**French Phrases Vol.3** May 21 2022 French Phrases Vol.3: English & French THIS EDITION: French Phrases seeks to bridge the gap between knowing individual words and knowing how to create or understand sentences. Sentences are phrases or a combination of phrases, and phrases are a combination of words. The simplest phrases are the simplest ways of combining words. Exposure to a wide variety of phrases, especially in increasing complexity, provides the basis for obtaining a solid grasp of a new language. The reason being, phrases can be combined with other phrases to create endless possibilities in language. French Phrases contains a wide variety of phrases, but it also demonstrates how phrases can increase in complexity – through the inclusion of individual words or other phrases. The reader can choose between four formats: Section 1: English to French Section 2: French to English Section 3: English Section 4: French The text can be used to obtain a fundamental grasp of French grammar. An understanding of the rules that underpin the way words combine into phrases, or phrases combine into sentences, allows the language learner to expand their capacity exponentially simply by increasing vocabulary. With this in mind, the text includes an introductory section summarising the important aspects of French grammar. The dual-language text has been arranged for quick and easy cross-referencing. The text can be used on its own. However, the content is ideal for reinforcing and expanding on a basic grasp of the language. With an increasingly robust grasp of the language, the language learner can easily and fruitfully move on to more advanced bilingual text — like in 2Language Books editions —, or suitable French only text: a simple novel, a French news website, etc. Many basic language books offer some form of audio support. Internet services — primarily news based radio stations — offer podcasts. Audio from television is an additional resource, and can be formatted for use on various digital platforms. However, if audio is an important component of your interest in languages, electronic devices that support quality text-to-speech (TTS) will likely be appealing. With a library card, TTS technology (in a device that supports the relevant content), and the above mentioned resources (as digital content), an entire language learning system is available for not much more than a cup of coffee! There is no substantial financial outlay to get you started. Furthermore, there are no additional ongoing fees (and updates), and there are no expiry dates on ‘premium’ content and resources. **Learn French News Vol.1** May 29 2020 LEARN FRENCH NEWS Vol.1: English & French THIS EDITION: The dual-language text has been arranged into sentences and shorter paragraphs for quick and easy cross-referencing. The source text is the French language edition of Voice of America (VOA). The French text has been translated into English for this dual-language project. The reader can choose between four formats: Section 1: English to French Section 2: French to English Section 3: English Section 4: French A methodology for getting the most out of this bilingual format is explained in the book’s Foreword. The primary purpose of this text is to equip a foreign language learner with the ability to start reading news in the particular foreign language: to be able to read

only in the foreign language, and extract enough understanding to continue the language learning process fruitfully this way. A reader might like to go back to reading dual-language news for reinforcement and further development, returning to foreign language only news with a deeper understanding. By going back to the same 'old' news, you are going over words, word patterns, and passages with which you already have a certain familiarity. The process of reinforcement, learning or retaining of what is new, and exposure to what is unfamiliar, is much easier this way — even though the news may seem a little dated. The aim of informing the reader about actual news is secondary, especially given that the content will become less current (and less relevant) over time. If you are having trouble with the level of difficulty in the text, a suggested path for learning languages is as follows: Familiarise yourself with a basic language instruction book — or re-read the one you have. Once a student has studied the basics, a suitable book about basic grammar can be helpful. The suggestion is that any grammar book be studied more with the intent of recognition and understanding, rather than memorising and obsessive rote learning. Go through as much of the grammar book you feel you can digest — maybe even the whole book — skipping over what is not easily understood. After this, read through a portion of text in a book called 'French Sentences', by 2LanguageBooks, looking for examples of what you have picked up (or gleaned) in your hopefully not so arduous study of grammar. Even repeatedly seeing a word that you remember seeing listed as a 'subject pronoun' or a 'third person plural' verb of some sort is a great help. Then, depending on your inclination, return to the grammar book (or your basic French book), or move on to lengthier bilingual text — like in 2Language Books texts containing news or stories, for example —, or find some suitable French text: a simple novel, a French news website, etc. Grammar books will likely have some verb charts. However, there are currently good on-line resources that go further — dictionaries with a verb conjugation 'search' option. Many basic language books offer some form of audio support. Internet services — primarily news based radio stations — offer podcasts. Audio from television is an additional resource, and can be formatted for use on various digital platforms. **Vengeance** Mar 07 2021 Nous sommes les seuls à pouvoir les arrêter... Jamais je n'ai autant aimé Tristan. Jamais je n'ai eu moins confiance en lui. Est-ce une envie de meurtre que je lis dans ses yeux ou seulement de la jalousie quand il insiste pour que nous allions chercher des réponses à Boston, là où vivent nos pires ennemis et l'homme que j'ai laissé

derrière moi à Rio ? Je n'ai pas oublié la trahison de Kolt, ni le sang qui a déjà été versé dans cette guerrilla entre nos familles. L'inviter de nouveau dans ma vie dans l'espoir de régler les affaires que nous avons laissées en suspens et un pari dangereux et qui pourrait finir par en faire couler davantage. Mais alors que nous découvrons ce que trame sa famille, rien n'aurait pu me préparer à l'horreur qui adviendra si je ne fais rien. Beaucoup de gens vont mourir et toutes ces morts serviront un sombre dessein. Tristan et moi sommes seuls – une armée dérisoire – mais une chose est certaine : si nous échouons, personne d'autre ne les sauvera.

**Nature Stories** Dec 04 2020 Nature Stories: English & French · The English text has been translated from the French. · The French text has been re-worked. · Contains commentaries on some parts of the text. · Contains a summary of French grammar. · Contains a Translation Skills Test (with Grammar tips). · Can be read in 'English to French'; 'French to English'; 'English'; or 'French'. THIS EDITION: Nature Stories (in French, *Histoires naturelles*) is a classic French book written by Jules Renard. It contains a collection of short commentaries on the natural world, and man's place in it. Renard's style and succinctness immediately brings to mind the Japanese haiku. This volume includes an introductory section summarising the important aspects of French grammar. The digital edition also contains a translation skills test. (Includes verb conjugation and other grammar hints.) The dual-language text has been arranged into small bilingual snippets for quick and easy cross-referencing. The content is ideal for assisting the intermediate language learner to transition to foreign language only content. Also, if the content is too difficult, there is other material put out by 2Language Books that can help. The reader can choose between six options: Section 1: English to French Section 2: French to English Section 3: English Section 4: French Section 5: English to French Skills Test Section 6: French to English Skills Test The eventual aim is to read with a comfortable level of understanding only in the foreign language. If you are a beginner, read the native language snippet first. If you are at an intermediate level, read the foreign language snippet first. The advanced level is like the beginners level, except you have to try and figure out the foreign language text, instead of having it provided. One way to do this is to cover the foreign text snippet. In the digital edition, you can take an intermediate or advanced level skills test. Many basic language books offer some form of audio support. Internet services — primarily news based radio stations — offer podcasts. Audio from television is an additional resource, and can be formatted for use on various digital platforms. **Renaissance** Apr 08 2021 Tristan Red est un tueur à gages... Certaines personnes mesurent leur vie en heures. En jours. En semaines. Je mesure la mienne en contrats. Une opération militaire secrète qui a mal tourné m'a volé ma mémoire et tout ce qui me rattachait à mon passé. Et voilà mon existence aujourd'hui. Je tue pour survivre. Rien de plus, rien de moins. J'allais ajouter le nom d'Isabel Foster à mon carnet des âmes infortunées quand elle a prononcé l'unique mot capable d'arrêter la balle que je lui destinais. Mon nom. Elle connaît mon visage. Elle sait qui je suis. Elle est la clé de la porte des souvenirs que je ne suis pas certain de vouloir ouvrir. Plus rien n'est simple. J'ai toujours un boulot à faire, et mon âme ne vaut pas la peine d'être sauvée. Je ne suis pas celui qu'elle croit. Je suis incapable de l'aimer. L'épargner a fait de nous deux des cibles.

**French Phrases Vol.4** Oct 26 2022 French Phrases Vol.4: English & French THIS EDITION: French Phrases seeks to bridge the gap between knowing individual words and knowing how to create or understand sentences. Sentences are phrases or a combination of phrases, and phrases are a combination of words. The simplest phrases are the simplest ways of combining words. Exposure to a wide variety of phrases, especially in increasing complexity, provides the basis for obtaining a solid grasp of a new language. The reason being, phrases can be combined with other phrases to create endless possibilities in language. French Phrases contains a wide variety of phrases, but it also demonstrates how phrases can increase in complexity – through the inclusion of individual words or other phrases. The reader can choose between four formats: Section 1: English to French Section 2: French to English Section 3: English Section 4: French The text can be used to obtain a fundamental grasp of French grammar. An understanding of the rules that underpin the way words combine into phrases, or phrases combine into sentences, allows the language learner to expand their capacity exponentially simply by increasing vocabulary. With this in mind, the text includes an introductory section summarising the important aspects of French grammar. The dual-language text has been arranged for quick and easy cross-referencing. The text can be used on its own. However, the content is ideal for reinforcing and expanding on a basic grasp of the language. With an increasingly robust grasp of the language, the language learner can easily and fruitfully

move on to more advanced bilingual text — like in 2Language Books editions —, or suitable French only text: a simple novel, a French news website, etc. Many basic language books offer some form of audio support. Internet services — primarily news based radio stations — offer podcasts. Audio from television is an additional resource, and can be formatted for use on various digital platforms. However, if audio is an important component of your interest in languages, electronic devices that support quality text-to-speech (TTS) will likely be appealing. With a library card, TTS technology (in a device that supports the relevant content), and the above mentioned resources (as digital content), an entire language learning system is available for not much more than a cup of coffee! There is no substantial financial outlay to get you started. Furthermore, there are no additional ongoing fees (and updates), and there are no expiry dates on ‘premium’ content and resources.
