Dimwit iPhone 12 Pro Max Mastering Apr 05 2020 ??? From an iPhone Novice to Expert User! ??? Acquiring an iPhone can be both a thrilling and intimidating experience! On the one hand, it's can feel like just being gifted a new toy you have always wanted, especially a great phone like the iPhone 12 Pro Max, on the other hand, being called one of the best phones on planet earth means it has to have lots of features, some of which you probably may never use. But for those features you intend to use or should use; you will need a great guide like this book that understands your needs and is ready to take you through the process in a language simple to understand. This guide is designed to help you get started with using your iPhone in as little time as possible without having to wait to finish the guide before starting. That is not all, this guide was purposely written to serve as an iPhone guide in a non-formal and too techy language except where it cannot be avoided, even then, a lot of efforts has been put in to ensure the language used in this book is a little more casual than what you would expect from most other iPhone manuals. The iPhone 12 family uses the new iOS 14 which expectedly comes with many useful tools, including the ability to display Triple-lens 3D camera for better video and gaming and a lot more. The New physical design is also a slight departure from the iPhone 11 and comes prepared to handle 5G connectivity as well as integrate two forms of 5G. It is needless to say that the iPhone 12 Pro Max is a great engineering combination of premium hardware, quality software, and great accessories all aimed at making your user experience with the iPhone a great one. They have successfully done that over the years. Some of the things you should expect in this book include: Manage Apple ID and iCloud Settings on iPhone Ways to use iCloud on iPhone 12 Take a Screenshot or Screen Recording On iPhone 12 Change iPhone 12 Sounds and Vibrations. Home screen and open apps Type and Edit Text on iPhone 12 Add or change keyboards on iPhone 12 Using Maps Application Use and Customize Control Center on iPhone 12 Allow Features Access from Device Lock Screen How to use app clips on iPhone Choose iPhone 12 Settings for Travel Set up Screen Time for a Family Member on iPhone 12 Set Do Not Disturb on iPhone 12 Turn on Do Not Disturb While Driving Switching Between Apps on iPhone 12 Switching Between Open Apps Lots more within the pages of the book The iPhone is arguably the most powerful phone out there and can be used to take great photos and can do just about anything. Then, even though some people intuitively find it easy to use, for some others, especially for those who have never used it before or those who simply want to get more out of it, it can be a little bit intimidating. For such persons, this book will be a very welcome guide. With this book in your hands, you can save yourself time and tons of energy by sampling following the tips, tricks, and advice you'll find within. You will also gain immense knowledge in the step-by-step, easy-to-follow chapters used throughout this book. Only those who have this book can benefit from having such an amazing reference book that can deal with any potential challenges you might find face along the way while trying to use your iPhone. Not only that, but you can also order this book as a gift for a friend, son, daughter, or a loved one to help them quickly get started with using their phone as soon as they start exploring the pages of this book. Special Bonus That is not all, at the end of this book, we have a special gift for you, something we believe you will love. User Guides, Manuals, and Technical Writing Mar 17 2021 This book is intended for anyone whose job involves writing formal documentation. It is aimed at non-native speakers of English, but should also be of use for native speakers who have no training in technical writing. Technical writing is a skill that you can learn and this book outlines some simple ideas for writing clear documentation that will reflect well on your company, its image and its brand. The book has four parts: Structure and Content: Through examples, you will learn best practices in writing the various sections of a manual and what content to include. Clear Unambiguous English: You will learn how to write short clear sentences and paragraphs whose meaning will be immediately clear to the reader. Layout and Order Information: Here you will find guidelines on style issues, e.g., headings, bullets, punctuation and capitalization. Typical Grammar and Vocabulary Mistakes: This section is divided alphabetically and covers grammatical and vocabulary issues that are typical of user manuals.

The Great Outdoors: A User's Guide Jun 19 2021 “Leonard’s durable tome (seriously, the cover is rubber) is stuffed with so many tips about surviving in the wild, you’ll be able to leave your smartphone behind.” —Entertainment Weekly, Best New Books This easy introduction to outdoor life will ensure that even a novice won’t get lost in the woods while finding an activity he loves to do in the great outdoors--whether it’s hiking a 14er or camping on ice. With 400 strategies for engaging in the outdoors, and expert tips and tricks, The Great Outdoors: A User’s Guide makes Mother Nature easier to understand than ever before. Brendan Leonard, writer, filmmaker, and outdoor adventurer, shows the reader how rewarding it can be to live life away from the computer and get outside. From mountain climbing, to skiing, sledding, and sailing, Leonard shows that you don’t need to be a risk taker to enjoy the outdoors. And if the reader does find himself at the point of man vs. nature, Leonard shares survival skills from how to bandage a wound and read a topographical map, to how to drive on sand and remove a tick from your skin—all organized thematically and written in short takeaway entries with helpful line drawings. Bound in a uniquely rugged (and waterproof!) PVC cover material, The Great Outdoors: A User’s Guide is a friendly way into the outdoor lifestyle, whether you're looking to dabble or go all in.
