A Gift of Dragons Aug 09 2020 For more than thirty years, Pern has conjured visions of brave men and women mounted upon the backs of dragons. As anyone knows who has been touched by the storytelling magic of Anne McCaffrey, to read of the exotic world of Pern is to inhabit it—and to experience its extraordinary dragons is to soar aloft with them and share their dazzling adventures. Now, *A Gift of Dragons* brings together three beloved stories and a thrilling new tale of Pern in a single volume illustrated with beautiful artwork by Tom Kidd. In “The Smallest Dragonboy,” Keevan is the youngest dragonrider candidate, determined to impress a dragon when the next clutch of eggs hatches. But what transpires will surprise everyone—Keevan most of all. In “The Girl Who Heard Dragons,” a young girl’s rare ability to communicate with dragons puts her family in danger and will bring her face to face with her greatest fears—and with her most secret desire. The “Runner of Pern” is a girl named Tenna, who follows family tradition by delivering messages—and who will find her destiny on the mossy traces that runners have used for centuries under the dragon-filled sky. And finally, a very special gift: an exciting new Pern adventure, published here for the first time, fresh from the imagination of Anne McCaffrey.

Dragon's Code Jul 20 2021 A new hero emerges in a divided world as one of sci-fi’s most beloved series—Anne McCaffrey’s *Dragonriders of Pern*—relaunches with this original adventure from Anne’s daughter, Gigi McCaffrey. In honor of the fiftieth anniversary of the *Dragonriders of Pern* series, Gigi does her mother proud, adding to the family tradition of spinning unputdownable tales that recount the adventures of the brave inhabitants of a distant planet who battle the pitiless adversary known as Thread. The last time Thread attacked Pern, the world was unprepared for the fight—until the Oldtimers appeared. These courageous dragonriders arrived from the past, traveling four hundred years to help their descendants survive. But the collision of past and present took its toll. While most of the displaced rescuers adapted to their new reality, others could not abide the jarring change and found themselves in soul-crushing exile, where unhappiness and resentment seethed. Piemur, a journeyman harper, also feels displaced, cast adrift by the loss of his spectacular boyhood voice and uncertain of his future. But when the Masterharper of Pern sees promise in the young man and sends him undercover among the exiled Oldtimers, Piemur senses the looming

catastrophe that threatens the balance of power between the Weyrs and Holds of Pern. When the unthinkable happens, Piemur must rise to the challenge to avert disaster and restore honor to the dragons and dragonriders of Pern. Because now, in a world already beset by Thread, another, more insidious danger looms: For the first time in living memory, dragons may be on the verge of fighting dragons.

The White Dragon Apr 16 2021 Volume III of The Dragonriders of Pern®, the influential series by sci-fi/fantasy titan Anne McCaffrey Never in the history of Pern has there been a dragon like Ruth. Unfortunately, Jaxom is also looked down upon by his fellow lords, and by other riders as well. His dreams of joining the dragonriders in defending Pern are dismissed. What else can Jaxom and Ruth do but strike out on their own, pursuing in secret all they are denied? But in doing so, the two friends will find themselves facing a desperate choice—one that will push their bond to the breaking point . . . and threaten the future of Pern itself.

But the gifted tracker discovers that a far more treacherous plot is unfolding. A heartless thief named Tenim has realized there is profit to be made from firestone, the volatile mineral that enables the dragons of

Sure enough, Tenim has a murderous plan to turn tragedy to his own advantage.
