Handgun Buyer's Guide Sep 10 2020 The one-stop-shop for prospective handgun buyers. The market for new handguns is expanding rapidly, and that's good news for consumers. Each year more and more new models break cover and there has never been a better time to be in the market for a new handgun, whether you're a

recreational shooter, a concealed carry permit holder, a hunter or a serious competitive shooter. Today's handguns offer superb machining and utilize some of the most technologically-advanced alloys, polymers and finishes to help make the current crop of handguns lightweight, accurate, durable, and affordable. This increase in product offerings stem from new interest in handguns, primarily as a result of nationwide issuance of concealed carry permits. As laws have been enacted that protect the rights of gun owners and defend our personal liberties, more and more new shooters are showing up on the range. But first-time shooters and new concealed carry permit holders are not the only segment of the handgun market that is seeing growth and interest. Pistol

competitions have become more popular and more advanced, evolving from slow-fire matches at local gun clubs to modern IPSC, IDPA and 3-gun competitions. Handgun Buyer's Guide will help both the bewildered new shooter find their feet and purchase a handgun, find the best accessories, and locate a place to practice on hone their skills. You'll find all you need for owning a handgun in the Handgun Owner's Guide! Skyhorse Publishing is proud to publish a broad range of books for hunters and firearms enthusiasts. We publish books about shotguns, rifles, handguns, target shooting, gun collecting, self-defense, archery, ammunition, knives, gunsmithing, gun repair, and wilderness survival. We publish books on deer hunting, big game hunting, small game hunting, wing shooting, turkey hunting, deer stands, duck blinds, bowhunting, wing shooting, hunting dogs, and more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to

Safecracking 101 Jun 27 2019 Looking to start a new career in locksmithing and security?

Nothing is more prestigious than being a safe technician. Safecracking 101 is a self-learning beginner's guide to manipulating and drilling safes. Written in lesson format, this easy reading manual introduces the beginner to the nomenclature, techniques, and methods used for opening safes; and are demonstrated using early model Sentry fire safes. For more information on starting a career in locksmithing, go to: -The Society Of Professional Locksmiths (<http://www.SOPL.us>), and -The Security Technical Institute (<http://www.securitytechnicalinstitute.com>)

Dooley's Dollars May 07 2020 Dooley had real money no one would accept in a world of charge-it cards. All he wanted was to manage family affairs with lawful money. But automated banks had none, nor did our Federal Reserve System, in his world of charge-it shopping. So he's off to lobby his senator, has a sterile overnight in a Nevada brothel, is given a free flight to Denver, hitchhikes a truck trip to Chicago, starts to Washington but arrives in New York, and only reaches the senator a few minutes after Congress repealed use of our currency as lawful legal tender. All this and more in Dooley's world
