***Hinduism in the Modern World Nov 05 2020 Hinduism in the Modern World presents a new and unprecedented attempt to survey the nature, range, and significance of modern and contemporary Hinduism in South Asia and the global diaspora. Organized to reflect the direction of recent scholarly research, this volume breaks with earlier texts on this subject by seeking to overcome a misleading dichotomy between an elite, intellectualist "modern" Hinduism and the rest of what has so often been misleadingly termed "traditional" or "popular" Hinduism. Without neglecting the significance of modern reformist visions of Hinduism, this book reconceptualizes the meaning of "modern Hinduism" both by expanding its content and by situating its expression within a larger framework of history, ethnography, and contemporary critical theory. This volume equips undergraduate readers with the tools necessary to appreciate the richness and diversity of Hinduism as it has developed during the past two centuries.***

***Elevation to Krsna Consciousness Mar 29 2020 The quality of our consciousness can go up or down based on how we see the world and act in it. When we act like the eternal spiritual beings that we are – small parts of a supreme whole – makes us happy. But if we focus our attempts at happiness on the temporary body and mind – on matter – and make those our life's priority, our consciousness will shrink and we'll be miserable. Spiritual elevation – raising our consciousness to higher levels – happens quickly when we revive our God consciousness. In this compact book, Srila Prabhupada recommends seeing the world as it is – a temporary place full of anxiety – and then taking the road to higher consciousness by rediscovering our relationship with the Supreme Person, Krishna. Anyone can become elevated; the journey begins with a single step up.***

***Jaya Srila Prabhupada! Jul 21 2019 There is no end to the description of Srila Prabhupada's transcendental qualities, nor do we wish to ever stop describing them. His qualities combined with his achievements undoubtedly establish him as an extraordinarily great transcendental personality. Srila Prabhupada is still with us, watching over the continuing expansion of the Krsna consciousness movement. We can expect that if we simply follow his instructions carefully, many amazing things will happen that we can hardly imagine now.***

***A History of the Present Jun 24 2022 Through the long 20th century, Indian South Africans lived under the whip of settler colonialism and white minority rule, which saw the passing of a slew of legislation that***

*circumscribed their freedom of movement, threatened repatriation, and denied them citizenship, all the while herding them into racially segregated townships. This volume chronicles the broad outlines of this history. Taking the story into the present, it provides an analysis of how Indian South Africans have responded to changes wrought by the remarkable collapse of apartheid and the holding of the first democratic elections in 1994. Drawing upon archival records, in-depth interviews, and ethnography, this study examines the ways in which Indian South Africans define themselves and the world around them, and how they are defined by others. It tells of the incredible journey of Indian South Africans, many of whom are fourth and fifth generation, towards being recognized as citizens in the land of their birth and how, while often attracted by and seeking to explore their roots in India, they continue to dig deeper roots in African soil.*

It covers such subjects as African traditional religions, Christianity, Islam, the Jewish community and Hinduism, amongst others.

*The Journey of Self-Discovery Dec 06 2020* Srila Prabhupada declares, "We don't say that this scientific knowledge is useless. Mechanics, electronics – this is also knowledge. But the central point is atma-jnana – self-knowledge, knowledge of the soul." In these thirty-one essays, talks, and informal conversations, Srila Prabhupada reveals the central point of essential self-knowledge – a knowledge that makes all other knowledge and activities pale in comparison. Brighten your life with the light of self-knowledge and gain a world perspective usually reserved for ascetics and saints.

*My Journey with Srila Prabhupada Aug 26 2022* I have come to understand, that even though one may be born into a Krishna Consciousness family or home, or even if a person has realized the Absolute Truth at death, Lord Krishna, reveals his potency into your soul and you need not a life time but a moment of deep surrender in devotion, and that is when Lord Krishna, is ready to walk with you in Bhakti Yoga. Lord Krishna says "a devotee is a person who always thinks of me."

*Why is ISKCON so Wishywashy? Apr 10 2021* What happened to this dynamic spiritual movement? It is not that the movement is completely devoid of life, but what happened to the hope, the mission, and the revolutionary spirit of changing the world by bringing K???a consciousness to others? Many people who are joining now may not have any idea of this and may think that the way it is now is the way it should be. How did ISKCON become so wishy-washy? Well, obviously it didn't happen overnight. There is a history behind that which we can learn for educational purposes. Such an account may be somewhat subjective and some facts may not be fully correct as it is difficult to chart the course of history in ISKCON when there have been different factors at work and multiple events unfolding simultaneously. Discussing these subjects may not be appreciated by all the members of ISKCON, but there are those who appreciate it. This discussion is not directly spiritual, but it is educational. We shouldn't pretend that everything in the movement is glorious and wonderful. In one sense, it is and in another sense, it isn't. One should have a realistic understanding of the history of the movement. This book is a composite of the edited transcripts of a series of talks titled 'Why is ISKCON so Wishywashy?', given by His Holiness Bhakti Vik?sa Swami in Croatia in 2019. Many people today do not have the time required to hear lectures, which is considerably longer than the time required to read the same subject matter in a book format. Hence, Bhakti Vikas Trust is publishing this important discourse in an e-book format.

*Melancholia of Freedom Apr 29 2020* The end of apartheid in 1994 signaled a moment of freedom and a promise of a nonracial future. With this promise came an injunction: define yourself as you truly are, as an individual, and as a community. Almost two decades later it is clear that it was less the prospect of that future than the habits and horizons of anxious life in racially defined enclaves that determined postapartheid freedom. In this book, Thomas Blom Hansen offers an in-depth analysis of the uncertainties, dreams, and anxieties that have accompanied postapartheid freedoms in Chatsworth, a formerly Indian township in Durban. Exploring five decades of township life, Hansen tells the stories of ordinary Indians whose lives were racialized and framed by the township, and how these residents domesticated and inhabited this urban space and its institutions, during apartheid and after. Hansen demonstrates the complex and ambivalent nature of ordinary township life. While the ideology of apartheid was widely rejected, its practical institutions, from

urban planning to houses, schools, and religious spaces, were embraced in order to remake the community. Hansen describes how the racial segmentation of South African society still informs daily life, notions of race, personhood, morality, and religious ethics. He also demonstrates the force of global religious imaginings that promise a universal and inclusive community amid uncertain lives and futures in the postapartheid nation-state.

*A Bond of Love: Srila Prabhupada and His Daughters* Oct 28 2022 The founder Acharya of the Hare Krishna movement, His Divine Grace A.C. Bhaktivedanta Swami Prabhupada, was respected and loved by all his disciples. This love they had for him was not simply a formality, but a deep bond built on his kindness, compassion, and the loving dedication he showed to them, even while seriously training them in the science of Bhakti Yoga. *A Bond of Love* is a compilation of over 300 of his female disciples' memories about their personal interactions with Srila Prabhupada and how he influenced the rest of their lives. From an idea spawned by one of his early female disciples in 2008, the book slowly took form through the dedicated work of some of his spiritual daughters, and even some grand-daughters. Rarely does one find books written from the female disciples' perspective. As a result, this book gives a deeper understanding into how a bonafide and chaste sannyasa guru interacts lovingly yet properly with his female disciples. This is an inspiring retrospective showing how, while his female disciples' lives unfolded in numerous ways, their bond of love with their guru never wavered. Readers are quickly pulled into the heartfelt memories of these female disciples. While enlightening and uplifting to devotees of Srila Prabhupada, *A Bond of Love* is also an interesting sociological study of the minds of young women in the late 60s and how those who chose this spiritual path weathered the next fifty years.

*Renunciation Through Wisdom* Feb 26 2020 *Renunciation Through Wisdom* is a collection of essays originally written in Bengali and published by Srila Prabhupada in India during the 1940s. They were later translated into English by his disciples. In these essays Srila Prabhupada expands on themes found in the *Bhagavad-gita*, discussing such topics as why people are averse to God, the ultimate causes of suffering, and how the world's troubles are extraordinarily fleeting when seen from the standpoint of eternity. Students of Srila Prabhupada will recognize the same common-sense writing style in *Renunciation Through Wisdom* as in his later, well-known works such as *Srimad-Bhagavatam* and *Bhagavad-gita As It Is*, as well as his expertise at distilling the essence of India's ancient Vedic wisdom into powerful, convincing, practical, and easily readable directives.

*Vanity Karma* Jun 19 2019 What is life for? What may give it meaning? Does it have any meaning at all? A sage in ancient Israel brooded over these questions. In ancient India, too, such questions drove a despairing warrior to seek answers from his divine friend Krishna. The thoughts of the sage became the wisdom book *Ecclesiastes*; those of Krishna, the *Bhagavad-g?t?*. Their wisdom speaks to our deepest concerns. In *Vanity Karma*, wisdom meets wisdom as these two perennial classics come together, both offering us profound understanding. And a deep and authentic spiritual understanding, we may find, can infuse our lives with meaning and with joy. *Vanity Karma* brings you on a journey through the full text of *Ecclesiastes*, a journey illuminated by traditional biblical scholarship, insights from the *Bhagavad-g?t?*, a dash of autobiography, and a steady spiritual focus.

Bhagavad-gita As It Is is the largest-selling, most widely used edition of the Gita in the world.*

*South Asian Religions on Display Nov 17 2021 Religious procession is a significant dimension of religion in South Asia. Processions are central not only in Hinduism, but also Islam, Christianity, Jainism and Sikhism, which have large procession rituals. The last years have seen an increase in processions and ritualizations of space both in South Asia and in the South Asian Diaspora. Processions are religious display events and the increase in processions are functions of religious pluralism and competition about public space as well as economic prosperity and a revival of religious identities. Processions often bring together religion and politics since they are about public space, domination and contestation. Written by leading specialists on religious processions and ritualization of public space in South Asia and in the Diaspora, this volume presents current research on the interpretations of the role of processions, the recent increase in processions and changes in the procession traditions. South Asian Religions on Display will appeal to students and scholars of Asian studies, anthropology, religion and political science.*

*Teachings of Queen Kunti Oct 16 2021 Queen Kunti, a tragic and heroic figure, emerges from an explosive era in the history of ancient India. Her teachings are simple and illuminating outpourings revealing the deepest transcendental emotions of the heart and the deepest philosophical and theological penetrations of the intellect. At the conclusion of the devastating Kurukshetra war, Queen Kunti approaches Lord Krishna as He prepares to depart the scene of the battle. Kunti's words are words of glorification impelled by a divine love steeped in wisdom. Kunti's spontaneous glorification of Lord Krishna and her description of the spiritual path are immortalized in the Mahabharata and the Bhagavata Purana (Srimad-Bhagavatam), and they have been recited, chanted, and sung by sages and philosophers for thousands of years. As they appear in the First Canto of the Bhagavatam, Queen Kunti's celebrated prayers consist of only twenty-six couplets (verses 18 through 43 of the Eighth Chapter), yet they are considered a philosophical, theological, and literary masterpiece. Let her heartfelt words of wisdom bring solace to your soul.*

This is a summary study of Bhakti-rasamrita-sindhu, the Vaishnava classic written by Rupa Goswami that analyzes the various stages of bhakti (devotion) as a methodical practice resulting in love of God. Rupa Goswami uses a metaphor comparing an ocean (sindhu) to a devotional relationship with God. The title of the book conveys that loving relationships are enjoyable like sweet nectar and deep like an ocean. However, devotion is truly only meant for the supreme beloved, Krishna. Srila Prabhupada has written this summary study to show the essential understanding of the practices and ideals of Krishna consciousness, and to introduce the Western world to the beauty of devotional concepts.
