[Gender in the Fiction of George Sand](#) Feb 08 2021 In [Gender in the Fiction of George Sand](#), Francoise Massardier-Kenney argues that the major nineteenth-century French writer George Sand articulates in her novels a complex and extremely modern conception of gender, questioning prevalent patriarchal modes of discourse and redefining masculinity and femininity. Through the analysis of a representative sample of Sand's works (Indiana, Jacques, La dernière Aldini, Jeanne, Horace, Valvedre, Melle la Quintinie, Gabriel, Lucrezia Floriana, and Nanon), Massardier-Kenney uncovers the themes and strategies used by Sand to challenge essentializing and negative representations of women. [Gender in the Fiction of George Sand](#) demonstrates the centrality of Sand's pioneering exploration of the construction of gender. This original study will be of interest to scholars of nineteenth-century French literature and culture, women's literature, and gender studies.

Indiana Oct 31 2022 Indiana, a young woman stuck in a loveless marriage, is seduced by a charming neighbor who is not as polished and pure as he appears. She embarks on a journey to find real love, leading to an unexpected discovery about the object of her affection. Indiana is a young woman from French Louisiana who's married to the much older Colonel Delmare. Their union is strict and often oppressive, leaving her unfulfilled. Indiana shares their home with her cousin Ralph and her loyal maid, Noun. One evening they encounter a handsome young man, Raymon de Ramière, who becomes interested in Indiana. Yet, prior to their meeting, Raymon had already seduced Noun who is pregnant with his child. This complicated dynamic forces Indiana to decide what she really wants: passion or stability? Indiana is a bold commentary on the institution of marriage in France. It examines the implied gender roles and responsibilities pushed upon women. Sand champions the need for passion and true love, regardless of social convention. With an eye-catching new cover, and professionally typeset manuscript, this edition of Indiana is both modern and readable.

Water Imagery in George Sand's Work May 02 2020 This collection of essays highlights the

importance of water imagery in the work of the renowned nineteenth-century French female author George Sand. It provides a complex picture of the polyvalent presence of water in Sand's work that encompasses life and death imagery, ecocriticism, fluid kinship, homosocial ties, and artistic creativity. Drawing on Gaston Bachelard's premise that the substance of water carries deep meaning, the articles in this volume explore the element of water and its symbolism in a selection of George Sand's writings and art work, from her most famous novels (*Indiana*, *Lélia*, and *Consuelo*) to her later works, short stories, plays, and autobiographical writing (*Teverino*, *Jean de la Roche*, *Les Maîtres sonneurs*, *La Reine Coax*, *L'Homme de neige*, *Le Drac*, *Un Hiver à Majorque*, *Marianne*), and dendrite paintings.

Approaches to Teaching Sand's *Indiana* Aug 29 2022 *Indiana*, George Sand's first solo novel, opens with the eponymous heroine brooding and bored in her husband's French countryside estate, far from her native Île Bourbon (now Réunion). Written in 1832, the novel appeared during a period of French history marked by revolution and regime change, civil unrest and labor concerns, and slave revolts and the abolitionist movement, when women faced rigid social constraints and had limited rights within the institution of marriage. With this politically charged history serving as a backdrop for the novel, Sand brings together Romanticism, realism, and the idealism that would characterize her work, presenting what was deemed by her contemporaries a faithful and candid representation of nineteenth-century France. This volume gathers pedagogical essays that will enhance the teaching of *Indiana* and contribute to students' understanding and appreciation of the novel. The first part gives an overview of editions and translations of the novel and recommends useful background readings. Contributors to the second part present various approaches to the novel, focusing on four themes: modes of literary narration, gender and feminism, slavery and colonialism, and historical and political upheaval. Each essay offers a fresh perspective on *Indiana*, suited not only to courses on French Romanticism and realism but also to interdisciplinary discussions of French colonial history or law.

The Dream Lover Feb 29 2020 NEW YORK TIMES BESTSELLER • NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY USA TODAY • Elizabeth Berg has written a lush historical novel based on the sensuous Parisian life of the nineteenth-century writer George Sand—which is perfect for readers of Nancy Horan and Elizabeth Gilbert. At the beginning of this powerful novel, we meet Aurore Dupin as she is leaving her estranged husband, a loveless marriage, and her family’s estate in the French countryside to start a new life in Paris. There, she gives herself a new name—George Sand—and pursues her dream of becoming a writer, embracing an unconventional and even scandalous lifestyle. Paris in the nineteenth century comes vividly alive, illuminated by the story of the loves, passions, and fierce struggles of a woman who defied the confines of society. Sand’s many lovers and friends include Frédéric Chopin, Gustave Flaubert, Franz Liszt, Eugène Delacroix, Victor Hugo, Marie Dorval, and Alfred de Musset. As Sand welcomes fame and friendship, she fights to overcome heartbreak and prejudice, failure and loss. Though considered the most gifted genius of her time, she works to reconcile the pain of her childhood, of disturbing relationships with her mother and daughter, and of her intimacies with women and men. Will the life she longs for always be just out of reach—a dream? Brilliantly written in luminous prose, and with remarkable insights into the heart and mind of a literary force, *The Dream Lover* tells the unforgettable story of a courageous, irresistible woman. Praise for *The Dream Lover* “Exquisitely captivating . . . Sand’s story is so timely and modern in an era when gender and sexual roles are upended daily.”—USA Today “Fantastic . . . a provocative and dazzling portrait . . . Berg tells a terrific story, while simultaneously exploring sexuality, art, and the difficult personal choices women artists in particular made—then and now—in order to succeed. . . . The book, imagistic and perfectly paced, full of dialogue that clips along, is a reader’s dream.”—The Boston Globe “Absorbing . . . an armchair traveler’s delight . . . Berg rolls out the wonders of nineteenth-century Paris in cinematic bursts that capture its light, its street life, its people and sounds. . . . The result is an illuminating portrait of a magnificent woman whose story is enriched by the delicate brush strokes of Berg’s colorful imagination.”—Chicago Tribune “There is authority and confidence in the storytelling that makes the pages fly.”—The New York Times “Berg weaves an enchanting novel about the real life of George Sand.”—Us Weekly “Lavishly described . . . Berg uses her own skill as a writer to graphically present the reader with a clear picture of a brilliant, yet flawed woman.”—Fredericksburg Free Lance–Star “[A] beautiful, imaginative re-creation . . . Berg’s years-long immersion in the writings of and about Sand has resulted in a remarkable channeling of Sand’s voice.”—Library Journal (starred review) “Berg offers vivid, sensual detail and a sensitive portrayal of the yearning and vulnerability behind Sand’s bold persona.”—Publishers Weekly “A thoroughly pleasant escape . . . [Sand is] intoxicating, beautiful, gifted, desirous, unconventional and heartbroken.”—Kirkus Reviews

George Sand Sep 25 2019 Follows Sand's life from her birth in 1804 through her work as a minister of Propaganda during the Revolution of 1848, her relationship with Chopin, and her work in the radical politics of her day.

George Sand Nov 19 2021 A fascinating exploration of the life of George Sand--whose brilliant writing, radical politics, and unorthodox personality made her a legendary figure in her own time and forever after. Born Aurore Dupin in 1804, Sand became France's best-selling writer, rivaled in her day only by Victor Hugo--yet she was known as much for her excessive life as for her plays, stories, and enduring novels like *Indiana*, *Lélia*, and *Mauprat*. The daughter of a prostitute and an aristocrat, great-granddaughter of the King of Poland, Sand grew up acutely aware of social injustice and prejudice. Convent-educated, she became a mischievous, flamboyant rebel at the center of French intellectual and artistic life. Her intimate circle included Liszt, Delacroix, Balzac, and Flaubert. She was a magnet for some of the greatest writers of her era: Henry James, Elizabeth Barrett Browning, Dostoyevsky, and Turgenev. Her long, troubled romance with Chopin was just one of her many affairs with both men and women. A believer in the equality of the sexes, she thought marriage "a barbarous institution"; a socialist, she acted as Minister of Propaganda after the Revolution of 1848. Legendary for her free life, cigar-smoking, and scandalous cross-dressing, she also spun a web of fraught relationships with her grandmother, mother, daughter, and beloved granddaughter. No one quite matches George Sand--she remains unique, powerful, vital, and mysterious. In this rich new biography, Belinda Jack gives the full flavor of Sand's personality and delves beneath the surface of her life and her age, showing how her art both reflected and shaped her life. Here is an unforgettable portrait of a remarkable writer--and an extraordinary woman.

Indiana Jan 22 2022 I was just going to do it, monsieur; but I saw a woman meet him. At that moment I said to myself: 'Perhaps it's monsieur and madame, who have taken a fancy to walk a bit before daybreak;' and I went back to bed. But this morning I heard Lelievre talking about a thief whose tracks he had seen in the park, and I said to myself: 'There's something under this.'

Indiana Aug 05 2020 Dieses eBook: "Indiana" ist mit einem detaillierten und dynamischen Inhaltsverzeichnis versehen und wurde sorgfaltig korrekturgelesen. George Sand (1804-1876) war eine franzosische Schriftstellerin, die neben Romanen auch zahlreiche gesellschaftskritische Beitrage veroffentlichte. Sie setzte sich durch ihre Lebensweise und mit ihren Werken sowohl fur feministische als auch fur sozialkritische Ziele ein. So rebellierte sie beispielsweise gegen die Beschrankungen, die den Frauen im 19. Jahrhundert durch die Ehe als Institution auferlegt waren, und forderte an anderer Stelle die gleichberechtigte Teilhabe aller Klassen an gesellschaftlichen Gutern ein. Aus dem Buch: "Das einzige gluckliche Geschopf in dieser Gruppe war ein schoner Jagdhund, welcher seinen Kopf auf die Knie des am Kamin sitzenden Mannes gelegt hatte. Er zeichnete sich durch seinen schlanken Wuchs, seine spitze, fast der eines Fuchses ahnlichen Schnauze und sein kluges Gesicht aus, welches ganz von verwirrten Haaren starrte, zwischen denen zwei groe, gelbe Augen hervorglanzten. Diese Augen, die in der Hitze der Jagd so blutigierig blicken konnen, zeigten jetzt einen Ausdruck von unbeschreiblicher Zartlichkeit, und wenn der Herr, der Gegenstand dieser Liebe, das silbergraue Seidenhaar des schonen Hundes streichelte, glanzten dessen Augen vor Vergnugen, wahrend sein langer

Schwanz den Kamin taktmäßig fegte. Endlich ließ das Tier ein leichtes schüchternes Bellen hören und setzte seine beiden Pfoten auf die Schultern seines geliebten Herrn."

Les Liaisons Dangereuses **Owc:Pb** Oct 19 2021 The complex moral ambiguities of seduction and revenge make *Les Liaisons dangereuses* (1782) one of the most scandalous and controversial novels in European literature. Its prime movers, the Vicomte de Valmont and the Marquise de Merteuil--gifted, wealthy, and bored--form an unholy alliance and turn seduction into a game. And they play this game with such wit and style that it is impossible not to admire them, until they discover mysterious rules that they cannot understand. In the ensuing battle there can be no winners, and the innocent suffer with the guilty. This new translation gives Laclos a modern voice, and readers will be able to judge whether the novel is as "diabolical" and "infamous" as its critics have claimed, or whether it has much to tell us about a world we still inhabit. Douglas Parmee is Retired Fellow of Queen's College, Cambridge. He is the translator of *Nana*, *Attack on the Mill* (Zola) and *A Sentimental Journey* (Flaubert) for *World's Classics*. David Coward is Professor of French at the University of Leeds. He is the translator and editor of *Maupassant*, *de Sade*, and *Dumas* in *World's Classics*.

Disguise in George Sand's Novels Apr 24 2022 Sandian heroines swirl around men in their sororal and sartorial disguises like moths around candle flames. However, as *Disguise in George Sand's Novels* illustrates, the disguise is not an instrument to seduce men but rather to assert the heroines' true selves. The portrayal of female and androgynous protagonists in *Rose et Blanche* (1831), *Indiana* (1832), *Lélia* (1833/39), *Gabriel* (1839), *Consuelo* (1842), and *La Comtesse de Rudolstadt* (1844) is a metaphor to demonstrate the continuity of identities before and after the disguise as George Sand stipulates in her theory of the *ménechme*. *Disguise in George Sand's Novels* explores the maturation process of Romantic and artistically inclined heroines and highlights the spiritual meaning of the disguise as a rite of passage for the birth of a new type of protagonist: spiritual, self-assertive, and dedicated to erasing gender inequality and helping the poor.

George Sand Nov 27 2019 The author of classic novels including *Indiana* and *Lélia*, George Sand is perhaps better known for her unconventional life. Belinda Jack unravels the many facets of this writer who counted among her friends and lovers everyone from Chopin and Liszt to Dostoyevsky and Elizabeth Barrett Browning. Sand defied convention by writing novels; but the fact that she was a cigar-smoking cross-dresser who took male and female lovers, declared marriage “barbarous,” and championed socialism made her a legend. Allowing Sand’s voice to be heard, but wise enough to question it, Jack presents a riveting study of a woman raised by her aristocratic grandmother and her prostitute mother, and whose life and work were forever fueled by rival worlds.

The Country Waif Jul 04 2020 *The Country Waif* (Françoise le Champi) is the second of the three pastoral novels which rank along with George Sand's autobiographical writing as her finest work. Although simple in themselves, these tales have behind them much of the complex experience of her extraordinary life. As Mrs. Zimmerman writes in the introduction, they reflect Sand's "youthful romanticism, her later championing of the working classes, and her desire to record in fiction that was both poetic and factual the lives of the people and the region she knew best." Set in the countryside of the author's native province of Berry, *The Country Waif* tells the story of Françoise, an orphan boy placed in a rural foster home, and Madeline, the miller's wife who befriends him. Sand's contemporary, Turgenev, wrote that it was "in her best manner, simple, true, affecting." The book has been admired by writers as diverse as Willa Cather (she found it "supremely beautiful") and André Malraux, who considered it a masterpiece. As well as examining the setting, language, and narrative mode of the novel, the introduction looks at Sand's life, in part from the feminist perspective, with attention to the sociopolitical background of the post-Napoleonic era, when Aurore Dudevant felt impelled to rebel against her status as a country wife and to become George Sand.

George Sand - Two Biographies and Three Novels - The Devil's Pool, Mauprat and Indiana Jun 14 2021 Amantine Aurore Lucile Dupin, (1804 - 1876), was a French novelist who wrote under the pseudonym George Sand. She is known as much for her reputation and affairs with famous men of the time as for being the first French female novelist to gain a major reputation. She sported men's clothing in public - which she said was easier to wear and sturdier, the clothes also enabled her to gain access to many places from which women were barred. She also smoked tobacco in public which was not allowed permitted for women, which provoked outrage. This book contains two classic biographies of her life - one by Justin M'Carthy in 1870 and the other by Bertha Thomas in 1883. It also contains three of George Sand's most notable novels - *The Devil's Pool*, *Mauprat* and *Indiana*. Enjoy this book all about this remarkable French woman who refused to be bound by social conventions.
