[Science and the Secrets of Nature](#) Oct 02 2022 In closely examining this rich but little-known source of literature, Eamon reveals that printing technology and popular culture had as great, if not stronger, an impact on early modern science as did the traditional academic disciplines. Medieval interest in the secrets of nature was spurred in part by ancient works such as Pliny's *Natural History*. As medieval experimenters adapted ancient knowledge to their changing needs, they created their own books of secrets, which expressed the uncritical, empiricist approach of popular culture rather than the subtle argumentation of scholastic science. The crude experimental methodology advanced by the "professors of secrets" became for the "new philosophers" of the seventeenth century a potent ideological weapon in the challenge of natural philosophy.

But there is more to the situation than first meets the eye and as the captives grapple with their own inner demons, the line between right and wrong starts to blur. Will the secrets they keep stop them from escaping with their lives? Shortlisted for 'best novel' in the 2021 Ngāio Marsh Awards

[The Secrets of Willowra](#) May 05 2020 A family saga of three women, their homestead called Willowra in the Australian outback, and the secrets that link them all. Gabrielle fled Willowra for Sydney and the freedom to live as an out lesbian, leaving behind all those she loved, especially her cherished grandmother, Victoria. Years later, Gabrielle and her partner, Tess, return to Willowra when Victoria instigates a family gathering to reveal the long-kept secret surrounding her parents, Jason and Maggie, and her own tumultuous past. As stories and secrets are uncovered, the threads of the past weave together the lives of Jason, Victoria, and Gabrielle and illuminate a new path forward for those who share the legacy of Willowra.

[The Secrets of Flight](#) Dec 12 2020 This captivating, breakout novel—told in alternating viewpoints—brings readers from the skies of World War II to the present day, where a woman is prepared to tell her secrets at last. Estranged from her family since just after World War II, Mary Browning has spent her entire adult life hiding from her past. Now eighty-seven years old and a widow, she is still haunted by secrets and fading memories of the family she left behind. Her one outlet is the writing group she's presided over for a decade, though she's never written a word herself. When a new member walks in—a fifteen-year-old girl who reminds her so much of her beloved sister Sarah—Mary is certain fate delivered Elyse Strickler to her for a reason. Mary hires the serious-eyed teenager to type her story about a daring female pilot who, during World War II, left home for the sky and gambled everything for her dreams—including her own identity. As they begin to unravel the web of Mary's past, Mary and Elyse form an unlikely friendship. Together they discover it's never too late for second chances and that sometimes forgiveness is all it takes for life to take flight in the most unexpected ways.

[Secrets of the Secret Service](#) Jan 13 2021 From the author of the #1 New York Times bestseller [CRISIS OF CHARACTER](#) comes an explosive new exposé of the Secret Service. The United States Secret Service is tasked with protecting our Presidents, their families, and the complex in which they live and work. Given this important mission, world stability rests upon the shoulders of its agents. In his new book, former Secret Service officer Gary Byrne takes readers behind the scenes to understand the agency's history and today's security failings that he believes put Americans at risk. The American public knows the stories of Secret Service heroism, but they don't know about the hidden legacy of problems that have plagued the agency ever since its creation. Gary Byrne says that decades of catastrophic public failures, near misses, and bureaucratic and cultural rot threaten to erode this critical organization from the inside out. Today, as it works to protect President Trump, the Secret Service stands at a crossroads, and the time needed to choose the right course is running out. Agents and officers are leaving the Secret Service in droves, or they're being overworked to the point where they lose focus on the job. Management makes decisions based on politics, not the welfare of their employees. Byrne believes that this means danger for the men and women of the Secret Service, danger for the President they protect, and danger for the nation. In this book, he shares what he has witnessed and learned about the Secret Service with the hope that the problems of this most important agency can be fixed before it's too late.

[The Secret](#) Mar 27 2022 The tenth-anniversary edition of the book that changed lives in profound ways, now with a new foreword and afterword. In 2006, a groundbreaking feature-length film revealed the great mystery of the universe—The Secret—and, later that year, Rhonda Byrne followed with a book that became a worldwide bestseller. Fragments of a Great Secret have been found in the oral traditions, in literature, in religions and philosophies throughout the centuries. For the first time, all the pieces of The Secret come together in an incredible revelation that will be life-transforming for all who experience it. In this book, you'll learn how to use The Secret in every aspect of your life—money, health, relationships, happiness, and in every interaction you have in the world. You'll begin to understand the hidden, untapped power that's within you, and this revelation can bring joy to every aspect of your life. The Secret contains wisdom from modern-day teachers—men and women who have used it to achieve health, wealth, and happiness. By applying the knowledge of The Secret, they bring to light compelling stories of eradicating disease, acquiring massive wealth, overcoming obstacles, and achieving what many would regard as impossible.

[The Secrets of All Secrets](#) Jan 31 2020 Zane, a seminary and grad school dropout, obtains a USB drive left by a cloaked figure on a bridge in the middle of the night. The drive's content offers Zane "The Secrets of All Secrets"—a tantalizing proposal for someone who has nothing left to lose. Following the drive's directions, Zane heads to Florida where he encounters Dali, a poor waitress who received an identical USB. Initially clashing, they band together, taking a chance that The Secrets are genuine as they receive more instructions from their USBs. Four conflicted government operatives; an extremely tall corporate executive with an extremely short, scholarly hit man in tow; and two crackbrained, fringe-element, anti-government separatists are after The Secrets—and are all willing to kill to get them. Zane, Dali, and their pursuers encounter an armadillo festival, visit a nudist resort, and hang out with a presumed dead '60s rocker. Pandemonium occurs at each venue with Zane and Dali one step ahead of everyone... that is, until all parties convene for a climactic confrontation over The Secrets.

[The Secrets of Mariko](#) Jun 17 2021 As it follows a Japanese housewife named Mariko Tanaka over the course of a year, [The Secrets of Mariko](#) transcends reportage to yield the kind of human insights we expect from literature. Meet Mariko, a cheerful, overscheduled woman who cares for three children, two aging parents, and an unresponsive husband. As readers watch Mariko take part in PTA meetings, bicker with her teenagers, and pursue independence through her part-time job, they come to see Mariko as someone whose dreams and disappointments mirror our own.

[Secrets of the Millionaire Mind](#) Nov 22 2021 [Secrets of the Millionaire Mind](#) reveals the missing link between wanting success and achieving it! Have you ever wondered why some people seem to get rich easily, while others are destined for a life of financial struggle? Is the difference found in their education, intelligence, skills, timing, work habits, contacts, luck, or their choice of jobs, businesses, or investments? The shocking answer is: None of the above! In his groundbreaking [Secrets of the Millionaire Mind](#), T. Harv Eker states: "Give me five minutes, and I can predict your financial future for the rest of your life!" Eker does this by identifying your "money and success blueprint." We all have a personal money blueprint ingrained in our subconscious minds, and it is this blueprint, more than anything, that will determine our financial lives. You can know everything about marketing, sales, negotiations, stocks, real estate, and the world of finance, but if your money blueprint is not set for a high level of success, you will never have a lot of money—and if somehow you do, you will most likely lose it! The good news is that now you can actually reset your money blueprint to create natural and automatic success. [Secrets of the Millionaire Mind](#) is two books in one. Part I explains how your money blueprint works. Through Eker's rare combination of street smarts, humor, and heart, you will learn how your childhood influences have shaped your financial destiny. You will also learn how to identify your own money blueprint and "revise" it to not only create success, but more important, to keep and continually grow it. In Part II you will be introduced to seventeen "Wealth Files," which describe exactly how rich people think and act differently than most poor and middle-class people. Each Wealth File includes action steps for you to practice in the real world in order to dramatically increase your income and accumulate wealth. If you are not doing as well financially as you would like, you will have to change your money blueprint. Unfortunately your current money blueprint will tend to stay with you for the rest of your life, unless you identify and revise it, and that's exactly what you will do with the help of this extraordinary book. According to T. Harv Eker, it's simple. If you think like rich people think and do what rich people do, chances are you'll get rich too!

[The Secrets of the Stormforest](#) Jan 01 2020 Flick journeys to a dangerous new world in this magical third book in the [Strangeworlds Travel Agency](#) series. Flick and Jonathan have faced countless

dangers as members of the Strangeworlds Society and come out alive on the other side. But what do they really know about the society they are risking their lives for? Why does it exist? Who is Strangeworlds there to protect? And what in the worlds is happening to the multiverse now? With worlds everywhere under threat of collapse and mysteries abounding, it's up to Flick and Jonathan to defend the answers to these questions. And only if they can uncover the secrets of Strangeworlds, and the secrets of a mysterious new world called The Stormforest, will they have any hope of defending their world—and others—from the threat that is facing them all.

Marino Sanudo Torsello, *The Book of the Secrets of the Faithful of the Cross* Feb 23 2022 This is the first full translation of Marino Sanudo Torsello's *Secreta fidelium Crucis* to be made into English. The work itself is a piece of crusading propaganda following the fall of Acre in 1291, written between 1300 and 1321, but it includes much of historical relevance along with interesting observations on the early history of Jerusalem and the Crusader Kingdom. The translation is based upon the text edited by Jacques Bongars in 1611. There is an introduction that contextualises the book, its author, his sources and his audience. The notes provide essential information to clarify internal textual references and allusions, as well as the role of Biblical references in Sanudo's grand design. The index is designed to make this detailed text usable and accessible. In this, his major work, Sanudo advocated the conquest of Egypt as the means to regain Jerusalem for the Latins and worked through his points with considerable detail alongside references to 13th-century Mediterranean history, especially involving Louis IX of France and Charles of Anjou, king of Naples. Books I and II give considerable detailed discussion of the concept, plan and costs of his proposed crusade. Book III provides an outline history of the crusades and the crusader states. It is derived from a wide-reading of other sources especially of William of Tyre, and, for events after 1184 on the Eracles, the letters of James of Vitry, and Sanudo's own experiences in the east. Throughout, the work contains a staggering amount of cartographical, ethnographical, geographical, and nautical information, as well as numerous unique insights into historical events and personalities of the late 13th century, not only in Outremer but in Western Europe.

**The Secrets of Story** Dec 24 2021 You've just boarded a plane. You've loaded your phone with your favorite podcasts, but before you can pop in your earbuds, disaster strikes: The guy in the next seat starts telling you all about something crazy that happened to him—in great detail. This is the unwelcome storyteller, trying to convince a reluctant audience to care about his story. We all hate that guy, right? But when you tell a story (any kind of story: a novel, a memoir, a screenplay, a stage play, a comic, or even a cover letter), you become the unwelcome storyteller. So how can you write a story that audiences will embrace? The answer is simple: Remember what it feels like to be that jaded audience. Tell the story that would win you over, even if you didn't want to hear it. *The Secrets of Story* provides comprehensive, audience-focused strategies for becoming a master storyteller. Armed with the Ultimate Story Checklist, you can improve every aspect of your fiction writing with incisive questions like these:  Concept: Is the one-sentence description of your story uniquely appealing?  Character: Can your audience identify with your hero?  Structure and Plot: Is your story ruled by human nature?  Scene Work: Does each scene advance the plot and reveal character through emotional reactions?  Dialogue: Is your characters' dialogue infused with distinct personality traits and speech patterns based on their lives and backgrounds?  Tone: Are you subtly setting, resetting, and upsetting expectations?  Theme: Are you using multiple ironies throughout the story to create meaning? To succeed in the world of fiction and film, you have to work on every aspect of your craft and satisfy your audience. Do both—and so much more—with *The Secrets of Story*.

**The Secrets of Us** Sep 20 2021 Dangerously addictive, *The Secrets of Us* is a pulse-pounding exploration of a disturbed psyche and the bond between two sisters desperate to escape a troubled past. Foster sisters Krystal and Nichole have always been there for each other, so when Nichole is committed to a psychiatric hospital after trying to kill her husband, Krystal drops everything to defend her. Scarred by a hard upbringing, Nichole and Krystal managed to construct comfortable lives for themselves. Krystal became a respected lawyer, and Nichole was happily married to an architect—until Nichole starts raving that her husband isn't her husband, believing that he's an imposter. Driven by fierce loyalty, Krystal starts asking questions, but she's not sure she can bear the answers. Her investigation leads to the sisters' dark shared past...to a horrible tragedy and a well-guarded lie that cemented their sisterly bond. But that lie can't kill the truth—the battered, gasping, clawing truth that's coming for them both. Now Krystal and Nichole must both fight for the lives they've built before they're consumed by the one they left behind.

*Secrets of the Baby Whisperer* Sep 28 2019 "TRACY HOGG HAS GIVEN PARENTS A GREAT GIFT—the ability to develop early insight into their child's temperament." —Los Angeles Family When Tracy Hogg's *Secrets of the Baby Whisperer* was first published, it soared onto bestseller lists across the country. Parents everywhere became "whisperers" to their newborns, amazed that they could actually communicate with their baby within weeks of their child's birth. Tracy gave parents what for some amounted to a miracle: the ability to understand their baby's every coo and cry so that they could tell immediately if the baby was hungry, tired, in real distress, or just in need of a little TLC. Tracy also dispelled the insidious myth that parents must go sleepless for the first year of a baby's life—because a happy baby sleeps through the night. Now you too can benefit from Tracy's more than twenty years' experience. In this groundbreaking book, she shares simple, accessible programs in which you will learn:  E.A.S.Y.—how to get baby to eat, play, and sleep on a schedule that will make every member of the household's life easier and happier.  S.L.O.W.—how to interpret what your baby is trying to tell you (so you don't try to feed him when he really wants a nap).  How to identify which type of baby yours is—Angel, Textbook, Touchy, Spirited, or Grumpy—and then learn the best way to interact with that type.  Tracy's Three Day Magic—how to change any and all bad habits (yours and the baby's) in just three days. At the heart of Tracy's simple but profound message: treat the baby as you would like to be treated yourself. Reassuring, down-to-earth, and often flying in the face of conventional wisdom, *Secrets of the Baby Whisperer* promises parents not only a healthier, happier baby but a more relaxed and happy household as well.

**The Secrets of the Dark** Mar 03 2020 Is one born with his destiny or does he forge it? In the mystical land of Gaya, two prophecies bind the fate of men and empires alike. The Destroyer born from the royal seed on the Land of the Setting Sun shall bring the empires down, or so has been foretold. In between the Destroyer and the world stand the Seven Guardians of Gaya, guarding the realm of man. A king, a father, defies the Seven and fate itself to save the last drop of his blood and prince Agni grows in the Land of the Rising Sun, exiled from his own people, unaware of his past. Losing the woman he loved most to the shadows in the dark, Agni is thrown into a whirlpool of events that he neither knows, nor understands. His quest for vengeance brings him to the doorstep of a secret that will shatter the very foundation of beliefs of a world. Can Agni avert his destiny? Can he uncover the truth about the Seven and the prophecies, now hidden behind a veil of ignorance? *The Secrets of the Dark* are sometimes so terrible that they are better left unsaid.

**The Secrets of Words** Feb 11 2021 Two distinguished linguists on language, the history of science, misplaced euphoria, surprising facts, and potentially permanent mysteries. In *The Secrets of Words*, influential linguist Noam Chomsky and his longtime colleague Andrea Moro have a wide-ranging conversation, touching on such topics as language and linguistics, the history of science, and the relation between language and the brain. Moro draws Chomsky out on today's misplaced euphoria about artificial intelligence (Chomsky sees "lots of hype and propaganda" coming from Silicon Valley), the study of the brain (Chomsky points out that findings from brain studies in the 1950s never made it into that era's psychology), and language acquisition by children. Chomsky in turn invites Moro to describe his own experiments, which proved that there exist impossible languages for the brain, languages that show surprising properties and reveal unexpected secrets of the human mind. Chomsky once said, "It is important to learn to be surprised by simple facts"—"an expression of yours that has represented a fundamental turning point in my own personal life," says Moro—and this is something of a theme in their conversation. Another theme is that not everything can be known; there may be permanent mysteries, about language and other matters. Not all words will give up their secrets.

**The Secrets of the Mysterious Mansion** Oct 29 2019 Heidi Hoover, a good friend and newspaper reporter for *The Daily Pilot*, introduces the mystery searchers to a forgotten mansion in the forest—at midnight! The mansion is under siege from unknown "hunters." Who are they? What are they searching for? Good, old-fashioned detective work and a couple of technology tools ultimately reveal the truth. A desperate race ensues, but time is running out.

**The Secrets of Art** Apr 27 2022 Discover the secrets, mysteries, hidden meanings and stories behind famous works of art. A book full of surprises, discoveries, forgotten treasures and lost tales. *The Secrets of Art* takes us on a journey through the art world's mysteries to reveal that works of art are not always what they seem. A long-lost medieval masterpiece unearthed in the Tower of London. A secret message that only an elite few can read encoded in a painting. A glimpse of a ghostly image beneath the surface of a portrait. The intriguing stories of these works, and many more, are brought to life by author, historian and art detective Debra N. Mancoff, as she reveals secret symbols used by Leonardo da Vinci, Vermeer and Caravaggio, uncovers layers of meaning in paintings by Van Gogh, Picasso and Dali, and provides insight into works by Frida Kahlo, Kara Walker and Marina Abramović. Drawing upon the findings of advanced technology, new research, scientific analysis and old-fashioned curiosity, *The Secrets of Art* unveils the layers of meaning beneath the surfaces of great works of art in a collection of tales that are fully based in fact but are as fascinating as fiction.

**How to Talk to Anyone, Anytime, Anywhere** Jul 27 2019 America's best-known master of conversation unveils his secrets for getting the talk flowing smoothly in any situation. "Communication is a necessary skill. Larry King is a master of communication, and now he's shared what he knows. If only he'd written the book sooner, I might have had a more interesting career."—Dan Rather.

**The Secret of Secrets** Sep 01 2022 Taoist teachings on life and existence—presented by one of the best-known and provocative spiritual teachers of our time. In this unique series of discourses, Osho unravels *The Secret of the Golden Flowers*, an ancient text that he describes as the essence of Taoism. It is the core of all religions and spiritual paths, belonging to no one and belonging to all. More than 2,500 years old, this remarkable text continues to be as relevant today as it was to its contemporaries. Osho demystifies the important terms used by the Chinese mystic Lu Tsu and shares his meditation exercises. He also outlines the qualities of animus and anima—our male and female energies—as delineated by Lu Tsu, explaining the importance of their relationships inside each of us. He also provides many valuable techniques and gives specific instructions on the Taoist Golden Light Meditation, which involves harmonizing the male and female elements and transmuting sexual energy. A timeless collection of Osho's talks on *The Secret of the Golden Flower*, this book will show you how to not remain a seed but to become what the Chinese called 'a golden flower.' Called the 'one thousand-petaled lotus' in India, the golden flower is a symbol that represents perfection, totality. It represents the actualization of potential—the beauty, the grandeur, and the splendor of being.

**The Secrets of Happiness** Jun 25 2019 Unhappy is the story of happiness. More than two thousand years ago, when the ancient Greeks first pondered what constitutes "the good life," happiness was considered a civic virtue that demanded a lifetime's cultivation. Not just mere enjoyment of pleasure and mere avoidance of suffering, true happiness was an achievement, not a birthright. Now, in an age of instant gratification and infinite distraction, history professor Richard Schoch takes a refreshingly contemplative look at a question that's as vital today as ever: What does it mean to be happy? Schoch consults some of history's greatest thinkers -- from Aristotle to Thomas Aquinas to Buddha -- in his quest to understand happiness in all its hard-won forms. Packed with three thousand years' worth of insights, many long forgotten, *The Secrets of Happiness* is a breath of ancient wisdom for anyone who yearns for the good life.
