Jesus Calling (Textured Gray Leathersoft) Aug 08 2020 Experience a deeper relationship with Jesus as you savor the presence of the One who understands you perfectly and loves you forever. With scripture and personal reflections, bestselling author Sarah Young brings Jesus' message of peace--for today and every day. In this #1 New York Times bestselling devotional, readers will receive words of hope, encouragement, comfort, and reassurance of Jesus' unending love. The devotions are written as if Jesus Himself is speaking directly to each reader and are based on Jesus' own words of hope, guidance, and peace within Scripture--penned by one who loves him and reveres His Word. Each entry is accompanied by Scripture for further reflection and meditation. These much-loved devotions will help you look forward to your time with the Lord. Experience peace in the presence of the Savior who is always with you. This edition is sure to be a favorite in the popular Jesus Calling® line. The on-trend cover is elegant and will appeal to men and those looking for a more neutral design.

The Continuing Presence of Walt Whitman Jul 07 2020 The most protean and elusive of all American poets, Walt Whitman is everywhere and nowhere at once. An unavoidable presence, he still arouses anger, envy, love, and debate one hundred years after his death. To honor this anniversary, Robert Martin has invited the most invigorating and innovative of Whitman's new readers and critics to respond not to Whitman's death but to his continuing life as it has marked their own lives and writings. The eighteen essays gathered in this volume testify to the powerful multiple responses that Whitman continues to evoke.

Jesus Calling Dec 24 2021 Now a younger audience will spend time each day with the Lord as they grow in a deep personal faith. Encouragement and hope from a Savior who is closer than you can imagine and who will never leave you. This is a message that everyone needs to hear and embrace deep within the soul. Jesus Calling is a devotional that is read daily by more than 3.8 million people. After many years of writing in her prayer journal, missionary Sarah Young decided to listen to God with pen in hand, writing down whatever she believed He was saying to her. It was awkward at first, but gradually her journaling changed from monologue to dialogue. She knew her writings were not inspired as Scripture is, but journaling helped her grow closer to God, and from that experience Jesus Calling came to be. It is Sarah's fervent prayer that our Savior may bless every reader with His presence and His peace in ever deeper measure.

Jesus Calling Oct 10 2020 Now available in this keepsake leather deluxe edition, missionary Sarah Young brings this uniquely inspired treasures from heaven for every day of the year! After many years of writing in her prayer journal, missionary Sarah Young decided to listen to God with pen in hand, writing down whatever she believed He was saying to her. It was awkward at first, but gradually her journaling changed from monologue to dialogue. She knew her writings were not inspired as Scripture is, but journaling helped her grow closer to God. Others were blessed as she shared her writings, until people all over the world were using her messages. They are written from Jesus' point of view, thus the title Jesus Calling. It is Sarah's fervent prayer that our Savior may bless readers with His presence and His peace in ever deeper measure.

Breaking Out and Reaching Out Feb 23 2022 The plan of this book is to draw attention to what is possible through those same people under the calling and authority of Christ.

This edition is sure to be a favorite in the popular Jesus Calling® line. This classic edition resonates with men and women. Jesus Calling for Graduates makes a perfect gift from parents, grandparents, pastors, teachers, and mentors to both high school and college graduates as they embark on the next major transition in life.

Leading with Presence Apr 27 2022 *Leading with Presence* focuses on the non-verbal elements of communication. This book is ideal for those who wish to inspire and motivate those around them and to instil trust. The authors provide very practical hands-on tools, developed through their expertise and years of experience.

Presence Jan 13 2021 MORE THAN HALF A MILLION COPIES SOLD: Learn the simple techniques you'll need to approach your biggest challenges with confidence. Have you ever left a nerve-racking challenge and immediately wished for a do over? Maybe after a job interview, a performance, or a difficult conversation? The very moments that require us to be genuine and commanding can instead cause us to feel phony and powerless. Too often we

approach our lives' biggest hurdles with dread, execute them with anxiety, and leave them with regret. By accessing our personal power, we can achieve "presence," the state in which we stop worrying about the impression we're making on others and instead adjust the impression we've been making on ourselves. As Harvard professor Amy Cuddy's revolutionary book reveals, we don't need to embark on a grand spiritual quest or complete an inner transformation to harness the power of presence. Instead, we need to nudge ourselves, moment by moment, by tweaking our body language, behavior, and mind-set in our day-to-day lives. Amy Cuddy has galvanized tens of millions of viewers around the world with her TED talk about "power poses." Now she presents the enthralling science underlying these and many other fascinating body-mind effects, and teaches us how to use simple techniques to liberate ourselves from fear in high-pressure moments, perform at our best, and connect with and empower others to do the same. Brilliantly researched, impassioned, and accessible, *Presence* is filled with stories of individuals who learned how to flourish during the stressful moments that once terrified them. Every reader will learn how to approach their biggest challenges with confidence instead of dread, and to leave them with satisfaction instead of regret. "Presence feels at once concrete and inspiring, simple but ambitious — above all, truly powerful." —New York Times Book Review

Jesus Calling Devotional Bible, NKJV Nov 30 2019 02

Getting Ahead Mar 27 2022 A leading executive coach pinpoints three vital traits necessary to advance your career In Getting Ahead, one of the top 50 executive coaches in the United States, Joel Garfinkle reveals his signature model for mastering three skills to take your career to the next level: Perception, Visibility, and Influence. The PVI-model of professional advancement will teach you to: (1) Actively promote yourself as an asset and valuable person inside the organization, (2) Increase your visibility to gain others' recognition and appreciation for your efforts and (3) Become a person of influence who makes key decisions inside the organization. Getting Ahead will put you ahead of the competition to become a known, valued, and desired commodity at your company. For more than two decades, Joel Garfinkle has worked closely with thousands of executives, senior managers, directors, and employees at the world's leading companies, and has authored 300 articles on leadership Offers detailed guidance on how to increase exposure, boost visibility, enhance perceived value for your organization, and ultimately achieve career advancement Explains how to get your name circulating among higher levels of management so others know you, see your results, and acknowledge the impact you bring to the company

Native Presence and Sovereignty in College Jan 01 2020 What is at stake when our young people attempt to belong to a college environment that reflects a world that does not want them for who they are? In this compelling book, Navajo scholar Amanda Tachine takes a personal look at 10 Navajo teenagers, following their experiences during their last year in high school and into their first year in college. It is common to think of this life transition as a time for creating new connections to a campus community, but what if there are systemic mechanisms lurking in that community that hurt Native students' chances of earning a degree? Tachine describes these mechanisms as

systemic monsters and shows how campus environments can be sites of harm for Indigenous students due to factors that she terms monsters' sense of belonging, namely assimilating, diminishing, harming the worldviews of those not rooted in White supremacy, heteropatriarchy, capitalism, racism, and Indigenous erasure. This book addresses the nature of those monsters and details the Indigenous weapons that students use to defeat them. Rooted in love, life, sacredness, and sovereignty, these weapons reawaken students' presence and power. Book Features: Introduces an Indigenous methodological approach called story rug that demonstrates how research can be expanded to encompass all our senses. Weaves together Navajo youths' stories of struggle and hope in educational settings, making visible systemic monsters and Indigenous weaponry. Draws from Navajo knowledge systems as an analytic tool to connect history to present and future realities. Speaks to the contemporary situation of Native peoples, illuminating the challenges that Native students face in making the transition to college. Examines historical and contemporary realities of Navajo systemic monsters, such as the financial hardship monster, deficit (not enough) monster, failure monster, and (in)visibility monster. Offers insights for higher education institutions that are seeking ways to create belonging for diverse students.

A Call Into His Presence Jun 29 2022 A Call Into His Presence is a book that will inspire and empower you to pray! Have you ever wanted to experience a life-changing occurrence in prayer? Have you ever wanted to pray beyond the human mind, understanding and logic? Have you ever wanted to pray until your mind, body and soul is united as one in the Holy Spirit? Have you ever wanted to pray until your Soul clings to God? If so, A Call Into His Presence, will take you there! Come journey with us to a place in God that no human being can take us, only God Himself. He is waiting just for you! A Call Into His Presence is a book, a tool that will enhance your prayer life. There is a prayer that was prayed in this book which was a tailored prayed just for you! All the prayers were prayed through the leading of the Holy Spirit. No prayer is the same. No day is the same. No human being is the same. We all are uniquely made with our own life experiences. There is a change, a shift in the Spirit in prayer! Come experience it! Evelyn A. Johnson is known for her dedicated prayer life. At the age of 25 years old she accepted one of her purposes in life: to intercede for souls throughout the world. She is a wife of 19 years, a mother of one son, and a woman with a great love and passion for souls. She is saved and filled with the fullness of God with a

determination to please her Savior. She is a true woman of God. [Prayer Warrior [Licensed Evangelist [Teacher [Conference Speaker [Workshop Facilitator [Entrepreneur Please visit us at www.evelynajohnsonbooks.com

Experiencing God's Presence Jun 17 2021 After many years of writing in her prayer journal, missionary Sarah Young decided to be more attentive to the Savior's voice and listen for what He was saying to her. The result was *Jesus Calling*, a collection of personal reflections based on Jesus' own words of hope, guidance, and peace found in the Scriptures. Through these messages, countless people have been encouraged to experience a deeper relationship with the Lord as they also learn to listen for His voice in the pages of the Bible. In *Experiencing God's Presence*, the first study in the *Jesus Calling Bible Study Series*, you will be encouraged to lay down your cares and just spend time each day with your heavenly Father. As you follow the Lord's instruction to "be still, and know that I am God" (Psalm 46:10), you will encounter His peace, be filled with His strength, gain a new perspective on your situation, and experience the full life that only He can provide. Each of the *Jesus Calling Bible Studies* include devotional readings from *Jesus Calling*, selected passages of Scripture for reflection, Bible Study questions, and additional questions and activities to help you apply and live out the material. This study can be used for personal reflection and Bible study or in a small-group setting.

NKJV, Jesus Calling Devotional Bible, eBook Mar 15 2021 The *Jesus Calling Devotional Bible* puts readers in touch with God and His answers for their life situations. Jesus Calling Sep 01 2022 In this new and beautiful edition designed specifically for women, missionary Sarah Young brings uniquely inspired devotions for every day of the year. After many years of writing in her prayer

journal, missionary Sarah Young decided to listen to God with pen in hand, writing down whatever she believed He was saying to her. It was awkward at first, but gradually her journaling changed from monologue to dialogue. She knew her writings were not inspired as Scripture is, but journaling helped her grow closer to God. Others were blessed as she shared her writings, until people all over the world were using her messages. These devotions are written from Jesus' point of view, thus the title *Jesus Calling*. It is Sarah's fervent prayer that our Savior may bless readers with His presence and His peace in ever deeper measure. This new edition, created in a lovely package for women, will help more readers discover the incredible peace found in the presence of Jesus.

Creating a Successful Digital Presence Aug 20 2021 Increasingly graduates, and anyone who is entering employment, need an individual digital presence to stand out and showcase themselves to secure their first professional role. This book takes an employability approach to encourage those currently studying, or about to enter the world of work, to develop a set of skills that enables them to recognise and deliver an effective digital presence, firstly for themselves and then for the organisations who would employ them. It does not assume any prior technical knowledge and emphasises the value and benefits of creating a presence to actively participate in the digital economy. By structuring the chapters incrementally, the reader is guided through the development of their own presence while also being given the concepts and tools that will enable them in the future to scale this activity to suit the needs of a startup, an SME or a social business. By using well-established business principles to design a strategy, the reader is guided through the creation of a personal Theory of Change that will enable them to turn an abstract goal into an individual digital presence through a defined series of stages and intermediate change objectives. The book then proposes a series of tactics to draw out concrete actions. A range of examples and case studies from around the world feature in each chapter to showcase the range of different types of digital presence that can be created. By using a strategic and systematic process, this book draws together academic thinking with tangible and highly practical outcomes. It is essential reading for advanced undergraduate and postgraduate students studying any discipline related to the digital world, particularly digital marketing and digital business, entrepreneurship and strategy, as well as those taking employability and personal professional development programmes.

Jesus Calling Apr 03 2020 This deluxe large print edition is sure to be a favorite in the popular Jesus Calling line. The updated cover in beautiful teal leathersoft makes an elegant gift. Sarah Young's Jesus Calling brand has sold more than 17 million copies.

Complicated Presence Aug 27 2019 A synthetic assessment of Heidegger's entire path of thinking as a radical attempt to thematize and rethink the fundamental notions of unity dominating the Western metaphysical tradition. From its Presocratic beginnings, Western philosophy concerned itself with a quest for unity both in terms of the systematization of knowledge and as a metaphysical search for a unity of being—two trends that can be regarded as converging and culminating in Hegel's system of absolute idealism. Since Hegel, however, the philosophical quest for unity has become increasingly problematic. Jussi Backman returns to that question in this book, examining the place of the unity of being in the work of Heidegger. Backman sketches a consistent picture of Heidegger as a thinker of unity who throughout his career in different ways attempted to come to terms with both Parmenides's and Aristotle's fundamental questions concerning the singularity or multiplicity of being—attempting to do so, however, in a “postmetaphysical” manner rooted in rather than above and beyond particular, situated beings. Through his analysis, Backman offers a new way of understanding the basic continuity of Heidegger's philosophical project and the interconnectedness of such key Heideggerian concepts as ecstatic temporality, the ontological difference, the turn (Kehre), the event (Ereignis), the fourfold (Geviert), and the analysis of modern technology. Jussi Backman is

University Lecturer in Philosophy at the University of Jyväskylä, Finland.

Authority and the Maternal Presence May 29 2022

A Savage Presence Oct 02 2022 Now that Connor Cohen is dead, Silas Cohen is free to live the life he wants. But there are still two men in the way. When Enzo Juarez tries to make a new deal with Fiona, her good intentions get the best of her and she unexpectedly puts Silas in danger. Can Alex's connections save them this time? All bets are off when it's every man for themselves in this series' finale.

A Presence that Disturbs Dec 12 2020 This powerful, moving, and "disturbing" book looks at the contemporary issues that block the attainment of a revitalized Church--a Church united rather than fragmented, a Church tuned to justice for all rather than to provincial myopia. "A Presence That Disturbs" will engage the general reader and the specialist alike with a fresh perspective on what it means to follow Christ. Three themes garnered from Holocaust survivor Viktor Frankl underpin the message of this book. To live you must choose: you must not let life "just happen." To love you must encounter: you must know that human encounter is the only authentic way to know and love. To grow you must suffer: you must know that suffering can be a vehicle of growth, a chance for redemption, a way to turn ourselves to the outside. Tony Gittins discusses these themes in the context of the search for meaning. The new lease on life endowed by the Holy Spirit, the function of imaginative ministry, the *communitas* of true discipleship, and the radical actions of Jesus' ministry are just a few of the ideas explored in the quest for a new understanding of discipleship. "Authentic Christianity," says Gittins, "is outreaching and encountering; it communicates and ministers. Christianity, like its sibling, Judaism, does not produce complacency, but complicity or participation with others. These pages are an invitation to renewed discipleship and an appeal to radical Christianity in the footsteps and in the Spirit of Jesus, who prayed that his followers be one in Him." Phenomenology's Material Presence Jun 25 2019 *Phenomenology's Material Presence: Video, Vision and Experience* is an exploration of phenomenology and the aesthetics of the moving image. Drawing on the insights of Edmund Husserl, Martin Heidegger and Maurice Merleau-Ponty, this seminal work addresses key questions related to the notion of encounter in cinematic viewing. How does video make visible the act of looking and the act of being seen? How does it intimate the presence of that which cannot be seen? What is the role of video's material body in facilitating this process? Using a poetic essay style, and three videos by Trinidadian film-maker Robert Yao Ramesar, this book suggests that video performs its own act of phenomenological inquiry. *Phenomenology's Material Presence* invites the reader to explore the role of consciousness in our experience of the visual and brings continental philosophy and postcolonial cinema into conversation.

The Politics of Presence May 05 2020 One of the most hotly-contested debates in contemporary democracy revolves around issues of political presence, and whether the fair representation of disadvantaged groups requires their presence in elected assemblies. Representation as currently understood derives its legitimacy from a politics of ideas, which considers accountability in relation to declared policies and programmes, and makes it a matter of relative indifference who articulates political preferences or beliefs. But what happens to the meaning of representation and accountability when we make the gender or ethnic composition of elected assemblies an additional area of concern? In this innovative contribution to the theory of representation - which draws on debates about gender quotas in Europe, minority voting rights in the USA, and the multi-layered politics of inclusion in Canada - Anne Phillips argues that the politics of ideas is an inadequate vehicle for dealing with political exclusion.

But rejecting any essentialist grounding to group identity or group interest, she also argues against any either/or choice between ideas and political presence. The politics of presence then combines with contemporary explorations of deliberative democracy to establish a different balance between accountability and autonomy. Series description Oxford Political Theory presents the best new work in contemporary political theory. It is intended to be broad in scope, including original contributions to political philosophy, and also work in applied political theory. The series contains work of outstanding quality with no restriction as to approach or subject matter. The series editors are David Miller and Alan Ryan. `the latest, thoughtful contribution in Anne Phillip's ongoing enquiry into issues of equality, gender and democracy...an excellent contribution to democratic theory'. Political Studies

Faithful Presence Feb 11 2021 Two-term governor of Tennessee Bill Haslam reveals how faith--too often divisive and contentious--can be a redemptive and unifying presence in the public square. As a former mayor and governor, Bill Haslam has long been at the center of politics and policy on local, state, and federal levels. And he has consistently been guided by his faith, which influenced his actions on issues ranging from capital punishment to pardons, health care to abortion, welfare to free college tuition. Yet the place of faith in public life has been hotly debated since our nation's founding, and the relationship of church and state remains contentious to this day--and for good reason. Too often, Bill Haslam argues, Christians end up shaping their faith to fit their politics rather than forming their politics to their faith. They seem to forget their calling is to be used by God in service of others rather than to use God to reach their own desires and ends. Faithful Presence calls for a different way. Drawing upon his years of public service, Haslam casts a remarkable vision for the redemptive role of faith in politics while examining some of the most complex issues of our time, including: partisanship in our divided era; the most essential character trait for a public servant; how we cannot escape "legislating morality"; the answer to perpetual outrage; and how to think about the separation of church and state. For Christians ready to be salt and light, as well as for those of a different faith or no faith at all, Faithful Presence argues that faith can be a redemptive, healing presence in the public square--as it must be, if our nation is to flourish.

Aware Sep 28 2019 New York Times bestseller · This groundbreaking new book from New York Times bestselling author Daniel J. Siegel, M.D., introduces readers to his pioneering, science-based meditation practice. Aware provides practical instruction for mastering the Wheel of Awareness, a life-changing tool for cultivating more focus,

presence, and peace in one's day-to-day life. An in-depth look at the science that underlies meditation's effectiveness, this book teaches readers how to harness the power of the principle "Where attention goes, neural firing flows, and neural connection grows." Siegel reveals how developing a Wheel of Awareness practice to focus attention, open awareness, and cultivate kind intention can literally help you grow a healthier brain and reduce fear, anxiety, and stress in your life. Whether you have no experience with a reflective practice or are an experienced practitioner, *Aware* is a hands-on guide that will enable you to become more focused and present, as well as more energized and emotionally resilient in the face of stress and the everyday challenges life throws your way.
