games are already underway when Richard Aldana arrives in town. This mysterious stranger seems to have more in common with our world than the world where the Games are held. He smokes cigarettes and wears a leather jacket while everyone else in this medieval realm is casting spells and weaving tapestries. Nobody knows what to make of him, but when Aldana enrolls in the games he quickly becomes a top contender. Eschewing magic and using only his martial arts prowess, Aldana also befriends and protects a small boy for reasons as mysterious as his origins. Who will win the games? Who is Richard Aldana, really? And what is the ultimate purpose of this gruelling gladiatorial contest? With its intricate fantasy setting and heart-pounding action sequences, Last Man has become the smash hit comics series in France. Combining compelling character-driven storytelling with fast-paced adventure, Last Man is an addictive series with a cliffhanger at the end of each volume that leaves readers panting for more.

*The Last Man Takes LSD* May 23 2022 Foucault's personal and political experimentation, its ambiguous legacy, and the rise of neoliberal politics Part intellectual history, part critical theory, The Last Man Takes LSD challenges the way we think about both Michel Foucault and modern progressive politics. One fateful day in May 1975, Foucault dropped acid in the southern California desert. In letters reproduced here, he described it as among the most important events of his life, one which would lead him to completely rework his History of Sexuality. That trip helped redirect Foucault's thought and contributed to a tectonic shift in the intellectual life of the era. He came to reinterpret the social movements of May '68 and reposition himself politically in France, embracing anti-totalitarian currents and becoming a critic of the welfare state. Mitchell Dean and Daniel Zamora examine the full historical context of the turn in Foucault's thought, which included studies of the Iranian revolution and French socialist politics, through which he would come to appreciate the possibilities of autonomy offered by a new force on the French political scene that was neither of the left nor the right: neoliberalism.

**The Last Man Who Knew Everything** Aug 14 2021 In 1942, a team at the University of Chicago achieved what no one had before: a nuclear chain reaction. At the forefront of this breakthrough stood Enrico Fermi. Straddling the ages of classical physics and quantum mechanics, equally at ease with theory and experiment, Fermi truly was the last man who knew everything—at least about physics. But he was also a complex figure who was a part of both the Italian Fascist Party and the Manhattan Project, and a less-than-ideal father and husband who nevertheless remained one of history's greatest mentors. Based on new archival material and exclusive interviews, The Last Man Who Knew Everything lays bare the enigmatic life of a colossus of twentieth century physics.

*Mansplainer* Aug 22 2019 As the only Beckett cousin who is still unattached, I'm a shoo-in to win the bet with my cousins to be the last man blissfully not in love by Christmas. Of course, I know they're still going to make me go follow the rules of our bet and go on six dates with the same woman—but I've figured out a way out of that too. I'm getting married. Is it love? Not even close. Chelle Finch needs a temporary husband and I need to win this bet. We agree to put a ring on it knowing that in six months this marriage of convenience will end in divorce. Except, somehow dating my wife has me realizing that I don't ever want to take this ring off if it means losing her. What does the guy who can talk his way out of anything have to do to sweet talk his temporary wife into forever? Each book in the Last Man Standing series is STANDALONE: \* Mama's Boy \* Neanderthal \* Mansplainer

**To the Last Man** Nov 17 2021 Based on a true story of Northern Arizona's notorious Hashknife gang, Zane Grey's classic 1921 western novel tells the tale of Jean Isbel, a woodsman hailing from Oregon. Caught in a bitter feud between the Isbels and the cattle-rustling Jorths, Jean is dragged into a generations-long clash between the two families, both of whom have sworn to fight until no man on the other side is left standing. Amidst it all, Jean finds himself hopelessly in love with Ellen - a Jorth, and a daughter of his family's sworn enemies. Separated by the seemingly impassable barrier between them, Jean must survive the Jorths' relentless desire for vengeance, and find a way to heal a years-old wound, so that he can be with the woman he loves.

*Y: The Last Man Book Five* Oct 28 2022 A MAN FOR ALL SEASONS In 2002, the world changes forever. Every man, every boy, every mammal with a Y chromosome everywhere on Earth suddenly collapses and dies. **Last Man Standing** Jan 19 2022 David Baldacci uses his unsurpassed storytelling skills to explore the essence of survival itself, as a conspiracy of violence surrounds an FBI agent whose fate was to be the . . . *Last Man Standing*. Seven seconds. That's all it took for Web London to lose everything: his friends, his team, his reputation. Point man of the FBI's super-elite Hostage Rescue Team, Web roared into a blind alley towards a drug leader's lair, only to meet a high-tech, custom-designed ambush that killed everyone around him. Coping with the blame-filled words of anguished widows and the suspicions of colleagues, Web tries to put his life back together. To do so, he must discover why he was the one man who lived through the ambush - and find the only other person who came out of the alley alive . . . a ten-year-old boy who has since disappeared. Acting on his instincts, Web believes he knows where the killer will strike next. Only this time, he may not survive the attack.

**Last Man in Tower** Sep 03 2020 From the Booker Prize-winning author of *The White Tiger*, a stunning novel of greed and murder in contemporary Mumbai. At the heart of Adiga's gripping second novel ("his plots don't unwind, they surge" —USA Today) are two equally compelling men, poised for a showdown. Real estate developer Dharmen Shah rose from nothing to create an empire and hopes to seal his legacy with a luxury building named the Shanghai. Larger-than-life Shah is a dangerous man to refuse. But he meets his match in retired schoolteacher Masterji. Shah offers a generous buyout to Masterji and his neighbors in a once respectable, now crumbling apartment building on whose site Shah's high-rise would be built. They can't believe their good fortune. Except, that is, for Masterji, who refuses to abandon the building he has long called home. As the demolition deadline looms, desires mount; neighbors become enemies, and acquaintances turn into conspirators who risk losing their humanity to score their payday. Here is a richly told, suspense-fueled story of ordinary people pushed to their limits in a place that knows none: the new India as only Aravind Adiga could explore—and expose—it.

**To the Last Man** Jun 12 2021 Jeff Shaara has enthralled readers with his New York Times bestselling novels set during the Civil War and the American Revolution. Now the acclaimed author turns to World War I, bringing to life the sweeping, emotional story of the war that devastated a generation and established America as a world power. Spring 1916: the horror of a stalemate on Europe's western front. France and Great Britain are on one side of the barbed wire, a fierce German army is on the other. Shaara opens the window onto the otherworldly tableau of trench warfare as seen through the eyes of a typical British soldier who experiences the bizarre and the horrible—a "Tommy" whose innocent youth is cast into the hell of a terrifying war. In the skies, meanwhile, technology has provided a devastating new tool, the aeroplane, and with it a different kind of hero emerges—the flying ace. Soaring high above the chaos on the ground, these solitary knights duel in the splendor and terror of the skies, their courage and steel tested with every flight. As the conflict stretches into its third year, a neutral America is goaded into war, its reluctant president, Woodrow Wilson, finally accepting the repeated challenges to his stance of nonalignment. Yet the Americans are woefully unprepared and ill equipped to enter a war that has become worldwide in scope. The responsibility is placed on the shoulders of General John "Blackjack" Pershing, and by mid-1917 the first wave of the American Expeditionary Force arrives in Europe. Encouraged by the bold spirit and strength of the untested Americans, the world waits to see if the tide of war can finally be turned. From Blackjack Pershing to the Marine in the trenches, from the Red Baron to the American pilots of the Lafayette Escadrille, *To the Last Man* is written with the moving vividness and accuracy that characterizes all of Shaara's work. This spellbinding new novel carries readers—the way only Shaara can—to the heart of one of the greatest conflicts in human history, and puts them face-to-face with the characters who made a lasting impact on the world.

*End of History and the Last Man* Jul 13 2021 Ever since its first publication in 1992, *The End of History and the Last Man* has provoked controversy and debate. Francis Fukuyama's prescient analysis of religious fundamentalism, politics, scientific progress, ethical codes, and war is as essential for a world fighting fundamentalist terrorists as it was for the end of the Cold War. Now updated with a new afterword, *The End of History and the Last Man* is a modern classic.

[The Alamo, where the Last Man Died](#) Oct 24 2019 This story is unique among the many books, large and small, that have been written about the Alamo. It is the most subjective, and the tragic account of what took place in the shrine of this state's history is told here with the greatest emotion, yet an emotion always controlled by the author's rigorous regard for truth.
