[Just One Cookbook - Essential Japanese Recipes](#) Aug 02 2020 Since elementary school, I spent almost every evening in my mother's kitchen helping her prepare dinner. She showed me that cooking can be fun and simple recipes really can be delicious! I cherish all the tips and tricks she taught me and incorporate them into my daily cooking, using fresh, high quality ingredients. This cookbook is a collection of the most popular recipes shared on my blog, Just One Cookbook, over the past three years. It includes classic Japanese recipes like chawanmushi, gyudon and kitsune udon, as well as modern favorites like California rolls and green tea ice cream. Enjoy!
