Cassandra Speaks Mar 15 2021 What story would Eve have told about picking the apple? Why is Pandora blamed for opening the box? And what about the fate of Cassandra who was blessed with knowing the future but cursed so that no one believed her? What if women had been the storytellers? Elizabeth Lesser believes that if women's voices had been equally heard and respected throughout history, humankind would have followed different hero myths and guiding stories—stories that value caretaking, champion compassion, and elevate communication over vengeance and violence. *Cassandra Speaks* is about the stories we tell

and how those stories become the culture. It's about the stories we still blindly cling to, and the ones that cling to us: the origin tales, the guiding myths, the religious parables, the literature and films and fairy tales passed down through the centuries about women and men, power and war, sex and love, and the values we live by. Stories written mostly by men with lessons and laws for all of humanity. We have outgrown so many of them, and still they endure. This book is about what happens when women are the storytellers too—when we speak from our authentic voices, when we flex our values, when we become protagonists in the tales we tell about what it means to be human. Lesser has walked two main paths in her life—the spiritual path and the feminist one—paths that sometimes cross but sometimes feel at cross-purposes. *Cassandra Speaks* is her extraordinary merging of the two. The bestselling author of *Broken Open* and *Marrow*, Lesser is a beloved spiritual writer, as well as a leading feminist thinker. In this book she gives equal voice to the cool water of her meditative self and the fire of her feminist self. With her trademark gifts of both humor and insight, she offers a vision that transcends the either/or ideologies on both sides of the gender debate. Brilliantly structured into three distinct parts, Part One explores how history is carried forward through the stories a culture tells and values, and what we can do to balance the scales. Part Two looks at women and power and expands what it means to be courageous, daring, and strong. And Part Three offers “A Toolbox for Inner Strength.” Lesser argues that change in the culture starts with inner change, and that no one—woman or man—is immune to the corrupting influence of power. She provides inner tools to help us be both strong-willed and kind-hearted. *Cassandra Speaks* is a beautifully balanced synthesis of storytelling, memoir, and cultural observation. Women, men and all people will find themselves in the pages of this book, and will come away strengthened, opened, and ready to work together to create a better world for all people.

Horror Stories Jul 31 2022 The two-time Grammy-nominated singer-songwriter behind the groundbreaking album *Exile in Guyville* traces her life and career in a genre-bending memoir in stories about the pivotal moments that haunt her. “Honest, original and absolutely remarkable.”—NPR (Best Books of the Year) When Liz Phair shook things up with her musical debut, *Exile in Guyville*—making her as much a cultural figure as a feminist pioneer and rock star—her raw candor, uncompromising authenticity, and deft storytelling inspired a legion of critics, songwriters, musicians, and fans alike. Now, like a

Gen X Patti Smith, Liz Phair reflects on the path she has taken in these piercing essays that reveal the indelible memories that have stayed with her. For Phair, horror is in the eye of the beholder—in the often unrecognized universal experiences of daily pain, guilt, and fear that make up our humanity. Illuminating despair with hope and consolation, tempering it all with her signature wit, *Horror Stories* is immersive, taking readers inside the most intimate junctures of Phair's life, from facing her own bad behavior and the repercussions of betraying her fundamental values, to watching her beloved grandmother inevitably fade, to undergoing the beauty of childbirth while being hit up for an autograph by the anesthesiologist. *Horror Stories* is a literary accomplishment that reads like the confessions of a friend. It gathers up all of our isolated shames and draws them out into the light, uniting us in our shared imperfection, our uncertainty and our cowardice, smashing the stigma of not being in control. But most importantly, the uncompromising precision and candor of *Horror Stories* transforms these deeply personal experiences into tales about each and every one of us.

COOLEST AMERICAN STORIES 2022 Jun 05 2020 America's most talented storytellers share their most courageous, compelling, unputdownable work in a collection made for story lovers. Praised early on by Billy Lynn's *Long Halftime Walk* author Ben Fountain and *The Weight of Blood* author Laura McHugh, *COOLEST AMERICAN STORIES* is a new annual short story anthology whose guiding philosophy is that a collection of interesting "full meal" short stories could, as one @JustCoolStories Twitter follower put it, "make America cool again." Toward this end, *COOLEST AMERICAN STORIES 2022* features a previously unpublished story by the multi-major-book-award-winning author of *Blacktop Wasteland* S. A. Cosby; the timeless, previously unpublished short story that led Tina Brown to sign Frances Park's *When My Sister Was Cleopatra Moon*; and Pulitzer Prize finalist Lee Martin's heartfelt rendering of married life that apparently was too startling for the editors of several university-affiliated literary magazines. And since interesting storytelling?rather than a list of publishing credits?matters most to story-hungry readers, *COOLEST AMERICAN STORIES 2022* also includes a page-turner about dating in Hollywood written by MFA student Megan Ritchie; Brooklyn native D.Z. Stone's very first published fiction, a hilarious love story that celebrates the power of women; a heartbreaking account of adult siblinghood authored by David Ebenbach?among others in this treasure trove of unputdownable, sharply written, sometimes comic, sometimes frightening, always suspenseful stories loaded with twists and turns. "Coolest American Stories 2022 is a helluva lot of fun. These stories bump and brim with rambunctious energy and show that the American short story is alive and well. Many thanks to Mark Wish and Elizabeth Coffey for this breath?or let's call it a gale?of fresh literary air." --Ben Fountain, winner of the PEN/Hemingway Award and the National Book Critics' Circle Award, author of *Billy Lynn's Long Halftime Walk* "Extraordinarily rich storytelling from fresh, vibrant voices?Coolest American Stories promises to be an annual force." --Laura McHugh, internationally bestselling author of *The Weight of Blood* and *What's Done in Darkness* "Love short stories? This collection is for you. Not yet sure how to feel about short stories? This collection is definitely for you. Whoever you are, wherever you are: read these stories!" --Lori Ostlund, Flannery O'Connor Award winner and author of *After the Parade* and *The Bigness of the World*

Twilight Man Dec 12 2020 "Twilight Man is biography, romance, and nonfiction mystery, carrying with it the bite of fiction." -- Los Angeles Review of Books "In *Twilight Man*, Liz Brown uncovers a noir fairytale, a new glimpse into the opulent Gilded Age empire of the Clark family." —Bill Dedman, co-author of *The New York Times* bestseller *Empty Mansions: The Mysterious Life of Huguette Clark and the Spending of a Great American Fortune* The unbelievable true story of Harrison Post--the enigmatic lover of one of the richest men in 1920s Hollywood--and the battle for a family fortune. In the booming 1920s, William Andrews Clark Jr. was one of the richest, most respected men in Los Angeles. The son of the mining tycoon known as "The Copper King of Montana," Clark launched the Los Angeles Philharmonic and helped create the Hollywood Bowl. He was also a man with secrets, including a lover named Harrison Post. A former salesclerk, Post enjoyed a lavish existence among Hollywood elites, but the men's money--and their homosexuality--made them targets, for the district attorney, their employees and, in Post's case, his own family. When Clark died suddenly, Harrison Post inherited a substantial fortune--and a wealth of trouble. From Prohibition-era Hollywood to Nazi prison camps to Mexico City nightclubs, *Twilight Man* tells the story of an illicit love and the battle over a family estate that would destroy one man's life. Harrison Post was forgotten for decades, but after a chance encounter with his portrait, Liz Brown, Clark's great-grandniece, set out to learn his story. *Twilight Man* is more than just a biography. It is an exploration of how families shape their own legacies, and the lengths they will go in order to do so.

Falling into Place Aug 08 2020 One cold fall day, high school junior Liz Emerson steers her car into a tree. This haunting and heartbreaking story is told by a surprising and unexpected narrator and unfolds in nonlinear flashbacks even as Liz's friends, foes, and family gather at the hospital and Liz clings to life. This riveting debut will appeal to fans of *Before I Fall*, by Lauren Oliver, and *13 Reasons Why*, by Jay Asher. "On the day Liz Emerson tries to die, they had reviewed Newton's laws of motion in physics class. Then, after school, she put them into practice by running her Mercedes off the road." Why did Liz Emerson decide that the world would be better off without her? Why did she give up? The nonlinear novel pieces together the short and devastating life of Meridian High's most popular junior girl. Mass, acceleration, momentum, force—Liz didn't understand it in physics, and even as her Mercedes hurtles toward the tree, she doesn't understand it now. How do we impact one another? How do our actions reverberate? What does it mean to be a friend? To love someone? To be a daughter? Or a mother? Is life truly more than cause and effect? Amy Zhang's haunting and universal story will appeal to fans of Lauren Oliver, Gayle Forman, and Jay Asher.

Story Matters Apr 15 2021 When we read a nonfiction text, what is the difference between one that keeps us interested and one that merely informs? Especially when the topic may be a bit, well, dry? The difference is narrative. The writer who threads a story throughout her text - using the tools of human connection, of narrative - is the writer who brings information to life. The argument she makes is compelling and real, because we care about the story within her story. This writer understands the power of narrative. In *Story Matters*, Liz Prather provides activities, lessons, exercises, mentor texts, and student samples to help teens learn to seamlessly weave narrative into their nonfiction writing. She provides concrete ideas for using the tools and techniques of narrative, including: - finding stories within any topic - using characters - creating tension - exploring structure - selecting details - crafting words and sentences. Give Liz's ideas a try and watch your students' writing rise to new levels. Because story matters.

Lead with a Story Nov 22 2021 Whether you're trying to communicate a vision, sell an idea, or inspire commitment, storytelling is a powerful business tool that can mean the difference between lackluster enthusiasm and a rallying cry. Wired for Story Oct 10 2020 This guide reveals how writers can utilize cognitive storytelling strategies to craft stories that ignite readers' brains and captivate them through each plot element. Imagine knowing what the brain craves from every tale it encounters, what fuels the success of any great story, and what keeps readers transfixed. *Wired for Story* reveals these cognitive secrets—and it's a game-changer for anyone who has ever set

pen to paper. The vast majority of writing advice focuses on “writing well” as if it were the same as telling a great story. This is exactly where many aspiring writers fail—they strive for beautiful metaphors, authentic dialogue, and interesting characters, losing sight of the one thing that every engaging story must do: ignite the brain’s hardwired desire to learn what happens next. When writers tap into the evolutionary purpose of story and electrify our curiosity, it triggers a delicious dopamine rush that tells us to pay attention. Without it, even the most perfect prose won’t hold anyone’s interest. Backed by recent breakthroughs in neuroscience as well as examples from novels, screenplays, and short stories, *Wired for Story* offers a revolutionary look at story as the brain experiences it. Each chapter zeroes in on an aspect of the brain, its corresponding revelation about story, and the way to apply it to your storytelling right now.

A Leader’s Guide to Storytelling Dec 24 2021 Part manual, part memoir and part call to action, this book demonstrates why the core skill needed by leaders in the next decade and into the future will be authentic and effective communication. Communications based on character, integrity and values will be critical in helping leaders navigate the two mega trends of accelerated technological change and increasing demands for social change. This book is the first to marry practical advice on deepening communication skills with insight from a coaching and cognitive point of view into what techniques works and why, and to pull together the wider societal issues and the operating context for leaders. Counter-intuitive and written to provoke thought and awareness, the author looks at the psychological and emotional effects of our communications and what leaders can do to inspire and engage, guiding them through three sections: • A framework for effective communications • A toolkit, detailing what good looks like in practical situations • The authentic leader, an exploration of the changing communications landscape and why a different kind of leadership is needed C-suite executives, leaders about to take that last step into the C-suite or millennial leaders about to enter the boardroom will value this book as an advisory guide, as a handbook to be used in internal coaching and training sessions and as a manual and aide memoir for themselves.

From Plot to Narrative Jan 13 2021 "a masterful book by a master storyteller. To think that Elizabeth Ellis' voice could be even more powerful in print than in performance is unimaginable, but here she is in this inspiring and insightful book. She teaches us with humor and generosity, asking that we dig deeper - layer after layer - until we come to love and understand the characters we've created. Our stories are stronger for her guidance and so are we." --Jane Stenson, Storyteller, author and educator, Evanston, Illinois
