**Charles Taylor and Liberia** May 11 2021 Campaigner, insurgent, fugitive, rebel commander, commodity kingpin, elected president, exile and finally prisoner, Charles Taylor sought to lead his country to change but instead ignited a conflict which destroyed Liberia in over a decade of violence, greed and personal ambition. Taylor's takeover threw much of the neighbouring region into turmoil, until he was finally brought to face justice in The Hague for his role in Sierra Leone's civil war. In this remarkable and eye-opening book, Colin Waugh draws on a variety of sources, testimonies and original interviews - including with Taylor himself - to recount the story of what really happened during these turbulent years. In doing so, he examines both the life of Charles Taylor, as well as the often self-interested efforts of the international community to first save Liberia from disaster, then, having failed to do so, to bring to justice the man it deems most to blame for its disintegration.

**Greed is God (eBook)** Jan 19 2022 "If you become absolutely greedy, then you become spiritual." - Sadhguru In a never before seen or read context, Greed is God presents an immortal relationship between the material and spiritual aspects of life. Through gripping Q&A sessions with Sadhguru, this vivid connection becomes evident, rooted in the fundamentals of life itself. We find that our quest for "more" – be it more wealth, joy or peace – is driven by an inherent longing in each of us. *Curious Encounters of the Human Kind - Himalaya* Oct 04 2020 Would you risk your life by hugging a tree? How do you find a nameless young girl you met (for five minutes) twenty-six years earlier? This is the Himalayan region as you've probably never imagined, full of memorable people, startling happenings, and unexpected moments of humanity and introspection, giddiness and solemnity, avarice and ambition.

**Greed and Injustice in Classical Athens** Sep 15 2021 In this original and rewarding combination of intellectual and political history, Ryan Balot offers a thorough historical and sociological interpretation of classical Athens centered on the notion of greed. Integrating ancient philosophy, poetry, and history, and drawing on modern political thought, the author demonstrates that the Athenian discourse on greed was an essential component of Greek social development and political history. Over time, the Athenians developed sophisticated psychological and political accounts of acquisitiveness and a correspondingly rich vocabulary to describe and condemn it. Greed figures repeatedly as an object of criticism in authors as diverse as Solon, Thucydides, and Plato--all of whom addressed the social disruptions caused by it, as well as the inadequacy of lives focused on it. Because of its ethical significance, greed surfaced frequently in theoretical debates about democracy and oligarchy. Ultimately, critiques of greed--particularly the charge that it is unjust--were built into the robust accounts of justice formulated by many philosophers, including Plato and Aristotle. Such critiques of greed both reflected and were inextricably knitted into economic history and political events, including the coups of 411 and 404 B.C. Balot contrasts ancient Greek thought on distributive justice with later Western traditions, with implications for political and economic history well beyond the classical period. Because the belief that greed is good holds a dominant position in modern justifications of capitalism, this study provides a deep historical context within which such justifications can be reexamined and, perhaps, found wanting.

**Crude Ambition** Feb 08 2021 A Texas Reckoning In the early morning hours after a law firm recruiting party at a beachside house on Galveston Island, a female summer intern is found lying on the floor, bruised, bleeding, and unconscious. Something terrible has happened. She is taken to a hospital by the only other woman there, but the next day the intern is gone without a trace. Those involved decide to keep silent about the incident in order to further their own career ambitions, but the two women are haunted by what happened. Time passes. Ten years later, crime and hubris bring the former intern back into the lives of those that hurt her. Only this time, she has the power, and the truth is finally brought to light. From the power centers of Houston law and oil to the fracking fields of South Texas to the Jersey Shore and Washington D.C., this story

chronicles the struggles of two ambitious young women in their quest for legal success and justice.

*Macbeth* Nov 05 2020

**Fame, Fortune, and Ambition** Aug 02 2020 A provocative look at the pursuit of material success and influential power from one of the twentieth century's greatest spiritual teachers. "I want you to be rich in every possible way—material, psychological, spiritual. I want you to live the richest life that has ever been lived on the earth."—Osho *Fame, Fortune, and Ambition: What is the Real Meaning of Success?* examines the symptoms and psychology of preoccupations with money and celebrity. Where does greed come from? Do values like competitiveness and ambition have a place in bringing innovation and positive change? Why do celebrities and the wealthy seem to have so much influence in the world? Is it true that money can't buy happiness? These questions are tackled with a perspective that is thought-provoking, surprising—and particularly relevant to our troubled economic times. Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness. He has been described by the Sunday Times of London as one of the "1000 Makers of the 20th Century" and by Sunday Mid-Day (India) as one of the ten people—along with Gandhi, Nehru, and Buddha—who have changed the destiny of India. Since his death in 1990, the influence of his teachings continues to expand, reaching seekers of all ages in virtually every country of the world.

**Unreal Estate** Sep 22 2019 A history of lucrative real estate in Los Angeles shares the lesser-known contributions of a range of figures from Douglas Fairbanks and Marilyn Monroe to Howard Hughes and Ronald Reagan. By the best-selling author of *Rogues' Gallery*.

**The Autobiography of Time** Jul 25 2022 When 9/11 occurred in front of Author's eyes in New York City, like millions of others he was tormented. Looking at the burning towers with unbearable pain and agony - a simple question struck him – why on earth are we in this crossroad of civilization? Although at that point it had started as an aimless query, later after 16 years of diligent research, he crystalized his thoughts, gaining a much broader perspective and inner-wisdom. In turn, it gave birth to his Magnus Opus - this book *The Autobiography of Time*. 11/5/20 It's a non-fiction novel based on world history. Time is the storyteller in this book, who narrates the saga of mankind to his son Beta; the events that Time has eye-witnessed – from Big Bang up to the end of Iraq War in 2011. Poring through the chapters, it precipitates both regressive and progressive pasts with latent emotions, and hopes to bring to surface the cause and effect of human actions - so that future generations can celebrate the state of true civilization. As the curtain is raised not on any particular event, country or region; the stage is set on all that occurred concurrently in different parts of the planet; the events those are of import to civilization as we know - thus lending a flavor of every period to the readers, as it moves from one epoch to another. It's an epic with a purpose. This book covers mankind's achievements, moments of glory and sheer good fortune, his innovations and exploration. It revives from oblivion very real anecdotes about key historical personalities. It is based on true stories that had transpired in the past and have shaped this planet – as we see it today. It's truly *The Saga of Human Civilization; Ambition, Greed and Power* from the dawn of man.

**Curious Encounters of the Human Kind - Indonesia** Mar 09 2021 What is the allure of Waltzing Banana Island? Why does it make good business sense to make friends with the dragon princess? This is Indonesia as you've probably never imagined, full of curious people, startling happenings, and unexpected moments of humanity and introspection, giddiness and solemnity, avarice and ambition.

**Ambition to Vision** Jun 24 2022 "Ambition is about more, vision is about all." - Sadhguru Being ambitious has always been seen as an advantage. But a century's worth of human ambitions has resulted in uncountable tragedies and wars, and brought the environment to a point of collapse. Only when ambition is guided by a vision for wellbeing, can our activity become a powerful possibility to create our destiny and touch the lives of everyone around us. This book offers tangible first steps towards the ultimate plan of action – to understand every aspect of our creation and existence, and make ourselves the way we want. And with individual transformation comes universal transformation, opening up a whole new world once we take that step from ambition to vision.

**The Difference Between Greed and Ambition Is a Greedy Person Desires Things He Isn't Prepared to Work For** Mar 21 2022 Are You Looking For A Great Gift For Someone Close To You? Also Great For Taking Notes, Journaling Task List Or As A Schedule Diary.

**The British in India** Jul 13 2021 The British in this book lived in India from shortly after the reign of Elizabeth I until well into the reign of Elizabeth II. Who were they? What drove these men and women to risk their lives on long voyages down the Atlantic and across the Indian Ocean or later via the Suez Canal? And when they got to India, what did they do and how did they live? This book explores the lives of the many different sorts of Briton who went to India: viceroys and officials, soldiers and missionaries, planters and foresters, merchants, engineers, teachers and doctors. It evokes the three and a half centuries of their ambitions and experiences, together with the lives of their families, recording the diversity of their work and their leisure, and the complexity of their relationships with the peoples of India. It also describes the lives of many who did not fit in with the usual image of the Raj: the tramps and rascals, the men who 'went native', the women who scorned the role of the traditional memsahib. David Gilmour has spent decades researching in archives, studying the papers of many people who have never been written about before, to create a magnificent tapestry of British life in India. This exceptional work of scholarly recovery portrays individuals with understanding and humour, and makes an original and engaging contribution to a long and important period of British and Indian history.

**Ambition** Jun 12 2021 Seth Buechley tackles the plaguing question of why ambitious people struggle to find satisfaction and

reveals what they can do about it. His exceptional perspective, which began in a commune in the woods and led him to financial success through several multi-million dollar businesses, shines through his candid and direct insights into the advantages and disadvantages of ambition. A seasoned entrepreneur and leader of high-growth companies, Buechley illustrates the fundamental nature of gratitude in making the shift to lasting leadership impact.

**Reckless Endangerment** Aug 26 2022 A Washington Post Notable Nonfiction Book for 2011 One of The Economist's 2011 Books of the Year In *Reckless Endangerment*, Gretchen Morgenson exposes how the watchdogs who were supposed to protect the country from financial harm were actually complicit in the actions that finally blew up the American economy. Drawing on previously untapped sources and building on original research from coauthor Joshua Rosner—who himself raised early warnings with the public and investors, and kept detailed records—Morgenson connects the dots that led to this fiasco. Morgenson and Rosner draw back the curtain on Fannie Mae, the mortgage-finance giant that grew, with the support of the Clinton administration, through the 1990s, becoming a major opponent of government oversight even as it was benefiting from public subsidies. They expose the role played not only by Fannie Mae executives but also by enablers at Countrywide Financial, Goldman Sachs, the Federal Reserve, HUD, Congress, and the biggest players on Wall Street, to show how greed, aggression, and fear led countless officials to ignore warning signs of an imminent disaster. Character-rich and definitive in its analysis, and with a new afterword that brings the story up to date, this is the one account of the financial crisis you must read.

**Fatal Ambition** Apr 22 2022 Gift.

**Prynne's Island** Oct 24 2019 Adam Prynne lives in a world beset by ambition, greed and class distinctions. The Red Prophet has planted a seed of vision and authority inside him that allows Adam to think differently than his peers. As a result, he--along with his wife Zoe--sets out to rebuild society based on love and mutual respect on an island filled with unicorns that sometimes speak...to those who have the ears to listen to their vision. Can Adam, Zoe and their children teach others to overcome the darker side of human nature and live unselfishly, generation after generation, in a world of peace, equality and justice?

**How Much Land Does A Man Need?** Feb 26 2020 'Although he feared death, he could not stop. 'If I stopped now, after coming all this way - well, they'd call me an idiot.' A pair of short stories about greed, charity, life and death from one of Russia's most influential writers and thinkers. Introducing Little Black Classics: 80 books for Penguin's 80th birthday. Little Black Classics celebrate the huge range and diversity of Penguin Classics, with books from around the world and across many centuries. They take us from a balloon ride over Victorian London to a garden of blossom in Japan, from Tierra del Fuego to 16th-century California and the Russian steppe. Here are stories lyrical and savage; poems epic and intimate; essays satirical and inspirational; and ideas that have shaped the lives of millions. Leo Tolstoy (1828-1910). Tolstoy's works available in Penguin Classics are *Anna Karenina*, *War and Peace*, *Childhood*, *Boyhood*, *Youth*, *The Cossacks and Other Stories*, *The Kreutzer Sonata and Other Stories*, *What is art?*, *Resurrection*, *The Death of Ivan Ilyich and Other Stories*, *Master and Man and Other Stories*, *How Much Land Does A Man Need? & Other Stories*, *A Confession and Other Religious Writings* and *Last steps: The Late Writings of Leo Tolstoy*.

**Dark Ambitions (Code of Honor Book #3)** Apr 10 2021 Former Army Night Stalker Rick Jordan usually has his camp for foster children to himself during the winter months. But someone has visited recently--leaving a trail of blood. One of the two clues left behind tips Rick off to the identity of his visitor, who soon turns up dead. The police deem it an accident, but Rick isn't convinced. With the help of private investigator Heather Shields, he sets out to decipher the remaining clue. Except someone doesn't want them to succeed--and will stop at nothing to keep them from finding the truth. With her trademark psychological suspense ratcheting up the tension on every page, bestselling and award-winning author Irene Hannon takes you on a search for a cold-blooded killer with an ambitious goal and deadly intent.

**Ruthless Ambition** Aug 14 2021 How could a man like Chris Christie get within shouting distance of a seat in the Oval Office? What does this say about our Justice system, and about us? If you think you know the whole story of Christie's rise and later fall from grace--think again. In his searing tell-all, *Ruthless Ambition: The Rise and Fall of Chris Christie*, former New Jersey State Assemblyman Louis Manzo recounts an extraordinary tale of political ruthlessness, corruption, and greed while also telling the story of how he was caught in the center of one of the most egregious political scandals in modern-day history: the Bid Rig III sting operation, masterminded by the then United States Attorney for the District of New Jersey and soon-to-be Governor Chris Christie. Manzo shows us how the blind ambitions of Christie and his staff centered on capturing a governorship and the patronage jobs that accompany it, then parlaying that office into a shot at the presidency. Meticulous in backing up everything he says with objective legal documentation, Manzo makes a convincing and disconcerting case for the governor as an unbridled and sinister political figure who made the most of a seriously flawed Department of Justice and overall judicial system to feed his megalomania and desire for power. This book is a must-read for anyone interested in justice and ethical leadership. It can't happen here? Well, it almost did. Soon you will know why. Philosopher George Santayana said, "Those who cannot remember the past are condemned to repeat it." Substitute "understand history" and you can appreciate how Manzo's courageous true tale is poised to help all of us better understand the seemingly incomprehensible.

**Kushner, Inc.** May 23 2022 INSTANT NEW YORK TIMES BESTSELLER The first explosive book about Javanka and their infamous rise to power Jared Kushner and Ivanka Trump are the self-styled Prince and Princess of America. Their swift, gilded rise to extraordinary power in Donald Trump's White House is unprecedented and dangerous. In *Kushner, Inc.*, investigative journalist Vicky Ward digs beneath the myth the couple has created, depicting themselves as the voices of reason in an otherwise crazy presidency, and reveals that Jared and Ivanka are not just the President's chief enablers: they,

like him, appear disdainful of rules, of laws, and of ethics. They are entitled inheritors of the worst kind; their combination of ignorance, arrogance, and an insatiable lust for power has caused havoc all over the world, and may threaten the democracy of the United States. Ward follows their trajectory from New Jersey and New York City to the White House, where the couple's many forays into policy-making and national security have mocked long-standing U.S. policy and protocol. They have pursued an agenda that could increase their wealth while their actions have mostly gone unchecked. In *Kushner, Inc.*, Ward holds Jared Kushner and Ivanka Trump accountable: she unveils the couple's self-serving transactional motivations and how those have propelled them into the highest levels of the US government where no one, the President included, has been able to stop them.

**Grand Ambition** Nov 24 2019 Tells the story of Doug Von Allmen's plan to build an extraordinary yacht and the way that the 2008 financial crisis threatened the project and the livelihood of the one thousand employees of the shipyard where it was built.

*Boundless Ambition* Jul 21 2019 The boundless ambitions of some CEOs and politicians are dangerous, shameless and sly. Only when heroes step forward to fight, will we see the end of their lies. Imagine HOUSE OF CARDS meets JAMES BOND in a clever suspense thriller. \_\_\_\_\_ Sometimes the bad guys play out of bounds. Our world is plagued by the devious schemes of disguised cheaters and thieves. The worst of these frauds are perpetrated by prominent figures--powerful people with sincere smiles, boundless ambitions, and flexible souls. They play on hope, fear and pride while stealing billions right before our eyes. This is the story of one such group. Although thoroughly unpredictable, it's inspired by true events. Created using the same compelling mix of savvy plotting, rapid pacing, and clever conundrums that turned the first four Kyle Achilles books into international bestsellers, *Boundless Ambition* gives you heroes to love, villains to hate, and puzzles to solve. It's a story destined to delight both new comers and avid Tim Tigner fans. \_\_\_\_\_ "Prepare yourself for one of those rare books that builds and builds until your fingers can't flip fast enough and your mind finally blows." --Sandy Wallace

\_\_\_\_\_ Amazon named Tim Tigner an All-Star Author in December, 2017 and every month since for being one of the most popular authors on Kindle. His books are recommended for fans of David Baldacci, Lee Child's Jack Reacher, Tom Clancy's Jack Ryan, Nelson DeMille's John Corey, Vince Flynn's Mitch Rapp, Mark Greaney's Gray Man, Gregg Hurwitz's Orphan X, Robert Ludlum's Jason Bourne, John Sandford's Lucas Davenport, Daniel Silva's Gabriel Allon, Brad Taylor's Pike Logan, Brad Thor's Scot Harvath, and Dan Brown's Robert Langdon.

**The Sheena Bora Case** May 31 2020 Manish Pachouly is a Mumbai-based senior journalist with more than two decades of experience in print media. He has worked with Mid-Day, the Times of India group and Hindustan Times. At HT he was heading the crime and legal team in Mumbai. As an investigative journalist, he broke many stories on cricket betting racket, major income tax raids and hawala operations.

**Reckless Endangerment** Dec 18 2021 A Washington Post Notable Nonfiction Book for 2011 One of The Economist's 2011 Books of the Year The New York Times's Pulitzer Prize-winning columnist reveals how the financial meltdown emerged from the toxic interplay of Washington, Wall Street, and corrupt mortgage lenders In *Reckless Endangerment*, Gretchen Morgenson, the star business columnist of The New York Times, exposes how the watchdogs who were supposed to protect the country from financial harm were actually complicit in the actions that finally blew up the American economy. Drawing on previously untapped sources and building on original research from coauthor Joshua Rosner—who himself raised early warnings with the public and investors, and kept detailed records—Morgenson connects the dots that led to this fiasco. Morgenson and Rosner draw back the curtain on Fannie Mae, the mortgage-finance giant that grew, with the support of the Clinton administration, through the 1990s, becoming a major opponent of government oversight even as it was benefiting from public subsidies. They expose the role played not only by Fannie Mae executives but also by enablers at Countrywide Financial, Goldman Sachs, the Federal Reserve, HUD, Congress, the FDIC, and the biggest players on Wall Street, to show how greed, aggression, and fear led countless officials to ignore warning signs of an imminent disaster. Character-rich and definitive in its analysis, this is the one account of the financial crisis you must read.

**Valiant Ambition** Oct 16 2021 A New York Times Bestseller Winner of the George Washington Prize A surprising account of the middle years of the American Revolution and the tragic relationship between George Washington and Benedict Arnold, from the New York Times bestselling author of *In The Heart of the Sea*, *Mayflower*, and *In the Hurricane's Eye*. "May be one of the greatest what-if books of the age—a volume that turns one of America's best-known narratives on its head."—Boston Globe "Clear and insightful, [Valiant Ambition] consolidates Philbrick's reputation as one of America's foremost practitioners of narrative nonfiction."—Wall Street Journal In the second book of his acclaimed American Revolution series, Nathaniel Philbrick turns to the tragic relationship between George Washington and Benedict Arnold. In September 1776, the vulnerable Continental army under an unsure George Washington evacuated New York after a devastating defeat by the British army. Three weeks later, one of his favorite generals, Benedict Arnold, miraculously succeeded in postponing the British naval advance down Lake Champlain that might have lost the war. As this book ends, four years later Washington has vanquished his demons, and Arnold has fled to the enemy. America was forced at last to realize that the real threat to its liberties might not come from without but from within. Complex, controversial, and dramatic, *Valiant Ambition* is a portrait of a people in crisis and the war that gave birth to a nation.

*Pay Any Price* Aug 22 2019 The author reveals what he sees as the hidden costs of the War on Terror—from squandered and stolen dollars, to outrageous abuses of power, to wars on normalcy, decency and truth. By the author of *State of War*. 75,000 first printing.

Rescuing Ambition Jan 07 2021 Ambition needs to be rescued and put to work for God's glory. This book will encourage and embolden believers to pursue their dreams with a godly ambition that seeks more for God and from God.

Curious Encounters of the Human Kind - Southeast Asia Mar 29 2020 What's the attraction of coffee that's been digested by a civet? Can 200-million-year-old fossilized freshwater shark dung bring you good luck? Why do boys like to make things go bang - hey, lemme try the AK-47 ? Why is the belching and slovenly widow of Laos's first president so possessive about the animal she considers her white elephant? How did Vietnam's last elephant hunter, at the age of 90, get a lucrative sponsorship deal for a tonic that makes men more powerful? Did a love potion help a Filipino politician become governor? And what role did an absurdly rich, secretive American businessman (who enjoyed deflowering virgins) have in creating Vietnam's golf boom? This is Southeast Asia as you've probably never imagined, full of memorable people, startling happenings, and unexpected moments of humanity and introspection, giddiness and solemnity, avarice and ambition.

The Lady's Ambition Jan 27 2020 Passion had always ruled her. Margaret Douglas, daughter of a Queen, niece of King Henry VIII never did anything by half measures. When she was a young woman she dared to love knowing it could only end in heartbreak. Love was never meant for those so close to the throne. Still she went on believing that one day she would have it all. A husband. A family. A legacy. Her story is that of a woman who lived a life full of intrigues and power struggles. Some may have called her greedy but it was ambition that drove her - that overcame her. Will she be prepared to risk everything she ever loved to achieve her dreams? Royal Court Series Book 3

**Fame, Fortune, and Ambition** Feb 20 2022 A provocative look at the pursuit of material success and influential power from one of the twentieth century's greatest spiritual teachers. "I want you to be rich in every possible way—material, psychological, spiritual. I want you to live the richest life that has ever been lived on the earth."—Osho *Fame, Fortune, and Ambition: What is the Real Meaning of Success?* examines the symptoms and psychology of preoccupations with money and celebrity. Where does greed come from? Do values like competitiveness and ambition have a place in bringing innovation and positive change? Why do celebrities and the wealthy seem to have so much influence in the world? Is it true that money can't buy happiness? These questions are tackled with a perspective that is thought-provoking, surprising—and particularly relevant to our troubled economic times. Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness. He has been described by the Sunday Times of London as one of the "1000 Makers of the 20th Century" and by Sunday Mid-Day (India) as one of the ten people—along with Gandhi, Nehru, and Buddha—who have changed the destiny of India. Since his death in 1990, the influence of his teachings continues to expand, reaching seekers of all ages in virtually every country of the world.

Curious Encounters of the Human Kind - Borneo Sep 03 2020 Has White-Brown colonialism been replaced by Brown-Brown arrogance? How close are we to orangutans? This is Borneo as you've probably never imagined, full of curious people, startling happenings, and unexpected moments of humanity and introspection, giddiness and solemnity, avarice and ambition.

*Pleasure and Ambition* Jul 01 2020 "Augustus the Strong of Saxony's life was consumed by two addictions: the relentless pursuit of power and the no less relentless pursuit of pleasure. From his accession as Elector of Saxony in 1694 he pursued political power and glory by fighting the Ottoman Turks, purchasing the Polish throne and warring against Sweden. By seeking to attach parts of the Ottoman, Swedish and Habsburg domains to his Saxon realm Augustus' aim was eventually to supplant the Habsburg Holy Roman Emperors. But his hedonistic lifestyle continually distracted him and when finally defeated in 1707, he found himself back in Saxony fornicating and plotting revenge."--Bloomsbury Publishing.

**Blonde Ambition** Apr 29 2020 Charlotte Christie is under no illusion about her job: at Fitzgerald Denton greed is good and you watch your back. But as she learns to handle the jokes and the backstabbing and prove her worth as a broker. Charlie unearths a scam. Almost untraceable, it could strike a deathblow to Lloyd's of London and bring the government to its knees. By avoiding Charlie, her opponents have made their single mistake. She has one chance to strike back.

**Final Accounting** Oct 28 2022 A withering exposé of the unethical practices that triggered the indictment and collapse of the legendary accounting firm. Arthur Andersen's conviction on obstruction of justice charges related to the Enron debacle spelled the abrupt end of the 88-year-old accounting firm. Until recently, the venerable firm had been regarded as the accounting profession's conscience. In *Final Accounting*, Barbara Ley Toffler, former Andersen partner-in-charge of Andersen's Ethics & Responsible Business Practices consulting services, reveals that the symptoms of Andersen's fatal disease were evident long before Enron. Drawing on her expertise as a social scientist and her experience as an Andersen insider, Toffler chronicles how a culture of arrogance and greed infected her company and led to enormous lapses in judgment among her peers. *Final Accounting* exposes the slow deterioration of values that led not only to Enron but also to the earlier financial scandals of other Andersen clients, including Sunbeam and Waste Management, and illustrates the practices that paved the way for the accounting fiascos at WorldCom and other major companies. Chronicling the inner workings of Andersen at the height of its success, Toffler reveals "the making of an Android," the peculiar process of employee indoctrination into the Andersen culture; how Androids—both accountants and consultants--lived the mantra "keep the client happy"; and how internal infighting and "billing your brains out" rather than quality work became the all-important goals. Toffler was in a position to know when something was wrong. In her earlier role as ethics consultant, she worked with over 60 major companies and was an internationally renowned expert at spotting and correcting ethical lapses. Toffler traces the roots of Andersen's ethical missteps, and shows the gradual decay of a once-proud culture. Uniquely qualified to discuss the personalities and principles behind one of the greatest shake-ups in United States history, Toffler delivers a chilling report with important ramifications for CEOs and individual investors alike.

**Walking the Tycoon's Rope** Dec 06 2020 Robert Wang fled the Chinese civil war as a child and came to Hong Kong with

nothing. It was a harsh place in the 1950s but he was determined to rise to the top. With the 1997 handover to China approaching, and no one knowing what the end of British rule would bring, Robert hatched an audacious scheme to safeguard the fortunes of Hong Kong's richest tycoons -- but swimming with sharks has its dangers.

***Prynnne's Island*** Dec 26 2019 In the midst of a world of ambition, greed and class distinctions, Adam Prynne sets out to build a society based on love and mutual respect. He's the right man for the job; he has the vision, and the mandate. The "Red Prophet" has planted a seed that sets young Adam thinking differently than his peers. The questions he asks make people uncomfortable -- everyone but Zoe, who becomes his wife. Then, he receives the gift of an island, the very island prophesied by the "Red Prophet". It's not just any island. Its only other inhabitants, the ever elusive unicorns, testify to that. They speak sometimes -- to those who have ears to listen. Some, among Adam and Zoe's children, and others who come to share the vision, do listen. Some hear other voices. Can Adam, Zoe, and his posterity overcome the darker side of human nature and build a world of equality and justice? Can they make it last, generation after generation? Let's see...

***Final Accounting*** Sep 27 2022 An expert on management ethics and a former Arthur Andersen partner sheds new light on the questionable practices and attitudes that led to the financial scandals at Enron and other corporations, the accounting fiascos at Global Crossing and WorldCom, and the collapse of the legendary accounting firm.

***Wise Children*** Jun 19 2019 In Brixton, Nora and Dora Chance -- twin chorus girls born and bred south of the river -- are celebrating their 75th birthday. Over the river in Chelsea, their father and greatest actor of his generation Melchior Hazard turns 100 on the same day. As does his twin brother Peregrine. If, in fact, he's still alive. And if, in truth, Melchior is their real father after all... *Wise Children* is adapted for the stage from Angela Carter's last novel about a theatrical family living in South London. It centres around twin chorus girls, Nora and Dora Chance, whose lives are brimming with mystery, illegitimacy and scandal. Dora narrates the story as her older self, looking back on a tumultuous life, throughout which she and her sister have loved to sing and dance. A big, bawdy tangle of theatrical joy and heartbreak, *Wise Children* is a celebration of show business, family, forgiveness and hope. Expect show girls and Shakespeare, sex and scandal, music, mischief and mistaken identity -- and butterflies by the thousand.

***Spindletop unwound*** Nov 17 2021 Well documented by public records, actual court reports, and newspaper accounts, this book is a true story of greed, ambition and murder in the first degree.
