*Birthday* Nov 10 2020 "Lovers who surmount the odds have always been intense emotional fodder, but rarely have we seen a story like *Birthday*...true and raw, haunting and undeniable." —The New York Times Book Review Two best friends. A shared birthday. Six years... ERIC: There was the day we were born. There was the minute Morgan and I decided we were best friends for life. The years where we stuck by each other's side—as Morgan's mom died, as he moved across town, as I joined the football team, as my parents started fighting. But sometimes I worry that Morgan and I won't be best friends forever. That there'll be a day, a minute, a second, where it all falls apart and there's no turning back the clock. MORGAN: I know that every birthday should feel like a new beginning, but I'm trapped in this mixed-up body, in this wrong life, in Nowheresville, Tennessee, on repeat. With a dad who cares about his football team more than me, a mom I miss more than anything, and a best friend who can never know my biggest secret. Maybe one day I'll be ready to become the person I am inside. To become her. To tell the world. To tell Eric. But when? Six years of birthdays reveal Eric and Morgan's destiny as they come together, drift apart, fall in love, and discover who they're meant to be—and if they're meant to be together. From the award-winning author of *If I Was Your Girl*, Meredith Russo, comes a heart-wrenching and universal story of identity, first love, and fate. "Beautifully written, *Birthday* is an altogether singular contribution to the gradually growing body of transgender literature and, indeed, to mainstream literature, as well." —ALA Booklist, starred review

Your Stars are Numbered Jun 17 2021 "TM" First published in 1971, *Your Stars are Numbered* was the first book to combine the ancient wisdom of astrology and numerology. Completely revised and updated, this best-selling book arrives just in time for the new millennium. For over 30 years Lloyd Cope, an internationally renowned astrologer, has utilized astronumerology in his client consultations, magazine articles and Wall Street forecasts. His yearly stock selections have routinely outperformed the Dow Jones average, and have earned him praise from *The New York Times*, the *New York Daily News*, the *Wall Street Letter* and the prestigious *Portfolio Letter*! This brand new edition of *Your Stars are Numbered* includes an interpretation for each Sun sign followed by a description of the numerological significance of each birthdate. Cope has added brand new information on determining your life path number -- which helps define your distinctive characteristics and lifetime potentials. Also included is information on birthstones and colors, and the original introduction from Linda Goodman.

**Colorstrology** Jan 31 2020 Four out of 10 North Americans read their horoscope daily, 10 out of 10 have a birthday, and almost all of them see the world in living colour. Colorstrology, already with a highly successful website at colorstrology.com, infuses elements of astrology and numerology with the spirituality of colour to create a colour profile for every day of the year. Cleverly packaged with 32 pages of perforated colour chips, this new genre of metaphysical fun will bridge the consumer gap between the house-proud urbanite and the barefoot spiritualist. Colorstrology, the company, is rolling out an entire line of branded products, from cosmetics and jewellery to cards and flowers, but this is the only comprehensive book available by the author who New York magazine calls a "must-see phenomenon."

**Astrology for the Soul** Aug 27 2019 For the first time ever, a famous spiritual astrologer shares the secrets, previously known only to professionals, that hold the key to your future. Astrologer Jan Spiller shows you the key to discovering your hidden talents, your deepest desires, and the ways you can avoid negative influences that may distract you from achieving your true life purpose, as revealed in your chart by the position of the North Node of the Moon. With insight and depth impossible to gain from the commonly known sun-sign profiles, the enlightening self-portrait offered by the Nodes of the Moon can explain the life lessons you came here to learn and how to achieve the fulfillment and peace you desire. Jan Spiller shows you how to locate the all-important North Node of the Moon in your astrological chart and provides a detailed interpretation of its influence and exclusive exercises to help you learn about:

- The SPECIAL TALENT that is waiting for you, a unique gift that could easily be turned into professional success
- The SELF-DEFEATING TENDENCIES in your personality that can hold you back and sabotage relationships
- The LOVE PARTNER who can be your soul mate—and the partner whose hold over you can lead to heartbreak
- The TRAP or temptation from a past life that can lead to disaster if you are not forewarned
- The HEALING AFFIRMATIONS designed to help you release your positive energy and strengthen the qualities that can bring you true happiness

**Birthdays Around the World** Aug 20 2021 "Every child in the world has a birthday. But how children celebrate this occasion depends on where they live. In this latest addition to the Around the World series, award-winning author Margriet Ruurs explores the fascinating ways that children experience birthdays. You'll meet fourteen kids from different countries, each celebrating a birthday according to their local traditions. Bram from Belgium never gets to sleep in on his birthday - his family wakes him up by clanging pots and pans. For Ninoshka in India, it's important to give thanks to the Hindu gods and share sweets with her classmates. And some kids don't celebrate their birthdays at all. Instead, Phúc Khang in Vietnam celebrates Tet, when everyone in the country turns one year older. A world map that pinpoints the countries in the book, a Note to Parents and Teachers with interactive activities and a glossary of foreign words and phrases help to enrich the reading experience. Based on interviews with real people from each country, Birthdays Around the World is an invitation to experience a different culture, think about your own birthday celebrations and even learn how to say "Happy Birthday" in another language (like Hawaiian: "Hau oli la hanau" [ho-O-lee LA HA-now])!"--

**The Sound of Stars** Sep 08 2020 "This debut has it all: music, books, aliens, adventure, resistance, queerness, and a bold heroine tying it all together."—Ms. Magazine Can a girl who risks her life for books and an Ilori who loves pop music work together to save humanity? When a rebel librarian meets an Ilori commander... Two years ago, a misunderstanding between the leaders of Earth and the invading Ilori resulted in the death of one-third of the world's population. Today, seventeen-year-old Ellie Baker survives in an Ilori-controlled center in New York City. All art, books and creative expression are illegal, but Ellie breaks the rules by keeping a secret library. When young Ilori commander Morris finds Ellie's illegal library, he's duty-bound to deliver her for execution. But Morris isn't a typical Ilori...and Ellie and her books might be the key to a desperate rebellion of his own. "The Sound of Stars is a marvelous genre-bending debut."—The Nerd Daily "The Sound of Stars is a stunning exploration of the comforts that make us human and the horrors that challenge our humanity."—K. Ancrum, author of The Wicker King "This book has everything! Aliens set on conquering earth! A determined heroine with a hidden stash of books! And the power of music and stories to give those with every reason to hate the power to love. Who could want anything more?"—Joelle Charbonneau, New York Times bestselling author of The Testing and Verify "An absolute must-read for everyone."—Book Riot "Dow's debut is a testament to hope and the power of art."—Buzzfeed Also by Alechia Dow: The Kindred

*The Kybalion* Nov 30 2019 The Kybalion: A Study of the Hermetic Philosophy of Ancient Egypt and Greece is a book originally published in 1908 by New Thought author William Walker Atkinson under the pseudonym "The Three Initiates". This book is not exactly The Kybalion itself, it is more of a critical interpretation by Atkinson on hermetic philosophy. As such, it should be read with this in mind that it is not an authoritative hermetic text, but one only dedicated to Hermes Trismegistus. The Kybalion presents seven universal principles it proposes to be the Seven Hermetic Principles: Mentalism, Correspondence, Vibration, Polarity, Rhythm, Cause and Effect, and Gender. These principles are essentially explications of cycles, and before these principles is the notion of the primacy of mind as the cause of All (philosophical mentalism). This idea of mentalism is inspired by what is written about the Mind in The Hermetica. Coinciding with Spiritualism, New Thought, and Theosophy, the book became very popular in New Age movements, particularly with its notion of spiritual and mental alchemy. The Kybalion is a text which must be read with this in mind, while it is an interpretation of hermetic philosophy, it is in part still a relic of its time. Its influence cannot be understated, and the need to read it critically cannot be overstated.

*The Magical Land of Birthdays* Mar 15 2021 The first in a delicious new middle-grade series by Flour Shop founder Amirah Kassem, an authority on the sweeter side of life! After receiving a magical cookbook and baking her special birthday cake, 10-year-old—wait, make that almost 11-year-old—Amirah is transported to the Magical Land of Birthdays, where she meets three of her birthday buddies from different corners of the world—kids who share her exact birthday and are also about to turn 11. In the Magical Land of Birthdays, a place filled with wonder and whimsy (and plenty of cake!), you can celebrate your birthday every moment of every day. As they explore the land, Amirah and her new friends learn about each other and the special bond they share, and discover exciting and wonderful birthday traditions from around the world.
