**The Self-emptying God Jun 22 2019** ""Christ emptied himself,"" we read in Paul's letter to the Philippians - words that are probably part of an early Christian liturgy. In this book, Peter Colyer examines in detail the concept of the self-emptying (kenosis) of Christ and of the ways in which this understanding of the historic figure of Jesus Christ has been extended to the whole being of God. The sections of the book deal with: the need for compatibility between theological and scientific views of the natural world; the increas...

**Christ Will Come Again** Mar 12 2021 Belief in the second coming of Christ is indispensable to biblical Christianity. It is also crucial to a positive and relevant Christian worldview in a world that otherwise despairs of real hope. "An earthly hope without the prospect of life beyond death is illusory and shortlived," writes the author. "But a real hope of eternal life with God sets us free from anxiety about death, and frees us to work for the transformation of the world." "The courage, clarity and teaching skills of Dr. Travis in this important book are going to help a great many people." -Michael Green "As a guide to a healthy and biblical perspective in thought and life this book would take some beating ... it gloriously lives up to the solid affirmation of its title." --Church of England Newspaper Dr. Stephen H. Travis is Vice-Principal of St. John's College, Nottingham, England. His other books include *Getting to Know the New Testament* and *The Bible in Time*.

**Jesus the King Mar 24 2022** Previously published in hardcover as *King's Cross* The most influential man to ever walk the earth has had his story told in hundreds of different ways for thousands of years. Can any more be said? Now, Timothy Keller, New York Times bestselling author of *The Prodigal Prophet* and the man Newsweek called a "C. S. Lewis for the twenty-first century," unlocks new insights into the life of Jesus Christ as he explores how Jesus came as a king, but a king who had to bear the greatest burden anyone ever has. *Jesus the King* is Keller's revelatory look at the life of Christ as told in the Gospel of Mark. In it, Keller shows how the story of Jesus is at once cosmic, historical, and personal, calling each of us to look anew at our relationship with God. It is an unforgettable look at Jesus Christ, and one that will leave an indelible imprint on every reader.

**Sensitivity Of The Spirit Nov 27 2019** DIV We must learn the difference between being sensitive to the Holy Spirit and being aware of the sensitivity of the Holy Spirit! Drawing on the story of Mary and Joseph moving ahead of Jesus, Dr. Kendall explains how easy it is for us to make assumptions in the natural and run on ahead of the Holy Spirit. When you find yourself ahead of God's timing and moving forward with your own personal plans, you must stop and go back! You can find the road back from anywhere, and that road is called repentance! It points you in the direction of peace! /div

**I'm Not Supposed to Feel Like this Apr 24 2022** Depression is so common that it has been described as 'the common cold of psychiatry'. It is particularly difficult for Christians - there is often a feeling that Christians 'shouldn't' get depressed, and that it and anxiety are the result of a poor or damaged relationship with God. **I'M NOT SUPPOSED TO FEEL LIKE THIS** is an empowering and practical response to such common feelings. In the style of a workbook, with constant reference to the Bible, and the example of Jesus, it helps the reader to understand why they feel the way they do, and to draw on God's love and grace to find a path through depression and anxiety. The authors are all Christians, and experienced counsellors and psychiatrists.

**The Challenge of Islam to Christians Jul 28 2022** The Challenge of Islam to Christians is David Pawson's most important - and most controversial - prophetic message to date.

**Moral decline and erosion of a sense of ultimate truth has created a spiritual vacuum in the United Kingdom. David Pawson believes Islam is far better equipped than the Church to move into that gap and it will not be long before it becomes the country's dominant religion. Based on the audio and video recordings on which he first announced his message, this book unpacks and explains the background behind Pawson's claims, and - crucially - sets out a positive blueprint for the Church's response. Christians must rediscover and demonstrate to society the three qualities that make Christianity unique: Reality, Relationship and Righteousness.**

**What about Other Faiths? Jan 22 2022 Today our multi-cultural society forces Christians to be aware of those with other, equally strong religious convictions. In this challenging and popular book, Martin Goldsmith answers all the hard questions facing Christians in this area, drawing on both biblical material and his own expertise as someone with wide cross-cultural experience. A brief explanation of other religions' concept of God, revelation and salvation is included, and the question of whether it is right to evangelise those of other faiths is tackled, along with a look at practical methods that can be used. A brand new chapter asks 'Why is Jesus so special?' when each of the world religions have central figure to worship.**

**The Imitation of Christ Oct 31 2022 Let it be our chief occupation to think upon the life of Jesus Christ. THE IMITATION OF CHRIST is one of the great classics on spiritual devotion. It has been influential since it was first written over five centuries ago, with people such as John Wesley and John Newton profoundly touched by it at their conversions. Written by a German monk, it is essentially a manual on the pursuit of holiness and deep communion with God, with its key theme that the study of Jesus is the Christian's highest ideal. This new edition includes an introduction by the translator and a new foreword by J. John.**

**Encounters with Jesus Sep 17 2021 What is my purpose in life? Who am I meant to be? How can I live a successful life? Why is there so much wrong with our world today? Am I part of the problem? What can I do to help change that? These are the big, seemingly unanswerable questions that everyone must ask and then answer in life. In Encounters With Jesus, New York Times-bestselling author and renowned pastor Timothy Keller explores Jesus' answers to life's biggest questions by showing what happened to those who met Jesus personally. Jesus changed the lives of nearly every person he met in the Gospels. These were powerful experiences that can have a profound effect on us today and help explain not only different aspects of Christianity, but the deep questions of life itself. Timothy Keller highlights ten of these encounters, including his meeting a sceptical student, a religious insider, an outcast, even Satan himself, and proves how invaluable the lessons from these encounters are for contemporary readers.**

**A Worldly Christian Dec 29 2019 Stephen Neill (1900-1984) was a towering figure of twentieth-century global Christianity, but was in many ways a broken man who faced profound and crippling struggles. A Worldly Christian charts the extraordinary but often tragic life of a global Christian pioneer par excellence in a church that diversified dramatically during his lifetime. Privileged to live in radically different cultural contexts over the course of his life, Neill excelled by turns as a missionary and bishop in India, an ecumenist in Geneva, a professor in Hamburg and Nairobi, and a prolific author of some seventy books and hundreds of articles upon his retirement to the UK.**

**Throughout this varied career, he shared his tremendous knowledge of the world Christian movement with scholars, clergy and laypersons alike. Many will find his story compelling, from Christian scholars to all those who have cherished his influential body of work and benefit from his legacy.**

**Jesus Christ Our Lord May 14 2021 In response to readers' comments, this revised edition provides helpful clarifications, charts, and expanded notes and references. Kraus, in a theological description of Jesus Christ, offers answers to questions of Jesus' identity and the nature of the revelation-salvation which came through him. This anticipates his volume, 'God Our Savior', dealing with implications of Christ's revelation for other data of theology, such as God, humankind, the Holy Spirit, church, and eschatology. For many years the idea of vicarious suffering to atone for the sins of humanity has not been self-evident in Western culture, to say nothing of the cultures of Asia. Western theologians have presupposed Roman categories of guilt and legal penalty as the framework for their explanations. However, this has been unsatisfactory in cultures where social tradition and shame are primary moral sanctions. Observing that the biblical cultural context was more oriented to shame than to a legal concept of guilt, Kraus has reinterpreted the meaning and efficacy of the cross as the means of God's salvation. Such a reinterpretation requires that one also reevaluate the theological definition of Jesus' person. How one understands what he did for us is closely related to how one understands who he was. His identity and role mutually impact each other. Thus one must ask, Who was this one who reconciled us to God by suffering the shame of our sin? In answer, Kraus finds concepts of self-identity and self-revelation most helpful. Jesus, the self-revelation of God to us, is God-giving-himself-to-us. That self-revelation comes as a self-giving, and only in the form of a genuinely personal, historical, and human relationship. In all of this the author intends to present an authentically biblical picture of Jesus, but in the context of modern language and thought forms.**

**The Christian Religion Jun 02 2020 Originally published in 1929, this book contains the first of three volumes on the origin and progress of the Christian faith from its origins in Judaism until the early twentieth century. Volume one reviews the Jewish faith and the elements contained within it which gave rise to some of the key tenets of Christianity, as well as the earliest days of the Christian church and early traditions surrounding the life and teachings of Jesus. This book will be of value to anyone with an interest in the history of Christianity and its ties to Judaism.**

***The Jesus Lifestyle Aug 29 2022* What does living as a Christian really look like? What changes do I need to make to the way I live my life? How does Jesus want me to live? *The Sermon on the Mount* is Jesus' teaching on how to conduct our lives. While his original audience was a crowd of first-century Jews, his words are astutely relevant to 21st century living, particularly as modern Western cultural trends are increasingly at odds with Jesus' teaching. Laid out to follow the structure of Matthew 5-7, each chapter delves into the topics raised in these verses, including: - Dealing with anger - Handling conflict and criticism - Managing money - Sex, marriage and divorce - The secret of true happiness With his familiar mix of wisdom and humour, Nicky Gumbel explains Jesus' teaching and presents practical ways to apply it so Christians can follow Jesus in every aspect of their lives.**
