Alfred the Wise Jul 28 2022 Alfred's life, work and influence studied through writings of his age. Alfred and the great achievements of his reign are once more at the centre of scholarly discussion, and the studies in this collection make a significant contribution to the continuing debate. Focusing particularly on the writings of Alfred's age, the contributions, by leading scholars in the field, examine Alfred's life, work and influence: there are accounts of law and morality; examinations of translations and their sources; and investigations of words and events, throwing new light on all major aspects of Alfred's reign. As a whole, the volume is an appropriate tribute to Janet Bately, whose writings on the age of Alfred are known and admired by both historians and literary scholars throughout the world. Professor JANE ROBERTS teaches in the Department of English, King's College, London; Professor JANET L. NELSON, Director of the Centre for Late Antiques and Medieval Studies, teaches in the Department of History, King's College, London; Professor MALCOLM GODDEN is Rawlinson and Bosworth Professor of Anglo-Saxon at the University of Oxford. Contributors and contents: ANDREW BREEZE, J.E. CROSS, ANDREW HAMER, ROBERTA FRANK, ALLEN J. FRANTZEN, M.R. Studies in the Economics of Aging Feb 08 2021 Studies in the Economics of Aging is the fourth book in a series from the National Bureau of Economic Research that addresses economic issues in aging and retirement. Building on the research in The Economics of Aging (1989), Issues in the Economics of Aging (1990), and Topics in the Economics of Aging (1992), this volume examines elderly population growth and government spending, life expectancy and health, saving for retirement and housing values, aging in Germany and Taiwan, and the utilization of nursing home and other long-term care.

Wise Growth Strategies in Leading Family Businesses Jun 22 2019 The majority of family businesses are both ill-prepared and ineffective at handling the emotional family related and the rational business related complexities they face. This book, a nine year study of multi-generational award winning family businesses, provides new and deep insights into their long-term success strategies.

Shakespeare and Sexuality in the Comedy of Morecambe & Wise May 14 2021 Contextualizing the duo's work within British comedy, Shakespeare criticism, the history of sexuality, and their own historical moment, this book offers the first sustained analysis of the 20th Century's most successful double-act. Over the course of a forty-four-year career (1940-1984), Eric Morecambe & Ernie Wise appropriated snippets of verse, scenes, and other elements from seventeen of Shakespeare's plays more than one-hundred-and-fifty times. Fashioning a kinder, more inclusive world, they deployed a vast array of elements connected to Shakespeare, his life, and institutions. Rejecting claims that they offer only nostalgic escapism, Hamrick analyses their work within contemporary contexts, including their engagement with many forms and genres, including Variety, the heritage industry, journalism, and more. 'The Boys' deploy Shakespeare to work through issues of class, sexuality, and violence. Lesbianism, drag, gay marriage, and a queer aesthetics emerge, helping to normalize homosexuality and complicate masculinity in the 'permissive' 1960s.

Bible Studies from the Old and New Testaments Covering the International Sunday-School Lessons for 1893 Apr 12 2021 The Spanish Mystics: Ecstasy and Communion with Peter Tyler Feb 29 2020 In these four talks, Peter Tyler explores the factors that contributed to the rise of mystical writing in 16th Century Spain. He traces the particular history of the Peninsula that shaped the milieu within which mysticism flourished at this time. One of the most popular and approachable Christian saints of all time, St Teresa of Avila (1515 - 1582) is justly celebrated as one of the key writers in the Christian mystical tradition. Yet her popularity belies the struggles she had to overcome in her own lifetime, to have her mystical approaches accepted by the wider church. Peter looks at how her life and struggles influenced her mystical teaching, especially as found in The Book of the Life and The Interior Castle. Peter explores the author of the 'Dark Night of the Soul', St John of the Cross's (1542 - 1591). His teachings on the spiritual life are remarkably light and beautiful. Peter places John's life and teaching within the context of 16th Century Spain and explores questions such as: 'How can God be known in this life?' and 'How far does knowledge of God lead to annihilation of the individual personality?'

The Wise Woman's Guide to Your Healthiest Pregnancy and Birth Dec 09 2020 When it comes to providing the best support for a healthy pregnancy, wise women know that it all comes down to making good choices. The right information at the right time is imperative. In The Wise Woman's Guide to Your Healthiest Pregnancy and Birth, you'll find all the support you need beginning with preconception, through pregnancy and birth, and the 40 days postpartum. This comprehensive guide combines the expertise of a functional medicine dream team: top-tier physical therapist Patricia Ladis with Dr. Anita Sadaty, a holistic ob-gyn with a celebrity clientele. You will discover a detailed but accessible plan for optimal wellness for mother, partner, and baby, including: Best practices to maximize your health and that of your partner in the crucial six-month period of preconception in order to enhance the health of your baby. A unique functional medicine approach that explains why many of the uncomfortable symptoms that arise during pregnancy are related to what you are eating, your environment, your mindset and your exercise level-and how to resolve these issues. Exercises with instructive photos to avoid injury, recovery quickly from any kind of delivery, and get your before-baby body back-and better! With both up-to-date clinical research and the wisdom of the ages, this book will empower you and your partner to not only find the blessings in this special time, but pass along a lifetime of health and wellness for you and your

baby. Book jacket.

The Wise Company Apr 24 2022 High-velocity change is the fundamental challenge facing companies today. Few companies, however, are prepared to continuously innovate—because they focus on the short-term and do not emphasize the wisdom needed to make sure that their interests are aligned with those of society. Practical wisdom is the bases of continuous innovation, where companies ceaselessly and repeatedly creating new knowledge, disseminating it throughout the organization, and converting knowledge to action over time. In *The Wise Company*, legendary management experts Ikujiro Nonaka and Hirotaka Takeuchi highlight how various companies have confronted the challenge of rapid change to create new products and new ways of doing business that benefit employees, consumers, and society. The key: a relentless self-renewal process where companies realize the future they envisions, rather than only responding to changes in the environment. Nonaka and Takeuchi argue that while knowledge-creating companies focusing on tacit and explicit knowledge can generate innovation, they cannot create it on a continuous and ongoing basis without having wisdom about human interactions and how they influence organizational structures and practices. Companies that have resilience, longevity, and sustainability share a number of characteristics, Nonaka and Takeuchi show. Strategies are based on alignment of organizational and societal benefits. Leaders grasp the core of any situation or problem quickly, and intuitively comprehend the nature and meaning of people, things, and events. But wise leadership is not enough: wisdom must infuse the organization through informal as well as formal shared interactions and communications that focus on metaphors and stories that convey the essence and meaning of strategies and actions. In short, Nonaka and Takeuchi demonstrate how continuous innovation results from companies ceaselessly and repeatedly creating new knowledge, disseminating knowledge throughout the organization, and converting that knowledge to action. *The Wise Company* presents a new model of knowledge-creation and practice for the twenty-first century.

Literary Studies in Luke-Acts Sep 05 2020 *Literary Studies in Luke-Acts* is a collection of essays by a group of distinguished biblical scholars who use literary-critical analyses in the study of Luke-Acts. The variety of literary-critical approaches to Luke-Acts, as compiled uniquely in this volume, provides a needed resource by presenting methodological options for approaching biblical narrative texts with literary questions and considerations. Contributors include: Arthur Bellinzoni, C. Clifton Black, Darrell L. Bock, John A. Darr, William Farmer, Mikeal Parsons, Vernon Robbins, Jack Sanders, Charles Talbert, Robert Tannehill, and Victor Paul Furnish.

Are You Alone Wise? Feb 20 2022 The topic of certitude is much debated today. On one side, commentators such as Charles Krauthammer urge us to achieve "moral clarity." On the other, those like George Will contend that the greatest present threat to civilization is an excess of certitude. To address this uncomfortable debate, Susan Schreiner turns to the intellectuals of early modern Europe, a period when thought was still fluid and had not yet been reified into the form of rationality demanded by the eighteenth and nineteenth centuries. Schreiner argues that Europe in the sixteenth century was preoccupied with concerns similar to ours; both the desire for certainty -- especially religious certainty -- and warnings against certainty permeated the earlier era. Digging beneath overt theological and philosophical problems, she tackles the underlying fears of the period as she addresses questions of salvation, authority, the rise of skepticism, the outbreak of religious violence, the discernment of spirits, and the ambiguous relationship between appearance and reality. In her examination of the history of theological polemics and debates (as well as other genres), Schreiner sheds light on the repeated evaluation of certainty and the recurring fear of deception. Among the texts she draws on are Montaigne's *Essays*, the mystical writings of Teresa of Avila, the works of Reformation fathers William of Occam, Luther, Thomas Muntzer, and Thomas More; and the dramas of Shakespeare. The result is not a book about theology, but rather about the way in which the concern with certitude determined the theology, polemics and literature of an age.

Wise Man from the East: Lit-sen Chang (Zhang Lisheng) Nov 27 2019 How should Christianity relate to Chinese culture?

That question has engaged the minds of both Chinese and Western Christians for several centuries. Lit-sen Chang (1904-1996) was brought up as a Buddhist and educated in the Confucian classics as well as in modern political philosophy. He later delved deeply into Daoism as well. After World War II, he founded Jiangnan University in order to "exterminate" Christianity and revive Eastern religion. Conversion to Christianity in 1950 radically altered the course of his life. He studied at Gordon-Conwell Theological Seminary and then joined the faculty, teaching missions and writing prolifically on theology and apologetics, especially on the relationship of Christianity to Chinese culture. His *Critique of Indigenous Theology and Critique of Humanism* are published here in English for the first time, and provide excellent examples of his wide learning, insightful analysis, powerful writing, and firm commitment to historic Christianity.

Spiders in Ecological Webs Mar 12 2021 A critical evaluation of the role of field experimentation in population and community ecology.

Studies in Education Jul 16 2021

The Wisdom of the Wise Mar 24 2022 Pauls Jewish background and his use of Scripture have been enduring interest within New Testament scholarship. This study contributes to this discussion by examining the presence and function of Scripture in I Cor. 1:18-3:23. The author examines the presence and function of Scripture in the form of six citations, two allusions, and seven echoes within I Cor. 1:19-3:23. From the examination of the function of these texts, this work concludes that Pauls use of Scripture agrees with its original context and stands in line with a majority of early Jewish tradition. Moreover, this study suggests that Pavis use of Scripture also helps to chart a way through a difficult section of his writing.

King David with the Wise Woman of Tekoa Oct 07 2020 Assesses the multivocal quality of 2 Samuel 14 as a result of the many historical and social processes that formed the Hebrew Bible as a whole.

Paper Dec 29 2019

The Wise Advocate Jun 14 2021 Leadership is the habit of making good choices. Even in difficult and uncertain circumstances, the most effective leaders focus their attention and overcome entrenched patterns of behavior to push an organization to new heights of success. This capability is no fluke: the latest research on the brain shows that we can pinpoint the mental activity associated with it—and cultivate it for our benefit. In this book, Art Kleiner, a strategy expert; Jeffrey Schwartz, a research psychiatrist; and Josie Thomson, an executive coach, give a transformative explanation of how cutting-edge neuroscience can help business leaders set a course toward better management. Mapping the functions of a manager onto established patterns of mental activity, they identify crucial brain circuits and their parallels in organizational culture. Strategic leaders, they show, play the role of wise advocates: able to go beyond day-to-day transactional behavior to a longer-term, broader perspective that articulates their organization's deeper purpose. True leaders can play this influencer role in an organization because they have cultivated similar self-reflective habits in their own minds. Providing a powerful guide to decision strategies and their consequences, *The Wise Advocate* helps managers find their own inner voice and then make that voice ring out loud and clear, with a four-step

program for practice and catalytic implications for management strategy, executive education, and business results.

Proverbs Nov 07 2020 Verse-by-Verse Commentary on the Book of Proverbs

Everyday Multiculturalism Oct 26 2019 This book explores everyday lived experiences of multiculturalism in the contemporary world. Drawing on place-based case studies, contributions focus on encounters and interactions across cultural difference in super-diverse cities to explore what it means to inhabit multiculturalism in our everyday lives.

Handbook of Wise Interventions Jan 22 2022 Precise shifts in the ways people make sense of themselves, others, and social situations can help people flourish. This compelling handbook synthesizes the growing body of research on wise interventions--brief, nonclinical strategies that are "wise" to the impact of social-psychological processes on behavior. Leading authorities describe how maladaptive or pejorative interpretations can undermine people's functioning and how they can be altered to produce benefits in such areas as academic motivation and achievement, health, well-being, and personal relationships. Consistently formatted chapters review the development of each intervention, how it can be implemented, its evidence base, and implications for solving personal and societal problems.

"Let the Wise Listen and add to Their Learning" (Prov 1:5) Aug 17 2021 This Festschrift honours Günter Stemberger on the occasion of his 75th birthday on 7 December 2015 and contains 41 articles from colleagues and students. The studies focus on a variety of subjects pertaining to the history, religion and culture of Judaism - and, to a lesser extent, of Christianity - from late antiquity and the Middle Ages to the modern era.

23 Years CSAT General Studies IAS Prelims Topic-wise Solved Papers (1995-2017) 8th Edition Jun 26 2022 Disha's BESTSELLER "23 Years CSAT General Studies IAS Prelims & Mains Topic-wise Solved Papers (1995-2017)" consists of past years solved papers of the General Studies Paper 1 & 2 distributed into 8 Units and 52 Topics. This is the 8th edition of the book and has been thoroughly revised and updated. The book has been designed in 2 colour so as to make it more student friendly. The book also provides Essays divided topic-wise from 1993-2016. The strength of the book lies in the Errorless DETAILED Solutions. The book is 100% useful for both the General Studies papers (1 and 2) of the Prelims/CSAT.

End Times Aug 05 2020 The first in a new Bible study series from Verse By Verse Ministry International (vbvmi.org). This 12-week VBVM Group Study on End Times features thought-provoking teaching of core biblical concepts in prophecy. The workbook prepares both individual students and small groups for a deeper study of eschatology by examining key ideas and highlights from the book of Revelation, Daniel and other scripture. Students will gain a foundational understanding of God's plan for Israel, the Church and the end of the age. The VBVM Group Study series is designed to suit the needs of students new to a study of end times while still offering a challenge to experienced Bible students. Each lesson in this study includes a video available to stream for free over the internet. The videos feature the teaching of Stephen Armstrong, acclaimed for his unique and gifted approach to explaining the Bible. The 12 videos are available for viewing or download for free at: <http://www.vbvmiendtimesstudy.org>. A printable PDF copy of the workbook may also be downloaded for free.

The Recovery of Old English Jan 10 2021 Eight papers, some of which were presented at the 29th International Congress on Medieval Studies at Western Michigan University in 1994, chart the progress of Old English studies from the earliest work of the mid 16th century through to the heyday of the early 18th century.

"A Wise and Discerning Mind" Oct 19 2021

Brain-Wise Oct 31 2022 Progress in the neurosciences is profoundly changing our conception of ourselves. Contrary to time-honored intuition, the mind turns out to be a complex of brain functions. And contrary to the wishful thinking of some philosophers, there is no stemming the revolutionary impact that brain research will have on our understanding of how the mind works. Brain-Wise is the sequel to Patricia Smith Churchland's Neurophilosophy, the book that launched a subfield. In a clear, conversational manner, this book examines old questions about the nature of the mind within the new framework of the brain sciences. What, it asks, is the neurobiological basis of consciousness, the self, and free choice? How does the brain learn about the external world and about its own introspective world? What can neurophilosophy tell us about the basis and significance of religious and moral experiences? Drawing on results from research at the neuronal, neurochemical, system, and whole-brain levels, the book gives an up-to-date perspective on the state of neurophilosophy--what we know, what we do not know, and where things may go from here.

"Let the Wise Listen and add to Their Learning" (Prov 1:5) Aug 29 2022 This Festschrift honours Günter Stemberger on the occasion of his 75th birthday on 7 December 2015 and contains 41 articles from colleagues and students. The studies focus on a variety of subjects pertaining to the history, religion and culture of Judaism - and, to a lesser extent, of Christianity - from late antiquity and the Middle Ages to the modern era.

Where is the Wise Man? May 26 2022 The divisions in the Corinthian church are catalogued by Paul in 1 Corinthians 1:12: "Each of you says, 'I follow Paul,' or 'I follow Apollos,' or 'I follow Cephas,' or 'I follow Christ.'" White shows how these splits are found in the milieu of 1st-century Graeco-Roman education. By consulting relevant literary and epigraphic evidence, White develops a picture of ancient education throughout the Empire generally, and in Roman Corinth specifically. This serves as a backdrop to the situation in the Christian community, wherein some of the elite, educated members preferred Apollos to Paul as a teacher since Apollos more closely resembled other teachers of higher studies. White takes a new and different direction to other studies in the field, arguing that it is against the values inculcated through "higher education" in general that the teachers are being compared. By starting with this broader category, one that much better reflects the very eclectic nature of Graeco-Roman education, a sustained reading of 1 Corinthians 1-4 is made possible.

Three Wise Men from the East Jul 04 2020 In this work, Patrick Whitworth explores the writings of Basil of Caesarea, Gregory of Nyssa, and Gregory Nazianzen and shares their understanding of the purpose and scope of theology.

Studies of Shakspeare May 02 2020

Brain-Wise Sep 29 2022 Progress in the neurosciences is profoundly changing our conception of ourselves. Contrary to time-honored intuition, the mind turns out to be a complex of brain functions. And contrary to the wishful thinking of some philosophers, there is no stemming the revolutionary impact that brain research will have on our understanding of how the mind works. Brain-Wise is the sequel to Patricia Smith Churchland's Neurophilosophy, the book that launched a subfield. In a clear, conversational manner, this book examines old questions about the nature of the mind within the new framework of the brain sciences. What can neurophilosophy tell us about the basis and significance of religious and moral experiences? Drawing on results from research at the neuronal, neurochemical, system, and whole-brain levels, the book gives an up-to-date perspective on the state of neurophilosophy--what we know, what we do not know, and where things may go from here.

"Follow the Wise" Dec 21 2021 In 1961, when Lee Israel Levine graduated from both Columbia College in New York, majoring in philosophy, and Jewish Theological Seminary, majoring in Talmud, this accomplishment was only a precursor to the brilliant career that would follow. While researching his Columbia University dissertation in Jerusalem, Levine established close ties with members of the Institute of Archaeology at Hebrew University and Prof. Yigael Yadin, who recognized the need for an interdisciplinary approach that would give graduate archaeology students a solid base in

Jewish history and rabbinic sources to supplement their archaeological training. Levine accepted Yadin's invitation to return to Israel after graduation to teach at the Institute of Archaeology and later was granted a joint appointment in the Institute of Archaeology and the Department of Jewish History. In 1985, he was promoted to the rank of Full Professor, and since 2003, he has held the Rev. Moses Bernard Lauterman Family Chair in Classical Archaeology at the Hebrew University. Levine was instrumental in founding and developing the TALI (an acronym for Tigbur Limudei Yahadut, Enriched Jewish Studies) track of Israel's state school system. He was also a founding member of the Seminary of Judaic Studies in Jerusalem (now known as the Schechter Institute for Jewish Studies), which opened its doors in 1984. In addition to teaching, Lee headed the Schechter Institute (first as dean and then as president) from 1987 to 1994. Lee was an active member of the Masorti Movement in Israel and represented it abroad as Director of the Foundation for Masorti Judaism (1986-87) and Vice-Chancellor of Israel Affairs at the Jewish Theological Seminary (1987-94). The honoree has published 12 monographs, 11 edited or coedited volumes, and 180 articles. His scholarship encompasses a broad range of topics relating to ancient Judaism, especially archaeology, rabbinic studies, and Jewish history. Within these disciplines he has dealt with a variety of subfields, including ancient synagogues and liturgy, ancient Jewish art, Galilee, Jerusalem, Hellenism and Judaism, and the historical geography of ancient Palestine. He is one of the first major scholars to draw on and integrate data from all of these fields in order to afford a better understanding of ancient Judaism. The 32 contributions to this volume by 35 authors are a tribute to his influence on this field of study and reflect the broad spectrum of his own interests. The 26 English and 6 Hebrew essays are divided into sections on Hellenism, Christianity, and Judaism; art and archaeology—Jerusalem and Galilee; rabbis; the ancient synagogue; sages and patriarchs; and archaeology, art, and historical geography.

The Wise King Mar 31 2020 An illuminating biography of Alfonso X, the 13th-century philosopher-king whose affinity for Islamic culture left an indelible mark on Western civilization "If I had been present at the Creation," the thirteenth-century Spanish philosopher-king Alfonso X is said to have stated, "Many faults in the universe would have been avoided." Known as *El Sabio*, "the Wise," Alfonso was renowned by friends and enemies alike for his sparkling intellect and extraordinary cultural achievements. In *The Wise King*, celebrated historian Simon R. Doubleday traces the story of the king's life and times, leading us deep into his emotional world and showing how his intense admiration for Spain's rich Islamic culture paved the way for the European Renaissance. In 1252, when Alfonso replaced his more militaristic father on the throne of Castile and Leóthe battle to reconquer Muslim territory on the Iberian Peninsula was raging fiercely. But even as he led his Christian soldiers onto the battlefield, Alfonso was seduced by the glories of Muslim Spain. His engagement with the Arabic-speaking culture of the South shaped his pursuit of astronomy, for which he was famed for centuries, and his profoundly humane vision of the world, which Dante, Petrarch, and later Italian humanists would inherit. A composer of lyric verses, and patron of works on board games, hunting, and the properties of stones, Alfonso is best known today for his *Cantigas de Santa Mari* (Songs of Holy Mary), which offer a remarkable window onto his world. His ongoing struggles as a king and as a man were distilled in art, music, literature, and architecture into something sublime that speaks to us powerfully across the centuries. An intimate biography of the Spanish ruler in whom two cultures converged, *The Wise King* introduces readers to a Renaissance man before his time, whose creative energy in the face of personal turmoil and existential threats to his kingdom would transform the course of Western history.

Study: Rvbs: Proverbs Sep 25 2019 The book of Proverbs helps us master the art of godly living. True wisdom is the ability to see life and the world the way God sees them. The starting point of living wisely and its end goal are an all-embracing relationship with the Lord. In this study, you'll learn about practical, day-to-day wisdom from the book of Proverbs. Discover the book's main themes, background, and connections with Jesus and the New Testament. Gain true insight, a deeper sense of who God is, and the ability to trust in his faithfulness. Sessions: *The Fear of the Lord, Wisdom and Folly, Work and Wealth, What We Say, Justice, Character, Features include: Understanding Hebrew proverbs, Group discussion questions, Life application for today, Proverbs reading plan, Leader's guide, Rose Visual Bible Studies* are packed with full-color visuals that show key information at a glance! With their easy-to-use format—read it, know it, explore it, and live it—these 6-week inductive studies are perfect for gaining a deep insight into God's Word. Book jacket.

Wise Up Nov 19 2021 Every parent and teacher wants to see their children make good choices, grow in wisdom, and learn how to live a God-honoring life. But Christian parents know that teaching good morals isn't enough. Kids (and adults) need gospel power in order to "wise up!" Christians through the centuries have used the book of Proverbs to teach children the godly wisdom needed to navigate their everyday lives. *Wise Up*, by author and family pastor Marty Machowski, is a two-part discipleship resource geared to help children grown in the true wisdom that is only found in Christ. *Wise Up* offers two separate discipleship tools. The first product, a twelve-week curriculum and companion music album is designed to connect the teaching of Proverbs to God's larger story of salvation. Children will learn that Solomon's wisdom, life, and failures all point to "something greater than Solomon"—they point to Jesus. The goal of this curriculum is to present the wisdom of Proverbs against the backdrop of the gospel to show children that real wisdom comes only as we depend on Jesus for daily help and forgiveness. Each lesson includes Bible reading, discussion questions, object lessons, a fun activity, and songs for families from the *Walking with the Wise* music CD by Sovereign Grace music. This curriculum includes three learning levels—preschool and kindergarten (ages 4-6), elementary (ages 6-9), and middle school (ages 10-12). Also available in this series is the companion family devotional, *Wise Up: Ten-Minute Family Devotions in Proverbs*, which will help make learning the truths of Proverbs fun and memorable for the whole family. Each compact session features Bible reading, discussion questions, a fun activity, and a song to keep children engaged in making gospel-motivated good choices. Each wisdom theme in *Wise Up* is carefully and repeatedly connected to the good news of Jesus's life, death, resurrection, and coming return. *Wise Up* moves families beyond the practical wisdom of Proverbs to connect the teaching of Solomon to God's larger story of salvation.

The Way of Power - Studies In The Occult Sep 17 2021 Lily Adams Beck studied the occult knowledge throughout her life and with this books she gives back some of her insights to the reader. What she writes was very visionary at her time, especially when she talks about the other dimensions and planes.
