Pakistan's Birth & Allama Mashraqi Nov 01 2019 Allama Mashraqi (Inayatullah Khan), sage of the East, was among few courageous leaders who bravely fought for the independence of India that resulted in the creation of Pakistan and India. Mashraqi's role prior to and after the partition of India is vital to the history of the Indian sub-continent. He was founder of Khaksar Tehreek (Movement) (founded in 1930) and Islam League (founded after independence). Mashraqi devoted his life to the uplift of the common man. He was not only an outstanding leader of the 20th century but also one of the greatest revolutionaries, visionaries, scholars, and mathematicians that emerged in that part of the world.

Mashraqi's genius was proven when early on when he set unprecedented academic records at the Cambridge University (U.K.). There he completed four Triposes in five years with distinction. He was declared a Bachelor Scholar, Foundation Scholar and a Wrangler. It is believed that his academic records at this University are yet to be surpassed. He returned to India after his education and within a few years, in 1917, at age 29, he was appointed Under Secretary (Education Dept.) in British India. The British offered him Ambassadorship to Afghanistan in 1920 and the title of Sir in 1921. However, he declined both offers, and opted to represent and fight for the masses. Mashraqi was also among great speakers and writers, and his monumental work is "Tazkirah" ("Tazkira") an interpretation of the Holy Quran from a scientific perspective. Indeed, these credentials speak of a man born with astounding skills and exceptional abilities. Such personalities are born once in centuries.

Mashraqi's followers and supporters ran in millions. He passed away in 1963 and well over 100,000 people came to attend his funeral and mourn his demise. With his death, an important chapter of Pakistan and India's history closed, as he played a vital role in both the pre- and post- independence eras. Though Mashraqi passed away, people will continue to be inspired by this legendary personality. May his soul rest in peace. "Allama Mashriqi's legacy is immortal" - Nasim Yousaf "Pakistan's Birth & Allama Mashraqi" is a time line of events surrounding this giant among men, his political activities, and his parties. This publication is a result of exhaustive research on this subject that Mr. Yousaf, Mashraqi's grandson, has been carrying on for over a decade. This work includes important dates, events, press statements, information on court proceedings, photos, and more. It also provides additional insight through the editor's comments. It is one of the most comprehensive and important pieces that

the editor has published on Mashraqi and his parties. It is a great source of information for scholars, researchers, professors, historians, authors, journalists, students, movie/documentary makers and anyone else interested in this great personality. This book is a sequel to "Pakistan's Freedom and Allama Mashriqi: Statements, Letters, Chronology of Khaksar Tehrik (Movement), Period: Mashriqi's Birth to 1947." The author's other published works include: ."Allama Mashriqi & Dr. Akhtar Hameed Khan: Two Legends of Pakistan" ."Pakistan's Freedom and Allama Mashriqi: Statements, Letters, Chronology of Khaksar Tehrik (Movement), Period: Mashriqi's Birth to 1947" ."Import & Export of Apparel & Textiles; Part I: Export to USA, Part II: Import from Pakistan" ."Import & Export of Hand Knotted Oriental Rugs; Part I: Export to U.S.A., Part II: Import from Pakistan" ."Importing Gifts, Housewares & Decorative Accessories from Hong Kong" ."Export Housewares, Gifts & Decorative Accessories to the United States of America" (under print) .Articles on Allama Mashraqi and the Khaksar Tehreek. Extracts from his research have been published on the web sites dedicated to Allama Mashriqi and Dr. Akhtar Hameed Khan.

**Faith, Gender, and Activism in the Punjab Conflict** Oct 05 2022 Punjab was the arena of one of the first major armed conflicts of post-colonial India. During its deadliest decade, as many as 250,000 people were killed. This book makes an urgent intervention in the history of the conflict, which to date has been characterized by a fixation on sensational violence—or ignored altogether. Mallika Kaur unearths the stories of three people who found themselves at the center of Punjab's human rights movement: Baljit Kaur, who armed herself with a video camera to record essential evidence of the conflict; Justice Ajit Singh

Bains, who became a beloved “people’s judge”; and Inderjit Singh Jaijee, who returned to Punjab to document abuses even as other elites were fleeing. Together, they are credited with saving countless lives. Braiding oral histories, personal snapshots, and primary documents recovered from at-risk archives, Kaur shows that when entire conflicts are marginalized, we miss essential stories: stories of faith, feminist action, and the power of citizen-activists.

**Devil's Advocate** Mar 06 2020 Sometime in the late summer of 1976, Sanjay Gandhi asked if I wanted to go flying with him... After first attempting to teach Karan Thapar to fly (not very successfully) Sanjay Gandhi took the controls and performed a series of aerobatics, not particularly dangerous but nonetheless thrilling. Once they were further away from Delhi, he became even more daring. Suddenly, he decided to scare the farmers working in the fields below by aiming the aircraft straight at them. As he dived down, they scattered and ran, fearing for their lives. At the last moment, Sanjay pulled up dramatically and waved at the bewildered farmers, clearly chuffed with the whole performance. The manoeuvre required nerves of steel and tremendous self-confidence, both of which Sanjay possessed in plenty. In *Devil's Advocate*, Karan dives deep into his life to come up with many such moments. Included here are stories of warm and lasting friendships, such as with Benazir Bhutto, whom he met while he was an undergraduate. He also talks about his long association with Aung San Suu Kyi and Rajiv Gandhi. However, not all friendships lasted--for example, with L.K. Advani, with whom he shared a close bond until an unfortunate disagreement over an interview caused a falling-out. The tension generated during an interview has spilled over off-screen multiple times, and Karan discusses these incidents in detail. For instance, when Amitabh Bachchan lost his cool

during a post-interview lunch or when Kapil Dev cried like a baby. And there's the untold story of two of his most controversial interviews--with Jayalalithaa and Narendra Modi. While Jayalalithaa laughed it off later, the after-effects of Modi's infamous walkout have grown worse with time. Riveting and fast-paced, Devil's Advocate is as no-holds-barred as any of Karan Thapar's interviews.

**Honeybees of Solomon** Jun 28 2019 This book contains reminiscences of the Author as Judge for twenty-five years. Apart from a few travelogue and acquaintances with personages, the descriptions are live stories of human life displayed in different courts where he was judge. The author has avoided narrating matrimonial disputes due to statutory constraints. The narratives have been recollected from memory. Yet care was taken to mention only true facts, though all truths are not included, lest, it might injure the feelings of others. This is intended only for the readers to have easy reading on some interesting episodes of human life.

**The Application of Islamic Criminal Law in Pakistan** May 08 2020 No legal system in the world has aroused as much public interest as Sharia. However, the discourse around Sharia law is largely focussed on its development and the theories, principles and rules that inform it. Less attention has been given to studying the consequences of its operation, particularly in the area of Islamic criminal law. Even fewer studies explore the actual practice of Islamic criminal law in contemporary societies. This book aims to fill these gaps in our understanding of Sharia law in practice. It deals specifically with the consequences of enforcing Islamic criminal law in Pakistan, providing an in-depth and critical analysis of the application of the Islamic law of Qisas and Diyat (retribution and blood money) in the Muslim world today. The empirical evidence

adduced more broadly demonstrates the complications of applying traditional Sharia in a modern state.

*The Legacy of Militancy in Punjab* Mar 30 2022 No man ever steps in the same river twice, for it's not the same river and he's not the same man—Heraclitus Militancy convulsed Punjab from roughly 1984 to 1994. Afterwards, politicians, government spokespersons and assorted intellectuals declared that 'Khalistan' was gone and the state was 'returning to normalcy' as though the state would suddenly find itself in some pleasant place of bygone era. But that is far from the truth. In reality, when the gunfire ceased, 10 years of turmoil left lasting scars and chronic afflictions. Reduced accountability warped administrative and executive 'culture' and threat perception coloured the attitude of the judiciary for years. Victimization at the hands of both police and insurgents created risk-averse citizens who prioritized personal safety above all, while policies pertaining to state debt and industry impacted economic development. This book recounts the no-holds-barred struggle to suppress militancy that morphed into an unrestricted abuse of power. It details how militancy affected the credibility of the judiciary, why trials dragged on for 25 years, how militancy influenced the popular culture and how the youth are still responding to conditions in today's Punjab.

**Pakistan's Experience with Formal Law** Nov 13 2020 Law reform in Pakistan attracts such disparate champions as the Chief Justice of Pakistan, the USAID and the Taliban. Common to their equally obsessive pursuit of 'speedy justice' is a remarkable obliviousness to the historical, institutional and

sociological factors that alienate Pakistanis from their formal legal system. This pioneering book highlights vital and widely neglected linkages between the 'narratives of colonial displacement' resonant in the literature on South Asia's encounter with colonial law and the region's postcolonial official law reform discourses. Against this backdrop, it presents a typology of Pakistani approaches to law reform and critically evaluates the IFI-funded single-minded pursuit of 'efficiency' during the last decade. Employing diverse methodologies, it proceeds to provide empirical support for a widening chasm between popular, at times violently expressed, aspirations for justice and democratically deficient reform designed in distant IFI headquarters that is entrusted to the exclusive and unaccountable Pakistani 'reform club'.

*The Law and The Lawyers* Nov 06 2022 The valuable experience and skill that he acquired in the course of his large and lucrative practice stood him in good stead in fighting his battles with the South African and British governments for securing political, economic and social justice for his fellow-countrymen. Gandhiji was not a visionary but a practical idealist. As Sir Stafford Cripps has remarked: "He was no simple mystic; combined with his religious outlook was his lawyer-trained mind, quick and apt in reasoning. He was a formidable opponent in argument."

**Justice Through Public Interest Litigations** Jun 20 2021 The state of Punjab witnessed a great deal of Political turmoil between the years 1984 and 1994 on account of political uprisings demanding more power to the state. Human rights violations were rampant and were used as a means to quell anti-State rhetoric. To combat this, a group of lawyers came together and fought against State repression while forming a non-profit organization in the 1990's titled "LAWYERS FOR HUMAN RIGHTS INTERNATIONAL". Their motto was to uphold Human rights using Public Interest Litigation as a tool. This book is a compilation of the Public Interest litigations (PILs)

filed in The High Court of Chandigarh by the author Advocate Navkiran Singh written with the hope of inspiring young Lawyers, Social activists and Human Rights enthusiasts. Its aim is to pass down knowledge and experience to young, pro-democracy citizens of India. It throws light on how Public Interest Litigations can be used as a tool not only to uphold justice and Human Rights but to also strengthen India as a democracy.

**Conflicted Democracies and Gendered Violence** Jan 28 2022 The Sexual Violence and Impunity in South Asia research project (coordinated by Zubaan and supported by the

International Development Research Centre) brings together, for the first time in the region, a vast body of research on this important - yet silenced - subject. Six country volumes (one each on Bangladesh, Nepal, Pakistan, Sri Lanka, and two on India, as well as two standalone volumes) comprising over fifty research papers and two book-length studies, detail the histories of sexual violence and look at the systemic, institutional, societal, individual and community structures that work together to perpetuate impunity for perpetrators. The essays in this volume focus on Nepal, which though not directly colonized, has not remained immune from the influence of colonialism in its neighbourhood. In addition to home-grown feudal patriarchal structures, the writers in this volume clearly demonstrate that it is the larger colonial and post-colonial context of the subcontinent that has enabled the structuring of inequalities and power relations in ways that today allow for widespread sexual violence and impunity in the country - through legal systems, medical regimes and social institutions. The period after the 1990 democratic movement, the subsequent political transformation in the aftermath of the Maoist insurgency and the writing of the new constitution, has seen an increase in public discussion about sexual violence. The State has brought in a slew of legislation and action plans to address this problem. And yet, impunity for perpetrators remains intact and justice elusive. What are the structures that enable such impunity? What can be done to radically transform these? How must States understand the search for justice for victims and survivors of sexual violence? The essays in this volume attempt to trace a history of sexual violence in Nepal, look at the responses of women's groups and society at large, and suggest how this serious and wide-ranging problem may be addressed.
