to meet the Pittsburgh Penguins, one of the wildest, wackiest, most wonderful sports franchises that ever waddled its way across North America. If Penguins fans are not shedding tears of sadness, they are crying for joy or simply laughing so hard they cannot stop. No franchise has survived more near-death experiences than this one, which twice went bankrupt and many times escaped the threat of relocation. In 1975, things were so tough that players had their postgame oranges taken away. Nevertheless, they have persevered. Known across the league as lovable losers for its first 24 years, the team began the climb to the top in the

1990s, winning the Stanley Cup twice in that decade and again in 2009 and 2016. In *Tales from the Pittsburgh Penguins Locker Room*, sportswriter Joe Starkey takes fans inside the locker rooms, onto the team buses (including the one defenseman Bryan "Bugsy" Watson hijacked), and behind the personalities that have shaped Penguins hockey since 1967.

On the hardwood, readers will learn why Purdue turned down its first opportunity to play in the NCAA Tournament, allowing archrival Indiana to win the 1940 title and how the first “Big Dog” in Purdue men’s basketball history wasn’t Glenn Robinson. From the football sidelines, the authors reveal the dramatic incident that almost cost the lives of Rose Bowl heroes Bob Griese and George Catavolos at the 1967 Hula Bowl. Also, readers will find out how long-time New York Yankees’ owner George Steinbrenner became an assistant coach for the Purdue football team and a quarter century later was instrumental

in luring the Boilermakers’ NCAA Final Four coach away from Purdue. Included are the stories of Purdue’s national championship teams, including the 1961 golf team, which was led by a player who never lost to golfing legend Jack Nicklaus, and the triumphant story of the 1999 Purdue women’s basketball team surviving three coaching changes en route to a national title. Sid Brooks' Tales from the San Diego Chargers Locker Room
Mar 28 2022 During his 27-year tenure with the San Diego Chargers, equipment manager Sid Brooks kept over 5,000 football players from appearing naked before their cheering fans. The first African-American to hold the job of equipment manager in the NFL, Brooks' job was to see that each player left the locker room in uniform. But the means to that end was far more complicated -- and outrageous -- than one would believe. Sid Brooks' Tales from the Chargers Locker Room takes

the reader aboard the elevator to B2, the basement of Qualcomm Stadium, where the Chargers locker room is housed. In that basement, the equipment department and trainers, affectionately known as "dungeon rats," ran the Chargers locker room. There, Sid Brooks became caretaker for all who crossed its threshold. The locker room would be damp, dark, and quiet before the coffee and doughnuts arrived, before the arrogant swagger of the players and boom boxes, high-fives, and back-slapping brought the joint to life. Here Sid recreates that environment with tales from within the

and the field of play, featuring stories about Chargers greats like Dan Fouts, Charlie Joiner, Kellen Winslow, Louie Kelcher, John Jefferson, Rodney Harrison, and Junior Seau. Sid recounts stories unique to a life spent working behind the scenes in the Chargers locker room. With an eye for detail, he recounts tales of spies sent out to capture the opposing team's playbooks; the night the lights went out on Don Schula; wild cab rides with Fouts, Joiner, and Winslow; the zany pre-game rituals and idiosyncrasies of Russ Washington, Wilbur Young, Pat Curran, Woodrow Lowe, and others; rivalries born not on the playing field, but at the dominoes table; and

Since then the Bemidji State University Beavers have earned 27 final four appearances and 13 national titles. "Beaver Hockey" is not a term to be taken lightly. It encompasses a tradition of discipline, dedication and passion that has lasted through more than half a century. Every season builds on the previous one and no one team dares to boast. However, using the traditions of Beaver Hockey and the help of generations of former 'Beaver Greats,' the story of the 1984 team begs to be re-told from *Inside The Locker Room*. In 1982 Bob Peters took a year-long sabbatical, leaving the program to a pair of young inexperienced coaches who,

Experience the glory of victory! **Raising Boys Who Respect Girls** Jun 06 2020 Dave Willis, author, speaker, and father of four boys, talks biblically and practically about how to raise a generation of boys who are champions, encouragers, and respecters of women. In the

#metoo and #churchtoo era, with so many men and boys continuing to make the same mistakes, we have to ask: Where are we going wrong? And perhaps more importantly, how do we raise up men who will break this cycle? As the father of four boys, relationship coach and author Dave Willis has studied this issue deeply, concluding that if we are to raise boys to respect girls--and not end up with men who say they respect women but whose actions reveal otherwise--we must go back to the heart of things. Or, more specifically, we must go back to our own hearts. In Raising Boys Who Respect Girls, Willis helps readers inventory the blind

spots that lead to accidental forms of disrespect, showing how to root out issues in our own hearts before we inadvertently pass along these same issues to our boys. He also teaches readers how to cultivate a healthy respect for God and for themselves as created in his image, as well as a similar respect for others. Full of scripture, research, age-specific tools, and conversation models, this book offers a practical strategy for mindful parents to first embody the right principles themselves and then teach them to their sons.
